PROCEEDINGS

of the
IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER
of the
NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA
Iowa Corporation

111th Annual Session

July 2-6, 1985
Atlanta Hilton Hotel
Atlanta, Georgia

AFTERNOON SESSION
JULY 2, 1985
THREE-TWENTY O'CLOCK P.M.

The Public Opening Session of the One Hundred Eleventh Imperial Council Session was called to order at three-twenty o'clock p.m., in the Grand Ballroom of the Atlanta Hilton Hotel, Atlanta, Georgia, Noble John Walter, Deputy Imperial Marshal, opening the Session.

NOBLE JOHN WALTER: Will you please come to order.

If we have any Grand Masters sitting in the audience, you are most cordially invited to come forward. We have chairs for you on the stage at the right. Would you do us the honor of coming down now and we will have a seat for you.

Now, ladies and gentlemen, it is my distinct honor and pleasure to present to you the Director General of One Hundred Eleventh Imperial Council Session of the Ancient Arabic Order Nobles of the Mystic Shrine, a member of Yaarab Temple, Atlanta, Georgia, Noble Jim Bracewell.

DIRECTOR GENERAL BRACEWELL: Thank you.

Ladies and gentlemen, in opening the One Hundred Eleventh Imperial Council Session, may I call upon the Yaarab Temple Color Guard to present the Colors, followed by the Shrine Pledge of Allegiance, our three National Anthems by the Yaarab Temple Band and the Invocation by the Imperial Chaplain, F. Vernon Bracewell. Will you please rise.

... The presentation of the Colors by the Yaarab Temple Honor Guard, the Shrine Pledge of Allegiance and the playing of the three National Anthems by the Yaarab Temple Band ensued ...

DIRECTOR GENERAL BRACEWELL: Will you please remove your Fez and I would now like to call on Imperial Chaplain, F. Vernon Bracewell, to bring the Invocation.

NOBLE F. VERNON BRACEWELL [Imperial Chaplain]: Nobles and ladies, let us turn our hearts to God in praise and thanksgiving that he has been so good to us.

Our Father and our God, maker and ruler of the universe, the maker of the world and the fullness thereof, we come humbly before you and ask that you bless this One Hundred Eleventh Imperial Council Session.

Bless those who undertake to do your will in this case. Give them guidance and leadership they need and desire.

We come and ask all of these things in your holy name. Amen.

DIRECTOR GENERAL BRACEWELL: Thank you, Imperial Chaplain Bracewell.

Ladies and gentlemen, it is indeed my privilege and distinct honor to introduce the man being escorted by his brother-in-law, Thomas Hildebrand. He is none other than the Imperial Potentate of the Shrine for North America, from Yaarab Temple, Imperial Sir Gene Bracewell.

... Whereupon, to the playing of "Dixie" by the Yaarab Temple Band, Imperial Sir Gene Bracewell was escorted to the podium by his brother-in-law, Noble Thomas Hildebrand ... (Applause)

DIRECTOR GENERAL BRACEWELL: Imperial Sir, I warmly welcome you with brotherly love to this, the Public Opening of the One Hundred Eleventh Imperial Council Session, the Shrine for North America, and extend to you the badge of your authority, this gavel.

... Applause ensued as the gavel was presented to Imperial Sir Gene Bracewell ...

IMPERIAL POTENTATE BRACEWELL: Thank you, Jim.

Nobles, ladies and distinguished guests: I would certainly like to welcome you to the South and to the great State of Georgia, the beautiful City of Atlanta and, to the Yaarab Band, you certainly sound great and we appreciate it so very, very much.

I am sure my brother will probably afford me the opportunity of making a few remarks at a later time and so if you will make that promise to me, Jim, I will give the gavel back to you. (Laughter)

DIRECTOR GENERAL BRACEWELL: Gene, those were short remarks and I will certainly bow to your wish.

The audience may be seated and I now declare the One Hundred Eleventh Annual Session of the Imperial Council open.

Imperial Sir, Imperial Sirs, Most Worshipful and Right Worshipful Grand Masters, Illustrious Sirs, Distinguished Guests, Nobles, Ladies and Guests:

Before going any further, I would like to at this time recognize the Chairman of this Public Opening, the Chief Rabban of Yaarab Temple, Noble William Carter. Please give him your greetings. (Applause)

As a Noble of Yaarab Temple and Director General of the One Hundred Eleventh Imperial Council Session, may I warmly welcome each of you to this Public Opening. Thank you so much for coming. There are 11,000 members of Yaarab Temple. I wish to extend greetings to you on their behalf as well.

To our Imperial Potentate, Imperial Sir Gene Bracewell, I will everlastingly be indebted for appointing me Director General and selecting Atlanta, the Gateway of the South, as the site for this superb convention.

I remember the many Nobles that I met during the past year and the efforts you have put together, with me, to bring about this wonderful Session.

We are privileged now, today, to have with us on the platform some very distinguished leaders of government, Masonry and the Shrine.

It is with great pleasure that I introduce to you first, for remarks and a welcome, the President of the Atlanta Convention and Visitors' Bureau, Mr. Ted Sprague.

MR. TED SPRAGUE [President, Atlanta Convention and Visitors' Bureau]: I would just like to welcome each of you in behalf of the convention and tourism industry of Atlanta, that employs more than 80,000 people and, boy, are we glad you are here. We want you to keep Atlanta green, spends lots of money. (Applause)

Also, just to let you know how excited we are to have you in our city and state, just before I came here, about thirty minutes ago, a fellow non-Shriner found me and said, "Boy, these Shriners are fantastic. They are everywhere."

We just want to thank you for coming but to make your stay enjoyable, I would just like to give you a few hints; if I could, in relation to some of the things you do not want to miss during your visit to Atlanta.

Now, I know that our Lieutenant Governor will tell you a little bit about the state and so I am going to confine my remarks to Atlanta, Georgia.

Certainly, when you arrived, you saw our magnificent airport. For many of you who flew in here, it is the world's biggest commercial airport. We hope you do not get lost but it is like a city within a city.

Also, we have many magnificent hotels and we truly hope you will enjoy your stay in one

of our great hotels, such as the Atlanta Hilton that you are in today. However, you must also see the hotel that opened yesterday, the new Marriott Marquis. It has approximately a fifty story open atrium, sort of the Star Wars of the hotel industry. You must go by and see that.

Another thing you must take advantage of because it is quite unique in most cities, is our MARTA System—the Metropolitan Atlanta Rapid Transit Authority. It is located in the Peach Tree Center and other parts of town but for sixty cents, you can travel around the City of Atlanta and enjoy such things as Stone Mountain, a magnificent park and, of course, there is lots to see and going on in that magnificent park and, as I say, you can get there by transfer just for sixty cents.

Also, Six Flags is also accessible by MARTA and a transfer.

Also, I know that many of the ladies especially would like to have renowned shopping opportunities and the MARTA system can take you to a renowned shopping area, Lennox Square, a magnificent shopping area.

Perhaps you are interested in the arts or culture. Atlanta's Arts Center is just a couple of stops away on the MARTA system.

We want you to enjoy your stay and, of course, there is much to say and do.

Now, I do not want to go through and review all of the things that you can do and see while you are here but we have our visitor's guide available to you for your enjoyment during your stay. We have a lot to see and do but, essentially we want to show to you our Southern Hospitality.

We are sincerely glad you are here and we believe that when you come back and see us again that we will not have to wait one hundred eleven years to come back. We want you to visit our great city again. You are all welcome.

Thank you very much. (Applause)

DIRECTOR GENERAL BRACEWELL: Thank you, Ted, for being with us today.

Next I have the privilege to present to you the Lieutenant Governor of the State of Georgia, the Honorable Zell Miller.

HONORABLE ZELL MILLER [Lieutenant Governor, Georgia]: Thank you very much.

I am so pleased to represent the State of Georgia today and to say "welcome" to the State of Georgia and the City of Atlanta.

The State of Georgia is one of the original Thirteen Colonies, a state of 5.5 million people, a state that is the largest state east of the Mississippi, the home of the Atlanta Braves, the Atlanta Falcons, the Atlanta Hawks and Scarlett O'Hara and Gene Bracewell (laughter and applause), not necessarily in that order.

We are very proud to be the home state and city of this year's Imperial Potentate of North America. We are pleased to join with Gene in culminating his year of service in this high position by hosting this outstanding convention.

You know, the poet Robert Frost once said that the first thing you have to have in order to have a great place is to have a good piece of geography. We think we have a good piece of geography in Georgia.

We have mountains. In two and a half hours you can be on top of a mountain that is as high as any mountain in the Alps.

We have white water rafting. We have trout streams.

We also have the historic City of Savannah and right in the midst of all these great natural sites, of course, we have the great man-made City of Atlanta and my good friend, Ted Sprague, has already told you about what you can find here.

I want to take just a minute to also say, from the State of Georgia, how much we appreciate what you have done for America's children. Through your efforts, some nineteen orthopedic hospitals and three burns centers have treated almost 300,000 children free of charge over the past sixty-three years. What a momentous achievement that is and thank you very much.

We welcome you to Atlanta. We welcome you to the State of Georgia. We hope you will stay. We hope you will visit Atlanta and we hope you will also go out to other parts of the state and enjoy yourselves.

Thank you very much. (Applause)

DIRECTOR GENERAL BRACEWELL: Thank you, Lieutenant Governor Miller. You honor us with your presence and by taking time from your busy schedule to come and greet us. Both

you and Ted Sprague are welcome to stay for the balance of the ceremonies but if you must leave now, we all certainly understand.

It is now a real pleasure for me to present to you the Potentate of the Host Temple, Yaarab Shrine Temple, Atlanta, Georgia, Illustrious Sir Alton L. White. (Applause)

ILLUSTRIOUS SIR ALTON WHITE [Potentate, Yaarab Temple]: Thank you, Jim.

Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Illustrious Sirs, Fellow Delegates, Ladies and Guests: In behalf of the 11,000 members of Yaarab Temple and its Divan, I want to welcome you to Atlanta as well as Yaarab Temple.

We hope that your stay here will be an enjoyable one.

I want you to know that our Temple is open to you and our members are at your disposal. We want you to enjoy our city, our state and our Temple as well as our Southern Hospitality.

Thank you for coming to Atlanta. (Applause)

DIRECTOR GENERAL BRACEWELL: Thank you, Illustrious Sir.

For the next introduction I am pleased to call upon the Imperial Potentate, Imperial Sir Gene Bracewell.

IMPERIAL POTENTATE BRACEWELL: Thank you, Jim.

At this time, will you join me in giving these Grand Masters a most cordial welcome.

... Rising applause ensued ...

IMPERIAL POTENTATE BRACEWELL: Grand Masters, we are so pleased and delighted to have you with us today and I am particularly pleased to announce, and I am sure that our Grand Master will comment on it again, but we have forty-five Grand Masters here at this One Hundred Eleventh Imperial Council Session. Thank you so very much. (Applause)

Also, let me add that if I mispronounced the name of any one of our Grand Masters that were introduced, it was not my fault—my brother typed it wrong. (Laughter)

If there are any other Grand Masters in the audience, please stand so that you can be properly recognized at this time.

I would now like to introduce other dignitaries that are with us on this stage.

Lieutenant Commander Frank Paul is here today representing the Grand Commander of the Northern Jurisdiction of the Scottish Rite. We are so pleased to have you with us today. (Applause)

I also wish to introduce to you Illustrious A. J. Tullos, Grand Master, Order of the DeMolay. (Applause)

Illustrious Walter H. Winchester, General Grand High Priest, Royal Arch Masons. (Applause)

Sir Knight Ned E. Dull, Most Eminent Grand Master, Grand Encampment of Knights Templar. (Applause)

And now, with great pleasure and high privilege I introduce to you the number one Mason of the Grand Lodge of Georgia, who will speak on behalf of all Grand Masters present—a member of Al Sihah Temple, an exceptionally able leader, my good friend, the Grand Master of Georgia, Most Worshipful Walter W. Thompson, Sr.

... Rising applause ensued ...

MOST WORSHIPFUL WALTER THOMPSON [Grand Master, Georgia]: Imperial Sir, Distinguished Guests, my companions, Grand Masters from other Jurisdictions, Ladies and Nobles:

You know, when I lay the gavel down as Grand Master this year in October and sit down, I will probably be able to look back on this particular occasion and say that it was probably the greatest group of Masons that I have seen at one time. You truly make my motto real, Making Masonry's Light Shine, and I thank you so much. (Applause)

Thirty-five Grand Masters from other Jurisdictions. Is not that wonderful? Let us give them another hand. (Applause)

It is great to have all of you with us, my brethren.

Most of them I know personally because I have visited in many states with some of them and I look forward to our continued cooperation and fellowship in the years to come.

I would like to also comment to you that this year I have seen the greatest cooperation between the Blue Lodge Masons and the appendant bodies of Masonry that I have seen in the many years that I have been associated as a Masonic member. (Applause)

The different Orders have so graciously cooperated in everything, in every endeavor that we have tried to accomplish—Rainbow Girls, DeMolay boys, Order of the Eastern Star, Amaranth, York Rite, Scottish Rite. They are all wonderful people and I tell you that I have not yet seen a dissension among any of them and for that I am truly grateful.

I greet each of you with a most cordial welcome within the power of the Grand Master of some 90,000 Masons in Georgia that I can possibly wish for each of you and I am positive that your and our Imperial Potentate and my brother and friend, Gene Bracewell and the fine Divans of our Temples in Georgia and our Nobles all will attend to your every need. You need but ask.

We have, as a matter of fact, endeavored to think of everything that can make both you

and your lady—if you brought a lady because some of you probably told your wives that they were not supposed to come—but, anyway, we are so pleased that you all came and we are glad that you are here.

The great State of Georgia is your home for now, temporarily and the great City of Atlanta is your residential host. Thank you for being our guests and our friends and our Masonic related brethren, to each of you, I wish the greatest of health, and the greatest of Sessions at this time.

Also, to the incoming Divan, I wish everybody great success.

With regard to Gene, let me say that he has been a great friend. Everything that I have asked him to do concerning relations between the Shrine and the Blue Lodge Masons he has not hesitated one moment in doing and for that, Gene, I am truly grateful and, to all of you, I extend the best of luck and God bless each and every one of you. Thank you so much.

... Rising applause ensued ...

IMPERIAL POTENTATE BRACEWELL: Thank you so very much, Grand Master Thompson. It is indeed a distinct honor to have you with us today.

DIRECTOR GENERAL BRACEWELL: Also, ladies and gentlemen, it is indeed a pleasure to recognize another special person from Yaarab Temple, who is serving as an Imperial appointment as Imperial Parliamentarian, our own Noble Charles Wofford. (Applause)

Ladies and gentlemen, I would now like to present to you the members of the National Board of Trustees and I would ask that you hold your applause until they are all standing.

C. Howard Bozeman, Past Potentate of Kerbala Temple.

Robert J. Turley of Oleika Temple.

George M. Saunders of Ararat Temple, Imperial Recorder Emeritus.

Will you please greet them. (Applause)

It is now my sincere pleasure to introduce to you the Past Imperial Potentates, each of whom has contributed greatly to the growth and success of our beloved Shrine. Please hold your applause until they are all presented.

Now, for the one time that I get to do this, let me say it is a very special privilege for me, an honor and great pleasure to introduce to you the Imperial Officers of the Shrine for North America. Again I ask that you withhold your applause until they have all been presented.

First, a very special man in my life and that of Gene, F. Vernon Bracewell, Yaarab Temple, Imperial Chaplain.

Will you please now recognize this outstanding Imperial Divan. (Applause)

And now, ladies and gentlemen, with high privilege and distinct honor, with a deep sense of love and personal pride, I present to you the number one Shriner in North America, one who has given so much of himself to the Shrine and its philanthropy for so many years—the Imperial Potentate of the Shrine for North America, from Yaarab Temple, Atlanta, Georgia, my brother and our own Gene Bracewell.

... Rising applause ensued ...

IMPERIAL POTENTATE BRACEWELL: Thank you very much.

Should you forget, I will go ahead and take the personal privilege at this time of telling you that I think you have done one fantastic job of organizing and putting together this convention and so I would like to have you give Jim a big hand. (Applause)

Now, I have a very pleasant task that I would like to perform at this time before I conclude with some final remarks.

At this time, will Past Potentate John Nobles please escort our guest to the podium.

... Escorting ensued ...

IMPERIAL POTENTATE BRACEWELL: Ladies and gentlemen, this is Mrs. Joe Murphy, please give her a warm welcome. (Applause)

Also let me say that when I finish with my next few remarks, you are going to give her another welcome I am sure and so listen to what I have to say.

First I want to present a plaque to Mrs. Murphy and it reads:

"Presented to Mrs. Jo Murphy, Vice President of Houston Endowment Foundation, Incorporated. This is given in grateful recognition of the support given to Shriners Hospitals for Crippled Children and for generous interest in the world's greatest philanthropy, the Shrine of North America. To you we extend our sincere appreciation, gratitude and respect for your unselfish contributions."

This is signed by myself as Imperial Potentate and by Richard B. Olfene, Chairman of the Board of Trustees, Shriners Hospitals for Crippled Children.

We are presenting this plaque to Mrs. Jo Murphy. I would like to give you just a little background.

As of January 1, 1985, the Houston Foundation has given to Shriners Hospitals, namely the Galveston Unit, \$4,192,202.50. (Applause) That was as of the first of January of 1985. Since that time they have donated and contributed to our hospital another \$58,000, bringing the total up to \$4,250,202.50 and, certainly, it is a great privilege and pleasure, Mrs. Murphy, to present this plaque to you with our deepest love and affection and certainly our sincere appreciation for the contribution that you have made to Shriners Hospitals for Crippled Children. Thank you very much.

... Plaque presentation and applause ensued ...

MRS. JO MURPHY: You know, in the forty-two years that I have been with Houston Endowment, Incorporated, this is the greatest honor I have ever had and I do want to thank the Shrine for what it does through their great medical center and services and also for the recognition we have received from all of these grants.

We hope that our association with the Shriners will continue to be as it has been in the past and we look forward to your friendship.

Thank you so much for asking me to Atlanta to receive this. This is just one of the greatest experiences and privileges I have ever received. Thank you again. (Applause)

IMPERIAL POTENTATE BRACEWELL: You know, most any remarks I might make at this point in time are kind of useless after such a great thing that they have done for us in relation to our hospitals.

However, Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Distinguished Guests, Nobles and Ladies All: It has been a great year for Katharyn and myself. We have had the opportunity to travel throughout North America and, as I will report at the Session, we have been home less than thirty days since last July 13th. Since we made our first visitation, we have traveled the length and breadth of this great continent of North America, telling the great Shrine Story, talking about Shriners Hospitals for Crippled Children, the Shriners Burns Institutes—talking about our great philanthropy and, at the same time, talking about and preaching unity which again, I might say, I am thrilled with because it is evidenced here so much today by the presence of all of these most Worshipful Grand Masters from throughout the United States.

Now, we did try to set some goals back at the beginning of our administration and we feel like we have been doing something successful—at least we have certainly enjoyed trying.

You know, when I talk of setting goals, it reminds me of a story.

This young lad, fifteen years of age, went to his dad one day and said, "Dad, I am tired of walking. I will soon be sixteen years old in one more year and I want to start riding."

His dad replied, "Well, son, I do not see anything wrong with that, I will buy you an automobile so that you can start riding and stop walking but there are first three things that you must do for me in order to obtain this automobile."

The young lad became excited and said, "Well, Dad, what are they?"

His dad replied, "Well, number one is you must have at least a B average." The young man said, "No trouble, dad, I can handle that."

His dad continued, "Secondly, I want you to read the Bible every day. Just read maybe a few verses each day." To which the young lad replied, "No problem, dad, I will do that."

"Then, the third thing is, son, that I want you to get that hair cut. I am tired of seeing that hair falling down over your shoulders. Get your hair cut."

The young lad replied, "No problem, Dad, I got it."

Well, time passed by very quickly, as we found this year in our activities, and suddenly the young lad is sixteen years old and he walks up to his dad and says, "Dad, I am ready for my automobile—I am tired of walking, want to start riding."

His dad said, "Well, son, let us talk about those three goals that you were asked to attain. First of all, how about your grades?" With this, the son handed his report card to him and it contained all A's and one B. The father said "Son, that is fantastic, you even exceeded what I asked you to do, that is just fantastic. How about the second deal?"

The young boy replied, "Well, Dad, I have been reading the Bible every day. In fact, I went to church with you some six or seven times and you watched me every night reading the Bible." His dad replied, "Well, son, that is right, you have gone to church with me and I have noticed you reading the Bible every night very faithfully."

"Now, as to the third thing—well, wait a moment, you will remember that I said you should get your hair cut and I find it it still hanging over your shoulders and is still very long, what about that?" The boy replied, "Well, wait a moment, Dad, wait a moment. As I said, I have read the Bible and, Dad, I know, as well as you do, that the Bible says that Jesus had long hair, is that not right?" His dad replied, "Well, son, that is absolutely right, Jesus did have long hair. However, as you will also know from reading the Bible, Jesus walked everywhere he went." (Laughter)

Well, I want you to know that the Masons throughout North America and the Shriners and the Scottish Rite are not just walking, we're beginning to run—run towards the goal we have set to obtain for ourselves—not only membership but equality and values that we know are inculcated in our Blue Lodges to start with.

Nobles and ladies, we went to again thank you so very much for attending this Public Opening Session. We again want to welcome you to the great State of Georgia and the City of Atlanta. We hope you enjoy your stay in our fair city.

If there is anything we can do to help you in any way, please do not hesitate to call Jim. (Laughter)

Seriously, if you cannot reach Jim, call us. We are here to serve and help you in any way

possible to make your stay an enjoyable one. If you will do this, I feel as though our Sessions will be both fruitful and enjoyable. They will start tomorrow and the parade starts at nine o'clock.

Again, thank you very much for coming.

I declare this Public Opening Ceremony closed.

... Whereupon, at four-ten o'clock p.m., the Public Opening Ceremony was adjourned . . .

AFTERNOON SESSION
WEDNESDAY, JULY 3, 1985
THREE-TEN O'CLOCK P.M.

The One Hundred Eleventh Annual Session of the Imperial Council was convened at the Atlanta Hilton Hotel, Atlanta, Georgia, on Wednesday afternoon, July 3, 1985, at three-ten o'clock p.m., Imperial Potentate Gene Bracewell presiding.

IMPERIAL POTENTATE BRACEWELL: Will the Representatives please take their seats.

Nobles, if I might have your attention, I would like at this time to again present and introduce to you the Director General for this One Hundred Eleventh Annual Council Session, James Bracewell, for appropriate remarks at the opening of this Session.

DIRECTOR GENERAL BRACEWELL: The most appropriate thing that I can say to open this session is this—welcome, Nobles, we are pleased, very pleased you are meeting with us in Atlanta, the home of Yaarab Temple and on behalf of the 11,000 Nobles of Yaarab Temple, I bid you a fond and warm welcome to Atlanta.

Let me say again how much pleasure it gives us to host this convention for it is a rare opportunity that we have to show you face to face the great love we have for our Fraternity and for our fellow Nobles.

Thank you again for coming to Atlanta. You warm our hearts by your presence and we look forward to having a wonderful convention.

If there is anything whatsoever we can do for you, my office is on the fourth floor. We have people really willing and able to assist you in any manner.

I hope you enjoyed your parade this morning. We think we got it over on time very well. The Marshals did an excellent job, with one small exception, that there was a Temple from one of the Western states and, as you know, we went down the parade route and came to the park and we turned and, as I was in the thirty-sixth floor of the First Atlanta Tower watching them, I found this Temple went around and circled the park some four times, mainly, I guess, to give the impression that they had a large delegation here. (Laughter)

However, we are pleased to welcome that delegation with open hearts and brotherly love and we will let them participate in the night parade also. (Laughter)

Seriously, again, thank you for coming to Atlanta. We love you, we hope you have a wonderful convention. Thank you. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you, Jim, for a job well done.

Now, Nobles and Representatives, you may have already determined and ascertained from what is happening up here thus far that we are going to have some fun at this Session in Atlanta.

At this time, I would like to call on our Imperial Chaplain, my father, F. Vernon Bracewell, to please at this time deliver the Invocation.

IMPERIAL CHAPLAIN VERNON BRACEWELL: Brethren, let us pray:

Our precious wise and all-knowing God, we come in your name to do our business here beginning this afternoon. We ask you to govern us in everything that is said and done.

May the blessings of the Holy Spirit be within this group so that everything will be done in unity and in honor to your name:

Also, before we even complete this meeting, we express our thanks to you well in advance for what you are going to do for us. This is our prayer to you, Heavenly Father, and we make it through your name. Amen.

IMPERIAL POTENTATE BRACEWELL: Nobles, as Imperial Potentate, I declare this One Hundred Eleventh Imperial Council Session, Business Session, open, waiving forms and ceremonies.

—You know, Charlie, you did one whale of a job on this light up here. It went out again. (Laughter) You know, I thought I was having hot flashes there for a moment. (Laughter)

Now, at this time, and this is not on the agenda, but I had been threatened if I did not include it, I would like to recognize the Illustrious Potentate of Medinah Temple, Illustrious Sir Jack F. Caliendo. I believe he has an announcement, a presentation or something of that sort.

ILLUSTRIOUS SIR CALIENDO [Potentate, Medinah Temple]: Thank you.

Imperial Sir, Imperial Sirs and Representatives: In front of the podium here you will see a cannon. This cannon was acquired by Medinah Temple by Past Imperial Potentate Frank Roundy in 1914, by Roundy's Raiders. It was brought to Chicago and kept in good, safe keeping at Medinah Temple. It belonged to Aad Temple up in Minnesota somewhere. We are now bringing it back with a new plaque on it saying—"Presented to Gene Bracewell by Medinah Temple for safe keeping until he can get it back where it belongs. It was taken in 1914." Thank you.

... Laughter and applause ensued ...

IMPERIAL POTENTATE BRACEWELL: Well, I will tell you, I am so appreciative of this. It is very great.

Let me say, Jack, that this cannon was confiscated in 1914 here at the Imperial Session in Atlanta and now you have given it to me and I have to now package it, crate it and transport it back to Minnesota. (Laughter)

Thank you so very much. (Applause)

You are leaving to go back this afternoon, is that correct? (Laughter)

At this time I would like to have a report from the Chairman of the Credentials Committee, Roger Murdock.

NOBLE ROGER MURDOCK: Imperial Sir, Members of the Imperial Divan, Representatives of this Session of the Imperial Council: I will not read all the names but I will give you the total figures and the names will be placed in the files of the Imperial Recorder.

Imperial Sir, this is the report of the Credentials Committee, and I would move for its adoption.

IMPERIAL SIR, MEMBERS OF THE IMPERIAL DIVAN AND REPRESENTATIVES OF THIS SESSION OF THE IMPERIAL COUNCIL:

I will not read all of the names but I will give you the total figures and the names will be placed on file with the Imperial Recorder.

IMPERIAL POTENTATE BRACEWELL: Thank you very much, Roger.

Nobles, you have heard the motion, which has been duly seconded.

All in favor say aye; opposed. It is so carried.

... Business was conducted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE BRACEWELL: Imperial Recorder, I believe you at this time have announcements and report on absentee Officers and Emeriti Representatives of the Imperial Council?

... Whereupon, various announcements by Imperial Sir Jones ensued ...

IMPERIAL SIR JONES: Imperial Sir, that is all I have at this time.

IMPERIAL POTENTATE BRACEWELL: Thank you very much, Jack.

As Imperial Potentate, I now declare the One Hundred Eleventh Imperial Council Session here in Atlanta, open for business to be transacted in the Iowa, Colorado and all appendant charitable corporations and it will remain open until the Session is adjourned.

Now, my fellow Representatives, I am sure that most of you are probably aware of this but if not, we just recently had the untimely death of Sid Schwartz a Past Potentate of Mecca Temple, who served on the Grievances and Appeals Committee. Certainly he was a great servant of the Shrine of North America and we will all miss and recall the great efforts he put forth in helping this organization.

In filling that vacancy, I appointed Past Potentate Warren Upton of Beni Kedem Temple to the Grievances and Appeals Committee. This is a matter of information to the Representatives.

At this time, it gives me a great deal of personal pleasure and privilege to present to you for his appropriate remarks, my Grand Master, the Number One Mason in the State of Georgia, Most Worshipful Grand Master, Most Worshipful Walter W. Thompson.

... Rising applause ensued ...

MOST WORSHIPFUL WALTER THOMPSON [Grand Master, Georgia]: Thank you, my brethren.

Imperial Sir, Imperial Sirs, grand Masters from all of the some forty-five Jurisdictions over which I am well pleased, Nobles and my Brethren all: I may say one or two little things today that I said yesterday but I do not think you will condemn me for saying some of these same things that I said yesterday because they may reach the ears of some who were not here yesterday.

I bring you greetings from the other section of 90,000-some Masons in Georgia and, as I said yesterday, the theme that I have selected for this year is "Let Masonry's Light Shine" and there is no better illustration of that as I look out over the auditorium than in the some 12,000 Masons or Nobles that I saw marching through town, making me further aware of the fact that Masonry's light is really shining in this state and, of course, no Masonic organization does that more effectively than you Nobles of the Shrine, of which I am well pleased to be a member. (Applause)

You know, with our red Fezes and our colorful parades, there is no other public exposure that makes Masonry so obvious to our non-Masonic people in the state or in the nation.

Sometimes our exposure is taken by the non-Masonic public, however, in the wrong manner. They sometimes think, for example, that Shrinedom is the only Masonry and sometimes they make accusations that are sometimes ungrateful about us.

However, you and I know that is not so—that Shrinedom, of course, is foremost in our minds and that is the way it should be. They regard Shrinedom, of course, as the pinnacle of Masonry. They regard Shrinedom as the only Masonry, the very ultimate.

It becomes necessary therefore that we let them know that we are Masons first, Scottish Rite and York Rite Masons second and Shriners third.

Now, while I realize that some non-Masons join our Order of the Blue Lodge Masons merely for the purpose of coming and being a part of this august body, I see absolutely nothing wrong with that, the reason being that in the 460-some Blue Lodges we have in the state, we only have room for some 5,000 or 6,000 to have jobs in Blue Lodge Masonry and

here today I saw 12,000 with little jobs. So if they can advance through the Blue Lodge fast and come on up and be a part of the Shrine, so be it—I am all for it. (Applause)

I said yesterday, and I will say it again and keep on saying it all through the rest of my year, I have seen better cooperation this year among the appendant bodies of Masonry than I have ever seen in the past and for that I am truly grateful. (Applause)

In joining the Shrine so fast sometimes, however, we deprive those people who go through so fast of some of the basic teachings of Masonry and maybe that is the fault of some of our Blue Lodges. We know, for example, that the basic teachings of Masonry can only be learned in some of the lower degrees in the bodies that I mentioned—the Blue Lodge, the York and Scottish Rites—and some of these brethren who rush through these degrees probably, and I say this jokingly, there may be some out there, you know of, that do not even know the number of their Lodge and I hope that is not so. Some may not even know who the Officers of their Lodge are and there may be some who do not know who the Grand Master is. He cannot help that. (Laughter)

However, I am sure that the other states have had the same experience.

The basic teachings of all of our Degrees are found in the lower Degrees, the first three Degrees, the Scottish Rite and the York Rite, and I think probably it may be a good time for Shrine temples to have a good, well informed Brother who will maybe take the time to teach some of the new Shriners something of the basic teachings that they may have passed through in some of the Blue Lodges. This may not be too much of a problem and really might help us do some good because Masonry works down as well as up.

The more you entice the young people of our country with your Shrine and your activities, the more we can get them to the bottom. That is where they have to come from.

You and I both have to get out there and see that Masonry is more exposed than it has been in the past and I personally am getting tired of Masonry's light being in the barrel too long. I want to see it out there shining. (Applause)

I see cooperation everywhere in all of the Rites and I also see cooperation in all of the appendant bodies. Even the ladies are talking more Masonry this year than anywhere I have heard it talked and for that I am grateful also but there is one particular area of concern that I have and I know that there is no one in here responsible for this but it comes back to me that there are some areas of our noble work where there is too much foul language being used; there are areas where God's name is used and I do not think we have any part of this or we need any part of this in our Shrine Ceremonies.

I have received some bad reports and I am certain it is not involved in here but if it is, my Brethren, let us eliminate it—let us stop it completely. I implore all of the Potentates in our state and all other states if they do know of any language used that is not proper in any of our Degrees, to completely eliminate it. It is highly un-Masonic, in my opinion, to degrade the candidate in any way, in our Shrine Ceremonies, with any kind of swearing or profanity and it merely shows the offender is only one who has limited use of proper etiquette and language and we do not need that. Let us get it stopped once and for all.

On the other side of the coin, of course, are the things you and I know about, of the commendable actions of the Shrine in its charitable work in the burns hospitals and crippled childrens hospitals and even the wonderful Clown Units that have so much fun with our young people. These, too, my Brethren, affect the Children and will help them remember, as they grow up, what a wonderful thing it was to be associated with the Shrine and I am sure it will make an impression on their minds in the future and help them to join our Fraternity.

There are more assets than liabilities in being a Shriner or being a Mason. Let us completely eliminate the liabilities, the unnecessary negatives, the unnecessary antics which we do not need to impress a Brother in our Shrinedom activities, and accentuate the positive and carry our beautiful teachings to the non-Masonic world with dignity, with the pride that we so highly deserve so that Shrinedom can remain as a dominant force in our Masonic Family and continue to help Masonry's light shine.

Thank you for allowing me to be here. I appreciate all of you and I especially appreciate the forty-five Grand Masters who saw fit to come to visit us in this great City of Atlanta and State of Georgia.

Thank you very much.

... Rising applause again ensued ...

IMPERIAL POTENTATE BRACEWELL: Thank you, Grand Master. We appreciate those very kind remarks and, you know, Nobles, we have worked very hard to try to make sure that there were no problems here in Atlanta at this Session. The Potentates have had their Units, their automobiles, all lettered, you know. We had a beautiful parade this morning. When we were ready to line up, every one of the Imperial Officers, Trustees and everybody had an automobile with his name on it. We had only one Noble, one Mason that did not have a car and guess who? (Laughter) Yes, Grand Master Thompson. (Laughter) However, the Grand Master was most kind and considerate and he rode in the front seat of my car and I can assure him he will have his own car on Friday night.

Grand Master, we appreciate so very much you being so tolerate this morning and I hope that is the only mistake we will make.

Also, to all of the other Grand Masters, let me say to you that I am delighted to have all of you here. I realize your present seating arrangements at this point but let me say that tomorrow, after the Pageant, when we commence our Business Session, your seats will be moved up so you can see what is taking place and, therefore, at this point, I apologize for any inconveniences you might experience this afternoon.

Now, Nobles, if I might, at this time, I would like to give you a brief report on some of the activities that I have been engaged in during the past year in serving as your Imperial Potentate.

Now, to start this report, I will simply start it with the proper introduction and salutation. Imperial Sirs, Most Worshipful Grand Masters, Illustrious Sirs, Divan Members, My Fellow Representatives and Nobles All:

First of all, needless to say, I do want to say "thank you."

Thank you for affording me the opportunity to serve as your Imperial Potentate for the past twelve months because it has been a tremendous opportunity and privilege for Katharyn and myself to have had the opportunity to serve such a great organization as the Shrine of North America and such a great philanthropic organization as Shriners Hospitals for Crippled and Burned Children.

Katharyn and I have had the most wonderful and enjoyable year anyone could ever hope for and every where we have gone we have met friends and never many strangers.

Nobles, I can assure you it has been not only a very memorable year but a very busy year.

In fact, since we made our first visit to Hadji Temple down in Pensacola, Florida, Katharyn and I have been back home less than thirty days.

We have traveled extensively throughout North America visiting Temples, fund raising activities, Shrine Associations, Grand Lodge meetings and Board meetings.

We have been on planes, trains, boats, motorcycles and horses, to name only a few. As a matter of fact, that is no joke because that happened recently. However, it was fun.

I was also privileged to have the distinct honor and pleasure of participating in the ground breaking ceremonies for the new sixty-bed Orthopedic Unit in Greenville, South Carolina; the ground breaking ceremonies for the new fifty-bed Orthopedic Unit in Lexington, Kentucky; and the dedication of the third spinal cord injury unit at San Francisco; also the remodeled and renovated Erie Unit in Erie, Pennsylvania; the remodeled and renovated Intermountain Unit in Salt Lake City; and, last, but certainly not least, the dedication of the totally reconstructed Los Angeles Unit in Los Angeles, California.

My Fellow Representatives and Nobles, I might add that with all of this travel and all of this fun we had last year, I am pleased as Imperial Potentate to advise you that the travel expenses for the Imperial Potentate are considerably under the amount budgeted. (Applause)

Thank you very much.

Also, one of my main themes this year has been to tell the great Shrine Story wherever I visited and while I am a very practical individual, I can still see no reason why everyone on this great North American continent should not know not only about our great Fraternity, but even moreso about our philanthropy.

How could we ever consider our job completely accomplished if even one crippled child or burned child went without treatment because its parents or guardians were unaware of the help that we as Shriners have to offer?

One of my other themes this year has been to stress Masonic unity. I was very honored

this year to be invited to speak to the Grand Masters at their Annual Grand Masters' Conference. I told them that in the early days, farms and businesses were operated by families—mothers and fathers, aunts and uncles, sisters and brothers, who all banded together to make the farm business successful. Those families that were the closest and worked together with the greatest degree of harmony were the ones that survived and prospered.

Our Masonic Family is no different. To survive we must have harmony. Further, I think we do have harmony and we are getting better and better at it every day and that is evidenced by the forty-five Grand Masters we have here working with the Shrine at this Imperial Session.

I have also had the opportunity to personally visit with some eighteen to twenty Grand Masters during my year in office and I can honestly say that in each case I came away with a feeling and the knowledge that we were all working toward a common goal, and what could be more indicative of this harmony and cooperation than the fact we do have here today some forty-five of our Grand Masters who are in attendance at this One Hundred Eleventh Imperial Council Session. (Applause) I believe this is the greatest number we have ever had and, most certainly, we are delighted.

Also, I would like to thank the Joint Boards, Lew Molnar, Charlie Cumpstone, Paul Ibach and the entire Headquarters staff and all of the committees for their support and help during the past year.

I know that I tend to get into trouble when I start mentioning names and I probably should never have started that but I do want to thank everyone, the Headquarters staff and all of the committees for their great cooperation and service because, believe me, without the committee system which we operate in this organization, we would never be as successful as we are in relation to what we enjoy today.

My Fellow Representatives, the Shrine of North America is on the move and I am extremely pleased and thrilled to be a part of it. I want to thank you for allowing me this opportunity to serve and I want to thank you for the many courtesies and all of the hospitality that has been extended to both Katharyn and myself during the past twelve months.

Also, as I stated to you upon my election in Boston and I will state here again today for the record. It has been my intent as Imperial Potentate to represent and serve as you desire and as our great Fraternity and philanthropy deserves—and I sincerely hope that I have lived up to that expectation.

In closing, I would like to leave you with a parting thought. If you can conceive it and then believe it, then you can achieve it and, believe me, we all can and will achieve it.

Again, Nobles, thank you so very much for having allowed me the pleasure of serving as your Imperial Potentate during the past year.

... Rising applause ensued ...

IMPERIAL POTENTATE BRACEWELL: Again, thank you all so very, very much.

I would also like to note that I am sure each and every one of you has received, at this time, the annual report. We are very pleased with that which was prepared and put together and our congratulations go to the Public Relations Department for an excellent job done in depicting some of the activities of 1984-1985, as well as getting to you vital financial information which you require, desire and need.

I trust that you will like this annual report because I think it is one of the best that was ever done, especially with the Public Relations Department and efforts of Everett Evans as Chairman of the Public Relations Committee. I wish to thank both him and Mike very much for all of their efforts during this past year.

At this time I would like to call on Imperial Sir Peter Val Preda to make the report as Chairman of the Committee on Transactions of Imperial Officers.

PAST IMPERIAL POTENTATE VAL PREDA: To the Representatives of the Imperial Council:

Your Committee on Transactions of Imperial Officers, as required by S.208.7(b) of the Bylaws of the Iowa Corporation, has considered the reports of the Imperial Officers.

We call to your attention that certain reports of the Imperial Potentate, Imperial Treasurer and Imperial Recorder have been prepared in advance. These reports were either mailed to you or were included in the registration envelopes given to all Representatives at the time

they registered for this Annual Session. We find them to be comprehensive, well prepared and in fulfillment of their responsibilities. It is our recommendation that these reports, and all other reports of the Imperial Officers which require action by the Imperial Council, be referred to the Jurisprudence and Laws Committees and any other committee designated for the Imperial Potentate, for consideration and further report to you.

It is a pleasure for this committee to express gratitude and appreciation to our Imperial Potentate, Gene Bracewell, for his dedicated efforts expended throughout the year past in the work of our great Fraternity and the world's greatest philanthropy, Shriners Hospitals for Crippled Children. He and his lovely wife, Katharyn, have never hesitated a moment in giving of their utmost in their visitations to our Shrine Temples, Hospitals and other Masonic organizations. They each deserve the sincere thanks and appreciation of all Nobles for their dedication to Shrine work and ideals. They have endeared themselves to the hearts of all with whom they have come in contact. Their year of service will long be remembered as one in which the image of our Order grew in not only the minds of all of our Nobles but also the public as well.

We, the members of your committee, are pleased to have had the opportunity to serve under such a fine Imperial Potentate and are delighted to make this report to the Representative of this, the One Hundred Eleventh Session of the Imperial Council, and move for its adoption.

Respectfully submitted,
COMMITTEE ON TRANSACTIONS OF
IMPERIAL OFFICERS:

Peter Val Preda
Randolph R. Thomas
Thomas W. Melham
Chester A. Hogan
Orville F. Rush
Richard B. Olfene
Warren Weck
F. T. H'Doubler, Jr.
Jacob Wingerter
Daniel E. Bowers
Jack M. Streight, Q.C.
W. W. Bennett

... The motion was duly seconded, was voted upon and declared to be unanimously carried ...

... Rising applause ensued ...

Imperial Sir, Imperial Sirs and Representatives: The Jurisprudence and Laws Committee will again, as it has in the past Annual Sessions and meetings, report to you on the form of each proposed amendment to the Bylaws and upon such proposals consistent with other provisions of the Bylaws and the Articles of Incorporation of the Iowa Corporation or the Colorado Corporation, as the case may be. Likewise, we will report on resolutions and requests which are before this Imperial Session.

The reports of the Jurisprudence and Laws Committee are not meant to indicate to you that the committee, as such, is either in favor of a proposal or against it. In his capacity as a Representative, each of the members of the committee may have strong feelings as to the merits of a particular proposal and any of us, like you, may wish to participate in the debate concerning one or more of the proposed amendments, resolutions or requests. In doing so, he will speak as an individual Representative and not as a member of the Jurisprudence and Laws Committee.

Again this year, when our committee makes a report to you, it will, at the commencement of the report, refer you to the appropriate page in the Call where the proposal appears so that you can quickly identify the matter. In the event the matter to be discussed is a matter that is contained in your Representative's package, rather than in the Call, we will so alert you.

We are confident that you have already studied the proposals and are prepared to consider them. If you have not done so, we would urge you to do so promptly. Please bring your Call with you to each Session as it contains the proposals. This is especially important during this Session as there is a great deal of legislation before you for consideration.

In most instances, pending proposals, resolutions and requests will be considered in the following order:

1. Report of the Jurisprudence and Laws Committee.
2. Report of any other committee to which the matter is referred.
3. Recognition of the sponsor for his motion to adopt and his explanation of the proposal, if any.
4. Your consideration, debate and action.

The Jurisprudence and Laws Committee will continue the procedure instituted in the last Session and coordinate its efforts with other reporting committees so as to eliminate the repetition of readings of the proposals. In doing this, we will alert you to the fact that such proposal is as shown in the Call or in another committee's report. Should any Representative request, the committee member presenting the report will repeat the full text into the record.

The Jurisprudence and Laws Committee will not ask you to "receive" our report as by the very fact of listening you are "receiving" it. We will, however, answer any inquiries that you may have concerning the report.

We once again solicit the courtesy you have historically shown to your fellow Nobles when it is their turn to speak on a matter under consideration.

Finally, we hope that you will understand that the Jurisprudence and Laws Committee is here to serve you, the Representatives of the Imperial Council. The committee is prepared to answer any questions concerning the legal effect of such proposal and to answer any other appropriate questions in our area of expertise.

Are there any questions about the procedures?

If not, I would just add that as each item on the agenda is called by the Imperial Potentate for presentation by the Jurisprudence and Laws Committee, we would ask that the proposer of the amendment come toward the stage in order that he may be available to move for the adoption of his proposal, answer questions directed to him or make any statement he may deem appropriate.

Thank you, Imperial Sir.

IMPERIAL POTENTATE BRACEWELL: Thank you very much, Walt, for that excellent explanation of procedure that will be used during the handling of the various legislative affairs at this Session.

Now, I would like to call on the Chairman of the Election Tellers Committee, Joe Howell, who will explain the election procedures.

NOBLE JOE HOWELL [Chairman, Election Tellers Committee]: Thank you.

Imperial Sir, Imperial Sirs and Representatives: When you registered, you received an envelope containing ballot books, badges, etc. I want to admonish you to be sure to keep your ballot book with you at all times. When the Imperial Potentate calls for a vote, he will give you the color of the ballot, the number of the ballot to be used. No other ballot will do.

Also, Representatives, if, during balloting, you will stay in your seats, we will be able to take up the ballots much faster and give you a much quicker return. Your cooperation in this matter will be greatly appreciated.

Now, if we have a ballot at the end of the day, we will take it up at the doors but that will be announced. Otherwise they will be taken up in your seats. Thank you very much.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE BRACEWELL: At this time I would like to recognize our Imperial Recorder, Jack Jones, for a motion.

IMPERIAL SIR JONES: Imperial Sir, with your permission, before I make the motion, I would first like to make some announcements.

... Various announcements were made by Imperial Sir Jones at this point ...

IMPERIAL SIR JONES: Imperial Sir, S206.2(a) of the Imperial Bylaws provide that the election of the Imperial Potentate shall be the last order of business on the first day of the Session unless otherwise ordered by the Imperial Council.

Imperial Sir, I move that all Imperial Officers, except for the Imperial Outer Guard position, be elected today so we can commence with the next day's business with the election of the Imperial Outer Guard.

... The motion was severally seconded ...

IMPERIAL POTENTATE BRACEWELL: You have heard the motion duly made and seconded. Is there discussion?

If not, all in favor say aye; opposed no. It is carried and thank you very much, Imperial Sir Jack.

Now, at this time, I would like to proceed with taking care of some legislative matters that are on the agenda and at this time I would like to recognize the Chairman of the Jurisprudence and Laws Committee, Walter Pettit, who will report on the Imperial Potentate's General Orders.

NOBLE WALTER PETTIT: To the Representatives of the Imperial Council:

The Imperial Potentate's General Orders (Series of 1984-85) were issued pursuant to S.206.5(a)(4) of the Bylaws of the Imperial Council, an Iowa Corporation. Copies thereof were mailed to all Representatives upon their issuance. They have been referred to the Jurisprudence and Laws Committee by your adoption of the report of the Committee on Transactions of Imperial Officers.

Your committee reports that such General Orders were lawfully issued and in all respects are consistent with the Articles of Incorporation and the Bylaws of the Iowa Corporation and also that there have been no objections to or appeals from any of such General Orders.

Your committee further reports that the Imperial Potentate's report is in proper and legal

form and that it was submitted in compliance with the Bylaws of the Imperial Council. It, therefore, recommends the approval thereof.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE AND
LAWS

Walter Pettit, Chairman
Robert E. Cooper
Theodore Corsones
Robert C. Lake
Gerald L. Davis
Kenneth D. Siegfried
J. M. Tingle

Imperial Sir, I move that the Imperial Potentate's General Orders (Series of 1984-85) be approved, and I recommend that you allow Deputy Imperial Potentate Walker S. Kisselburgh to conduct the vote as the motion involves your orders.

IMPERIAL POTENTATE BRACEWELL: Thank you very much, Walt. I do reluctantly turn the gavel over to Deputy Imperial Potentate Walker Kisselburgh. (Laughter)

IMPERIAL SIR KISSELBURGH: You know, it is difficult to soar like an eagle when you are meeting with a bunch of turkeys. (Laughter)

Do we have a second to the motion?

. . . The motion was duly seconded . . .

IMPERIAL SIR KISSELBURGH: All in favor please say aye; is there any opposition?

. . . A cry of "no" ensued . . . (Laughter)

IMPERIAL SIR KISSELBURGH: Thank you very much. Please see me afterwards because I do not want to be blamed for anything next year. (Laughter)

The motion is duly carried.

June 30-July 4	1986	Los Angeles, California

CORRESPONDENCE TO IMPERIAL POTENTATE

The Imperial Potentate's schedule is such as to keep him away from his home and office for weeks at a time. For this reason, it is requested that **COPIES OF ALL CORRESPONDENCE SENT DIRECTLY TO HIM BY TEMPLES AND REPRESENTATIVES BE SENT TO THE EXECUTIVE SECRETARY AT THE GENERAL OFFICES IN TAMPA, FLORIDA.**

This practice will assure an expeditious handling of all such correspondence.

Temples are reminded that complaints or correspondence from individual Nobles on Imperial Council or Temple matters must be handled in accordance with Article 38 of Imperial Council Law.

SOLICITATION OF DEMITS

It appearing to the Imperial Potentate that the interests of the Order would be well served by the issuance and observance of the following, IT IS ORDERED:

That the proselytization of members of other Temples by soliciting them to demit from the Temples to which they belong and affiliate with Temples across state lines pursuant to § 328.6(e) is prohibited; and

It shall be the responsibility of the Potentate and the Recorder of any Temple to which such a petition for affiliation is presented to ascertain that the petitioner was not solicited.

CORPORATIONS

The Recorder of each Temple shall send to the General Offices at the close of each calendar year a copy of the audit report (preferably by a C.P.A.) and a copy of the budget report of the succeeding administration of the Temple. This also should be supplied for each and every Corporation under the Temple's control. This includes all the following types of corporations:

1. Temple Corporations and/or Temple Holding Corporations;
2. Shrine Club Corporations and/or Shrine Club Holding Corporations;
3. Any other appendant or affiliated Corporations of his Temple.

ENDOWMENTS—WILLS AND GIFTS

It appearing that the interests of all Temples, the Nobility, and Shriners Hospitals for Crippled Children would be well served by the issuance and observance of the following in connection with Shrine Hospital benefits and gifts, it is ORDERED:

Potentates and Recorders of Temples are directed to immediately notify and send full particulars to the General Counsel's Office in Tampa of all bequests and gifts of which they may obtain knowledge and which have been made to or for the benefit

of Shriners Hospitals for Crippled Children, or designate in some manner crippled children or similar charitable purpose.

Potentates of Temples are further directed to inform all Shrine Clubs to follow this same procedure should the Shrine Club itself be designated in some manner as a conduit for the legacy or gift to Shriners Hospitals for Crippled Children. Such information is necessary in order that full and complete records may be maintained and so that the General Council may take proper steps to protect the interests of our philanthropy.

All Temples and Shrine Clubs should be aware that the only persons with authority to act for Shriners Hospitals for Crippled Children are the officers of that corporation or its duly authorized representatives. Any acceptance of a distribution from an estate or trust in the form of cash or securities and the signing of a Court Receipt by a representative of the Temple or Shrine Club (which is required in each instance) may prejudice the interests of our charitable organization, as such signing constitutes a written release to the executor or trustee. Such Court Receipts, where our charity is referred to in any manner, should only be executed by authorized officers of Shriners Hospitals for Crippled Children.

Potentates and Recorders of Temples are further directed to see that their Temple counsel reviews for accuracy the subject matter of all articles scheduled to appear in Temple publications relating to ways of making charitable gifts to Shriners Hospitals for Crippled Children.

1985 IMPERIAL COUNCIL SESSION

SPECIAL CONVENTION NOTICE

The 1985 Imperial Council Session in Atlanta will not follow traditional day/date format. All convention activities will be held one (1) week-day later than normal. The preliminary schedule indicates convention activities starting on Tuesday, July 2, with the Day Parade on Wednesday, July 3, followed by the Official Opening, with the Night Parade on Friday, July 5. The Imperial Council Session will not close until about Noon on Saturday, July 6.

The 1985 Session of the Imperial Council and the annual meeting of the members of Shriners Hospitals for Crippled Children will be held in the City of Atlanta, Georgia, the week of July 1, 1985. The Director General is Jim Bracewell, 1985 Imperial Council Session, 1771 Tully Circle, Atlanta, Georgia 30329; telephone number (404) 321-3889.

Chief Rabbans of Temples have full authority to make plans for attending this Session with the Units of their Temples, and this includes the authority for making contracts for rooms in the Atlanta area with the Housing Chairman as well as making contracts for transportation incident to this Pilgrimage, provided, however, that such plans have been approved by a vote of the membership of the Temple in accordance with the Temple's bylaws.

The Imperial Potentate desires to bring to the attention of all Temple Officers the following:

HOUSING—Imperial Council Session in Atlanta, Georgia, in accordance with past and present instructions, to enable the Housing Committee of future Imperial Council Sessions to properly negotiate with hotel authorities of the city in which an Imperial Council Session will be held, instructs all Potentates, Recorders, Shrine Associations, and Nobles, to refrain from making housing arrangements for their units through anyone except the Convention Housing Committee — **CONTACT WITH THE CONVENTION HOUSING COMMITTEE MUST NOT BE MADE THROUGH A TRAVEL AGENCY** — and then only after an official announcement by the Imperial Potentate naming the city in which the next Imperial Council Session will be held, with the further direction that any Temple having made arrangements for housing its units in violation of this order is hereby directed to cancel same forthwith. The following order in compliance with the previous directive and expressly confirming the same, is now issued relating to the 1985 Session in Atlanta, Georgia.

Potentates, Recorders, and all other Nobles, are reminded that an Imperial Session

must house (1) Official Imperial Representatives; (2) Uniformed Units; (3) the General Nobility; and (4) the general public—in that order of precedence. The official Representatives are annually paid mileage and per diem to transact the business of the Imperial Session; the Uniformed Units are present to assure the pageantry, music and color so characteristic of the Shrine. Their housing requirements are paramount. Without the Representatives there would be no business transacted to justify the Imperial Session; without the Uniformed Units there would be no parade.

Hotel room assignments at Atlanta are to be obtained through the Housing Chairman. The Chairman of the Housing Committee in Atlanta is Edward P. Fabian, 4313 Harvest Hill Ct., Decatur, Georgia 30034, telephone (404) 987-1583.

The Executive Secretary will handle the assignment of all public meeting space in the Headquarters Hotel, along with the sleeping room assignments for the Representatives and other Temple Officers who are not Representatives, the distinguished guests, and vendors.

The Director General is requested to report to the Imperial Potentate any violations of the above directive. It is hoped that no disciplinary action will be found necessary in the case of any Potentate, Temple or any Noble violating either the spirit or the letter of this order.

RESPONSIBILITY OF POTENTATES

The Potentate of each Temple is reminded of his individual official responsibility for the operation of his Temple in accordance with the Bylaws of the Imperial Council.

IMPERIAL POTENTATE VISITATIONS

It will be the desire of your Imperial Potentate to make as many official visitations as are possible. It will also be his desire to fully co-operate with all Temples requesting visitations. The Temples will understand that it is physically impossible to make every official visitation on the requested date, but every effort will be made to accommodate.

The Imperial Potentate wants you to use his official visit for the best interests of your Temple and Shrinedom. He would like to have a short meeting with the Temple Divan and Representatives who are not members of the Divan.

In preparing a program for the official visit of the Imperial Potentate, it is requested that a complete resumé of your Temple program and what you desire the Imperial Potentate to do, be sent to him (copy to the Executive Secretary) as far in advance as possible. He should be informed at what function you want him to speak and the type of audience he will have: that is, whether Shriners only, Shriners and their ladies, Shriners and Masons and their ladies, or whether he is to talk to the public. This will acquaint him with your plans and also give him the opportunity to advise you on your program.

REQUESTS FOR DISPENSATIONS

IN REQUESTING DISPENSATION FOR CHANGE IN DATE OF STATED MEETINGS OR THE HOLDING OF A CEREMONIAL IN CONCURRENT JURISDICTION, YOUR LETTER SHOULD BE ADDRESSED TO THE IMPERIAL POTENTATE WITH COPY TO THE EXECUTIVE SECRETARY AND BOTH LETTER AND COPY WITH ANY WAIVERS INVOLVED SHOULD BE SENT TO THE EXECUTIVE SECRETARY.

PROPER DISPLAY OF 3 NATIONAL FLAGS

Each Temple of the Order is instructed to provide and display at all Shrine parades and Shrine functions the three National flags under which Shrine Temples chartered by the Imperial Council operate (i.e., United States, Canada and Mexico).

These three National flags should also be properly displayed at all Shrine meetings.

A SPECIAL NOTE FOR COLOR SQUADS**IMPORTANT**

It is noted that some Color Squads dip the Canadian and Mexican flags in salute at the reviewing stand. **THIS IS NOT PROPER.** No National flag is to be dipped at the reviewing stand. Please inform your flag bearers so this disrespect to National flags will be eliminated. All flags, other than National flags, may be dipped.

NATIONAL FLAGS SHOULD NEVER BE DIPPED AT ANY TIME.

Information concerning the proper display of these national flags may be obtained from the Office of the Executive Secretary.

SHRINE PROTOCOL

All Temples are urged to use the provisions of this section of Shrine Law which will be found in the forward pages of your Imperial Council Directory. This is a guide which should be used at all times. It will bring order out of chaos in setting up any Shrine activity, be it parade—meeting—banquet—seating arrangement; or program of any kind. It explains the rank and proper position of officers, organizations, dignitaries, visitors, etc. Please use it and eliminate confusion and embarrassment and hesitation. You can be positive if you study, understand and use this system of protocol adopted by the Imperial Council. If you have any questions, please contact the Executive Secretary at the General Offices. At Shrine activities, Masonic dignitaries are guests. Therefore, protocol requires that the highest ranking Shrine Officer speak last.

IMPORTANT

In order to eliminate problems it is suggested that Chief Rabbans submit their plans and information on their proposed fund-raising and other activities for their administration to the Temple membership at a stated meeting and proceed in accordance with the vote of the membership.

CEREMONIAL SECOND SECTIONS

§ 335.1 of the Bylaws of the Imperial Council states that Shriners shall not "promote or take part in any engagement or enterprise prohibited by the law of the land."

A number of states or provinces have laws commonly referred to as "anti-hazing" laws.

This matter came on regularly for consideration by the Board of Directors at their recent quarterly meeting. The Board unanimously acknowledged that the laws of the land must, at all times, be observed and obeyed.

Therefore, it is hereby ordered that all Temples, Officers, and Nobles scrupulously abide by the laws of their respective jurisdictions. It is possible that these laws might require modification of the "Second Section" of your Temple's ceremonials, and if so, these modifications must be implemented forthwith.

Further, if any Temple, Officer, or Noble has any concern or question concerning the applicability of this Order, that the Potentate or Temple attorney immediately communicate with the General Counsel of the Imperial Council, A.A.O.N.M.S.

TOURS AND CRUISES INSTRUCTION

1. The Potentate of any Temple which intends to sponsor a tour, shall give notice in writing to the Executive Secretary of such intent; and the notice shall include the proposed dates and itinerary of such tour. This provision shall not apply to those

pilgrimages which are limited to Shrine Association Meetings and Imperial Council Sessions, and return.

2. No tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be scheduled for dates which will conflict with the dates of either the Imperial Council Session or the Imperial Potentate's tours and cruises.

3. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be responsible for seeing that such tour is made in strict compliance with all public laws and governmental regulations, including the regulations of the Civil Aeronautics Board.

4. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point within or without the continental United States, shall be responsible for seeing that the promotional material for tours shall clearly state the limits of liability of the carrier and/or its insurer for injury to and loss of life of each passenger, the total for each occurrence, and for damage to or loss of personal property. It is recommended that any disclaimers of liability by the travel agent and/or carrier in the promotional material provided to the public also include (in close proximity) the name of the Temple, Shrine Club or Unit, if applicable.

5. All pilgrimage tours and cruises when sponsored by a Temple or otherwise identified with the Order are "public appearances." Such appearances are not permitted in any place until notice of such appearance has been given to the Potentate of the Temple having jurisdiction of the territory where such public appearance is to be made. The notice hereby required shall be given at least ten days in advance of each public appearance.

6. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that the attorney for the Temple is consulted as to the legality and sufficiency of all contracts and other documents required to be executed with respect to such tour or cruise.

7. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see the fiscal responsibility of the tour agent handling the tour or cruise; and he may satisfy this requirement by either (1) requiring a performance bond of the tour agent if such agent has exclusive control over withdrawals of the tour account or of tour receipts entrusted to his exclusive care, or (2) making provision for the deposit and withdrawal of tour receipts in an escrow account of which he himself has at least partial control.

8. No tour or cruise may be sponsored by any Temple unless the proposal therefor has been first approved by the members of the Temple at a stated meeting after a full and fair disclosure of all terms of the proposal, including the nature and amount of any personal profit or gain to be realized or enjoyed by any member of the Temple. For the purposes of this paragraph, complimentary or reduced fares, hotel accommodations, or other benefits for himself or any member of his family shall be considered to be profit or gain.

9. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that a full and fair accounting of all receipts, disbursements, and profits or losses realized from such tour or cruise be made to his Temple no later than its second slated session next following the conclusion of the tour or cruise; and a copy of such accounting shall be furnished at the same time to the Executive Secretary.

10. Tours and cruises sponsored by Shrine Clubs, Units, or other organizations affiliated with or appendant to any Temple shall be considered as having been sponsored by such Temple and shall be subject to all of the terms and provisions of this General Order.

11. Tours and cruises sponsored by Associations of Temples, national or international Associations of Units, and other organizations not affiliated with or appendant to any Temple shall be subject to all of the terms and provisions of this General Order in the same manner as if they themselves were Temples; and the President or other chief executive officer of any such group which intends to sponsor a tour or

cruise shall have the same responsibilities as those of the Potentate of a Temple which intends to sponsor a tour or cruise.

INSURANCE

In order to assure compliance by all Temples with the provisions of Section 334.2 of Article 34 of the By-Laws of the Iowa Corporation, and it appearing that the interests of the ORDER and the Nobility would be well served by the issuance and observance of the following, it is ORDERED:

1. Insurance Advisory Committee

That each Temple shall appoint an "Insurance Advisory Committee" which shall consist of at least four members, three of whom shall be skilled and knowledgeable in Property and Casualty insurance matters, and the fourth member shall be the Temple Legal Counsel.

2. Duties and Responsibilities

The Insurance Advisory Committee shall have the following duties and responsibilities:

A. Review all Temple, Shrine Club and Unit operations and activities, including fund-raising events of any kind or nature.

B. Review, analyze and, where appropriate, appraise all Temple properties, whether real, personal, or combinations thereof (including properties held by any holding corporations or affiliated corporations operated in conjunction with the Temple), as well as Shrine and/or Unit properties.

C. Review and analyze the current Temple insurance program and all insurance policies owned by the Temple, its Shrine Clubs, Units, and any holding or affiliated corporations, in order to determine the adequacy and the extent of the coverages afforded compared to the evaluation of the operations, activities and values determined necessary by the Committee in the light of the suggested minimum liability limits and recommended coverages as outlined.

D. Annually prepare a written report to the Potentate and Officers of the Temple setting forth their findings with regard to the sufficiency of limits and adequacy of coverage in the insurance program for the Temple activities and exposures known at that time. The report should also include recommendations with regard to insurance coverages or policies necessary to comply with the suggestions outlined in this General Order and to assure adequate protection of the assets of the Temple, its Shrine Clubs and Units, and should also include the best estimates available of the annual cost of the entire insurance program that is recommended.

This Annual report of the Insurance Advisory Committee shall be completed and submitted to the Potentate, and other elected Temple Officers, in sufficient time for it to be used by the Chief Rabban in preparation of the proposed Temple budget for the following year.

Supplements to this report shall be made in writing during the year as events, activities of exposures change, which may require adjustments in insurance coverage to insure proper protection.

A copy of the Annual Insurance Committee report and any supplements thereto shall be sent by the Temple Recorder to the Executive Secretary by March 1, of each year.

3. Named Insureds

In all Casualty and Liability insurance policies written for the Temple and its appendant bodies, the following SHALL be included as additional named insureds, only as respects to the operations and activities covered under its policies: "The Im-

perial Council, A.A.O.N.M.S., an Iowa Corporation, Shriners Hospitals for Crippled Children, a Colorado Corporation and all its affiliated Corporations."

IT IS FURTHER ORDERED that the Potentate of each Temple is charged with the duty and responsibility of personally seeing to compliance with this General Order; and he shall cause to be sent to the Executive Secretary in our Tampa office Certificates of Insurance on all Workers' Compensation and Liability coverages evidencing compliance with this General Order each time such policies of cancellation or material change to the certificateholder.

THE FOLLOWING, WHILE NOT MANDATORY, ARE INCLUDED AS SUGGESTIONS FOR TEMPLE INSURANCE COVERAGES

The Insurance Advisory Committee shall in their ongoing review and analysis of the current and proposed insurance program for the Temple (including Shrine Clubs, Units, holding corporations, appendant or affiliated corporations) consider all Temple and affiliated bodies related activities, operations, and fund-raising events. The Committee shall evaluate the Temple and affiliated bodies Insurance Program under the following suggested insurance guidelines:

Note: A voluntary mass-marketed Property and Casualty insurance program is now available to each Temple and Association. The broad liability coverages (similar to Umbrella coverages) are specifically designed for fraternities such as ours. The requirements of the Imperial Council, A.A.O.N.M.S. are automatically included, and in most cases the premiums are lower because of the bulk discounts for Liability and Property insurance that are applied. Contact the Executive Secretary or the Chairman of the Insurance Committee for further details.

Minimum Liability Limits and Recommended Coverages

A. Comprehensive General Liability insurance, including medical payments for guests and/or members, covering all activities of the Temple, Shrine Clubs, Units, holding corporations, appendant or affiliated corporations and organizations should be purchased with *suggested minimum* Primary limits of \$500,000 per occurrence. Consideration should be given to providing the following coverages:

Liquor Law liability and Host liquor liability insurance covering potential liability related to the sale, consumption, use or dispensing of alcoholic beverages; fire legal liability, including explosion, for real or personal property whether owned or leased; products liability and/or completed operations coverage; blanket contractual liability for all written (oral, if available) agreements; parade and/or spectators liability; carnival show or athletic event liability; etc. Separate policies may also be required for some portions of owned and non-owned watercraft and owned and non-owned aircraft liabilities, and for physical damage insurance on owned items.

B. Comprehensive Automobile liability insurance covering all Shrine activities of the Temple and its Shrine Clubs, Units, holding corporations, appendant or affiliated corporations and organizations should be purchased by the Temple and with *suggested minimum* limits of \$500,000 per occurrence. Coverage should include all Temple exposures for owned vehicles, hired cars or trucks and non-owned vehicles. Physical damage insurance for owned vehicles in order to protect these assets and medical payment coverages should also be considered for purchase.

It is recommended that where Temple Units and Shrine Clubs include Member-owned vehicles used in Temple activities, that certificates of the owner's current liability insurance coverage be permanently on file at the Temple. The decision regarding the minimum amounts of insurance protection required for these Member-owned vehicles rests with the Potentate and/or the Temple, but it is recommended that the highest limits available and economically feasible, up to the Temple's non-owned insurance limit, be secured.

Note: Liability limits in excess of the suggested minimum \$500,000 are recommended in most instances and wherever feasible consideration should be given to

the purchase of "Umbrella" or similar coverages for general and automobile liability, etc., protection.

C. Workers' Compensation insurance, as mandated by your state law, including coverage for both paid employees and "volunteer" workers, is required.

D. "Named peril" (Fire, E.C.E., Theft, etc.) or "All-Risk" property insurance should be purchased on either an "actual cash value" or a "replacement cost" basis to protect the physical assets (building, contents, uniforms, etc.) of the Temple, Shrine Club(s) and Units.

E. Fidelity insurance for those persons holding Temple funds or property in trust (including Shrine Clubs and Units) must be purchased in amounts sufficient to cover the immediate and long-term exposures where applicable. Fidelity insurance for others, payable in your favor, should always be considered necessary when those outside the Shrine have access to funds for which you are or could be held accountable.

F. Boiler and Machinery coverage, both for physical damage and legal liability, should be purchased if any exposures exist.

G. Any other insurance coverages warranted by the operations and activities of the Temple, Shrine Clubs and its Units, should be considered for purchase (i.e., medical expense reimbursement insurance for participants, livestock mortality coverages, etc.).

SPECIAL PURPOSE FUNDS

Inasmuch as Shriners Hospitals for Crippled Children are the primary charitable concern of the Order, it is necessary that the Imperial Council exert every effort to insure that Shriners Hospitals for Crippled Children are financially stable and have adequate funding for operational needs. The reports of the Special Purpose Funds Committee have indicated to the Imperial Potentate and the Board of Directors that some Temples, either directly or through special purpose funds, have accumulated funds and assets which are in excess of amounts reasonably needed for transportation of patients and could be better utilized for our orthopedic hospitals and burns institutes if they were administered together with other endowment funds and accounts of Shriners Hospitals for Crippled Children.

It therefore appearing that the interests of the Order would be well served by the issuance and observance of the following. IT IS ORDERED:

1. Neither the Temples nor their Shrine Clubs, nor their Units, nor their membership shall solicit charitable gifts or bequests for any purposes, organizations, or charities other than Shriners Hospitals for Crippled Children; except only that, with the prior written consent of the Board of Directors of the Iowa Corporation, a Temple may maintain a fund for transportation of patients, purchase of braces and prostheses, or like purposes, subject to the following provisions of this General Order.
2. All receipts, disbursements, funds and assets related to charitable activities shall be clearly designated and classified as such in the books of account of all Temples, Temple affiliated corporations, Shrine Clubs, Uniformed Units, committees, boards, or other entities subject to the supervision or control of any Temple; and such books of accounts shall be audited annually in a manner consistent with the requirements of Section 334.5 of the Bylaws of the Imperial Council.
3. The custody and administration of all charitable funds and assets under the control of any Temple, including those of Temple-affiliated corporations, Shrine Clubs, Uniformed Units, committees, boards and other entities subject to the supervision or control of any Temple, shall be the responsibility of the same Temple Officers, committees, or boards who are charged with the custody and administration of the general funds of the Temple.
4. Any Temple may be required by the Imperial Potentate to show cause why any part of its charitable funds or assets not reasonably needed for purposes permitted under Paragraph 1 hereof should not be transferred to Shriners

Hospitals for Crippled Children; and the Board of Directors of the Iowa Corporation shall have the power to require the transfer to Shriners Hospitals for Crippled Children of any such charitable funds or assets not reasonably needed for the purposes permitted under Paragraph 1 hereof after the Temple has been given a reasonable opportunity to be heard by the Board of Directors or by a committee thereof with respect to the matter.

5. Upon written request to and written authorization by the Imperial Potentate and the Chairman of the Board of Trustees of Shriners Hospitals for Crippled Children, up to one-half ($\frac{1}{2}$) of the net profits of a designated fund-raising activity may be held by a Temple to be used exclusively for transportation, food, lodging or other related expenses directly involving the transportation of a patient and/or parent or guardian to or from a Shriners Hospital for crippled or burned children sponsored by the Temple or one of its members. Such retained funds shall be maintained in a separate account designated as the "Hospital Transportation Fund." The aggregate amount of the "Hospital Transportation Fund" shall not exceed twice the amount of the expenditures made from such fund during the preceding year; and any sums in excess of that shall be turned over to Shriners Hospitals for Crippled Children. If for any reason the "Hospital Transportation Fund" should terminate, any and all balances in the Fund revert to Shriners Hospitals for Crippled Children.
6. In the event a Temple is experiencing an undue hardship in meeting the expenses enumerated in paragraph 5, its written request should so specify. When such a request is received, the Imperial Potentate and the chairman of the Board of Trustees may refer the request to the Special Purpose Funds Committee for review and appropriate action, if any. After review and examination of all the circumstances, this committee shall, when it makes a finding of undue hardship, refer the matter to the Board of Directors. The Board, if it deems it appropriate, may authorize the temple to retain a percentage in excess of 50% of the net profits of a designated fund-raising activity, solely for the uses enumerated in paragraph 5. This authorization shall apply only to a specific fund-raising event or activity, and that event or activity can have a duration of no longer than one year.
7. Prior to the granting of authorization to retain funds from fund-raising events, as outlined under paragraph 5 hereof, the Temple must submit its request therefor in writing and must attach to the request:
 - a. Audited statements of its transportation fund for the past three (3) years, such statements to include a statement of receipts and disbursements and balance sheet as of the date of the last audit.
 - b. A statement of all income and disbursements since the last audited statement and a current balance sheet.
8. No permission will be given for the retention of funds or for the use of the name Shriners Hospitals for Crippled Children or any fund-raising event if any activity report for a previous fund-raising event authorized to be held by the Temple or any of its Shrine Clubs or Units is remaining outstanding for more than 120 days after the event was held at the time the request is made.

FINANCIAL REPORTING ON CHARITABLE FUNDS AND ACTIVITIES

Within thirty (30) days after the date of this General Order, if you have not already done so, a statement of the financial condition of every charitable fund, § 501(c)(3) corporation; and charitable fund-raising activity sponsored by or related to each Temple shall be furnished to the Imperial Recorder by the Potentate.

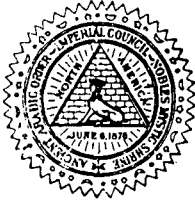

The statement shall show all assets, liabilities, and the net worth or fund balance as of December 31, 1983, and shall be accompanied by a statement of operations showing all receipts and disbursements for the calendar year 1983.

The statement or statements of each Temple shall be accompanied by a certificate of the Potentate to the effect that: (1) each of the statements is true and correct;

THE IMPERIAL COUNCIL

(2) the Temple exercises control over each of such funds, corporations, and other activities; and (3) there are no charitable funds, corporations, or activities sponsored by or related to the Temple other than those for which statements are submitted.

Given under our hands and the seal of the Imperial Council this First day of September, A.D., 1984, and of the Order A.H. 1404.

THE IMPERIAL COUNCIL*of the***Ancient Arabic Order of the****Nobles of the Mystic Shrine****for North America****(An Iowa Corporation)****GENERAL ORDER No. 2**
SERIES OF 1984-1985**OFFICE OF THE IMPERIAL POTENTATE**
JUNE 1, 1985, TAMPA, FLORIDA**CALL FOR THE ANNUAL SESSION OF 1985***To the Representatives of the Imperial Council, Potentates, elected Officers
of the Subordinate Temples, and the Nobility of the Order:***"ES SELAMU ALEIKUM"**

You and each of you are hereby notified that the One Hundred Eleventh Annual Session of the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America will be held in Atlanta, Georgia, over the dates of July 3, 4, 5 & 6, 1985. The PUBLIC OPENING Session will be held in the GRAND BALLROOM of the ATLANTA HILTON HOTEL at 3:00 P.M. on Tuesday, July 2, 1985. The OFFICIAL OPENING Session will be held in the GRAND BALLROOM of the ATLANTA HILTON HOTEL at 3:00 P.M. on Wednesday, July 3, 1985. After opening day, the meeting schedule will be determined each day by the Imperial Potentate or the Imperial Council. The Imperial Potentate is calling this session as a four-day session, and each Representative attending will receive per diem for four days (i.e., Wednesday, Thursday, Friday and Saturday).

REPRESENTATIVES' HEADQUARTERS HOTELS

Representatives' headquarters hotels are the ATLANTA HILTON HOTEL and the WESTIN PEACHTREE PLAZA. The Imperial Council Sessions will be held in the GRAND BALLROOM of the ATLANTA HILTON HOTEL, and all Imperial Council Committee meetings will be held in the ATLANTA HILTON HOTEL as detailed in this General Order.

THE OFFICES OF THE EXECUTIVE DIRECTOR FOR FRATERNAL AFFAIRS AND EXECUTIVE VICE PRESIDENT-SHRINERS HOSPITALS WILL BE IN THE CABINET/COUNCIL ROOMS, which are located on the 4th floor of the ATLANTA HILTON HOTEL, and the Office of the GENERAL COUNSEL will be in ROOM 436 which is on the same floor of the same hotel.

REGISTRATION

Registration for the REPRESENTATIVES will be in Section "E" of the GRAND SALON on the 2nd floor of the Atlanta Hilton on Sunday, June 30th and Monday, July 1st. On Tuesday, and Wednesday, July 2nd and 3rd, it will be in the Pre-Function Foyer outside of the "E" Section of the Grand Salon—the hours will be as follows:

Sunday, June 30, 1985	Noon-5:00 P.M.
Monday, July 1, 1985	9:00 A.M.-5:00 P.M.
Tuesday, July 2, 1985	9:00 A.M.-5:00 P.M.
Wednesday, July 3, 1985	7:00 A.M.-12:00 Noon

It is suggested that it would simplify the details of registration if the Representatives of the various Temples would arrange to register at the same time, if this can be done conveniently.

Attention is called to the fact that each Representative in coming to the Imperial Council Session should not overlook his CREDENTIAL CARD, his CURRENT DUES CARD, and his HOTEL ASSIGNMENT CONFIRMATION. If he contemplates using his Directory at the meeting, he should not neglect to bring his individual copy.

IMPORTANT: In order to register for the 1985 Imperial Council Session and receive your Mileage and Per Diem payments, you must bring your completed "mileage reimbursement payment form" and your ORIGINAL return airline tickets and present them to the SPECIAL REGISTRARS who will be working the above hours, and in the same room. After you have completed your work with the SPECIAL REGISTRARS, you may proceed to the regular registration desk for your badge and registration packet. PLEASE NOTE—YOUR RECORDER CANNOT REGISTER FOR YOU—EACH REPRESENTATIVE MUST REGISTER IN PERSON IN ORDER TO RECEIVE MILEAGE AND PER DIEM.

NOTE: Each Representative will receive a ticket book including, among others, Exchange Coupons for the Imperial Potentate's Evening and the Representatives' Ladies Luncheon. These coupons must be EXCHANGED for actual tickets to the two events at the Exchange Desk which will be located in the Cloak Room in the PRE-REGISTRATION FOYER on the 2nd Floor of the Atlanta Hilton. The tickets will be numbered and will be assigned on a first-come, first-serve basis. If you want all of the Representatives from your Temple sitting together, you will have to exchange your tickets all at one time. The Committee on Necrology is dependent on the cooperation of the Recorders for this information.

ARTICLE 3, SECTION 203.4 EMERITI REPRESENTATIVES

"Upon the recommendation of the Committee on Emeriti Representatives and by a majority vote of the Representatives registered at any session, the Imperial Council may elect as an Emeritus Representative any Noble who is a Representative to that session and who has been a Representative for at least 15 years, including that session."

The Executive Director shall be notified of any Representative who qualifies, not later than June 7, 1985.

NOTICE TO POTENTATES AND RECORDERS

In order to expedite the preparation of the necessary reports to the Imperial Council, it would be a great accommodation if the Potentates and Recorders would forward any changes in Representatives so as to reach the Tampa office on or before June 7, 1985.

With reference to the matter of appointing Representatives, PLEASE NOTE THAT SECTION 325.14 OF ARTICLE 25 STATES "IF THE VACANCY IS IN THE OFFICE OF AN ELECTED REPRESENTATIVE, AND TIME IS NOT SUFFICIENT TO CALL A SPECIAL ELECTION, THE POTENTATE SHALL APPOINT A REPRESENTATIVE, AND NOTICE OF THE APPOINTMENT, BY LETTER OR TELEGRAM, MUST REACH THE IMPERIAL RECORDER'S

OFFICE BEFORE 9:00 A.M. ON THE 5TH DAY PRECEDING THE NEXT OPENING SESSION OF THE IMPERIAL COUNCIL, IN ORDER TO QUALIFY THE REPRESENTATIVE." THIS MEANS THAT SUCH APPOINTMENT MUST BE RECEIVED BY THE IMPERIAL RECORDER ON OR BEFORE 9:00 A.M. ON FRIDAY, JUNE 28, 1985.

PAGEANT FOR NEWLY ELECTED IMPERIAL POTENTATE

The Pageant for the newly elected Imperial Potentate will take place in the GRAND BALLROOM of the ATLANTA HILTON HOTEL, on Thursday, July 4th, at 9:00 A.M. All Nobles, their ladies, and friends are invited to attend and honor our newly elected Imperial Potentate.

ROLL CALL

The Imperial Potentate advises there MAY be a roll call of Representatives at any time during the session of the Imperial Council.

Section 205.2 of Shrine law states "Each Representative who attends a Session of the Imperial Council shall be paid per diem. . . ."

Please take due notice and maintain constant attendance at all business sessions of the Imperial Council. Mileage and Per Diem are paid for this purpose.

SPECIAL NOTICE

BE SURE TO CARRY YOUR BALLOT BOOK AT ALL TIMES

There have been occasions when members of Committees of the Imperial Council have informed interested Nobles of the results or probable results of a committee's consideration of a particular meeting. Embarrassing situations have resulted.

I refer you to Section 208.8 of the Imperial Council by-laws which states "All Committee reports shall be made in writing to the Imperial Council or to the Imperial Potentate as may be appropriate under the circumstances. Probable committee action or recommendations with respect to pending matters may not be disclosed to or discussed with persons not members of the Committee, except with express permission of the committee."

The strict observance of this request will make for more efficient functioning by the Committees with respect to the matters referred to them in the carrying out of their important assignments.

1
I. Sewell Lamdin, Past Potentate and Emeritus Representative of Boumi Temple, proposes the following:

Amend §101.9 of Article 1 of the bylaws of the Iowa corporation by adding certain language so that such section, as amended, will read as follows, with new language italicized.

(a) For violation of Shrine law or for conduct unbecoming a Noble of the Mystic Shrine, a Noble may be suspended for a definite period of time or indefinitely, or he may be expelled as provided in §206.5(a)(11) and in Article 30 of Part III. Suspension of a Noble by the Imperial Potentate does not preclude discipline by his temple.

(b) *Any such action against a Noble must be initiated within one year of the date of the incident or within one year from the date the incident is or reasonably should have been discovered, whichever occurs later.*

Robert H. Bailey, Past Potentate and a Representative of Kerbela Temple, proposes the following:

Amend §203.2 of Article 3 of the bylaws of the Iowa Corporation, by adding certain language so that such section, as amended, will read as follows, with new language italicized.

ARTICLE 3
Representatives

§203.2 Representatives ad vitam. All past Imperial officers and Trustees Emeriti of Shriners Hospitals for Crippled Children are Representatives ad vitam.

Robert H. Bailey, Past Potentate and a Representative of Kerbela Temple, proposes the following:

Amend §203.3 of Article 3 of the bylaws of the Iowa Corporation, by adding certain language so that such section, as amended, will read as follows, with new language italicized.

In such event, each Temple involved may submit the facts and pertinent information concerning the application for waiver and the denial, and any other information requested by the committee, in writing to the committee. The committee shall then determine the issue solely on the submitted information. If it determines that good cause exists for the granting of the application for waiver it shall issue its decision accordingly and such decision shall have the force and effect of a waiver.

(2) Failure to Grant Waiver to Affiliate. A Noble who is denied a waiver by a Temple to affiliate with another Temple under §328.8 may have his denial appealed to the Grievances and Appeals Committee by the Temple to which he seeks to affiliate. In such event, each Temple involved may submit the facts and pertinent information concerning the request for consent or application for waiver and the denial, and any other information requested by the committee, in writing to the committee. The Board of Directors of the Iowa Corporation, all of whom are Representatives, propose the following:

ARTICLE 30

Discipline by Temple

§330.1 Jurisdiction. A Noble is subject to discipline by the Temple of which he is a member, or by the Temple within whose jurisdiction he resides, for conduct unbecoming a Noble of the Mystic Shrine *or for violation of Shrine Law.*

§330.2 *Fair Play and Substantial Justice. This Article is intended to provide the guidelines for the determination of whether an accused Noble should be disciplined, the extent of such discipline if appropriate and to assure fair play and substantial justice as these concepts are understood and practiced in North America, particularly within the jurisdiction of the Temple involved. In all matters involving this Article, including but not limited to its administration; selection of the administrator, the grievance committee and the trial committee; pretrial and post-trial procedures; the determination of the discipline to be imposed, and; appeal procedures, traditional concepts of fair play and justice shall be adhered to without fail. To this end the Temple shall cooperate fully with the administrator, the complaining Noble, the accused Noble, the grievance committee and the trial committee. All Temple records concerning the complaint or charges shall be made available to the foregoing for copying.*

§330.3 *Interpretations. The Imperial Jurisprudence and Laws Committee shall render written opinions, interpretations and recommendations as the need may occur from time to time to the complaining Noble, the accused Noble, the Temple, the administrator, the grievance committee and the trial committee to assure compliance with the letter and spirit of this Article. A copy of such opinions shall be promptly provided to all concerned. No other Imperial officers, committee members or employee shall render written or oral opinions or discuss the case with the complaining Noble, the Temple, the administrator, the grievance committee, the trial committee or with anyone representing them.*

§330.4 *Definitions. In addition to the definitions set forth in Article 1, §101.3, the following terms are defined for the purposes of this Article:*

(a) "Complaining Noble" means the Noble or Nobles who file a complaint with the Potentate of a Temple pursuant to the Article.

(b) "Complaint" means a written signed statement in clear and concise language stating the nature and character of all of the reasons a complaining Noble asserts that the accused Noble is guilty of conduct unbecoming a Noble of the Mystic Shrine *or for violation of Shrine Law.*

(c) "Accused Noble" means the Noble or Nobles against whom a complaint is filed.

(d) "*Grievance Committee*" means a committee of five (5) Nobles who are not interested in the controversy.

(e) "*Trial Committee*" means a committee of nine (9) Nobles who are not interested in the controversy, five (5) of whom try the charges brought against the accused Noble.

(f) "*Charges*" means a written signed statement in plain and concise language apprising the accused Noble of the nature and character of the offense or offenses being brought by and on behalf of the Temple.

(g) "*Administrator*" means the Noble charged with the administration of this Article who is not interested in the controversy.

(h) "*Prosecutor*" means the Noble who shall see to it that the Temple is properly represented at the trial of the accused Noble before the trial committee and at the determination of disciplinary action, if any.

(i) "*Interested in the controversy*" means: having direct knowledge of the factual matters set forth in the complaint or charges; being acquainted with or related to the complaining Noble, the accused Noble or any witness; having a political or other personal interest in the outcome of the controversy; or having any prejudice in any manner whatsoever regarding the controversy.

(j) "*Notice, notify, provide, deliver or file*" means to mail a copy of the document in question to the last known address of the Noble involved or to deliver the document to the Noble in person. Unless a greater time is specifically allowed, this should be done immediately.

§330.5 Procedure. Proceedings for the discipline of any Noble by a Temple are as follows:

(a) Before trial.

(1) Any Noble complaining against another Noble must deliver a copy of the complaint [of conduct unbecoming a Noble must state the nature and character thereof in writing, sign the complaint and deliver it] to the Potentate of the Temple and the accused Noble.

(2) Within seven (7) days [Immediately] upon receipt of a complaint it is the duty of the Potentate to notify in writing the complaining Noble and the accused Noble that if either object to the Potentate acting as the administrator of Article 30, they have seven (7) days to notify the Potentate and each other in writing of the fact they object. If either the complaining Noble or the accused Noble timely files such an objection to the Potentate acting as the administrator of the Article 30, then within seven (7) days of the objection the complaining Noble and the accused Noble shall designate, and deliver the name in writing to the Potentate, one Noble to represent the complaining Noble and one Noble to represent the accused Noble respectively for the purpose of selecting a Noble who is not interested in the controversy as administrator. Within seven (7) days of such designation the Potentate shall hold a meeting with the two designated Nobles. It is the duty of the two designated Nobles with the cooperation of the Potentate to agree upon an administrator who is not interested in the controversy. If neither the complaining Noble nor the accused Noble object to the Potentate so acting and the Potentate is not interested in the controversy, then the Potentate shall act as the administrator for this Article. The Temple shall cooperate fully with the administrator concerning his duties including making membership records available for reference in making his appointments. Within seven (7) days of his selection it is the duty of the administrator to appoint a grievance committee of 5 members of the Temple not interested in the controversy, giving preference to Past Potentates, whose duty it is to thoroughly investigate the Complaint. The complaining Noble and the accused Noble shall be afforded an opportunity to be heard before the grievance committee. The administrator shall advise and cooperate with the grievance committee regarding the fulfillment of its duties. The committee by majority vote must determine whether there is probable cause for believing an offense has been committed, and shall report to the administrator [Potentate]. The report must be made within 60 days after appointment of the committee, be in writing and copies shall be delivered to the complaining Noble and the accused Noble.

(3) *Within seven (7) days* [Immediately] upon the receipt of a report from the grievance committee finding probable cause, it is the duty of the *administrator* [Potentate] to refer the matter to the Assistant Rabban, or, if he is disqualified from acting, to any other Noble of the Temple designated by the *administrator* [Potentate] to serve as alternate, and it is the duty of the Assistant Rabban, or of the alternate, to cause formal written charges to be preferred in the name of the Temple against the *accused* [offending] Noble. The charges, in plain and concise language, must apprise the *accused* [offending] Noble of the offense charged, and when signed by the Assistant Rabban, or the alternate, shall be filed with the Recorder of the Temple, *and a copy shall be delivered to the administrator, the complaining Noble and the accused Noble.*

(4) *Within seven (7) days* [Immediately] upon the filing of the charges, it is the duty of the *administrator* [Potentate] to appoint a trial committee of 9 [impartial] Nobles of the Temple, *none of whom shall be interested in the controversy*, and to designate a date for the hearing of the charges before the committee, which shall be not less than 30 [15] nor more than 90 [20] days from the date of the selection of the Trial Committee. *The administrator may for good cause postpone the trial to a subsequent date and shall do so if the Temple and the accused agree to another date. The names of the trial committee shall be provided to the complaining Noble, the accused Noble and the Temple. Neither the complaining Noble, the accused Noble, the Temple nor anyone representing them shall make any contact whatsoever with the trial committee or vice versa regarding the case. All contact shall be by or through the administrator.*

(5) In any officer named in this section either files the complaint, is himself the accused Noble, is related by blood or marriage to the *complaining Noble* [who files the complaint] or the accused *Noble*, or is in any way interested in the controversy, he shall be disqualified to act hereunder. No member of the grievance committee and no member of the trial committee may be a relative of the *complaining Noble* [filing the charges], the accused *Noble* or any witness, nor in any way interested in the controversy. If a member of either committee is disqualified, it is the duty of the *administrator* [Potentate] to fill the vacancy with a disinterested Noble.

(6) Unless an officer or a Noble is disqualified under the provisions of (5), or excused by the *administrator* [Potentate] he is subject to discipline for refusing to serve. *Any Noble who violates the provisions of this Article is subject to discipline for so doing.*

(7) In the event the Potentate is the *administrator* and is disqualified under (5), or for good cause disqualifies himself, the Chief Rabban acts in his stead; and, if any other officer is disqualified, the Potentate shall appoint another officer or Noble to act in his stead. *If the Potentate is disqualified hereunder, the complaining Noble or the accused Noble may object to the Chief Rabban or other Noble appointed by the Potentate acting as the administrator pursuant to the provision of §330.4 (a) (2) above.*

(8) It is the duty of the Recorder of the Temple to cause to be served upon the accused Noble a certified copy of the charges, together with a notice apprising the accused *Noble* of the time and place of the trial. Service shall be in person by a Noble, or by certified mail, addressed to the last known address of the accused Noble. The affidavit of the Noble making service, or of the Recorder of the mailing is prima facie evidence of the service of the notice and charges upon the accused Noble.

(9) It is the duty of the Assistant Rabban or the alternate, in the name of the Temple, to prosecute the charges, and the Temple may have the assistance of counsel in the presentation of the charges, provided the counsel is a Noble. The accused Noble also shall have the right of counsel, provided the counsel is a Noble. *The administrator shall have the right to special counsel, provided the council is a Noble, to advise and represent him in the execution of his duties in this Article. If the administrator elects to retain such counsel it shall be at the expense of the Temple, but shall not be the same counsel who assists the Temple in the presentation of the charges.*

(10) The accused *Noble* may file written answer to the charges at least 10 [5] days prior to the time set for the hearing.

(b) Trial.

(1) Upon the date set for hearing, the *prosecutor* [*Noble* prosecuting] on behalf of the Temple may excuse 2 of the committee chosen by the *administrator* [Potentate], and the accused *Noble* has the right to excuse 2 of the committee leaving a trial committee of 5. If the accused *Noble* or the *prosecutor* [*Noble* prosecuting on behalf of the Temple] fails or refuses to exercise his challenges, then the trial committee of 5 shall be chosen by lot. *Prior to exercising these challenges, both the accused Noble and the prosecutor shall have the right to inquire of the Trial Committee and to challenge any Noble for cause. Cause shall consist of showing that the Noble in question is interested in the controversy or showing any reason recognized in the jurisdiction of the Temple involved for challenging a member of a jury under the laws of that state. The administrator shall rule on all challenges. The administrator shall immediately appoint a substitute trial committee member for any Noble excused for cause.*

(2) The trial committee selects one of its members as chairman, who administers the oath to all witnesses who are Nobles upon their honor as Nobles. All witnesses who are not Nobles shall be sworn by any officer qualified to administer oaths.

(3) Both the Temple and the accused *Noble* have the right to summon witnesses, and disobedience of a summons subjects an offending Noble to discipline.

(4) The testimony of all witnesses shall be taken by a competent stenographer, so that it may be preserved.

(5) Either the Temple or the accused *Noble*, may take depositions of witnesses who cannot attend the trial, provided reasonable notice of the time and place of the taking thereof is given the opposite party. *The accused Noble and the Temple shall provide each other with copies of all documents that are used at the trial at least ten (10) days prior to the trial.*

(6) Any Noble of the Temple is permitted to attend the trial before the trial committee, but the deliberations of the committee upon guilt or innocence and fixing punishment are secret. *All deliberations must be in person and not by telephone, poll or other method of communication.*

(7) The trial committee hears the evidence adduced on behalf of the Temple and the accused *Noble*, and the arguments of counsel, and then proceeds with its deliberations, and ascertains the guilt or innocence of the accused *Noble*. If the committee finds the accused *Noble* guilty, it shall fix the punishment, which may be either reprimand, expulsion, suspension for an indefinite period, or suspension for a definite period. *The Temple and the accused Noble shall be given an opportunity to present matters concerning punishment prior to its determination by the trial committee.*

(8) A majority vote of the committee upon the question of guilt and upon the fixing of the punishment shall be required. The report of the trial committee must be signed by the entire committee.

(9) After the committee has concluded, it shall report its findings to the Potentate and the administrator in writing, and at the next stated meeting of the Temple after the trial the report shall be read to the Temple, and the Potentate shall pronounce judgment upon the report. The judgment dates from the time of the pronouncement of judgment by the Potentate, and from that date is final, unless the same is reversed or modified on an appeal therefrom to the Imperial Council.

(c) Appeal.

(1) Either the Temple or the accused *Noble* has the right within 30 days to appeal to the Imperial Council from any judgment rendered.

(2) The *complaining* Noble [making the complaint] has the right within 30 days to appeal to the Imperial Council from the decision of the grievance committee finding no probable cause.

(3) Notice of appeal under (1) or (2) must be filed with the Imperial Recorder within 30 days.

(4) In the event of an appeal, it is the duty of the Temple to file a complete transcript of the proceedings with the Imperial Recorder at least 30 days prior to the next annual session of the Imperial Council. The Imperial Recorder thereupon shall transmit all the papers pertaining to the appeal to the chairman of the Grievances and Appeals Committee of the Imperial Council.

(5) If an appeal is taken, the party appealing must pay all the costs and expenses of the transcript of the evidence, unless in the judgment of the *administrator* [Potentate] the party appealing is unable to pay the expenses, in which event the Temple must pay.

(d) Restoration.

(1) If the member is suspended for an indefinite period, he is not permitted to petition for restoration until after the expiration of one year from the date of judgment of suspension. Any Noble suspended for an indefinite period may be restored in the following manner: He must present an application for restoration, which shall be read at a stated meeting and laid over until the next stated meeting, and notice of the application must be sent to the members. At the next stated meeting after the presentation of the application, the following question must be put: "Shall the Noble be restored?" If 2/3rds of the members present vote for his restoration, he is restored. If a less number than 2/3rds vote for restoration, he remains suspended, and is not permitted to petition again for a period of one year thereafter.

(2) If the member is expelled, he cannot be restored but may petition again the Temple from which he was expelled for membership as if he had never before been a member. However, if he wishes to become a member of any other Temple he must obtain a waiver from the expelling Temple before the Temple having jurisdiction of his petition can vote thereon. This application for a waiver shall be acted upon at a stated meeting of the expelling Temple and it must be approved by a majority vote of the members present and voting.

I. Sewell Lamdin, Past Potentate and Emeritus Representative of Boumi Temple, proposes the following:

Amend subsections (a) and (b) of §330.2 of Article 30 of the bylaws of the Iowa corporation by adding and deleting certain language so that such subsections, as added to and amended, will read as follows, with new language italicized and deleted language bracketed:

ARTICLE 30

Discipline by Temple

§330.2 Procedure. Proceedings for the discipline of any Noble by a temple are as follows:

(a) Before trial

...

(2) Immediately upon receipt of a complaint it is the duty of the potentate to appoint a grievance committee of 5 members of the temple, giving preference to past potentates, whose duty it is to thoroughly investigate the complaint. *The Noble making the complaint may withdraw the complaint any time prior to the determination of the existence of probable cause by the grievance committee and, in such event, the grievance committee is discharged from further consideration of the matter and the complaint is dismissed. If the complaint is not withdrawn, the committee by majority vote must determine whether there is probable cause for believing an offense has been committed, and shall report to*

the potentate. The report must be made within 60 days after appointment of the committee.

(b) Trial

...

(2) The trial committee selects one of its members as chairman. [who] *The chairman administers the oath to all witness who are Nobles upon their honor as Nobles and he has charge of the conduct of the trial. All witnesses who are not Nobles shall be sworn by any officer qualified to administer oaths.*

(3) *The trial committee may have an attorney present during the trial for the purpose of advising the trial committee concerning procedural and legal issues.*

[(3)] (4)

[(4)] (5)

[(5)] (6)

(7) *The trial shall be conducted in an informal manner and the committee is not bound by technical rules of evidence except for those relating to privileged communications.*

[(6)] (8)

[(7)] (9)

[(8)] (10) A majority vote of the committee upon the question of guilt and upon the fixing of the punishment shall be required. The report of the trial committee must be signed by the entire committee. *The report is then immediately sealed until opened by the potentate at the next stated meeting.*

[(9)] (11) After the committee has concluded, it shall [report its findings] *deliver its sealed report to the potentate [in writing] and, at the next stated meeting of the temple after the trial, the report shall be unsealed by the potentate and he shall read it to the temple. [and the potentate shall pronounce judgment upon the report]. This reading of the report, and the punishment fixed therein by the trial committee, is the pronouncement of judgment. The judgment dates from the pronouncement of judgment by the potentate, and from that date is final, unless the same is reversed or modified on an appeal therefrom to the Imperial Council.*

Note 1:

As these two proposed amendments to Article 30 are incompatible and as the Imperial Potentate felt the Representatives should be presented with the best possible amendment, he has referred these two proposals to a conference committee made up of members of the Jurisprudence and Laws Committee and the Grievances and Appeals Committee, along with the proponents of these two amendments. This may result in one modified proposal being presented to the Session.

Jerry C. Young, Potentate and a Representative of Al Kader Temple, proposes the following:

Amend Subsection (b) of Section 332.6 of Article 32 of the Bylaws of the Iowa Corporation, by adding and deleting certain language so that Subsection, as amended, will read as follows, with new language italicized and deleted language bracketed.

ARTICLE 32

drawn; upon the death of any life member, an amount equal to the sum paid by him may be transferred from the trust fund to the general fund of the Temple.

POTENTATES PLEASE NOTE

The following instructions are to be given to your Temple Marshal, Parade Marshal and Unit Heads:

The **DAY PARADE** will start promptly at 9:00 A.M. on Wednesday, July 3rd. The route of march will be:

The Parade will assemble on W. Peachtree Street from North Avenue to Baker Street. The Parade will start at Baker Street and Peachtree. South on Peachtree to Edgewood, East to Park Place, North to Auburn Avenue, and East to Courtland Street, where they will disperse.

The Reviewing Stand will be on the sidewalk on Park Place in front of the Trust Company Bank.

The **NIGHT PARADE** will start promptly at 6:00 P.M. on Friday, July 5th. The route of march will be the same as for the day parade.

OFFICIAL PARADE ORDER

Much time and thought goes into the preparation of Official Parade Orders for Imperial Council Parades at Imperial Sessions, and in order to insure the very best for all concerned these orders must be strictly observed.

No Temple Officers will be permitted in the parades without their Temple Uniformed Units. No floats will be permitted in the parades unless they are approved by Director General Jim Bracewell, 1771 Tullie Circle, Atlanta, Georgia 30329, area code (404) 321-3889. The attention of all Potentates and heads of Uniformed Units is again specifically directed to the previous General Orders, with reference to explicit parade regulations quoted below.

SPECIAL MESSAGE RELATING TO SHRINE PARADES

I. The purpose of Shrine Imperial Session "parades" is to offer an opportunity for all participating Temples to display in public much of the pageantry and glamour of the Shrine. To effectuate their full purpose, however, the parades should also afford pleasure for all marching units who make a great display possible.

Especially in recent years, there have been very reasonable grounds for dissatisfied criticism by a growing number of Temples. Splendid marching units, and Temples with special display features, located by numerical precedence early in the parade on the actual line of march, have executed spectacular street drills which in themselves add much to the general picture but **which retard the forward movement** of the parade as a whole.

As a result, many of our newer Temples, located far back in the line of march, have unquestionably taken punishment: (1) The forward movement of the parading column has been repeatedly halted; (2) There have been exasperating delays; (3) Units have been required to stand in line—not for minutes, but for hours—as a result of the cumulative loss of time due to repeated feature specialties and street maneuvers by units "marching" near the head of the line; (4) Due to repeated delays in the line ahead, units marching numerically nearer the end of the parade, have found themselves weary and disgusted, marching down deserted streets.

Suggestions have been made in vain for a correction of the above difficulties. Some have urged rotation in the order of precedence by Temples in future parades; others have demanded abolition of retarding street movements; others have suggested that performing units shall "march" at the end of the column.

Most recently, direct orders forbidding any but "forward marching movements," although complied with by many Temples, have been repeatedly disregarded by others. Dignified efforts by Imperial Marshals to enforce the orders have been brusquely ignored.

The order now issued by your Imperial Potentate, relating to parades in Atlanta, may prove unpopular or it may approach a reasonable solution; you have his assurance that the decision has been reached only after long and earnest consideration of the problem.

The parades in Atlanta will be parades throughout, and in no part a pageant. Only so-called "forward marching movement" will be permitted; such a movement may be defined as a marching movement which at no time during the parades causes a following unit, in either the same Temple or any other Temple, to mark time, halt, or cease forward progress. The order is to be complied with not only according to the letter, but also the spirit of the ruling; in other words, units of no Temple are directly or indirectly to violate the order through the subterfuge or expedient of having undue distances between units. Your Imperial Potentate believes that every Potentate, thus notified in advance, and with the order applicable to all, will graciously comply with the above directive. **Units not desiring to comply with this parade regulation are not to form in line for the parades.** The regulation will be rigidly enforced. Units of any Temple violating the parade regulations will be excluded from the parades; the Potentate of each Temple is responsible and accountable for the conduct of each unit of his Temple on parade, and the commander of each parading Temple unit is accountable for his unit. Your Imperial Potentate has every confidence that the loyal cooperation of the Nobility will permit no violation of any regulation which plainly assures fair play for all, and that no disciplinary action will be necessary.

Any question of whether a given street maneuver is a retarding marching movement should be submitted to the Imperial Marshal at least 30 days before the Imperial Session.

II. Motor Vehicles. There has been growing criticism relative to the unreasonable number of motor vehicles in recent Shrine parades. The use of large numbers of cars in smaller local communities for the obvious purpose of padding and bolstering a small parade is quite understandable: Not only do Imperial Session parades require no padding, but the constant interruption of spectacular marching features by the unreasonable use of motor vehicles for visiting officers and Divans, adds unnecessary confusion and danger in the initial parade formation and spoils the pageantry from the spectator's viewpoint. In Atlanta, only **ONE CAR for the officers of each Temple with uniformed units in the parades of 50 or more will be permitted.** Regulations issued through the office of the Director General will be enforced.

In no event is any Temple to have more than ONE CAR in the parades—the same to be occupied by the Potentate and Divan of the Temples. No more than five Nobles, including the driver, will be permitted in a car.

III. Marching cadence will be 110 steps to the minute.

IV. Intervals of not over 80 feet between Temples, and 40 feet between units, are to be constantly maintained.

V. At the Reviewing Stand, Temple Divans will give hand salute, but not stop to salaam. Temple Potentates will remain with their Units and not mount the Reviewing Stand.

VI. Appropriate markers, easily distinguishable, will be provided before reaching the Reviewing Stand, to designate points for hand salute.

VII. Special attention is called to the fact that the Imperial Marshal and his Deputies are merely enforcing the directive of the Imperial Potentate; courteous and prompt cooperation is expected of the Nobility.

VIII. Attention of all Potentates, with reference to all Shrine parades, is also called to the requirement that no one shall be permitted to participate but members of the Order. No females or female impersonators shall be permitted to participate in parades. Read Paragraphs 335.11, 335.13 and 336.2 of the Imperial Bylaws (Iowa). A Potentate is personally responsible and accountable for knowingly permitting any violation of this regulation. Proper Shrine policing at successive points of any Shrine parade route should certainly guarantee against any violations of the above rule at an official reviewing stand.

PARADE REGULATIONS

It appearing that the interests of the Order would be well-served by the issuance and observance of the following regulations with respect to **all Shrine parades, it is ORDERED:**

1. The parade reviewing stand shall be at the right of the parade movement.
2. **No national Flag shall be lowered or dipped when passing the reviewing stand or elsewhere.**
3. Neither candy nor other objects shall be thrown or handed to spectators along the parade route.
4. No vehicle shall be equipped with either flashing lights or sirens.
5. Motorcycle and scooter units shall obey local laws regarding use of hard helmets instead of the Fez.
6. Neither Outhouses, stills, bathtubs nor any other item that is considered to be in poor taste will be permitted in any Shrine parade.
7. Members of participating units shall not drink any intoxicating beverages before any parade, and should be circumspect in the use of soft drinks in public places so as not to give the impression that they are drinking intoxicants.
8. Parade marshals shall enforce all Shrine parade regulations, and shall report any violator to the Potentate of his Temple. Failure on the part of the Potentate to cooperate with parade marshals shall be reported in writing to the Imperial Potentate.

Furthermore, with respect to parades at Sessions of the Imperial Council, it is **ORDERED:**

1. The Potentate of each participating Temple shall designate an officer of his Temple to meet with the Parade Marshal prior to the day parade, plus one person from each motorized unit that they may have participating in the parade.
2. An appropriate number of experienced deputy parade marshals shall be provided with two-way radios and special transportation so that they can patrol the parade route; and they shall have the authority to remove from the parade any unit which is in violation of Shrine parade regulations or which causes a delay of the parade by failing to maintain its proper interval.
3. Except with express permission of the Imperial Potentate, no Temple shall be permitted to participate in a parade unless it has at least 50 Nobles in its parade display.
4. No Temple shall be furnished an official automobile for use of its Potentate in the parade unless it has at least 50 Nobles in its parade display.
5. No Temple shall have more than one official automobile in the parade; and no empty buses, trucks or trailers shall participate in the parade.
6. No late model automobiles other than the official automobile will be allowed in the parade. This does not apply to recognized antique automobiles or to parade units composed entirely of late model automobiles.
7. Drivers shall not wave, shake hands or call to people along the parade route; and passengers should not call out to friends along the parade route, but simply wave to spectators.

UNAUTHORIZED EQUIPMENT ON MOTORIZED VEHICLES

NO CYCLES, CARS, SCOOTERS OR OTHER MOTORIZED VEHICLES SHALL AT ANY TIME BE EQUIPPED WITH ANY SIRENS, FLASHING OR COLORED LIGHTS (EXCEPT TURN INDICATORS AUTHORIZED BY LAW).

LOTTERIES AND RAFFLES

It has come to the attention of the Imperial Potentate that one or more Temples and several Shrine clubs have recently promoted lotteries or raffles. Federal law in the United States prohibits the use of the mails for lotteries or raffles and the practice is also contrary to state law in most states. Attention is invited to § 335.1 of the Imperial Bylaws which makes such a practice contrary to Shrine law as well.

FINANCIAL REPORTING ON CHARITABLE FUNDS AND ACTIVITIES

Within thirty (30) days after the date of this General Order, if you have not already done so, a statement of the financial condition of every charitable fund, § 501(c)(3) corporation, and charitable fund-raising activity sponsored by or related to each Temple shall be furnished to the Imperial Recorder by the Potentate.

The statement shall show all assets, liabilities, and the net worth or fund balance as of December 31, 1984, and shall be accompanied by a statement of operations showing all receipts and disbursements for the calendar year 1984.

The statement or statements of each Temple shall be accompanied by a certificate of the Potentate to the effect that: (1) each of the statements is true and correct, (2) the Temple exercises control over each of such funds, corporations, and other activities, and (3) there are no charitable funds, corporations, or activities sponsored by or related to the Temple other than those for which statements are submitted.

TOURS AND CRUISES INSTRUCTION

1. The Potentate of any Temple which intends to sponsor a tour, shall give notice in writing to the Executive Director, of such intent; and the notice shall include the proposed dates and itinerary of such tour. This provision shall not apply to those pilgrimages which are limited to Shrine Association Meetings and Imperial Council Sessions, and return.

2. No tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be scheduled for dates which will conflict with the dates of either the Imperial Council Session or the Imperial Potentate's tours and cruises.

3. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be responsible for seeing that such tour is made in strict compliance with all public laws and governmental regulations, including the regulations of the Civil Aeronautics Board.

4. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point within or without the continental United States, shall be responsible for seeing that the promotional material for such tours shall clearly state the limits of liability of the carrier and/or its insurer for injury to and loss of life of each passenger, the total for each occurrence, and for damage to or loss of personal property. It is recommended that any disclaimers of liability by the travel agent and/or carrier in the promotional material provided to the public also include (in close proximity) the name of the Temple, Shrine Club or Unit, if applicable.

5. All pilgrimages, tours and cruises when sponsored by a Temple or otherwise identified with the Order are "public appearances." Such public appearances are not permitted in any place until notice of such appearance has been given to the Potentate of the Temple having jurisdiction of the territory where such public appearance is to be made. The notice hereby required shall be given at least ten days in advance of each public appearance.

6. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that the attorney for the Temple is consulted as to the legality and sufficiency of all contracts and other documents required to be executed with respect to such tour or cruise.

7. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see the fiscal responsibility of the tour agent handling the tour or cruise; and he may satisfy this requirement by either (1) Requiring a performance bond of the tour agent if such agent has exclusive control over withdrawals of the tour account or of tour receipts entrusted to his exclusive care, or (2) making provision for the deposit and withdrawal of tour receipts in an escrow account of which he himself has at least partial control.

8. No tour or cruise may be sponsored by any Temple unless the proposal therefor has been first approved by the members of the Temple at a stated meeting after a

full and fair disclosure of all terms of the proposal, including the nature and amount of any personal profit or gain to be realized or enjoyed by any member of the Temple. For the purposes of this paragraph, complimentary or reduced fares, hotel accommodations, or other benefits for himself or any member of his family shall be considered to be profit or gain.

9. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that a full and fair accounting of all receipts, disbursements, and profits or losses realized from such tour or cruise be made to his Temple no later than its second stated session next following the conclusion of the tour or cruise; and a copy of such accounting shall be furnished at the same time to the Executive Director.

10. Tours and cruises sponsored by Shrine Clubs, Units or other organizations affiliated with or appendant to any Temple shall be considered as having been sponsored by such Temple and shall be subject to all of the terms and provisions of this General Order.

11. Tours and cruises sponsored by Associations of Temples, National or International Associations of Units, and other organizations not affiliated with or appendant to any Temple shall be subject to all of the terms and provisions of this General Order in the same manner as if they themselves were Temples; and the President or other chief executive officer of any such group which intends to sponsor a tour or cruise shall have the same responsibilities as those of the Potentate of a Temple which intends to sponsor a tour or cruise.

At this time I would like to recognize Noble Tingle of the Jurisprudence and Laws Committee for a report.

NOBLE J. M. TINGLE [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws the item which appears on page 27 of the Call. It is a resolution to change the location of Zamora Temple.

Your committee has recently been informed that the proponents have met in session with the Dispensations and Charters Committee and that the proponents want the resolution amended so that the Temple may be located in any community in the home county of Zamora Temple. This has met with the approval of the Dispensations and Charters Committee. The resolution, as amended, would read as follows:

WHEREAS, Zamora Temple has requested that its location be changed from Birmingham, Alabama, to a location within Jefferson County;

WHEREAS, Zamora Temple has complied with S.322.5 of the Imperial Bylaws; and

WHEREAS, it appears to the Imperial Council that the move would be in the best interests of the Order;

NOW, THEREFORE, BE IT RESOLVED, that the proposal to move Zamora Temple from Birmingham, Alabama, to a location within Jefferson County is hereby approved and that the Charter of Zamora Temple be accordingly amended.

Your committee reports that the resolution proposed in the Call and this amended resolution are in proper and legal form and will not conflict with any provisions of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions concerning this report, I move the proposal be amended to read as heretofore recited in this report and I inform you that this meets with the approval of the proponents. Further, if my motion is seconded and adopted, I request that you call upon Illustrious Earl Brown for the report of the Committee on Dispensations and Charters:

IMPERIAL POTENTATE BRACEWELL: Is there a second to the motion as made in the report?

... The motion was severally seconded ...

IMPERIAL POTENTATE BRACEWELL: All in favor please say aye; opposed no. It is so carried.

At this time, I will recognize Illustrious Sir Earl Brown for the Dispensations and Charters Committee for a report.

ILLUSTRIOUS SIR EARL BROWN [Reading]: To the Representatives of the Imperial Council.

There has been referred to your Committee on Dispensations and Charters the item which appears on page 27 of the Call. It is a resolution to change the location of Zamora Temple, as recited in the Report of the Committee on Jurisprudence and Law, which was just read to you.

A hearing was held thereon before your committee on July 1, 1985, at which time the proponents were present. No person appeared in opposition thereto.

Your committee finds that the Temple followed the proper procedure in adopting the resolution to change its location; that more than two-thirds of the Temple members voting were in favor of the change; that the result was certified to the Imperial Recorder at least sixty days before this Session of the Imperial Council; that the proposal was published with the notice of the Session; and that the move will be in the best interests of the Order.

If not, all in favor say aye; opposed no. The motion is unanimously carried.

There has been referred to your Committee on Jurisprudence and Laws, Item Number 7 on the Call of the Annual Session of 1985, located on page 18 of the Call. It is a proposal to amend S.214.3(a) of Article 14 of the Bylaws of the Imperial Council, an Iowa Corporation, so that it will read as follows:

Section 214.3 Imprest Accounts

IMPERIAL POTENTATE BRACEWELL: The Chair now recognizes Sam Erickson of the Finance and Accounts Committee for its report.

NOBLE SAM ERICKSON [Finance and Accounts Committee]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives to the Imperial Council:

The proposed amendment to S.214.3(a) of Article 14 of the Bylaws of the Iowa Corporation has been referred to your Finance and Accounts Committee for a report to you.

There is no effect on the projected financial position of the Iowa Corporation if this amendment is passed. It raises the imprest fund to \$50,000 from \$25,000. This fund is used for the prompt payment of budgeted expenses and would be considered a good and proper business procedure.

Imperial Sir, if there are no questions or comments concerning this report, I recommend, sir, that you call on Webb Harrington, the proponent, for the appropriate motion.

IMPERIAL POTENTATE BRACEWELL: The Chair recognizes Imperial Sir Webb Harrington.

IMPERIAL SIR HARRINGTON: Imperial Sir, Imperial Sirs, My Fellow Representatives: This proposed amendment simply reflects the growth of the corporation and the fact we need to increase the size of our imprest fund in order to make prompt payments of certain bills.

I assure you, it changes nothing with respect to our internal control review which is made in our Headquarters Office and by me with respect to such payments.

I would move for the adoption of the resolution.

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: You have heard the motion and the second. Is there discussion?

If not, all in favor say aye; opposed no. It is unanimously carried.

Thank you very much. Webb.

... Business was conducted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE BRACEWELL: We are going to proceed with the election of the Imperial Divan Officers. As you passed the motion earlier, we will do it in reverse order, starting with position of the Imperial Captain of the Guard and so at this time would the Nobles and Representatives making appropriate nominations for their candidates, please step forward so that they can be recognized.

While they are doing this, let me say that you may notice one face up here on the podium that is not too familiar to some of you. Let me say, in this respect, that I appointed this good Noble, Illustrious Sir and Past Potentate of our Temple, Charles Wofford, as Parliamentarian for this One Hundred Eleventh Imperial Session. He is a retired Superior Court Judge here in Atlanta and we are delighted to have him as Parliamentarian and I would like for you to meet Illustrious Sir Charles Wofford. (Applause) We are delighted to have you with us.

Now, at this time, I would like to recognize Illustrious Sir and Past Potentate George Everette of Rizpah Temple, for an appropriate nomination for the Imperial Captain of the Guard.

Just a moment, microphone 2.

NOBLE SIR WILLIAM J. ROSHEK [Potentate, Korein Temple]: Imperial Sir, I am William J. Roshek, Potentate of Korein Temple, and I would like a clarification concerning the handling of these nominations at this time, if I might.

IMPERIAL POTENTATE BRACEWELL: I will be delighted to give it to you.

The Bylaws state, for example, that the last order of business on the first day of the Session is to elect the Imperial Potentate.

Now, in essence of time, earlier during this Session, the Imperial Recorder made the following motion—"That the Imperial Bylaws provide that the election of the Imperial Potentate shall be the last order of business on the first day after the Session unless otherwise ordered by the Imperial Council. Imperial Sir, I move that all Imperial Officers except for the Imperial Outer Guard, be elected today so that we can commence the next business day with the election of the Imperial Outer Guard."

That was the motion made, seconded and carried.

NOBLE ROSHEK: Imperial Sir, I only asked for a clarification.

However, I am sorry to report and maybe at the same time I am happy to say that there has been a bunch of rumors running rampant relative to the Imperial Line Officers—that you, as Imperial Line Officers, have so designated that only one candidate will be approved by the Imperial Line Officers to be running for the position of Imperial Outer Guard.

IMPERIAL POTENTATE BRACEWELL: Are you being serious?

NOBLE ROSHEK: Yes.

IMPERIAL POTENTATE BRACEWELL: Well, may I respond?

NOBLE ROSHEK: Yes.

IMPERIAL POTENTATE BRACEWELL: Well, I cannot answer for everyone on the stage but I can answer only for Gene Bracewell.

I have been a member of this Imperial Divan since 1975 and I have yet to hear of anyone stating or knowing that the Imperial Divan is in a position or has the power to ever make a statement that they will only accept one candidate.

I can tell you right now that there are, to my knowledge, three candidates that are recognized as candidates for election. Tomorrow, when we take up that election, of course, any others desiring to run, we will give them an opportunity to be nominated. However, I will assure you, in relation to your statement that, for Gene Bracewell's part, and I will even say, anyone that wants the podium, that is just not the case.

NOBLE ROSHEK: I thank you, Imperial Sir, for your clarification.

IMPERIAL SIR KISSELBURGH: Imperial Sir, I do not agree with anything that Imperial Sir Gene Bracewell says (laughter), but I will agree with him in that particular situation. If you can show me, for example, how you can get a unified opinion out of these individuals, I will put in with you.

I guarantee you that we have not endorsed or even been unified on any single candidate for Imperial Outer Guard. I promise you that. (Laughter)

IMPERIAL POTENTATE BRACEWELL: Thank you, Walker.

I will next recognize Imperial Sir George Powell.

IMPERIAL SIR GEORGE POWELL: Thank you.

Imperial Sir, Representatives and Nobles: I am quite concerned about what I thought at one time was a rumor but later found out it became fact.

When I was elected to this position, I believe I was elected because the Representatives at that time thought I had enough intelligence that I could make a decision based on facts and not take sides over what may be for political reasons the correct thing for me to do.

I am telling you today that I am not part of any political machine to elect any particular candidate. I oppose it. I think it is a horrible thing to do and if these facts continue to come to me, I promise all of you I will try to find some kind of legislation that will abolish these political machines forever. Thank you. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you, George.

I would like to, inasmuch as the Imperial Divan as a group, was named in connection with this, to have any Imperial Officer that does not agree with the statement that I made in response to Illustrious Sir Roshek, to please stand and, of course, you have the podium also. Therefore, if you disagree with the way I responded, will you please stand.

I see no one standing and so thank you very much.

At this time, I will recognize Illustrious Sir George Everette. George, we are happy to have you at this Session.

ILLUSTRIOUS SIR GEORGE EVERETTE [Rizpah Temple]: Imperial Sir, Imperial Sirs, Most Worshipful and Right Worshipful Grand Masters, Illustrious Sirs, Representatives and Guests: It is indeed a pleasure for me and a great privilege to place in nomination the name of Burton Ravellette, Jr., Past Potentate of Sahara Temple, who has served us faithfully in Shrinedom this past year, in nomination for the Office of Imperial Captain of the Guard.

And, Imperial Sir, hearing no other nominations, I move that the rules be suspended and that the Imperial Recorder be instructed to cast a unanimous ballot for the election of Burton E. Ravellette, Jr., for the Office of Imperial Captain of the Guard of the Shrine of North America for the ensuing year.

IMPERIAL SIR JONES: Imperial Sir, it is a pleasure for me to cast the unanimous ballot of the Imperial Council electing Imperial Sir Burton E. Ravellette to the Office of Imperial Captain of the Guard for the ensuing year.

IMPERIAL POTENTATE BRACEWELL: Thank you.

Now, Imperial Sir Ravellette, do you accept?

IMPERIAL SIR RAVELLETTE: Imperial Sir Gene, Imperial Sirs, Most Worshipful and Right Worshipful Grand Masters, Illustrious Sirs, Fellow Representatives and Nobles All: I am somewhat amazed and quietly pleased with the ease to which I was elected to this office. (Laughter)

At any rate, thank you very much and let me tell you that I will continue in the best way. I know how to serve you and the Shrine of North America. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you, Burt.

Imperial Sir Everett, do you accept?

IMPERIAL SIR EVANS: Imperial Sir, Imperial Sirs, Distinguished Guests, Representatives and Nobles All: I do accept. I do want to thank you for once again promoting me. I am so glad to not be Marshal any more after this week because keeping all of the Imperial Officers and all the duties I have had straight is like keeping mosquitoes under a net. (Laughter)

However, I am very grateful to be promoted and I also want to tell all of you in this room that I have one of the smartest Potentates in this room this year. Thank you all so very, very much. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you very much, Everett.

IMPERIAL SIR DEAN: Imperial Sir, Imperial Sirs, Most Worshipful and Right Worshipful Grand Masters, Illustrious Sirs and My Fellow Representatives: It is with a great deal of pride I do accept this position. It is a lot easier doing that job than the job of campaigning for Imperial Outer Guard. (Laughter)

I would also like to thank my Potentate and tell the rest of you assembled here that our Illustrious Sir has only been out of the hospital for two weeks now. He just had a heart attack and, by God, I am glad he is here and thankful he could do this for me. Thank you, Fred, and good luck to you.

IMPERIAL SIR HARRINGTON: Imperial Sir, Imperial Sirs, Most Worshipful and Right Worshipful Grand Masters, My Fellow Representatives: It is indeed a pleasure for me to cast the unanimous ballot of this Assembly for Imperial Sir Jack Jones for Imperial Recorder for the ensuing year.

It was my pleasure in 1968, to initiate Jack Jones into the Shrine as a member of Al Kader Temple and I am only sorry that the military transferred him to Florida because we would still like to have him back in Oregon.

IMPERIAL POTENTATE BRACEWELL: Thank you, Webb.

Imperial Sir Jack, do you accept?

IMPERIAL SIR JONES: Imperial Sir, I most certainly do and I thank the Nobility and the Representatives here for their confidence in me for this position. (Applause)

The Chair now recognizes the Illustrious Bob Vetter, Past Potentate of Akdar Temple, for a nomination for the position of Imperial Treasurer.

ILLUSTRIOUS ROBERT VETTER [Past Potentate, Akdar Temple]: Imperial Sir Gene, Imperial Sirs, Illustrious Sirs and Fellow Representatives to this Imperial Council Session:

It is a great privilege and high honor for me to place in nomination, my friend and colleague, Webber C. Harrington, Emeritus Representative of Al Kader Temple, Portland, Oregon, to succeed himself in the Office of Imperial Treasurer for the ensuing year.

Most of you know him well but those of you who have recently become Representatives will want to know of the distinguished career of this devoted and dedicated Noble.

Webb rose from a CCC boy working for \$1 a day during the depth of the Depression to the Regional Managing Partner of one of the world's largest accounting firms when he retired in 1980.

He received practically every civic and professional honor that could be bestowed by the Oregon Society of Certified Public Accountants and the American Institute of Certified Public Accountants.

But more important to us is what he has done for the Imperial Council and Shriners Hospitals.

I have known him well, for he served for eight years on the Finance and Accounts Committee, which I chaired. In 1978, he was elected a Trustee of Shriners Hospitals for Crippled Children and served with distinction on the Budget, Investment, Planning and many other important committees.

In the four years that he has served as Imperial Treasurer, he has brought a whole new concept of financial planning and budgetary control to that office. He has truly functioned as Treasurer of a billion dollar corporation should function.

I would like to give you this little story about him.

He is a liberal in his vision of the role of Shriners Hospitals in serving crippled and burned children, but he is a conservative in that he insists on knowing where the money is coming from before we spend it. Those of us who have worked closely with him are most gratified by the manner in which he has performed in this important office.

We would like to close our brief remarks by stating the two most important words—"thank you." (Applause)

Imperial Sir, if there be no further nominations (laughter), and hearing none, I move that nominations close, the rules be suspended and that the Imperial Recorder, Jack Jones, be instructed to cast the unanimous ballot of Webber C. Harrington for Imperial Treasurer for the ensuing year.

... Cheers and applause ensued ...

IMPERIAL POTENTATE BRACEWELL: You have heard the motion, is there a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: All in favor please say aye; opposed. The motion is carried and so I will recognize our Imperial Recorder, Jack Jones.

IMPERIAL SIR JONES: Imperial Sir, it is certainly a pleasure for me to cast the unanimous ballot of this Imperial Council reelecting Imperial Sir Webber C. Harrington to the position of Imperial Treasurer for the ensuing year.

IMPERIAL POTENTATE BRACEWELL: Thank you, Jack.

Now, let me say that I just received a notice from our Parliamentarian who ruled that those last few remarks regarding Webber were "obiter dicta," which, in Southern means "just too much talk." (Laughter)

At any rate, Imperial Sir Webb, do you accept?

IMPERIAL SIR HARRINGTON: Imperial Sir, I do. Thank you. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you, Webb.

At this time, the Chair recognizes Illustrious Sir William Barrineau, Past Potentate of Al Sihah Temple, for a nomination for the Office of Imperial Oriental Guide.

ILLUSTRIOUS SIR BARRINEAU [Past Potentate, Al Sihah Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: I have the privilege, at this point, of nominating Imperial Sir Joseph P. Padgett for the Office of Imperial Oriental Guide.

Now, as most of you are aware, Joe is not present with us at this Session because he recently had undergone by-pass surgery and was therefore not able to be with us.

However, he has been a great member of this Line and I think the Imperial Sir and others of the Imperial Line have been in touch with him. They expect from him a complete and full recovery and probably will not be long before he will be back out on the trail.

Now, I will not try to follow the act that Bob Vetter just performed (applause) but I would

just like to say that I would like to place in nomination, for the position of Imperial Oriental Guide, the name of Imperial Sir Joseph P. Padgett for the ensuing year.

Now, Imperial Sir, if there be no further nominations, I move you that nominations be closed and that the Imperial Recorder be permitted to cast a unanimous ballot for Joseph P. Padgett for the Office of Oriental Guide for the ensuing year.

IMPERIAL POTENTATE BRACEWELL: Thank you, Imperial Sir.

My Fellow Representatives, I might report to you, as Bill Barrineau said, that Joe did have by-pass surgery. He is back home and doing fine. I talked to him today and he wanted me to please inform you that he is so delighted and pleased and that he does accept. Therefore, let us give Joe a big hand. (Applause)

As a Canadian, I find it a very great honor to represent our three great countries and up to this year I have learned three official languages, English, French and Spanish and now this year they have expected me to learn Southern. However, I do accept and thank you. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you, Ed.

At this time, I will recognize Illustrious William King, Chief Rabban of Habibi Temple.

At this time, I would like to place in nomination my father (laughter), Imperial Sir Voris King for the Office of Imperial Chief Rabban for the Shrine of North America.

Imperial Sir, if there are no further nominations, I would move that the rules be suspended and that the Imperial Recorder be asked to cast the unanimous ballot for the election of Imperial Sir Voris King to the Office of Imperial Chief Rabban.

. . . The motion was duly seconded . . .

I will recognize our Imperial Recorder.

IMPERIAL SIR JONES: Imperial Sir, it is certainly a great pleasure for me to cast the unanimous ballot of this Imperial Council electing Imperial Sir Voris King to the Office of Imperial Chief Rabban for the ensuing year.

IMPERIAL POTENTATE BRACEWELL: Thank you, Imperial Sir Jack.

Imperial Sir Voris, do you accept?

IMPERIAL SIR KING: Imperial Sir and Fellow Representatives: I do accept with honor, with pleasure, with humility and with great sincere thanks to all of you for the confidence you have placed in me. Thank you very much.

ILLUSTRIOUS THOMAS BOLES [Potentate, Al Malaikah Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Distinguished Representatives and Nobles All: This is such an exciting moment that I wish each one of you could individually stand here and have the privilege of nominating the next Imperial Potentate of the Shrine of North America.

With that thought in mind, that each of you are here to personally share in the placing in nomination for the Office of Imperial Potentate, this individual, it is truly with swelling pride that I, along with the total support of all members of Al Malaikah Temple and in fond memory of our very finest member, Alex Kisselburgh, place in nomination for the Office of Imperial Potentate, the name of Walker S. You know, from what has taken place up here I can see it is going to be a heck of a long year (laughter) but then it was also a long year last year and I am glad we are almost through it. (Laughter)

You know, we are so proud of our spinal cord injury center, where we are taking care of bodies that are paralyzed from the neck down. However, now that we have a Junior Past Imperial Potentate going out of office, I would suggest he be the first patient for paralysis from the neck up. (Laughter)

NOBLE BOLES: I would now like to call to the stage and reintroduce Illustrious Sir Arthur Burgan and the man who appointed Walker Kisselburgh into the progressive Divan of our Temple.

ILLUSTRIOUS SIR ARTHUR BURGAN: Imperial Sir, Imperial Sirs, Illustrious Potentates and Nobles: It is a great pleasure for me to perform this duty.

You know, I have a lifetime invested in today. I know I am not supposed to make a speech but I have to say what is in my heart today.

Some thirty-six years ago I attended my first Imperial Council Session in Chicago when they then elected a member of Al Malaikah Temple as our new Imperial Potentate. Little did I know at that time that I would be privileged, eighteen years later, to make an appointment of my Second Ceremonial Master and like many of you who made appointments to your progressive line, I am sure you have had some trepidations or doubts—"Did I do the right thing? Will he ever amount to anything?" (Laughter)

Fortunately, for me, in succeeding years, as he came up the line and in relation to Al Malaikah's over seventy Shrine Clubs, we attended many meetings and speeches were made all the time and I was reassured time after time that I had shown infinite wisdom in making that appointment and so I began to feel more comfortable and be reassured.

You will be surprised, I am sure, when I tell you that through these years, all of these speeches were made by Walker S. Kisselburgh. (Laughter)

In 1974, we started him on a new journey, to hopefully be elected Imperial Outer Guard, and he and I traveled the length and breadth of this country together to Shrine Associations.

The first one we visited, we made the mistake of not taking a tuxedo. We then each rented a tuxedo for \$40 each and went to the banquet on a Saturday night. It was full up, no tickets, no room, we did not get in. (Laughter)

However, it has been a great deal of pleasure for me to watch him progress in the progressive Imperial Line where he has performed all his duties with great distinction and gained the respect of not only a progressive Divan of the Imperial Line but also the Past Imperial Potentates.

I know that when he is installed in a couple of days and wears this Fez officially, that he will carry the Shrine for North America to even greater heights than before and at the same time he will maintain the symbolic reason for the Shrine's existence, and that is to have fun because Walker loves fun.

Imperial Sir, my heart is full and I am so proud to present to you your Fez.

. . . Fez presentation and applause ensued . . .

NOBLE BOLES: I would now like to present to you Imperial Sir George M. Saunders, Imperial Recorder Emeritus.

IMPERIAL SIR GEORGE M. SAUNDERS [Imperial Recorder Emeritus]: Mr. Chairman, Imperial Sir, Representatives to the Imperial Session, Distinguished Masonic Leaders and very lovely Ladies and all of you Visitors: Imperial Sir, Walker S. Kisselburgh, it gives me a great deal of pleasure to present to you, on behalf of the Imperial Council of the Shrine for North America, your Imperial Potentate's Flag, bearing the official title, along with your name.

The Official Imperial Potentate's Flag is of royal purple silk, embroidered in gold to depict the Flag of great leadership. May this Flag march along with our three National Flags of the Shrine at the head of the mighty Phalanx of nearly a million Nobles of the Mystic Shrine in their dedication to Free Masonry and Shrine Tenets and Principles and to our devoted service to mankind in the greatest of all Fraternities and in our work of the world's greatest philanthropy, Shriners Hospitals for Crippled Children.

I know that you, as Nobles, will respect the symbolism of this Fraternal Flag for all that it represents.

Imperial Sir, it is a genuine pleasure for me to present to you, in the name of all Shriners, your Imperial Potentate's Flag.

... Presentation of Imperial Potentate's Flag and applause ensued ...

NOBLE BOLES: We are so proud of our brethren from the North and I now introduce from this great nation, Imperial Sir Edward G. McMullan, Imperial High Priest and Prophet, who will introduce the Potentates from the individual Canadian Temples and who will make a presentation to Imperial Sir Walker in their behalf.

IMPERIAL SIR EDWARD MCMULLAN: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Distinguished Guests and Lovely Ladies: We are not kidding when we come up here before you Walker, and you know, of course, that we as Canadians love you and admire you and appreciate your wonderful sense of humor because we, too, try to maintain ours by working with you across the border.

We would, first of all, start from the West Coast, from the great Pacific Ocean, home of Expo '86 and I would now like to present Kenneth Smith, Potentate, Gizeh Temple, Vancouver, British Columbia. (Applause)

Moving now to the great Canadian Rockies, to the foothill city, the home of the 1988 Olympics, we introduce to you Stanley Schumacher, Potentate, Al Azhar Temple, Calgary, Alberta, Canada. (Applause)

From the wheat belt in the prairie, the Potentate of Wa-Wa Temple, G. E. "Jake" May from Regina, Saskatchewan. (Applause)

From the Gateway to the West to the industrial City of Winnipeg, Thomas Sidebottom, Potentate, Kharum Temple, Winnipeg, Manitoba, Canada. (Applause)

And then the home of the 1989 Imperial Session, Floyd Walker, Potentate, Rameses Temple, Toronto, Ontario, Canada. (Applause)

From the beautiful City of the Forests, Thomas Page, Potentate, Mocha Temple, London, Ontario, Canada. (Applause)

And from the capital city of Canada, Naif Beauchamp, Potentate, Tunis Temple, Ottawa, Ontario. (Applause)

From the home of the Montreal Unit, of which we are all so very proud, I would like to present Roger Claridge, Potentate, Karnak Temple, Montreal, Quebec. (Applause)

From the beautiful East Coast of the Maritimes, I introduce to you Carl Jarvis, Potentate, Luxor Temple, St. John, New Brunswick. (Applause)

I then next present to you Graham Bowser, Potentate, Philae Temple, Halifax, Nova Scotia, the Off-Shore Atlantic Oil Company. (Applause)

And then from the last province to join the Confederation, of which we still have the father of the Confederation who is a Past Potentate of Mazol Temple, we have Edwin Janes, Potentate of Mazol Temple, St. John's, Newfoundland. (Applause)

I would now like to present to you a Past Imperial Potentate of the Shrine for North America, a handsome, tall, young man, a very good friend of yours, Jack M. Streight, Q.C., from Vancouver, British Columbia, to make a presentation to you, Imperial Sir, of our Canadian Flag.

PAST IMPERIAL POTENTATE STREIGHT: Walker, on behalf of all of the Canadian Temples and all the Canadians out there assembled, both Nobles and Ladies, I am proud to present to you the Flag of our nation. Like yours, it stands for liberty, justice and peace.

... Presentation of Canadian Flag and applause ensued ...

PAST IMPERIAL POTENTATE STREIGHT: Also, may I tell you, Walker, that when you visit the Canadian Temples, you will receive a very warm welcome and I want to advise you to not only bring your overcoat but your rented tuxedo. (Laughter and applause)

But you all come and you can drink Canada dry. (Laughter)

NOBLE MCMULLAN: However, whatever you do, do not say, "Hi Jack" when you get there. (Laughter)

Also, I know that Walker had a very difficult time getting around the United States and I also know that I had an awful time until he started to point places out to me, but he may have a more difficult time in getting around this large country of ours in Canada and in order to help him get around the country, we have made it very simple for him.

This is what we are going to do.

We started from the West Coast and worked toward the East and we have marked the

Temples off for him so he can follow them and hopefully, of course, the Potentates of the Canadian Temples will have invited him (laughter) and if they have not as yet invited him, I hope they will do so because I want him to see a beautiful part of our country in the northern part of North America.

Thank you very much, Walker.

On behalf of the Canadian Potentates and Temples throughout Canada, for you and your lovely Lady, Neita, I would like to present you with this silver tray with all of the Temples inscribed thereon.

... Presentation of silver tray and applause ensued . . .

NOBLE BOLES: And now, from the brisk region of the North to the warm breezes and beautiful scenes of Hawaii, I present the Illustrious Sir Fred A. Overstreet, Potentate of Aloha Temple.

ILLUSTRIOUS FRED A. OVERSTREET [Potentate, Aloha Temple]: Imperial Sir, Illustrious Sirs, Delegates and Ladies: It gives me a great pleasure to represent the State of Hawaii today and to present to our incoming Imperial the maile lei.

It has been a custom in the Hawaiian Islands since we were a monarchy for many hundreds of years now, that when we single someone out because we love them, because they were traveling through our state or our country or simply because they were being elevated to high stations, we would shower them with flowers and flower leis. However, we were always very sparing with the maile. It is reserved for royalty and we think it is only proper and fitting today that we present Walker and Neita with maile leis as they carry the mantel into the coming convention.

... Presentation of leis and applause ensued . . .

NOBLE BOLES: Now, traveling south of our border to the magical and enchanting land of Mexico, I present Illustrious Sir Miguel Zamora, Potentate of Anezeh Temple.

ILLUSTRIOUS SIR MIGUEL ZAMORA [Potentate, Anezeh Temple]: Imperial Sir and Neita, Anezeh Temple wishes you health in your travels next year and presents you with this gift.

... Presentation of copper plate and applause ensued . . .

NOBLE BOLES: Continuing a long tradition of the Imperial Council Session, I now introduce Donald W. Griffin, Commandant of Units of Al Malaikah Temple, to present the Imperial Sir with his swagger stick, which depicts his Masonic career with each ring on the stick.

NOBLE DONALD W. GRIFFIN: Imperial Sir Walker, on behalf of the Caravan Patrol, I would like to present to you your own personalized swagger stick. It is composed of forty-five engraved metal bands, each one representing your progress through Masonry and Shrinedom.

We hope it will hold for you the same honor and privilege that it does for the Caravan Patrol.

... Presentation of swagger stick and applause ensued . . .

NOBLE BOLES: Imperial Sir Walker, we are so proud of you and your accomplishments, not only with all you have done within the Shrine but within our great Fraternity of Free Masonry. Only a few can look back and honestly say "Society is better for what I have contributed."

Your contributions have touched us all and the future of our Society will greatly reflect your presence for generations to come.

From the hearts of all the members of Al Malaikah Temple, I present from them to you this token of their appreciation.

... Presentation of check ensued . . .

NOBLE BOLES: Also, I do apologize for having to use someone else's voice today but I cannot tell you how much in my heart I love Walker and Neita and this gift is truly a gift from everyone in Al Malaikah Temple. God bless you, Walker. (Applause)

Also, I might say that I really did not want to tell them all about it, Walker, but that is really an honest to goodness check for a new car. (Applause)

Our Second Ceremonial Master, Davis Leonard, and his lovely Lady, Nancy, are hidden in this room today and God bless you, Dave and Nancy. I really appreciated your help.

And now, Imperial Sir, Imperial Sirs, Illustrious Sirs, you wonderful Divan Members and, above all, you Distinguished Guests, may I present to you the Imperial Sir Walker S. Kisselburgh.

... Rising applause ensued ...

MS. NEITA KISSELBURGH: Walker, this just came special delivery from someone who would have loved to be here with you and this is for Shriners Hospitals for Crippled Children, a check in the amount of \$10,000, from your very dear friend, Henry Eyer. (Applause)

IMPERIAL SIR KISSELBURGH: You know, that has to get to you. Thank you.

You know, there is so much to say and so little time to say it because we are holding up the Imperial Council Session of Imperial Sir Gene Bracewell and you must know that it is difficult to say his name at a time like this. (Laughter)

I heard this morning that Georgians, especially Gene, is like a breakfast cereal—you take away the fruits and nuts and you still have some flakes left. (Laughter)

I really did not mean that, no way. (Laughter)

You know, I have taken so much kidding about the first flies of California and it has lasted for more than three or four years, but I still have to say that if you had as many fruits in your state as we do, you would be having a lot of flies around, too. (Laughter) Of course, you must understand that is up in Northern California, where Islam Temple is. (Laughter)

Again, I am only kidding.

However, I would like to tell you that I had a very, very humorous experience about three years ago because I was invited to speak at a banquet at Bismarck, North Dakota, under the auspices of El Zagal Temple of Fargo.

After I gave my very spirited and lovely address to about five or six hundred people, the Mandan Indians, which is the official Unit of El Zagal Temple, proceeded to come into the ball room in their total Indian headdress and gear, war bonnets and the whole works, and proceeded to throw a blanket on the dance room floor and I cam down off the podium and they asked me to sit cross-legged on the blanket while they sat around me. It was a serious ceremony. They asked me to smoke a peace pipe, etc., and they went through the Honorary Chief routine that they go through and they made me an Honorary Chief of the Mandan Indians, a very, very high honor.

In that film, you saw a picture of me with the Indian headdress.

But when you are made an Honorary Chief of the Mandan Indians, they give you an authentic Indian name. It is an offshoot of the Sioux Tribe of Indians.

So they named me "Chief Wakia Honegena" and the English translation to that is "Chief Fruit Fly." (Laughter)

First of all, there are so many people to thank but I want you all to know that Imperial Sir Gene Braceburgh—well, you know, it is getting to the point that he is being called Braceburgh and I am being called Walker Kisselwell. (Laughter)

However, Imperial Sir Gene, I would like to have you come up here for just a moment, please.

In all sincerity, I think you have done an absolutely magnificent job as Imperial Potentate of the Shrine for North America. I just hope that I can do half as well as you have done.

You have represented the Shrine for North America, in my opinion, in a very, very high class fashion and I want to thank you in front of everybody. (Applause)

Can you give him a rising ovation? He deserves it.

... Rising applause ensued ...

IMPERIAL SIR KISSELBURGH: You know, the reason I am actually doing this is because it has never been done before and I would like to have it repeated again next year, you see. (Laughter)

However, Gene, as a token of our esteem for you or my esteem, I would like to present this gift to you. It is a very memorable gift, it is one that probably will be very close to your heart.

When you visited our Temple, they gave you a new set of luggage and I would now like to give you your old luggage back.

... Laughter and applause ensued as Imperial Sir Bracewell was presented with his old luggage ...

IMPERIAL SIR KISSELBURGH: Good bye, Gene. (Laughter) Do not call us, we will call you. (Laughter)

I would like to have my family come up here as I call your name.

Arthur Borgan, will you come up here as number one, please, and Tom Boles, would you

stay up here please, and also Dr. J. Witcomb Brougher, would you also come up, also Jim Kisselburgh, Beck Kisselburgh, Dave and Bill, would you come up and line up here and perhaps I can get some help from Buddy at this point.

I have some Fezes I would like to give to these fine people that have been close to me as family and close to me as friends.

Now, would all of you please just open up those Fezes and just show them in front of you before you take off your old Fez.

Let me say that I have appointed all of you, with few exceptions, as an Imperial Potentate's Aide for this year. It is an honor that you will only receive now. There is no pay connected with it in any way, shape or form. You will not be asked to do anything because I do not think you are capable of doing it anyway. (Laughter)

Now, I would ask you to put those Fezes on for a moment, please, and also ask you to remember that it is not official until Saturday afternoon, when I will be legally installed as the Imperial Potentate of the Shrine of North America.

Also, I would like to say to you, Tom, you are my Director General for Los Angeles and for those of you who have not been up to room 1346, do make your housing reservations for Los Angeles. I would urge you to get up there because the rooms are going very rapidly and we have over 35,000 rooms and we have sold 1,000 of them already. (Laughter) I am only kidding.

Tom, congratulations, you are my Director General. You are going to do a heck of a job. Please save your voice for next year. (Applause)

Art Burgan, to you, Art, my heartfelt thanks for those beautiful words. You did start me off on this. As Oliver Hardy said to Stan Laurel, "Here is another fine mess you got me into." Thank you, I appreciate it. (Laughter)

Dr. Brougher is going to be our Imperial Chaplain and he has a biography so long that five pieces of paper will not cover it all but to give you a brief resume, he has been the Pastor of the First Baptist Church of Glendale for fifty-eight years and he is a very well-known speaker. He received his Doctor of Divinity Degree from the University of Redlands; he is a member of my Temple, Al Malaikah; served as its Chaplain for twelve years and received a life membership in 1983.

He has served as a Chaplain for the Grand Council of Cryptic Masons of California for over fifty-three years and may I say to you, Doctor, I am proud to have you as Imperial Chaplain. (Applause)

To the rest of you, my brother-in-law, Bill Tondro, Jim Kisselburgh, Beck Kisselburgh and Dave, I have nothing to say to you and so—(laughter).

... Whereupon, after these individuals received a brief handshake from Imperial Sir Kisselburgh, they left the podium ...

IMPERIAL SIR KISSELBURGH: I believe I have already thanked Tom Boles for the magnificent job he has done putting this Pageant on and nominating my yesterday. I do, however, feel very, very bad about Tom losing his voice. He looked forward to doing this but I think that the routine they used in doing it was marvelous. You should have seen it operate yesterday. You know, there was a rumor going around that the voice speaking through the microphone was mine and I had nominated myself yesterday. (Laughter) Again, you have to be kidding. (Laughter)

So, to my Temple and its Divan, I say, "God bless you."

To the Units for participating in the parade, also thank you.

Would you believe it, that my Potentate, Tom Boles, signed a check to Delta Airlines for \$402,000 to bring all of the people from Los Angeles to Atlanta? (Applause)

Also, to the ladies of Al Malaikah Temple, I do not know what we would do without you. You are the spirit.

And by the way, Gene, in that suitcase, the old one, Katharyn, there is a vest in there with Al Malaikah on the back of it and it is what the ladies are wearing here in Atlanta and please, I would like to see you wear it because you probably would be a bit more proud to have an Al Malaikah jacket on than a Yaarab—(Laughter) Again, I am only kidding. (Laughter)

Art and Ethel Burgan, there is not much I can say to you two without getting very emotional but thank you very much. I love you both and for you to get up and say what you did, Art, and Ethel, for you to be here, is the greatest honor that you can pay to my wife,

Neita, she knows how I feel. We have only had one fight since we have been married and it is still going on. (Laughter) I am not kidding there, either. (Laughter)

Let me also say that when you saw Norm Crosby in the film "Call Her Mrs. Tate"—she is Mrs. Tate. (Laughter)

Next year's convention, I think, is going to be equally as exciting as the one you have experienced here today. We are very well organized, we are very well planned. We have the movie colony coming out in full force. We promise you a star studded, million dollar show on the second largest stage in the world, the Shrine Civic Auditorium. I think you will be very pleased.

The Headquarters Hotel is the Bonaventure, in downtown Los Angeles and I just am so proud that we are bringing the convention to Los Angeles. It will be the first time in thirty-six years that we have taken a convention to Los Angeles, since Harold Lloyd was Imperial Potentate.

We are going to wind up both parades in the Los Angeles Memorial Coliseum where the magnificent Olympic Games were held and I think you will all have a thrill walking into a stadium that once again brought patriotism back into the hearts of Americans. (Applause)

I do accept this position of Imperial Potentate with great humility, and to some of you that might surprise you (Laughter), because you probably did not think that humility was in my dictionary, but I do assure you that it is, at this particular moment, and I pledge to you my level best to uphold the great traditions of our Fraternity and philanthropy.

I have always believed that by properly telling the Story of the Shrine to everyone who will listen, that we will improve our membership, our endowments, wills and gifts capabilities and public relations and public awareness of our philanthropy. It is story that people love to listen to because it is a story of success.

We are a great Fraternity—almost 900,000 strong—and our philanthropy Shriners Hospitals for Crippled Children, is the envy of all of our competitors because we do so well.

Thank you, one and all, for being here. I am so proud to be a Shriner; I am so proud to be a member of Al Malaikah Temple, to have witnessed a tremendous display. I thank the band for being so professional; I thank the Chanters, my Unit, for being so well organized and rehearsed and I thank all of you and the Units of Al Malaikah Temple for marching in the Pageant.

Please forgive us, we had to march you through as fast as we possibly could because we are just about five or eight minutes over the time schedule now.

Also, I am grateful to the Imperial Divan for putting up with me for these many years. I promise you that I will do my very, very level best to represent you as Imperial Potentate of this organization and the A.A.O.N.M.S. Thank you very much. (Applause)

DR. WHITCOMB BROUGHER: Almighty God, we thank you, I thank you, because when I first bowed before thee and spoke of the responsibilities that would be mine, that you would bless Walker Kisselburgh. You smiled and said, "You have to be kidding." (Laughter)

Lord, we thank you again from the bottom of our hearts for this man, for the responsibilities that will be his and we pray that although everything looks great from a human point of view, may we realize that there are responsibilities ahead that are impossible, humanly speaking. We will put our trust in thee and now bless all through the year wherever we are. We pray this in thy great name. Amen.

... Whereupon, at ten-fifty o'clock a.m., the Pageant Ceremony was concluded ...

MORNING SESSION
THURSDAY, JULY 4, 1985
ELEVEN-TWENTY O'CLOCK A.M.

The One Hundred Eleventh Session of the Imperial Council reconvened at the Atlanta Hilton Hotel, Atlanta, Georgia, at eleven twenty o'clock a.m., Imperial Potentate Gene Bracewell, presiding.

IMPERIAL POTENTATE BRACEWELL: Will you please take your seats so that we can get our Session started.

Let me say that the first section up here is for the elected Representatives. If you are not an elected voting Representative, you should be seated in the back section, please.

I would now like to commence this Session.

Let me say, we must conduct an election, in accordance with the Bylaws, prior to our luncheon recess.

At this time, I would like to ask the Nobles that will be nominating the candidates for the position of Imperial Outer Guard to please step forward at this time. They are, as I understand it, Noble A. C. Gossett, Past Potentate of Hejaz Temple; Noble William W. Hooper, Potentate of Egypt Temple and Noble Everett Larson, Assistant Rabban of Sesostris Temple.

Also, while they are approaching our Imperial Recorder, let me tell all of the Grand Masters present here that we will have a special section arranged for you after lunch. We just did not have time to get set up between the Pageant and the start of this particular Session.

Also, while I am waiting for these Nobles to come up, let me also remind you that a tuxedo is not needed, not even a rented one, for our affair tonight.

I would also, at this time, as the Nobles who are going to be nominated for the position of Imperial Outer Guard if you will please step forward and have a seat on the stage.

Also, I would like to have the Imperial Marshal come over and draw the numbers for the position regarding nominations. We have three individuals who are going to be nominated for this position and so we will have you draw numbers one, two and three.

... Whereupon, the positions for order of nomination were drawn ...

IMPERIAL POTENTATE BRACEWELL: Let me say that Noble Gossett will be the first nominator; Noble Hooper will be the second nominator and Everett Larson will be number three.

At this time, I would like to recognize Illustrious A. C. Gossett for the appropriate nomination for the position of Imperial Outer Guard.

NOBLE A. C. GOSSETT [Past Potentate, Hejaz Temple]: Imperial Sir, Imperial Sirs, Most Worshipful and Right Worshipful Grand Masters, Illustrious Sirs, Distinguished Representatives and My Fellow Nobles: My name is Sonny Gossett and I am a past Potentate of Hejaz Temple, Greenville, South Carolina.

It is my privilege on behalf of the Nobility of Orak Temple to place in nomination for the Office of Imperial Outer Guard, Robert B. Bailey, Past Potentate of Orak Temple, Michigan City, Indiana.

A year ago, when Bob Bailey was nominated for this high office, he received very strong support and a large number of votes. Because of this endorsement, the persuasion of many Temples and Nobles, and his dedication to Masonry, Bob was encouraged to continue to offer himself in service to Shrinedom and the crippled and burned children we serve so well.

During the past year, since our meeting in Boston, Bob has traveled thousands of miles in an effort to meet us, to know our needs and to share in our fellowship. He has visited many Shrine Associations and Temples and participated in special programs all across North America. He could not get everywhere but he certainly tried. What a fantastic guy he is.

A man of conviction and moral integrity, Bob has found his tremendous strength from many sources—from his church, his fine family, which includes his loving wife, Sarah, and his three Shrine Mason sons and also the host of friends which are a part of his life.

You know why I am so enthusiastic about Bob? Because I see in Bob Bailey the kind of person I want to represent me on the Imperial Council. He is old enough, at fifty-nine, to have had broad experience and yet young enough to get the job done.

His credentials in Masonry, beginning with DeMolay, are outstanding. His leadership in Shrinedom, from Orak's Divan through the Second Vice Presidency of the Great Lakes Shrine Association, leaves a trail of creativity. His devotion to our hospitals and burns institutes has been recognized by his election as Vice Chairman of the Board of the Chicago Unit. The good business sense which he has demonstrated in private industry has been carried over into the Shrine responsibilities which have been his.

Bob Bailey is a Shriner's Shriner in every sense of the word. He is my kind of man. He relates to all of us and therefore can represent all of us.

Bob has prepared himself for the position of Imperial Outer Guard. Bob Bailey has paid his dues in time, in service and in leadership responsibilities. He is ready and we are ready for him. Together we can continue excellence in Shrinedom.

I seek your vote for Robert B. Bailey, a man of many dimensions, who will bring added dimension to the fine and capable leadership of our present Imperial Divan.

Your vote for Bob Bailey is a vote to continue that "endless line of splendor" which Shrinedom has known through the years.

Thank you very much. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you, Sonny.

At this time the Chair will recognize Illustrious Sir William Hooper, Potentate of Egypt Temple, for an appropriate nomination.

ILLUSTRIOUS SIR WILLIAM HOOPER [Potentate, Egypt Temple]: Imperial Sir, Imperial Sirs, Most Worshipful and Right Worshipful Grand Masters, Illustrious Sirs, Representatives to this great Imperial Council Session and My Fellow Nobles: My name is Bill Hooper, Potentate of Egypt Temple in Tampa, Florida.

I am pleased to have this opportunity to present to you some information about Charles A. Oakes, a Past Potentate of Egypt Temple and a candidate for the Office of Imperial Outer Guard.

As I stand before you today, I am filled with a profound sense of pride and respect, pride in our great Fraternity and the Nobility that supports it and respect for you, our dedicated leaders, who have provided the outstanding leadership that has sustained our image as the world's greatest philanthropy.

Over the past few months, you have read and heard about Chuck's accomplishments within our Masonic Family and of the strong support he has received from the Nobility of his Temple, his business associates, the brethren of our Masonic Family organizations, his local community and, most importantly, his family.

Since committing himself to our Craft twenty-three years ago, Chuck has frequently demonstrated his ability to step into a leadership position. He has shown boundless enthusiasm for our common goals and a willingness to perform any task to achieve them.

His many accomplishments, which recently includes the Honorary DeMolay Legion of Honor Degree and current service on the Board of Governors and as Chairman of the Planning and Facilities Committee of our newly constructed Tampa hospital, have resulted from his dedication and overwhelming desire to succeed.

Chuck has proven that he can adapt to change and continue progress toward our ultimate goals—a strong membership, financially sound Temple and helping our crippled and burned children.

This is the foundation that Chuck has built for his candidacy.

He is forty-five years young and brings experience with youth; enthusiasm with a team work attitude and a capacity to continue to develop and utilize his leadership attributed over the next ten years and beyond. As Imperial Potentate, he will be fifty-five years young.

In casting your ballot, you must choose a man who will join a very select group of men; a man who has demonstrated not only commitment and dedication but who also has the vitality and determination to assume greater obligations.

Chuck's untiring efforts and achievements in his own Temple have given him the wisdom and foresight to confront the critical challenges facing all of us, strengthening our membership base and achieving financial stability for all Shrine Temples.

Nobles, I urge you to elect this man, whose experience and qualifications give him the strength and courage to reach our goals.

His undying love of Freemasonry and Shrinedom will be a valuable resource for our leadership in perpetuating the philosophies and growth of our great Fraternity.

Now, it is with great personal pride and pleasure that I place in nomination for the position of Imperial Outer Guard, Illustrious Sir Charles A. (Chuck) Oakes of Egypt Temple, Tampa, Florida.

Nobles, I ask you for your vote. I thank you for your courtesy and we thank you for your support. (Applause)

IMPERIAL POTENTATE BRACEWELL: At this time the Chair will recognize Noble Everett Larson, Assistant Rabban, Sesostri Temple, Lincoln, Nebraska, for an appropriate nomination.

NOBLE EVERETT LARSON [Sesostri Temple]: Imperial Sir, Imperial Sirs, Most Worshipful

and Right Worshipful Grand Masters, Distinguished Guests and Nobles All: It is my honor, on behalf of the Nobility of Sesostri Temple, to place in nomination the name of John D. VerMaas, a Past Potentate of Sesostri Temple of Lincoln, Nebraska, for election to the Office of Imperial Outer Guard.

We have heard many Shriners talk about their dedication to Masonry and to the unity of all Masonic bodies.

John has served as Master of his Lodge not once but twice. He has served as Venerable Master of the Scottish Rite and has earned his designation as a Thirty-Second Degree KCCH. He is a member of the York Rite, Mt. Moriah Commandery No. 1.

He has served on several Grand Lodge Committees and as Potentate of Sesostri Temple. His support for the entire Masonic Fraternity and his efforts toward unity of all Masonic bodies is without question.

Many factors make John qualified for this office. As an independent businessman, he has had to make tough decisions. He has had to work with people in order to maintain efficiency and harmony. He is a leader who is always willing to listen to the Nobility, to get their ideas and share their concerns.

Another factor in John's long list of qualifications is his wife, Jan. Many times we forget how important the support of our wives can be.

Those of you who have met Jan know what a gracious lady she is and know that she will support John in every way possible.

One of the most talked about problems in Masonry today is membership.

John has done more than just talk. He has personally introduced more than fifty friends and acquaintances into Masonry. More than forty of these men have gone on to become Shriners. He has been a builder of all Masonry, not just the Shrine.

Why has he been able to do this? We believe the main reason is because John has a very sincere belief in Masonry, the Rites and the Shrine. He has a deep commitment to the Shrine hospitals. He currently serves on the Board of Governors for the Minneapolis, Twin Cities Unit.

He believes that we must put back into Masonry more than we take out. However, John has always had fun in the Shrine and he has never lost track of why our organization was founded. He has always been an active Unit member and for many years was leader of the Harley Seventy-Four competitive drill unit.

He has maintained his close ties to the Nobility during his time on the Divan and during his year as Potentate.

John feels that we must make every effort to put the fun back into Shrinedom. Certainly, that fun must be dignified but we must show people on the outside that we are having a good time and let them know that we have something that they could also enjoy.

John has done that in the past and intends to continue the same way in the future.

Your vote for John VerMaas will be a vote for enthusiasm, a vote for cooperative leadership and, above all, a vote for confidence in the future of the Shrine.

Thank you very much. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you, Everett.

Are there any other nominations for the position of Imperial Outer Guard? Are there any other nominations? Are there any other nominations?

If not, I declare the nominations closed. (Gavel)

I would like to have you three Nobles please stand—Charles Oakes, Bob Bailey and John VerMaas. Let us give all three of these candidates a big hand. (Applause) You gentlemen may be seated back in the auditorium and at this time the Chair recognizes the Chairman of the Tellers Committee, Joe Howell.

NOBLE JOE HOWELL: Imperial Sir, Imperial Sirs and Fellow Representatives, for this election we will use ballot number one, the blue ballot. If you will be kind enough, do not tear out the stub—please do not fold them up but merely drop them in the box and, in turn, we will give you a faster count. Thank you.

IMPERIAL POTENTATE BRACEWELL: Thank you very much.

... Whereupon, the balloting and collection of ballots ensued, during which time various announcements were made ...

IMPERIAL POTENTATE BRACEWELL: You know, Nobles, I have had a request from the

floor, several of them, and I have decided to honor that request from the Representatives. They would like to have this cannon up in the front here facing the stage rather than facing the Representatives. (Laughter)

Now, Nobles, has everyone voted that cares to vote? Have all the ballots been collected? If you have not cast your ballot, please raise your hand so the Tellers Committee can locate you. Have all the ballots been collected; has everyone voted? Going once, going twice—the Chair declares the ballot closed. (Gavel)

Now, Nobles, in order to give you a little more time for lunch, I am going to recess this meeting until one-thirty. That gives you almost two hours to have a nice enjoyable luncheon.

We will see you back here at one-thirty.

... The One Hundred Eleventh Annual Session of the A.A.O.N.M.S. recessed at eleven-forty-five o'clock a.m.

AFTERNOON SESSION
THURSDAY, JULY 4, 1985
ONE-FORTY O'CLOCK P.M.

The One Hundred Eleventh Annual Session of the Imperial Council reconvened at the Atlanta Hilton Hotel, Atlanta, Georgia, at one-forty o'clock p.m., Imperial Potentate Gene Bracewell presiding.

IMPERIAL POTENTATE BRACEWELL: Representatives, will you please take your seats so that we can commence our meeting.

First let me say that I apologize for being late in getting back to start this Session but we have a parade here in the City of Atlanta called the "Salute to America" Parade and it is televised throughout the Southeast and either NBC or CBS picks up about fifteen minutes. We had the good fortune this year of being selected as Honorary Grand Marshal for the parade and as we came through, they gave me a copy of the script and they were talking about the Shriners nineteen Orthopedic Units, three burns hospitals with a budget of \$122 million totally free and so I apologize for being ten minutes late in getting back but I think we got some good publicity. (Applause)

Also, I understand that there are some questions about tonight's activity. I do not have a ticket with me and so I do not have the exact time. I hope you know the time. It is at eight o'clock at the Fox Theatre which, I might say to you, used to be Yaarab Shrine Temple. It is a beautiful facility and, of course, during the depression years we had the misfortune, like many other Temples, of not being able to maintain and keep the property.

However, we do have a great show planned tonight. It is the Glen Campbell Show and by the way, as to dress, I will announce it is business suits, cocktail dresses for the ladies and Fezes will be worn.

Now, we have the good fortune of having a sell-out capacity crowd tonight. We have estimated we will have between 2,800 and 3,000 people there tonight, one of the largest functions we have had in many years.

We also will have thirty refreshment stands scattered about the area and some very good food.

Let me also remind you that this food tonight will be on two levels and the refreshment centers will be all around.

Again, there is a capacity crowd and please also turn around and visit with your neighbor tonight. Do not try to rush upstairs all at once. There is plenty of food.

Again, have a good time.

As to transportation, there will be no transportation provided for everyone. Therefore, it is your own mode of transportation. Of course, the Fox Theatre is a little too far to walk and you are probably looking at a six to eight to ten block walk, something like that. Therefore, you will have to get a cab.

Also, the Director General wanted me to remind you that there are two stubs on each ticket for your refreshment centers. Also, the refreshments and hors d'oeuvres will be after the show and I would therefore suggest you have some dinner before you come. The show will probably last until ten-thirty or a quarter of eleven and then we will have the hors d'oeuvres and refreshments.

Now, do we have the results of the election for Imperial Outer Guard in as yet?

NOBLE HOWELL: Imperial Sir and Representatives, it is with pleasure I give you the results of ballot number one for the Office of Imperial Outer Guard.

There were a possible 833 votes and 809 actually voted. There was one spoiled ballot. Necessary for choice was 405. The votes were distributed as follows: VerMaas, 71; Oakes, 199; Bailey 538.

... Cheers and applause ...

IMPERIAL POTENTATE BRACEWELL: Noble Oakes, would you like to come up here, please?

NOBLE CHARLES OAKES: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Nobles: I would like to make a motion that we make this a unanimous ballot and I will be back again next year. Thank you. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you very much, Chuck.

I would like to instruct the Imperial Recorder to cast a unanimous ballot for Noble Bob Bailey for the position of Imperial Outer Guard for the ensuing year—well, I am sorry—John VerMaas.

NOBLE JOHN VERMASS: I would like to second that motion and I would like to publicly say I have the highest respect and regard for Bob and Sarah Bailey and they will do an excellent job for the Nobility of North America and I also will be back. Thank you. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you, John.

Okay, now can I ask you to cast a unanimous ballot?

First of all, let me ask the delegates, all in favor of casting a unanimous ballot for the election of Bob Bailey to the Office of Imperial Outer Guard please say aye; opposed no. It is carried.

Now I will recognize our Imperial Recorder.

IMPERIAL SIR JONES: Imperial Sir, it is with a great deal of pleasure and pride that I cast a unanimous ballot of this Imperial Council Session electing Robert B. Bailey as the new Imperial Outer Guard for the Shrine for North America.

IMPERIAL POTENTATE BRACEWELL: Thank you very much.

I will ask Bob Bailey to please come forward.

... Rising applause ensued as Noble Bailey approached the podium ...

IMPERIAL POTENTATE BRACEWELL: Bob Bailey, I want to be the first to congratulate you on a race well run, a good race which the Nobles of the Mystic Shrine conducted in accordance with our philosophy. I again commend you. I know that you will serve this great organization well as you move through the Line.

However, before I recognize you, I must first ask you one important question and I feel like I already know the answer.

Will you accept? (Laughter)

NOBLE ROBERT BAILEY: You have to be kidding. (Laughter)

Thank you, thank you, thank you.

At noon today someone said "Well, it is coming to a close." I said, "Well, if we win, it is the beginning." I have promised most of you we will visit with you, we will work with you.

I cannot tell you how much I appreciate your votes, your support to my wife, Sarah, and to the family—also the support of all of these friends and Temples that gave us so much great support through the last twenty-one months. Thank you so very much and I appreciate it. (Applause)

IMPERIAL POTENTATE BRACEWELL: At this time I would like to recognize Imperial Sir Ed McMullan for the report of the Circus Activities Committee.

IMPERIAL SIR ED McMULLAN: Imperial Sir, Imperial Sirs, Most Worshipful and Right Worshipful Grand Masters, Illustrious Sirs, Distinguished Guests and My Fellow Representatives: It gives me a great deal of pleasure at this time to give you the following report of the activities concerning the Imperial Circus Committee since our last Session.

On October 26-27, 1984, we conducted the Eleventh Annual Circus Meeting and Seminar at Murat Temple in Indianapolis, Indiana. I am delighted to report that it was the largest seminar ever, with eighty-one Temples represented, comprising 255 Nobles. There were also nine circus producers in attendance.

We were honored to have Imperial Sir Gene Bracewell attend and feel that his presence contributed significantly to the overall success of this event.

Of the fourteen subjects on the agenda, six were new to this seminar. There were many new and innovative ideas exchanged which were most helpful to those Temples in attendance.

A majority of our Temples have put me on their mailing lists and I am extremely impressed with the outstanding coverage of Shrine Circus activities appearing in so many of your publications. Congratulations are extended to those Temples that are doing this because really, you are doing a magnificent job and when I look at the manuals and reports that you put out, I see that in most cases each and every one of you who have contributed in that manner have increased this year in your circus funds over last year and that, of course, is a gratifying thing. The magnitude of publicity is really gratifying and, I am sure, has added greatly to the success of your respective circuses.

I might add at this time, something that was innovated in our own Temple and, of course, I do not always like to be partial to Al Azhar except to say, in the case of Al Azhar, when you can make the front page of both your local papers, in color and at no cost, then you must really be doing something right. I know that we did this by running a circus parade prior to and during the circus and received this free publicity. I might say that our activities increased our net worth at least twenty percent.

Therefore, I would say that is the type of advertising you should be looking for—the free advertising—because, as you know, the reason there are more Scots in Heaven than any other nationality is the fact that salvation is free and so be sure you look for it. (Laughter)

The second edition of the Shrine Circus Manual was distributed to each Temple present at the seminar. This manual is a valuable tool for all Temples sponsoring or planning to sponsor a Shrine Circus. They are available for the asking at no charge by writing to the Imperial Recorder, Jack Jones, at Shrine Headquarters.

On March 22-23 of this year, the Executive Committee of the Imperial Shrine Circus Committee met in Tucson, Arizona, to discuss and develop the agenda for the 1985 seminar, which will be conducted, if you will mark your calendars this year, on October 24-25 at Murat Temple. The format this year will be changed to include an open forum as well as individual workshop sessions.

If your Temple sponsors a Shrine Circus or plans to do so in the future, I urge you to send a Representative to this very important and informative session.

Now, gentlemen, a letter will follow to each one of you Temple Potentates and Recorders later this month in case you forget to mark it down.

The Executive Committee also discussed the formation of the Shrine Circus Association, which we plan to implement at the 1985 seminar in October. This is something, we feel, that is long overdue. We feel certain this association will be very beneficial to the future of Shrine Circuses and Temples in particular.

A request has come in from Rameses Temple expressing their desire to host the 1986 Circus Meeting and Seminar in Toronto, Canada. They are very cognizant of the amount of work involved and have informed me that they are in a position to conduct this annual seminar in the same efficient manner that Murat Temple has done for these past eleven years. I am pleased to say that this proposal has been accepted and the tentative dates are set for September 25-27, 1986. Further details will be forthcoming in due time so that you can make the necessary arrangements.

A great majority of our Temples rely on their Shrine Circus to operate their Temple and to raise funds for our hospitals. The annual seminars have provided those in attendance with invaluable information on the many facets involved in sponsoring a successful Shrine Circus. Your Imperial Circus Committee stands ready to provide whatever assistance is necessary.

That concludes my report and it is respectfully submitted, Imperial Sir, by myself, Edward McMullan, as Chairman; Jack H. Jones, Co-Chairman; Richard L. Bukey, Vice Chairman and Cecil Byrne, Vice Chairman.

That concludes my report and I would move for its acceptance.

IMPERIAL POTENTATE BRACEWELL: Thank you very much, Ed.

You have heard the motion to accept the report. Is there a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: Those in favor of acceptance please say aye; opposed no. It is accepted, Ed, and thank you very much for a very interesting and informative report. You do a great job on that committee.

... Business was conducted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE BRACEWELL: And now, Jack, I would like to have you give your report as Chairman of the Committee on Masonic Relations and Membership Development.

IMPERIAL SIR JONES: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Distinguished Guests, Illustrious Sirs, Divan Members and My Fellow Nobles: As General Chairman of Masonic, DeMolay and Shrine Development, I am pleased to provide this Imperial Council with some pertinent information relative to those areas.

First, let us take a look at how some of our Masonic Family organizations did membershipwise in 1984.

As of last week, the Masonic Service Association did not have the 1984 totals from all the Grand Lodges. However, it appears that our Blue Lodges throughout North America will show a net loss of approximately 60,000 for 1984.

The Scottish Rite had a net loss of 14,950, the York Rite showed a net loss of 6,019 and the Shrine's net loss was 15,559.

In the Shrine, our greatest challenge continues to be primarily in the areas of creations and suspensions.

During 1984, we created only 25,951 new Nobles, which is the lowest number created since 1942, and we suspended 17,871, which is the highest number of suspensions since 1935. However, I am optimistic that this year, 1985, will hopefully be our turn-around year.

While we may not jump into the gain column, I do feel that we will reverse the increasing declining trend. My reasons for feeling this way are very simple.

Imperial Potentate Gene Bracewell has told me that there have been discussions about membership at every Visitation he has made during this past year. He said he was delighted with not only the overall awareness of the membership situation, but also with the amount of interest and enthusiasm to do something about it. I, too, have noticed a definite upbeat in the area of membership during my Visitations to Shrine Association meetings and Grand Lodge communications.

Imperial Membership Committee Chairman Russ Anthony and his Regional Directors are certainly to be commended for their efforts during this past year. Numerous regional meetings were held with Temple Membership Chairmen to exchange ideas and discuss the guidelines of some specific programs developed by the committee.

I am sure all of you are well aware of the Creation Goal Program. It is my fervent hope that a solid majority of those Temples represented here today will attain their five percent creation goal for 1985 and receive their trophies at next year's Imperial Session in Los Angeles.

Another membership program, "Replace Yourself With One," seems to be doing quite well. As you know, each Noble who top line signs at least one candidate during 1985 will receive a congratulatory card from the Imperial Potentate, along with a beautiful crest depicting the "Editorial Without Words." Both are suitable for framing or the crest may be worn as a shoulder patch or on a coat pocket.

Some of you may be wondering what more we can do to improve our membership posture. Well, the very best ideas are those developed by individual Temples—programs that can be tailored to satisfy the requirements of their own particular location.

Last month, I sent a special questionnaire to forty Temples. Twenty of those surveys went to the Temples with the highest percentage of net gains over the past six years and the other twenty went to the Temples that experienced the highest percentage of net losses for that same period of time. When I left Tampa last Wednesday, all but two of the responses were in.

The questionnaire addressed the subjects of Temple facilities and location, Temple activities, Shrine Hospital patient information and public relations information.

I have not had time to completely analyze all of the responses. However, I found the

answers to questions concerning Shrine Hospital patient information rather interesting. They revealed that Temples with net gains generally had considerably more active patient files than the Temples with net losses. It appears that there may be an important connection between Temple membership growth and Shrine Hospital patient activity. This survey will be studied very carefully and any significant information derived from it will be provided to every Shrine Temple.

Gentlemen, when we discuss membership, we must always remember from whence we came. We must remember that we are a part of the Masonic Family and however goes the Masonic Family, so goes our Fraternity.

It is extremely important that we work in close harmony with our Blue Lodge Brethren and with our Scottish and York Rite Brethren. Together we will become a powerful force, continuing to perpetuate the philosophy and growth of our great Fraternities.

Also, we must never forget the young men in DeMolay. They are our greatest source of raw material for future Masons and Shriners. In addition, the young people in our Masonic youth organizations—Rainbow, Job's Daughters and the DeMolay—are very important to the future of our great nations as well. They will become the leaders who will chart our destiny. The greater the number of Masonic youths today, the greater the assurance of a better tomorrow. Your support for these youth groups is badly needed, especially in the areas of adult leadership and financial assistance. Encourage the members of your Temple to volunteer their time, or at the very least, attend some of their meetings.

Let me say that Imperial Sir Voris King and his Masonic Relations Committee are to be commended for their collective and individual efforts to promote good Masonic relations throughout North America.

In closing, I would like to say how delighted I am that forty-five Grand Masters are in attendance at this Imperial Session. This record turnout indicates that our ongoing efforts to strengthen our Masonic ties are working.

That concludes my report, Imperial Sir, and I would move for its acceptance.

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: Thank you, Jack.

You have before you the motion and the second to receive this report.

All in favor say aye; opposed no. It is unanimously carried.

Jack, I, too, want to extend to you my heartfelt thanks and appreciation for a job well done in the past year in your position.

At this time, I would like to recognize Imperial Sir Peter Val Preda to give us a report on the Committee on Emeriti Membership.

PAST IMPERIAL POTENTATE PETER VAL PREDA: Imperial Sir, Imperial Sirs, Most Worshipful and Right Worshipful Grand Masters, Representatives and Fellow Nobles: At this time, I wonder if I could ask the members of the Emeriti Committee to please come forward and also all those who are to receive their certificates this year. Please come up to the stage here.

Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Nobles and Representatives, I stand here before you today as Chairman of the Committee on Emeriti Members. Standing up here with me are the members of my committee. I have also requested that all of the recipients and Representatives who have been notified of their eligibility for Emeriti Membership also be here on the stage.

Last year you Representatives requested that the biographical data submitted on each one of these outstanding Representatives not be read but, rather, be placed in the record. Your committee will honor that wish again this year.

... Cheers and applause ensued ...

PAST IMPERIAL POTENTATE VAL PREDA: As you know, Imperial Council Law, Section 203.4 reads as follows:

"Upon the recommendation of the Committee on Emeriti Representatives and by a majority vote of the Representatives registered at any Session, the Imperial Council may elect as an Emeritus Representative any Noble who is a Representative to that Session and who has been a Representative for at least fifteen years, including that Session."

I will now call on the individual members of my committee to place in nomination the name of one or more Representatives for Emeritus status.

I would now like to first call on Walter L. Emerson, Kora Temple.

NOBLE WALTER L. EMERSON [Kora Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: I have the honor of nominating for election to the distinction of Emeritus status on the Imperial Council, Robert J. Saarinen of Abou Saad Temple and Robert W. Beachler of Antioch Temple.

PAST IMPERIAL POTENTATE VAL PREDA: Thank you, Walter.

Will Curtis Lewis please come forward and present his nominee or nominees.

NOBLE J. CURTIS LEWIS [Aleppo Temple]: Imperial Sir, Imperial Sirs and Representatives: It is indeed a pleasure for me to nominate two distinguished Nobles from our two great Southern Temples—Robert C. Lake from Hejaz Temple and John Terry of Jamil Temple. Both of these Nobles have served Shrinedom well and it is indeed an honor to place their names in nomination for Emeriti Membership.

PAST IMPERIAL POTENTATE VAL PREDA: Thank you, Curtis.

Now, will Vernon Bell please come forward.

NOBLE VERNON BELL [Nile Temple]: Imperial Sir and Fellow Representatives: It is my pleasure today to place in nomination for Emeriti Membership the name of Gene B. Lock from Affi Temple.

PAST IMPERIAL POTENTATE VAL PREDA: Thank you, Vernon.

I would like to next have Harvey B. Leggee please come forward.

NOBLE HARVEY B. LEGGEE [Aleppo Temple]: Imperial Sir, Imperial Sirs and Representatives All: It is my pleasure to nominate for Emeriti Membership at this time Illustrious Noble Oscar Oehmler of Zenobia Temple and Lucian D. McCulloch of Cahaba Temple.

PAST IMPERIAL POTENTATE VAL PREDA: Thank you, Harvey.

At this time I will recognize Noble G. Wilbur Bell.

NOBLE G. WILBUR BELL [Ansar Temple]: Imperial Sir, Imperial Sirs and Representatives: It is my pleasure to suggest for Emeriti Membership, a Noble from Hamasa Temple who has been a great Shriner, a Noble by the name of James Skelton of Hamasa Temple.

PAST IMPERIAL POTENTATE VAL PREDA: Thank you, Wilbur.

Will Dewy Kuhns now step forward.

NOBLE DEWY KUHNS [Beni Kedem Temple]: Imperial Sir, Imperial Sirs and Representatives: I would like to nominate for this recognition of Emeriti Membership, a gentleman and Noble that hails from Tadmor Temple, a summary of his biography, which I understand will be subsequently published in these proceedings. I suggest you read all of his biography that will be subsequently published. The Noble that I am about to nominate and suggest is Noble Gerald Davis of Tadmor Temple.

Also, I have a second nomination to make and I wish to make a few short remarks because I think this particular Noble is known to most of you for the admirable service that he has given to the Shrine for North America for so many years.

He is presently on the stage, has been on the stage as an Emeriti Member of the Finance and Accounts Committee, he has been a Royal Director of the Royal Order of Jesters, been President of the Mid-Atlantic Shrine Association and many organizations which I will not go into. He has an admirable Masonic record and carries the title of DDS after his name, Doctor. Of Dental Surgery. He is a devoted Shriner and I therefore have the pleasure of also nominating for Emeriti recognition, Dr. Palmer Burde of Salaam Temple.

PAST IMPERIAL POTENTATE VAL PREDA: Thank you.

Now, Imperial Sir, will you at this time relinquish the gavel to somebody else because you are likewise going to be a nominee here at this point.

... Whereupon, the gavel was tendered to Imperial Sir Anthony ...

PAST IMPERIAL POTENTATE VAL PREDA: Illustrious Sirs and Nobles, I cannot help but say three short things here because all of these people have a long biography but this I want to read to you because he is our Imperial Potentate:

"Gene Bracewell is one of the most special people who thrives on involvement. He constantly looks for ways to help people and yet Gene is not a man who seeks credit for the things he does. He is a businessman, a father, husband and Shriner. It is my pleasure to congratulate him on this achievement."

This is signed by the Honorable Sam Nunn, United States Senator of Georgia.

I am going to mention what the Governor said and then I will not go into any of the others.

"The Shrine has great leadership and Gene Bracewell is a good example of that leadership. As the Governor of Georgia, I am proud to have Gene represent the state in the Shrine's highest post. As a Shriner, I am excited to have his leadership congratulate him."

That is from the Honorable Joe Frank Harris.

You all know of Gene's service and you have heard so much about it during the last few days. I will not go into it but I urge you to read this letter on in your proceedings.

At this time, Imperial Sir, I move that these individuals nominated for Emeriti Membership be duly elected. I ask for that motion.

IMPERIAL SIR ANTHONY: The Chair will certainly entertain that motion. Is there a second?

... The motion was duly seconded ...

IMPERIAL SIR ANTHONY: All in favor of the motion signify by saying aye; opposed by the same sign. The motion is carried and by this motion the Chair recognizes the election of all candidates.

... Imperial Potentate Bracewell resumed the Chair ...

PAST IMPERIAL POTENTATE VAL PREDA: Imperial Sir and Illustrious Sirs and Representatives, there were two certificates missing, they were not ready at the time these others were compiled.

However, there are two more nominees that I would like to present in the persons of William L. Barrineau, Jr., of Al Sihah Temple. I would move for his nomination.

You also have Glen McMennamy of Khiva Temple who is also a nominee.

Then, Imperial Sir, I would move again that both of these individuals be elected as Emeriti Members.

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: You have before you the names of these two gentlemen for election to Emeriti Membership.

All in favor please say aye; opposed. The motion is unanimously carried.

PAST IMPERIAL POTENTATE VAL PREDA: At this time I would like to hand them their certificates, Imperial Sir.

... The distribution of certificates to those nominated and elected as Emeriti Members then ensued ...

IMPERIAL POTENTATE BRACEWELL: At this time, while these certificates are being distributed, let me ask that you recognize the Most Worshipful Grand Master of Alaska, Glen W. Pruett. Will you please stand.

Most Worshipful Sir, we are delighted to have you with us.

... Rising applause ensued ...

IMPERIAL POTENTATE BRACEWELL: At this time the Chair recognizes Imperial Sir Webber Harrington for a report of the Imperial Treasurer.

IMPERIAL SIR HARRINGTON: Imperial Sir, Imperial Sirs, Grand Masters and My Fellow Representatives: The annual report of the Imperial Treasurer of the Iowa Corporation is on page 1 of your red Book of Reports, Imperial Council, and that of Shriners Hospitals is likewise on pages 1 and 2 of the red book in the Book of Reports labeled Shriners Hospitals for Crippled Children.

I would urge you to read these reports and the reports of your auditors, which contain the financial information, including their footnotes regarding the balance sheets and results of operations of our corporations for the year 1984.

I particularly call your attention to the report on Shriners Hospitals for Crippled Children because I give you there the breakdown of our Endowment Fund and what the changes have been during this past year and I want everyone who is a member of the Colorado Corporation to fully understand what our financial status is and to recognize that we are not only looking at it now but we are looking at it on a ten-year planning basis and we are adjusting as the economy of our country adjusts and as our fortunes in endowments, wills and gifts and in operations are concerned. I think you will find that there is a lot of good, useful information here and I urge you to become familiar with it.

With respect to the Iowa Corporation, as you well know from the information which was in your packets, we, because of the change which was approved by this body last year, made a change in the way that we are reimbursing for mileage and per diem. As a result of this, we

were well in the black this year approximately \$92,000, as I recall, and we are budgeting a deficit next year of some \$460,000 principally because of the cost of transportation to Los Angeles.

I have some preliminary figures on mileage for this Session and I want to congratulate you Representatives, you have done a fantastic job in arranging transportation to this Session and our preliminary figures, and it is all due to you fellows, will indicate that we have saved something like \$298,000 on mileage to this Session. (Applause)

We will have the full figures within just a matter of a few days but those are our preliminary figures and what that means is that we will be able to adjust our budget for 1986 and will actually have a small deficit whereas we were budgeting in a fairly large deficit for this purpose. It is my sincere belief that we will have a surplus range enough for the year 1985 to more than cover that and the credit is all due to you fellows.

Thank you very much.

IMPERIAL POTENTATE BRACEWELL: Thank you very much, Webb. Would you like to move that your report be received?

IMPERIAL SIR HARRINGTON: Imperial Sir, I move that my report on both the Iowa Corporation and Colorado Corporation be received.

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: All in favor please say aye; those opposed. It is unanimously carried.

Webb, thank you for a great report. You do a fine job as Treasurer.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE BRACEWELL: At this time the Chair recognizes Imperial Sir Jack Jones for some additional announcements.

... Additional announcements by Imperial Sir Jones ensued ...

IMPERIAL POTENTATE BRACEWELL: At this time we would like to proceed with the taking up of some additional pieces of legislation and the Chair at this time will recognize Noble Tingle, a member of the Jurisprudence and Laws Committee.

NOBLE J. M. TINGLE [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws, Item Number 6 on the Call of the Annual Session of 1985, located on page 18 of the Call. It is a proposal to amend Subsection (c) of Section 211.5 of Article 11 of the Bylaws of the Imperial Council, an Iowa Corporation, so that it will read as follows:

ARTICLE 11

Budget and Revenues

Section 211.5 Per Capita Tax ...

(c) Payment. The annual per capita tax shall be paid to the Imperial Council as follows:

- (1) Not later than March 31, fifty percent;
- (2) Not later than June 1, thirty-five percent; and
- (3) Not later than October 1, the remaining fifteen percent.

Any Temple failing to remit per capita tax on dates herein shall pay an additional seven percent penalty for such late payment in each instance of late payments unless such penalty is waived by the Imperial Potentate for good cause shown upon the written request of the Temple.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted

LAWS

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Lew Brantley of the Finance and Accounts Committee for his report.

IMPERIAL POTENTATE BRACEWELL: The Chair now recognizes Lew Brantley.

NOBLE LEW BRANTLEY: Imperial Sir, Imperial Sirs and Representatives to the Imperial Council:

The proposed amendment to S.211.5(c) of Article 11 of the Bylaws of the Iowa Corporation has been referred to your Finance and Accounts Committee for a report to you.

If the receipt of per capita tax from the individual Temples would remain the same in the future, and if this amendment had been in effect this year, it would have increased revenues to the Iowa Corporation by approximately \$45,000 to \$50,000 per year. It would penalize late paying Temples by adding the proposed seven percent to each late payment. Passage of this amendment would and should encourage the individual Temple to make timely and prompt payment to the Imperial Council Headquarters.

The Finance and Accounts Committee unanimously recommends adoption of this amendment to be effective January 1, 1986.

Mervin D. Henning, Chairman
Gene B. Lock
Rolan C. Simpson
D. Sam Erickson
Lewis B. Brantley
Palmer D. Burde
B. W. Vetter, Chairman Emeritus
Robert G. Evans, Sr., Emeritus

Imperial Sir, if there are no questions or comments concerning this report, I recommend you now call on Illustrious Sir Tom Lucas, the proponent, for an appropriate motion.

IMPERIAL POTENTATE BRACEWELL: The Chair now recognizes Illustrious Sir Tom Lucas.

ILLUSTRIOUS SIR TOM LUCAS: Nobles, I would move the adoption of this amendment to our Bylaws and I would also like to make this statement, if I may.

Last year, Noble George Powell appeared before you in regard to monies which all of us as Temples owed to the Imperial Council. That is our per capita tax. Certainly that is the first expense we must pay in order to keep our Charter.

However, I think you know that in the last few years, with high interest rates, even the garbageman on the truck has become a money man. He is going to make interest on his money and I feel sure that many have done that and put money on deposit so that as your dues comes in in advance for November and December, most of the Temples that receive those, carry those dues over into their account in relation to next year's operating funds and, further, some of them invest those funds. However, in the process, our National Office is in a position of having no funds on which to operate and, certainly, we should meet our obligations.

I do not feel like this would hurt anybody who is conducting and performing their duties in the manner they are supposed to.

Certainly, if you were to have a catastrophe of some kind, provisions are made for you obtaining written permission of the Imperial Potentate not to be penalized by it. However, I think it is good business to meet our obligations and I hope you will agree with me and let those Temples who are penalizing everybody pay their tax as indicated.

I feel this is a fair proposition and, by so doing, will not penalize those Temples who tend to pay on time.

I also have checked with some financial experts at the bank and they all feel like the interest on the money is going to hang in at seven to eight percent for some time to come and if you take the sugar out of the bowl, maybe the guy will quit drinking coffee.

I hope all of you will adopt this amendment.

IMPERIAL POTENTATE BRACEWELL: Tom do you put that in the form of a motion?

NOBLE TOM LUCAS: Yes, Imperial Sir, I would move for the adoption of this amendment.

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: You have before you a motion and a second that this amendment as presented be adopted. Is there discussion?

If not, all in favor of the amendment indicate by saying aye; opposed no. It is declared to be adopted by the necessary two thirds majority.

The Chair at this time would like to recognize the Illustrious Potentate of Jerusalem Temple, Illustrious Potentate Charles L. McCarty.

NOBLE CHARLES MCCARTY [Potentate, Jerusalem Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives, inasmuch as this is our one hundredth anniversary of Jerusalem Temple, it gives me great pleasure to present to you, Imperial Sir, a lifetime membership in Jerusalem Temple. This is our commemorative one hundredth anniversary membership and we hope when you come into New Orleans that you will visit us and keep this as a memento of this occasion.

... Plaque presentation to Imperial Sir Bracewell ensued ... (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you so much, Illustrious Sir, and to you and your Divan and members of Jerusalem Temple, let me say that I sincerely appreciate this presentation of Honorary Life Membership, since I know that it does not carry dues with it, does it? At any rate, thank you so very, very much for this presentation. (Applause)

Now, at this time, I would like to recognize for the presentation of additional legislation, Illustrious Sir Ed Maag.

NOBLE ED MAAG [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws, Item Number 2 on the Call of the Annual Session of 1985, located on page 16 of the Call. It is a proposal to amend Section 203.2 of the Article 3 of the Bylaws of the Imperial Council, an Iowa Corporation, so that it will read as follows:

ARTICLE 3 Representatives

Section 203.2 Representatives Ad Vitam. All past Imperial Officers and Trustees Emeriti of Shriners Hospitals for Crippled Children are Representatives Ad Vitam.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Robert Bailey, the proponent, for an appropriate motion.

IMPERIAL POTENTATE BRACEWELL: At this point, the Chair recognizes Illustrious Sir Robert Bailey.

NOBLE ROBERT BAILEY: Imperial Sir, Imperial Sirs and Fellow Representatives: I am Robert Bailey, Past Potentate of Kerbel Temple, Knoxville, Tennessee.

First let me say that our duly elected Imperial Outer Guard also certainly has a good name. (Laughter)

At any rate, I would like to speak to you for a few moments relative to proposed amendment 2 and the comments that I make also will be appropriate to proposed item 3, since the two are interrelated.

These proposals concern an issue that I feel should not be controversial and I hope very briefly to make clear to you the basis for the proposal.

This is my thirteenth Imperial Session and over the past few years especially, I have wondered why those whom you elect to be Trustees of the Hospital Boards continue to be

required to be elected as Temple Representatives in order that they might officially and completely participate in the business of the Iowa Corporation.

When we, for example, elect a Noble to be Imperial Recorder, he becomes a Representative-At-Large, even though he is elected each year. When we elect a Noble to be our Imperial Treasurer, he likewise becomes a Representative-At-Large, even though he is likewise elected every year. Also, when we elect our Imperial Outer Guard, he and all Imperial Officers become Representatives-At-Large or Representatives Ad Vitam, depending upon their time of service. However, when we elect a Noble to be a Trustee to our Hospital Boards, this is not the case—he does not become a Representative-At-Large and must continue to be elected year after year in order to handle the business of the Iowa Corporation. However, yet this Trustee represents all of us in the affairs of the hospital and not just the views of the local Temple.

In one breath we elect a Hospital Trustee to represent all of us in the hospital's effort and in another breath we require the election of this individual as a Representative of his Temple in order to actually participate in the full business of the Imperial Session.

Think it through—why treat them differently? I do not believe that you agree that this is a principle that you want to continue.

These proposals are designed to correct that difference and invest, if you will, full right in the Trustee to participate in all business of our Fraternity while attending an Imperial Session.

Actually, please look with me to pages 39, 40 and 41 of the Call. On these pages are listed the hospital committees and you will notice the pivotal positions held by your elected Trustees—that is, those who are not Imperial Officers.

On page 39, for instance, on the very important Planning Committee, you have Robert Turley as Chairman and I will not even mention those Trustees who comprise membership on all of these committees.

However, I do want to call your attention to the pivotal positions being held on these committees. Look on page 40, for example. Mahlon Hessey is Chairman of the Special Committee. You have Webb Harrington on as Chairman of the Special Committee on Hospital Priority Needs.

Under Special Liaison Committees, you have Winner Delp as Chairman of the Erie Unit; you have Bill Mattison as Chairman of the Mexico City Unit; you have Howard Bozeman as Chairman of the Montreal Unit.

Then, on page 41, you again have Mahlon Hessey as Chairman of the Spokane Unit; Robert Turley as Chairman of the Tampa Unit; Howard Bozeman as Chairman of the Twin Cities Unit and, again, Mahlon Hessey as Chairman of the Galveston Unit.

These are important positions and because of the great amount of business and finance that goes through these committees, these men should certainly be in a position to be of great help in the affairs of the Iowa Corporation and yet let me point out that if one of your elected Trustees fails to be elected as a Representative from his Temple, it is conceivable, though not probable, that that Trustee could end up one year without being able to be of service in the office to which you have elected him and let me tell you why.

If he has missed the previous Annual Meeting of the Colorado Corporation, he could not attend the Board of Trustees nor act between the Imperial Sessions and I refer you to the yellow pages of the Bylaws, page 12, Article 4, Membership, where it states that you terminate your membership by failure to attend the Annual Meeting.

Now, I realize that probably that would never happen but it is conceivable that it could happen.

We have at least one Trustee and probably others whom you have elected that is not a Representative from his Temple. Now, let us suppose that just previous to this Session, this Noble had gotten sick and was hospitalized and could not attend this Session—by virtue of the rules here in the Bylaws of the Colorado Corporation, he would not be able to function between Sessions, at least from the Article that I have just read to you.

By the same token, if he had a death in the family or was somehow involved with any number of other things that could happen in a family or could occur, it could preclude him from acting through perhaps having missed the previous Annual Session.

Fortunately, the Trustees you have heretofore elected have been able to be either here or

they have been elected Representatives from their Temples, which has allowed them to fully participate in the office to which you have elected them.

Now, this proposal, as well as the following proposal, is designed to correct this situation.

Think it through, Fellow Representatives, because this is a principle I do not believe you will want to continue.

Also, please notice the distinction between proposals 2 and 3.

Proposal 2 concerns past service, that is, the person who has had at least nine years in service as a Hospital Trustee and is an Emeriti person who, in turn, would come under proposal 2.

Proposal 3, however, concerns present service and would indeed involve those in the situations I just previously mentioned.

Now, for the past several years, you have elected highly qualified Nobles as Trustees of the Colorado Corporation and so we do need to clothe them with proper guarantee that they will be able to carry out the responsibilities for which you have elected them.

Again, think it through. This is a principle that you will not want to continue.

I move you, sir, adoption of proposal 2 in the Call as previously spelled out.

IMPERIAL POTENTATE BRACEWELL: My Fellow Representatives, you have heard the motion, is there a second?

... The motion was duly seconded . . .

IMPERIAL POTENTATE BRACEWELL: The motion has been duly made and seconded. Is there discussion?

The Chair recognizes Imperial Sir Everett Evans.

IMPERIAL SIR EVANS: Imperial Sir, Imperial Sirs and Fellow Representatives: I guess probably I have a hard time with this legislation because I really do not understand why you would want to keep or you want to have this proposition passed where you would have somebody else within your Temple that was a Representative that you did not elect that could possibly tell you how to run your local Temple business.

If a Trustee wants to be where he can be in a position as an Imperial Officer, maybe then he ought to get out on the road and drive through ice and snow and visit all the Temples and maybe he ought to consider it that way and begin out there.

When you elected me, you asked me if I would always be for the Temples and I answered yes.

The proponents of this legislation mentioned a couple of Trustees on the floor here that certainly fit in that category but they were Emeritus Members, worked long and hard in other duties to get there. We have some great Trustees. They are well thought of in their Temples.

I have no hard feelings one way or the other but when he says, "Think about it," that is what I am going to tell you, think about it. Do you want to elect your own Representatives, or have it done for you automatically. There is a difference between the Fraternal corporation and the Hospital Corporation. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you, Imperial Sir.

Is there further discussion on this matter? The Chair recognizes Burt Ravellette.

IMPERIAL SIR RAVELLETTE: Imperial Sir Gene, Imperial Sirs and Representatives: This legislation, in my opinion, could place a cloud on the title of the At-Large Representatives who are, by tradition, the officers of this Imperial Council and, by the same vote, do the same thing to the Ad Vitam Representatives, who are the Past Imperial Potentates.

As I see it, further down the road, it could place an additional financial burden upon the Iowa Corporation, whose strained finances have already been a concern to the point where we had to raise our per capita tax.

I would say to you that this is not necessary legislation, that the legislation is not needed. I believe we can best be served by defeating this legislation. Thank you very much. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you, Imperial Sir Burt.

Now, is there any Representative that would care to speak on the other side of this issue? Is there further discussion?

If not, all in favor of this legislation please say aye, opposed no. The Chair rules that the

legislation has not carried by the necessary two-thirds majority and thereby declares the legislation to be defeated.

Now, at this time, the Chair will recognize Judge Cooper for an additional piece of legislation.

NOBLE COOPER [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws, Item Number 3 on the Call of the Annual Session of 1985, located on page 16 of the Call. It is a proposal to amend Section 203.3 of Article 3 of the Bylaws of the Imperial Council, an Iowa Corporation, so that it will read as follows:

ARTICLE 3
Representatives

Section 203.3 Representatives-At-Large. All Imperial Officers and elected Trustees of Shriners Hospitals for Crippled Children are Representatives-At-Large.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provisions of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Robert Bailey, the proponent, for an appropriate motion.

IMPERIAL POTENTATE BRACEWELL: Thank you, Judge Cooper.

The Chair now again recognizes Illustrious Sir Robert Bailey, the proponent of this legislation.

ILLUSTRIOUS SIR ROBERT BAILEY: Imperial Sir, in view of the previous vote, I have some hesitancy to say very much. However, I would like to point out to you that I do not believe the finances of the Imperial Session would be duly harmed. You are only dealing, at a maximum with seven elected Trustees. The other five are elected Imperial Officers and, at the moment, you have two Past Imperial Officers comprising the seven, leaving five, and so you are not talking about a lot of finances that would unduly harm this organization.

The question you have to ask yourself and which I asked myself in making this proposal is whether or not this small amount of additional cost in those instances where that cost is involved to have the business judgment, the background and knowledge of the Trustees who have served you in office on the Hospital Boards available to you in the Iowa Corporation?

These Boards meet jointly from time to time and your Hospital Trustees have full knowledge of the things that transpire in these joint meetings.

Now, if they are not an elected Representative from their Temples, they are precluded from voting in the Iowa Corporation. That is what the rules say and that was the reason for the proposal passed out to you.

As previously indicated, proposal 2 had to do with past service; proposal 3 has to do with present service and if you failed to vote for proposal 2, you do have a situation existing right now where you have elected Trustees who are not elected Representatives from their Temples and who thereby are precluded from voting in the Iowa Corporation business of this Imperial Session or any Imperial Session unless you make this change.

I therefore move you, Imperial Sir, that proposal 3 on page 16 of the Call be adopted.

IMPERIAL POTENTATE BRACEWELL: Thank you very much.

You have heard the motion, do I hear a second?

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE BRACEWELL: The motion has been moved and seconded. Is there discussion? I will again recognize Imperial Sir Evans.

IMPERIAL SIR EVANS: Imperial Sir, Imperial Sirs and Representatives: I once again come to the podium to ask you to consider what you are about to vote on. I think it contains the same substance and I am totally in favor of the Temples making that decision as to who is a Representative and who is not a Representative.

IMPERIAL POTENTATE BRACEWELL: Thank you very much, Everett.

Is there further discussion on the motion?

. . . The question was severally called for . . .

IMPERIAL POTENTATE BRACEWELL: The question has been called for. Therefore, we will vote on this issue.

Those in favor of the passage of this legislation please indicate by saying aye; opposed no. The Chair again declares it has not received the necessary two-thirds majority vote and is therefore not adopted. I declare the legislation has not carried by the necessary two-thirds majority.

. . . Business was conducted in the Colorado Corporation at this time . . .

IMPERIAL POTENTATE BRACEWELL: At this time the Chair will recognize Gerald Davis of the Jurisprudence and Laws Committee, for some additional legislative matters.

NOBLE GERALD DAVIS [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws, Item Number 14 on the Call of the Annual Session of 1985, located on page 26 of the Call. It is a proposal to amend Section 449.6 of Article 49 and Section 473.1 of Article 73 of the Bylaws of the Imperial Council, an Iowa Corporation, so that they will read as follows:

ARTICLE 49

California

Section 449.6 Islam Temple

Has exclusive jurisdiction in San Francisco, San Mateo, Marin, Santa Clara, Monterey, Santa Cruz and San Benito Counties.

ARTICLE 73

Nevada

Section 473.1 Kerak Temple

Has:

A. Exclusive jurisdiction over the State of Nevada except Clark County

B. Exclusive jurisdiction in Inyo County and Mono County, California

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Art Armitage of the Jurisdictional Lines Committee for its report.

IMPERIAL POTENTATE BRACEWELL: The Chair now recognizes Noble Art Armitage of the Jurisdictional Lines Committee for its report.

NOBLE ARTHUR E. ARMITAGE [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisdictional Lines, a proposal, shown as

14 on the Call, by Charles L. White, Potentate of Islam Temple, San Francisco, and Leonard T. Howard, Sr., Potentate of Kerak Temple, Reno, Nevada, to amend their territorial jurisdictions which would, in effect, give exclusive jurisdiction of Inyo and Mono Counties in California to Kerak Temple, Reno, Nevada.

Your committee met with Representatives from these Temples and reviewed the agreement made between them. This agreement attached and forming a part of this report, is another great example of Masonry in Action.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call on Illustrious Charles L. White or Illustrious Leonard T. Howard, Sr., for an appropriate motion.

NOBLE LEONARD T. HOWARD [Kerak Temple]: Imperial Sir and Fellow Representatives: I would like to give you a brief explanation as to what is occurring and my good friend, Charlie White, Illustrious Potentate of Islam Temple, has allowed me to speak first on this subject.

These two counties are located in the Northeastern part of California and they join the Northwestern part of Nevada, which is the jurisdiction of boundary line between our Temples, Kerak Temple of Reno, Nevada and Islam Temple of San Francisco, California.

Now, we are about 300 miles from these two counties. Islam Temple is about 400 miles and they have the Sierra Nevadas to cross, with a very inaccessible road most of the time for getting there.

By virtue of an agreement entered into between the Temples in the late 1940s, Kerak Temple has established and has been servicing a Shrine Club in Inyo and Mono Counties. We have a very fine Club there, we are proud of it and we feel it is in the best interest of the members of that Club and of the people in that jurisdiction that they actually know where they stand. If they become members of Kerak Temple and the Jurisdiction be awarded or given to Kerak, we are very happy to accept it.

Illustrious Potentate White and myself have worked on this. We are in agreement on it and I hope you will approve it.

IMPERIAL POTENTATE BRACEWELL: Thank you, Illustrious Sir Howard.

The Chair now recognizes Charles White, Potentate of Islam Temple.

ILLUSTRIOUS CHARLES WHITE [Potentate, Islam Temple]: Imperial Sir, Illustrious Sirs, Grand Masters and Fellow Representatives: This legislation was introduced by Illustrious Sir Leonard to better serve those two counties located in an area inaccessible to Islam Temple.

Just to give you a little bit of history, in 1883, Islam Temple was granted jurisdiction or granted dispensation to form a Temple in San Francisco. That dispensation granted them the State of California, the first Temple that was established West of the Rockies. This was in 1883.

Now, since then, that jurisdiction has been divided up and we now have seven Temples in California. Apparently when the jurisdictional lines were placed, nobody at that time wanted Mono and Inyo Counties to actually become the property of Islam.

We have not and cannot get to them to service those counties mainly because of inaccessible roads, winter conditions and things like that.

There are some members up there at the present time, however, who wish to join Kerak Temple. It does not cause us any membership problems and we would like to have a favorable vote on this.

This will probably be the first time that a jurisdictional line has been allowed to cross state lines but we ask for your vote on number 14 in the Call.

IMPERIAL POTENTATE BRACEWELL: You are putting that in the form of a motion?

ILLUSTRIOUS SIR WHITE: Yes, I ask that this be in the form of a motion.

IMPERIAL POTENTATE BRACEWELL: Thank you.

Do I hear a second?

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE BRACEWELL: Is there discussion?

. . . The question was severally called for . . .

IMPERIAL POTENTATE BRACEWELL: The question has been called for.

All in favor of granting this proposal indicate by saying aye; opposed. It is carried.

It is certainly refreshing to see these two great Temples, Kerak and Islam, working so closely together. I congratulate both of you in your efforts.

At this time, the Chair recognizes Illustrious Sir Ken Siegfried.

NOBLE SIEGFRIED [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws, Item Number 15 on the Call of the Annual Session of 1985, located on page 26 of the Call. It is a proposal to amend Sections 485.2 and 485.3 of Article 85 of the Bylaws of the Imperial Council, an Iowa Corporation, so that they will read as follows:

ARTICLE 85 South Carolina

Section 485.2 Omar Temple

Has exclusive jurisdiction over Dillon, Marion, Horry, Darlington, Florence, Williamsburg, Georgetown, Berkeley, Dorchester, Charleston, Colleton, Bamberg, Allendale, Hampton, Jasper, Barnwell, Orangeburg, Clarendon, Lee, Marlboro and Beaufort Counties.

Section 485.3 Jamil Temple

Has exclusive jurisdiction over McCormick, Edgefield, Aiken, Lexington, Richland, Kershaw, Chesterfield, Calhoun, Fairfield and Sumter Counties.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,
Walter Pettit, Chairman

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Sir Rudy Posey.

IMPERIAL POTENTATE BRACEWELL: The Chair recognizes Illustrious Sir Posey.

ILLUSTRIOUS SIR R. A. POSEY [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisdiction Lines a proposal as Item 15 on the Call to amend the Jurisdiction Lines in a portion of South Carolina.

A hearing was held by your committee at which there was presented an agreement signed by the proper Representatives of each of the affected Temples. This amendment, in essence, eliminates concurrent jurisdiction between these Temples and assigns exclusive jurisdiction of Lee County to Omar Temple and exclusive jurisdiction in Sumter County to Jamil Temple. The agreement is attached and made a part of this report.

This is another great example of cooperation between adjoining Temples.

Imperial Sir, I move the adoption of this proposal by the Imperial Council.

IMPERIAL POTENTATE BRACEWELL: Thank you, Dr. Posey. Is there a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: The Chair recognizes Illustrious Potentate J. V. Johnson of Jamil Temple.

NOBLE J. V. JOHNSON (Potentate, Jamil Temple): Imperial Sir, Imperial Sirs and Representatives: I would move the adoption of Article 15 in the Call and I would also like to call on the Chief Rabban of the Mother Temple of South Carolina, Omar Temple, to second the motion.

NOBLE L. M. HALLMAN [Omar Temple]: Imperial Sir and Representatives: It is pleasure, in behalf of the Potentate of Omar Shrine Temple, to second this motion.

IMPERIAL POTENTATE BRACEWELL: Thank you.

You now have a motion and a second before you to adopt the legislation as presented. Is there any further discussion?

... The question was called for ...

IMPERIAL POTENTATE BRACEWELL: The question has been called for.

All in favor of granting this proposal say aye; opposed no. It is unanimously carried and I would again also like to congratulate those who great Temples on the spirit of harmony in which they are working.

Now, Nobles, I feel that we have had a most productive day and the hour is growing rather late and if there are no objections on the part of you Representatives, I am going to recess this Session until nine o'clock tomorrow morning. Let us all have a good time tonight.

... The One Hundred Eleventh Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at four-twenty-five o'clock a.m. to reconvene at eight-thirty o'clock a.m. on the following morning ...

MORNING SESSION FRIDAY, JULY 5, 1985 EIGHT-THIRTY O'CLOCK A.M.

The One Hundred Eleventh Annual Session of the Imperial Council reconvened at the Atlanta Hilton Hotel, Atlanta, Georgia, at eight-thirty o'clock a.m., Imperial Potentate Gene Bracewell presiding.

IMPERIAL POTENTATE BRACEWELL: Representatives, if you will kindly take your seats we would like to reconvene our Session and go along with our program. I would like to call this Session back to order.

At this time I am going to call on our Imperial Chaplain, Imperial Sir Vernon Bracewell, my father, to please start this Session off with a word of prayer.

IMPERIAL CHAPLAIN BRACEWELL: Let us go to God in a word of prayer.

Precious and all wise God, we reconvene this Session in Your name and we ask that Your Holy Spirit be with each and every one of us here today.

May your blessings be upon the things done and said in this Session. For all of these things we ask in Your Holy Name. Amen.

IMPERIAL POTENTATE BRACEWELL: Good morning.

... Cries of "good morning" ...

IMPERIAL POTENTATE BRACEWELL: Before we begin our Session, I believe that Stu Lang, a Past Potentate of Egypt Temple, has an announcement he would like to make.

NOBLE R. S. LANG [Egypt Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs: In coming to these meetings here year after year, and I think many of us also do, I look about for good old friends and try to find an opportunity to get together and have us bring each other up to speed, share experiences and tell a few stories. However, I find it is very difficult to do this at these meetings and so I fail to find some of my old friends.

Now, it occurred to me, Imperial Sir, that perhaps if we had an opportunity for at least Emeriti Representatives getting together and sharing a little fellowship during the Annual Meetings it might be fun.

I have already spoken to quite a few Emeritus Representatives and those with whom I have spoken have shared my feelings—that it would be a splendid thing if we could get together.

I know, however, that the time table does present some problems. I also spoke to Charlie Cumpstone about time and he suggested that since most Emeriti Members are too old (laughter) or just perhaps too obstinate to march in the parade, that the morning of the day of the parade might be a very suitable time for we Emeriti Members to get together, have a little breakfast, not at six-thirty or some of these things but perhaps at a little bit more reasonable hour.

I would like, Imperial Sir, if I may, to have a showing of hands of the Emeriti Members who would have interest in something of this nature.

IMPERIAL POTENTATE BRACEWELL: Those interested, please raise your hands.

Well, I am sure you will agree that we have a sufficient number who have shown interest in this. Quite a great number of hands were raised out there.

Thank you very much, Stu.

NOBLE J. B. HOPKINS [Hadji Temple]: Imperial Sir, a point of personal privilege.

Because he is old, he ought not to put the rest of us in his age category. (Laughter and applause)

IMPERIAL POTENTATE BRACEWELL: Let me say that the Chair believes that is a point well taken and will be so recorded in the record.

At this time I would like to ask Joe Howell if he would please come to the podium.

I am sure all of you know Joe Howell, a Recorder Emeritus, I guess that is right, and twenty-six and a half years Recorder of Hasan Temple. He is now the Treasurer of this Temple.

Joe Howell has served on the Election Tellers Committee now for some thirty-three years. For some nine years, he served as a committee member, was Co-Chairmen for thirteen years, from 1962 through 1974 and for the last eleven years has served as Chairman of this committee, giving him a total of thirty-three years on the Election Tellers Committee. He is certainly a devoted, dedicated Shriner.

Therefore, Joe, I am so pleased that I have the opportunity, at this Imperial Council Session and as Imperial Potentate, to recognize you for your many years of devoted service to the Shrine and with that, I would like to present to you this plaque and read the appropriate description. I wanted you to have this early this morning. It reads:

"To Noble Joseph C. Howell, Hasan Temple, for thirty-three years of dedicated service to the Imperial Council, A.A.O.N.M.S., Election Tellers Committee, having served as Chairman for the past eleven years.

"As Committee Chairman, your special contribution of time and effort is hereby officially recognized by the Representatives of this One Hundred Eleventh Imperial Council Session meeting in Atlanta, Georgia.

Our supreme gratitude and respect for your tremendous service and dedication." (something is missing)

That is signed by Jack A. Jones, Imperial Recorder and Gene Bracewell, Imperial Potentate."

Joe, it is with great pride and pleasure that I present this plaque to you.

Let us give Joe a great big hand.

. . . Rising applause ensued as the plaque was presented to Noble Joe Howell . . .

NOBLE JOE HOWELL: Thank you, Gene.

I would like to say it has been a deep pleasure for me to serve for thirty-three years, I have enjoyed every minute of it. I hope I will be here for a few more years. Thank you. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you again, Joe, for your great service.

At this time, the Chair would like to recognize Illustrious Sir Walter Pettit, who will report on the dispensations procedure.

NOBLE WALTER PETTIT: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives

to the Imperial Council of the One Hundred Eleventh Session and Nobles All: This is a supplement to my election procedures statement made earlier in the Session.

As we are preparing to take up and consider those three items in the Call regarding the applications for dispensation for new Temples, we will facilitate matters here, I think, by the procedure we have put together for you and I hope you appreciate it and approve it.

First, I want to congratulate you for the manner in which you as Representatives have conducted yourselves in this Session to this point. It may be that this day will probably be the most difficult legislative day that we will have during this Session.

Please remember that each of us should have an opportunity to speak and also gain recognition by the presiding officer. Also, when we do speak, let us all recall that we are all Nobles and that we will respect those persons for their view, although, as you can tell by the difference of opinion that we have here at this head table, that we are not always of a like mind.

I feel that applications for dispensation are signs of progress and movement and let us look at them in that form and fashion.

I think it is important that you realize that for the three days preceding the commencement of this Session, your committee system has worked diligently and at great length with some difficulty over matters concerning the facts surrounding the different, separate applications for dispensation. The committee system and those people who work on these standing committees are due our gratitude and thanks. It is not easy work and they do it for us and with a great deal of expertise and I am sure we all appreciate it and will acknowledge that when the time comes.

The procedure concerning this matter will be that we will only take one vote. There will be only one motion. There will be three reports on each one of the applications and petitions for dispensation.

The procedure which has been established is that first the Standing Committee on Dispensations and Charters have reviewed the application of each one of these Temples and it then will report to you. If their report is in the affirmative, then the Jurisdictional Lines Committee took a look at the application, had hearings and they will also make their report to you and refer it then to Jurisprudence and Laws for the appropriate change in our legislation with regard to jurisdictional lines and the Imperial Bylaws.

The Jurisprudence and Laws Committee will then report out to you and make an appropriate motion for the Imperial Sir, at which time the Temple or jurisdiction involved should be prepared to make a second motion. The Chair will then call for discussion and then the proponent for the petition should be permitted to speak first. If there is opposition, then next in order will be the spokesman for the opposition. That individual shall ask for and obtain the microphone to give his reasons why the motion should be defeated.

Then I would ask the Imperial Sir that we continue in that way, asking next for a spokesman from the proponents and then the opponents until all that have a desire to do so have been heard.

Are there any questions regarding this procedure? I hope you will find it to be something that will expedite this Session and that we will have one motion and vote rather than several as we go along.

... Business was conducted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE BRACEWELL: At this time, I will call on George H. Follett for a report of the Dispensations and Charters Committee.

Just a moment, I will call on the Chairman of the Jurisprudence and Laws Committee first.

NOBLE WALTER PETTIT: For your information, Representatives, we will take up the applications for dispensation in the following order.

First will be Al Shamal; secondly will be Shaddai and, third, Beja.

NOBLE GEORGE FOLLETT [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Dispensations and Charters a petition from Nobles residing in the Edmonton, Alberta, Canada area requesting a dispensation for a new Temple to be located in Edmonton, Alberta, and to be known as Al Shamal. It is located on page 27 of the Call for the Annual Session of 1985.

A hearing was held thereon before your committee on July 1, 1985, at which time the proponents were present. No persons appeared in opposition thereto.

Your committee finds that the petition for dispensation was signed by 577 Nobles who were in good standing in the Order at the time they signed the petition; that they resided in the proposed territory of the new Temple; that the dispensation form, its execution and filing were in compliance with our Bylaws; that the applicants gave satisfactory evidence that they have the ability to procure a suitable place of meeting together with an agreement to procure proper furniture and paraphernalia for the use of the new Temple; that the Imperial Recorder notified the Temples which might reasonably be affected at least thirty days prior to this Session, giving full information in regard to the application, in order that objections to the granting of the dispensation may be presented to the Imperial Council.

Your committee further found that the material and information prepared and presented by the proponents were in proper order, well prepared and met all the provisions of the Bylaws of the Iowa Corporation. The committee commends the presentation of the Nobles who appeared on behalf of the petition, as well as the spirit of cooperation, understanding and fraternal courtesy extended by the officers of Al Azhar Temple, the Temple which presently has jurisdiction in this territory. Such officers have extended to the petitioning Nobles assurances of good will and support if dispensation is granted, and Al Azhar Temple approves and supports the petition for dispensation.

After a full discussion of the facts relating to the petition for dispensation of the new Temple, your committee met in Executive Session and unanimously approved and recommends that granting of the dispensation.

Your committee then met in joint session with the Committee on Jurisdictional Lines as required by Section 329.5(b) of the Bylaws of the Imperial Council. The jurisdiction of the new Temple was determined on recommendation of the two committees, acting jointly, after affording all affected Temples an opportunity to be heard on the matter at a joint meeting of the committees.

Therefore, your committee recommends that dispensation be granted and that the specific territorial jurisdiction be in that area of the province of Alberta which lies north of Base Line 11, intersecting the province a few miles north of Lacombe, Alberta.

Respectfully submitted,

Imperial Sir, if there are no questions concerning this report, I move the granting of dispensation and the adoption of the amendments to the Bylaws granting jurisdiction in the province of Alberta as recited in the reports of the Committee on Dispensations and Charters and the Committee on Jurisdictional Lines.

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: You have before you this issue as presented. Is there discussion?

Microphone 2.

ILLUSTRIOUS SIR S. S. SCHUMACHER [Potentate, Al Azhar Temple]: Thank you very much Imperial Sir.

Imperial Sir, Most Worshipful and Right Worshipful Grand Masters, Illustrious Sirs, Fellow Representatives and Nobles All: It has been about seventy-six years, I believe, since Al Azhar received its Charter for the full province of Alberta and since that time, there has been a great deal of growth in our province.

We now have over two million people residing in the province and there are two major cities within it, Calgary and Edmonton, Edmonton being the capital city and, also, there has been growth in our Shrine in Alberta and it is like a family.

Now, I cannot say this is a happy day for Al Azhar but it is not an angry day. It is more, really, of a sad day. However, we feel that it will be good for our Fraternity and our philanthropy if a new Temple is established in our province.

The population of Edmonton is approximately the same as that of Calgary. There is a distance of 200 miles between those cities and we feel there would be more opportunity for making new Shriners if a new Temple were created.

As has been pointed out in the committee reports, there has been a good feeling between the Shriners in Alberta and I just want to make it clear for the record that Al Azhar Temple is not opposing this matter in any way. We look forward to working with our fellow Nobles in a spirit of friendly competition in the years to come and I would ask for all of the Representatives to support this motion now.

Thank you. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you, Illustrious Sir Stanley Schumacher.

Is there any Representative that would like to speak in opposition to the granting of this dispensation?

Is there further discussion?

... The question was called for ...

IMPERIAL POTENTATE BRACEWELL: The question has been called for.

All in favor say aye; opposed. It is unanimously carried.

... Cheers and applause ensued ...

IMPERIAL POTENTATE BRACEWELL: Now, would the Representatives for Al Shamal please come forward.

I would also like to ask Imperial Sir Ed McMullan if he will step forward.

This is certainly a happy moment and I am delighted to have the pleasure, along with Imperial Sir Ed McMullan, of presenting this Dispensation to this new Temple, Al Shamal, U.D. Let us give them one more big hand.

... Presentation of Dispensation and applause ensued ...

ILLUSTRIOUS SIR JOHN L. PEDDEN [Potentate, Al Shamal Temple]: Imperial Sir, Imperial Sirs, Representatives: It is indeed a benchmark day for us in Northern Alberta, to come before you and take our place among you as a Temple.

I would want the report to show the warm feeling of appreciation and gratitude we have to all of the Divan, past and present, of Al Azhar Temple, who have made it possible for us to appear today and begin our life as Al Shamal Temple.

Thank you all and most especially you, Imperial Sir.

IMPERIAL POTENTATE BRACEWELL: Thank you, John. We are delighted to have you here. Thank you very much.

NOBLE GEORGE H. FOLLETT [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Dispensations and Charters a petition from Nobles residing in the Panama City, Florida area requesting a dispensation for a new Temple to be located in Panama City and to be known as Shaddai, U.D. It is located on page 27 of the Call for the Annual Session of 1985.

A hearing was held thereon before your committee on July 1, 1985, at which time the proponents were present. No persons appeared in opposition thereto. It was also expressly represented to your committee by the elected Representatives of Morocco Temple, Hadji Temple, Egypt Temple and Bahia Temple and the proponents for Shaddai Temple, U.D., that Nobles from the Tallahassee, Florida, area will soon be seeking a dispensation for a new Temple in their area. Each and every Temple and person in attendance stated that they would enthusiastically support such a new Temple and that they would take no action to restrict its future territorial jurisdiction.

Your committee finds that the petition for dispensation was signed by at least 1,000 Nobles who were in good standing in the Order at the time they signed the petition; that they resided in the proposed territory of the new Temple; that the dispensation form, its execution and filing were in compliance with our Bylaws; that the applicants gave satisfactory evidence that they have the ability to produce a suitable place of meeting together with an agreement to procure proper furniture and paraphernalia for the use of the new Temple; the membership of no Temple in the same jurisdiction will not be reduced to less than 3,000 members by the withdrawal of the petitioners for dispensation; that the Imperial Recorder notified the Temples which might reasonably be affected at least thirty days prior to this Session, giving full information in regard to the application, in order that objections to the granting of the dispensation may be presented to the Imperial Council.

Your committee further found that the material and information prepared and presented by the proponents were in proper order, well prepared and met all the provisions of the Bylaws of the Iowa Corporation. The committee commends the presentation of the Nobles who appeared on behalf of the petition, as well as the spirit of cooperation, understanding and fraternal courtesy extended by the officers of Hadji Temple, the Temple which presently has jurisdiction in this territory. Such officers have extended to the petitioning Nobles assurances of good will and support if dispensation is granted, and they approve and support the petition for dispensation.

After a full discussion of the facts relating to the petition for dispensation of the new Temple, your committee has met in Executive Session and unanimously approved and recommended the granting of the dispensation.

Your committee then met in joint session with the Committee on Jurisdictional Lines as required by Section 329.5(b) of the Bylaws of the Imperial Council. The jurisdiction of the new Temple was determined on recommendation of the two committees, acting jointly, after affording all affected Temples an opportunity to be heard on the matter at a joint meeting of the committees.

Therefore, your committee recommends that dispensation be granted and that the specific territorial jurisdiction be in the counties of Bay, Calhoun, Franklin, Gulf, Holmes, Jackson, Liberty and Washington in the State of Florida.

Imperial Sir, if there are no questions concerning this report, I move the granting of dispensation and the adoption of the amendment to the Bylaws granting jurisdiction in the counties of Florida as recited in the reports of the Committee on Dispensation and Charters and the Committee on Jurisdictional Lines.

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: Is there discussion concerning this issue?

... The question was called for ...

IMPERIAL POTENTATE BRACEWELL: The Chair recognizes the Potentate of Hadji Temple.

NOBLE W. D. NELSON, SR. [Hadji Temple]: Imperial Sir, Imperial Sirs, Most Worshipful and Right Worshipful Grand Masters, Illustrious Sirs, Representatives and Nobles: We would like to speak on behalf of the motion that is on the floor.

For the record, we would like all the Nobles present here to recognize the fact that Hadji Temple truly supports the endorsement of Shaddai Temple to be located in Panama City and to have exclusive jurisdiction over eight of our twelve counties in the lovely area of Northwest Florida.

For the record, we would also like everyone to know that Hadji Temple is saving the four most gorgeous counties in the State of Florida for itself. (Laughter)

We are truly supportive of this petition. We took this to the floor of our Temple and the floor unanimously supported the endorsement of the establishment of this new Temple, known as Shaddai Temple. We look forward to working with them completely in peace and harmony. We look forward to visiting them at every opportunity we have and we also extend a friendly invitation to them to come and visit us at Hadji Temple, the Mother Temple.

Also, we look forward again to going to work in our Temple in order to obtain the necessary membership that will bring us back up to where we were before and even beyond that. We also recognize that Shaddai will likewise have to work hard to increase their membership and we will help and support them to the best of our ability. We also know they will do likewise.

Thank you, Imperial Sir. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you, Illustrious Sir.

Is there any Representative that would like to speak in opposition to the granting of this dispensation?

... The question was severally called for ...

IMPERIAL POTENTATE BRACEWELL: All in favor say aye; opposed. It is unanimously carried.

Will the Representatives of Shaddai Temple please come forward.

... The new Divan of Shaddai Temple then approached the podium ...

IMPERIAL POTENTATE BRACEWELL: Illustrious Sir, I am delighted to, in behalf of this One Hundred Eleventh Imperial Council Session, present to you your Dispensation showing you now have in existence Shaddai Temple, U.D., in Florida. Congratulations. Let us give these Nobles a big hand. (Applause)

I would ask the Potentate Designate if he would care to make a comment.

NOBLE HALE [Potentate Designate, Shaddai Temple, U.D.]: Imperial Sir, Imperial Sirs, we wish to thank you for this presentation. We can assure you that we are going to continue to work together with all of our Nobles in Florida and, again, thank you, Representatives. (Applause)

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE BRACEWELL: The Chair will now recognize Noble Stu Lang for the next report of the Committee on Dispensations and Charters of the Iowa Corporation.

NOBLE LANG [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Dispensations and Charters a petition from Nobles residing in the Green Bay, Wisconsin area requesting a dispensation for a new Temple to be located in Green Bay, Wisconsin and to be known as Beja. It is located on page 27 of the Call for the Annual Session of 1985.

A hearing was held thereon before your committee on July 1, 1985 at which time the proponents were present as well as the elected Representatives from Tripoli and Zor Temples.

Your committee finds that the petition for dispensation was signed by at least 1,000 Nobles who were in good standing in the Order at the time they signed the petition; that they resided in the proposed territory of the new Temple; that the dispensation form, its execution and filing were in compliance with our Bylaws; that the applicants gave satisfactory evidence that they have the ability to procure a suitable place of meeting together with an agreement

to procure proper furniture and paraphernalia for the use of the new Temple; that the membership of no Temple in the same jurisdiction will be reduced to less than 3,000 members by the withdrawal of the petitioners for dispensation; that the Imperial Recorder notified the Temples which might reasonably be affected at least thirty days prior to this Session, giving full information in regard to the application, in order that objections to the granting of the dispensation may be presented to the Imperial Council.

Your committee further found that the material and information prepared and presented by the proponents were in proper order, well prepared and met all the provisions of the Bylaws of the Iowa Corporation. The committee commends the presentations of the Nobles from Tripoli and Zor Temples as well as the presentations from the Nobles who appeared on behalf of the petition. There was a general spirit of cooperation, understanding and fraternal courtesy extended by the officers of Tripoli and Zor Temples as well as the proponents.

The Representatives of Tripoli Temple presented information and papers relating to the number of Nobles who were in good standing at the time they signed the petition, requests for withdrawals, as well as their residence. There were allegations of misrepresentation, mistake and misunderstanding. This information and these papers were reviewed by your committee and taken into consideration before a decision was reached. Your committee, as always, proceeded on the basis that it was dealing with honorable men and accorded them every reasonable presumption. No information or papers were received which rebutted that presumption.

After a full discussion of the facts relating to the petition for dispensation of the new Temple, your committee met in Executive Session and unanimously approved and recommended the granting of the dispensation.

Your committee then met in joint session with the Committee on Jurisdictional Lines as required by Section 329.5(b) of the Bylaws of the Judicial Council. The jurisdiction of the new Temple was determined on recommendation of the two committees, acting jointly, after affording all affected Temples an opportunity to be heard on the matter at a joint meeting of the committees.

Therefore, your committee recommends that dispensation be granted and that the specific territorial jurisdiction be exclusive in Brown County and concurrent in all other counties in Wisconsin except Milwaukee and Dane Counties.

Imperial Sir, if there are no questions concerning this report, I request that you call upon Illustrious Ted Corsones for the report of the Jurisprudence and Laws Committee.

IMPERIAL POTENTATE BRACEWELL: The Chair recognizes Ted Corsones.

ILLUSTRIOUS SIR TED CORSONES [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws a petition from Nobles residing in the Green Bay, Wisconsin area requesting a dispensation for a new Temple to be located in Green Bay, Wisconsin and to be known as Beja. It is located on page 27 of the Call for the Annual Session of 1985.

In conformity with the reports and recommendations of the Committee on Dispensations and Charters and the Committee on Jurisdictional Lines that dispensation be granted and that jurisdictional lines be modified, Article 94 of the Bylaws of the Iowa Corporation would be amended and a new Section added thereto so that it would read as follows:

ARTICLE 94 Wisconsin

Section 494.1 Beja Temple, U.D.

Has:

- (a) Exclusive jurisdiction in Brown County.
- (b) Concurrent jurisdiction in the remaining counties of the State of Wisconsin except for those counties over which another Temple has been granted exclusive jurisdiction.
- (c) Concurrent jurisdiction with Aad Temple in the counties of Ashland, Bayfield and Douglas in the State of Wisconsin.

Section 494.2 Tripoli Temple

Has:

- (a) Exclusive jurisdiction in Milwaukee County.
- (b) Concurrent jurisdiction in the remaining counties in the State of Wisconsin except for those counties over which another Temple has been granted exclusive jurisdiction.
- (c) Concurrent jurisdiction with Aad Temple in the counties of Ashland, Bayfield and Douglas in the State of Wisconsin.

Section 494.3 Zor Temple

Has:

Further, that Section 468.1(b) concerning Aad Temple would be amended to read:

(b) Concurrent jurisdiction with Beja Temple, U.D., Tripoli Temple and Zor Temple in the counties of Ashland, Bayfield and Douglas in the State of Wisconsin.

Imperial Sir, if there are no questions concerning this report, I move the granting of dispensation and the adoption of the amendments to the Bylaws granting jurisdiction in the State of Wisconsin as recited herein and in the reports of the Committee on Dispensations and Charters and the Committee on Jurisdictional Lines.

IMPERIAL POTENTATE BRACEWELL: Thank you, Illustrious Sir Ted. Is there a second to the motion?

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE BRACEWELL: Is there discussion by the proponents?

NOBLE D. R. RISBERG [Potentate, Zor Temple]: Imperial Sir, Illustrious Sirs, Fellow Delegates, Nobles and Masons All: I am a native of Wisconsin. I have lived in Wisconsin all my life. I was born in Milwaukee.

Now, when I was born, Wisconsin had one Temple. Today we have two fine Temples in Wisconsin. I hope I live long enough so that Wisconsin has more than three fine Temples.

Zor Temple has no intention at this time other than to wish our new Temple the best of luck. I hope, again, I live long enough to see four Temples in Wisconsin.

At this time, however, I would like to say Zor Temple has every intention to go ahead with what their group proposes today. Let us go ahead, get these three years behind us and look to the future. Let us not look to the past. Thank you very much. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you, Illustrious Sir.

Is there anyone who would care to speak in opposition?

The Chair recognizes the Illustrious Sir from Tripoli Temple.

NOBLE G. W. LEMBERG [Tripoli Temple]: Imperial Sir, Imperial Sirs, Most Worshipful and Right Worshipful Grand Masters, Representatives and Nobles All: Tripoli Temple is the most affected by the motion before us. Both Tripoli Temple and Zor Temple of Madison, Wisconsin, the two Temples representing the State of Wisconsin, appeared before the various committees mentioned briefly in opposition to the new Shrine Temple to be located in Green Bay, Wisconsin.

Now, after hearing the recommendation of the Dispensations and Charters Committee, I rise again to voice my opposition to this motion and to point out to you, Imperial Sirs and these Delegates, that we believe some serious liberties have been taken with the Imperial Bylaws—specifically, the transfer of life membership, misrepresentation and residing within the jurisdiction.

I say to each of the Temples that are here that Wisconsin thinks these matters are serious enough to bring them to this floor.

A Representative of the proposed Temple in Green Bay appeared before the same committee listing 1,058 signatures. Tripoli Temple's share was 967. Tripoli thus stands to lose 967 members and I ask that some compassion be shown to these many Nobles who have asked me to represent them here to have their names removed from that petition for dispensation.

Of those 1,058 signatures, fifty-two are life members who signed because of the contents

of a brochure that was circulated which said, and I quote—"Will my life membership transfer from my present Temple?" The answer in that brochure was "Yes." Therefore, *fifty-two men were misinformed and were induced to sign thinking their life membership would transfer.*

Ninety-four other Nobles have presented this Potentate with letters requesting that their names be withdrawn. Seventy-one of them were presented to the committee and the additional, totalling ninety-four, were shared with the appropriate committee.

Some 101 signatures on this dispensation form have not paid their dues and fully one-third of them have said they assumed by non-payment that their names would be removed.

This movement is now in its third year.

The Beja proposal received a one-year extension at Boston and at Boston they had nearly 1,000 signatures. Now they have 1,058.

In the urgency of getting "over the top," so to speak, a letter was circulated which reads, in part, and I quote—"I do not expect you to belong to our new Temple—just help us out to get it going."

It is very difficult to determine how many Nobles signed on that basis. I shared that letter with the committee, along with other letters requesting names to be withdrawn.

In addition, there are fifteen names on that petition who do not reside in that jurisdiction and given time, I am sure there are more.

If the Bylaws are to be adhered to and adding the numbers together that I have here, the net on the petition is less than 800.

My main purpose here is to represent those many Nobles who now, at the moment of truth, wanted me to speak in their behalf. Tripoli does not want them to be hurt and we do not want to lose them from Shrinedom.

I say to you, Imperial Sir and Imperial Sirs and Fellow Representatives, if our wonderful Fraternity is to survive and grow, we must live within our Bylaws.

I submit to you, given the Bylaws as they now exist, the proposed Temple does not have the required signatures and I urge a nay vote. Thank you, Imperial Sir. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you, Illustrious Sir.

Is there another Representative that would like to speak for this motion?

NOBLE FLOYD MEYER [Past Potentate Tripoli Temple]: Imperial Sir, Imperial Sirs and Representatives: Frankly, I did not think that I would have to come up here in relation to the position that I am in, because I refute practically everything that our present Potentate has said. The sad thing is that everything he said was presented to the Committee on Charters and Dispensations and and I gave to them at that time what I thought was adequate answers and on that assumption, they based their recommendation.

The Potentate, however, did mention one thing and I want to be sure you understand what was done, and that was a letter that was circulated in the Dane County area. However, it was unknown to the committee at the time. The individual who wrote that letter, wrote it for his employer. He thought he was helping his employer out, which involves an ice cream plant in Richland Center, and basically, of course, he was in error to do that.

However, let me tell you, Representatives, there was never a petition circulated there; there was never a name obtained as a result of this unsigned letter and so that refutes that.

Now, relative to the life members, the "buck stops here." He is absolutely right—that circular did go out. However, we contacted these life members and gave them an opportunity, those who possibly might have misunderstood, that they could be transferred. We told them we did not have any problem with them. If he has someone who had a problem, wanted to withdraw it, then he should bring up a specific name.

I guess maybe what I am saying is we feel in Northern Wisconsin, as the Potentate of Zor Temple has indicated, he would like to see four Temples. Right now, we believe that Beja will make it there and we feel that we can do much more for Masonry and Shrinedom with the establishment of this new Temple.

Going to Tripoli Temple, for example, involves the travel of many miles for our Nobles. As a matter of fact, some eighty to ninety percent of our Northern Nobles have never seen that beautiful Temple of Tripoli because of the miles they have to travel to get there. Green Bay is approximately 115 to 120 miles from Milwaukee and then we have in addition. Clubs that are as much as 200 miles from the Mosque in Milwaukee. So we do have that *pr'blem*.

All we want to do, Nobles and Representatives, is to stimulate the growth of Shrinedom and Masonry and how can you do it unless you get the Nobility active in Temple activities?

Therefore, I would urge you Representatives to help us out and help us sell Shrinedom and fraternalism.

Thank you very much. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you, Illustrious Sir.

Now, is there any Representative that would like to speak in opposition to this motion? I would like to proceed with one proponent and then one opponent. Is there another opponent in relation to this motion?

Is there any further discussion?

... The question was severally called for ...

IMPERIAL POTENTATE BRACEWELL: The question has been called for.

NOBLE ROBERT L. BOUSCHOR [Ahmed Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Representatives and Nobles: Our jurisdiction borders to the North of this area in Northeast Wisconsin and our experience over the last twenty or twenty-five years has been that this Northeastern area has been, insofar as Shrine activities are concerned, a very difficult situation because of the distances involved.

I think at this point the underlying consideration is as to what is best for Shrinedom and what is best for Masonry.

In this state there are 7,415 Blue Lodge members in this area. When you take a look at the penetration of Nobles in that area, they approximately have around 5,000 Blue Lodge members to work on up there and I think this is the underlying fact—that it is time to get going forward.

I agree with the representative of Zor Temple—forget the past two or three years and get going.

Ahmed Temple supports this. We have several counties up there right across from the Menominee River and we have been working with Tripoli Temple over the years and, as good friends, we continually plan for the future. We also plan on being good friends with the members of this new Temple and plan on working together with them. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you, Illustrious Sir.

Is there further discussion on the motion before you?

... The question was severally called for ...

IMPERIAL POTENTATE BRACEWELL: The question has been called for.

All in favor of the motion say aye; opposed. The Chair declares it has passed by the necessary two-thirds majority.

The Chair recognizes the Illustrious Sir of Tripoli Temple.

NOBLE GERALD LEMBERG [Potentate, Tripoli Temple]: Imperial Sir, Imperial Sirs and Representatives and Nobles: Tripoli Temple pledges its support to this new Temple. We only hope that we can iron out the problems involving those people. We do not want to lose any Shriners in Wisconsin but we do pledge to Beja Temple our complete support. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you, and I am sure we all appreciate that.

NOBLE DICK RISBERG [Potentate, Zor Temple]: I wanted to second wholeheartedly the position of the last speaker. Thank you, gentlemen.

IMPERIAL POTENTATE BRACEWELL: Thank you very much.

Would the designated Divan of Beja Temple, U.D., please come forward.

... The designated Divan members approached the podium ...

IMPERIAL POTENTATE BRACEWELL: I would also like to take the privilege at this time of asking the Potentate of Tripoli Temple and the Potentate of Zor Temple if they would also please come to the stage for this Dispensation presentation. Also, the Chair would like to ask Imperial Sir Tom Melham if he would likewise step forward here. He is a Past Potentate of Tripoli Temple.

Illustrious Sir and Divan of Beja Temple, U.D., as Imperial Potentate, I am pleased and delighted to present to you your Dispensation stating that Beja Temple, U.D., has now been established.

Our congratulations to all of you. I know you will grow. I am so pleased and delighted to have the Potentates of both Tripoli and Zor Temples up here on the platform for this presentation.

... Presentation of Dispensation and applause then ensued ...

POTENTATE [Beja Temple, U.D.]: Imperial Sir, Imperial Sirs, Representatives and Nobles: This is a very emotional time for me but I do want to thank every one of you for your support in granting us this Dispensation.

I also wish to thank the members of the Dispensation and Charters Committee, the Jurisdictional Lines Committee and the Jurisprudence and Laws Committee.

Again, thank you for your support and you know, I think this is an example of democracy in action.

Now, I do not know if I am up to it or not but I wrote the words to the Beja song and I would just like to give you the first stanza, if I can remember it.

The words are as follows:

"Beja will shine tonight just for the Shrine;
Helping the kids get well, free all the time.
Beja will shine tonight for the Shrine;
Our work for kids is to see them play.
Here's to the Shrine."

Thank you so very, very much.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE BRACEWELL: Is the Grand Master of California, Most Worshipful Roy J. Henville, present? Will you please step forward and I would ask you to bring greetings to this body from the Grand Lodge of California.

I will now recognize Most Worshipful Roy J. Henville, Grand Master of California.

... Rising applause ensued as Most Worshipful Brother Henville approached the podium ...

IMPERIAL POTENTATE BRACEWELL: Welcome to this One Hundred Eleventh Imperial Council Session. We are delighted to have you with us, sir.

MOST WORSHIPFUL ROY J. HENVILLE [Grand Master, California]: Imperial Sir, Imperial Sirs, Illustrious Sirs, My Fellow Grand Masters, Nobles and Brethren: On behalf of my colleagues, the Grand Masters of the jurisdictions throughout the continent of North America, I am pleased to bring our thanks and appreciation in behalf of the Grand Masters for the wonderful hospitality extended to us from both Imperial Sir Gene and his lovely lady, Katharyn. We have really been privileged to enjoy Southern hospitality to the greatest extent.

I was grateful to be able to enjoy the "Southern Evening," the evening of Southern hospitality and the entertainment at the Fox Theatre and the party the other night. You have really won our hearts by the beauty of your City of Atlanta and, Imperial Sir, Gene, we commend you for the wonderful exceptional leadership that you have provided to the Imperial Shrine during this past year and we all thank you most of all for the wonderful friendship that you have extended to each of us, especially the Grand Masters, who have come to know and to love you.

Of course, with your father and brother taking part, you exemplify the greatest in brotherly love and affection as you join together in this wonderful Session here.

I am proud to be Grand Master of the Jurisdiction of California, which also includes the State of Hawaii. We are active in Shrinedom out in California and Hawaii.

There are eight Temples and three Shrine Hospitals out in our area and I understand that the contributions to wills and bequests amounts to about twenty percent of the total.

We have two wonderful members on the Imperial Divan, Imperial Sir Joe Padgett, Oriental Guide, as well as the well-known Walker Kisselburgh, Past Master of William B. Stevens Lodge in Los Angeles and a former Grand Orator and I am sure he has traveled around the continent during the past several years and told you how, at the time he was appointed to be Grand Orator of California, that the Grand Lecturer came to him to get him prepared, presented him with a little bag of marbles and told him to put the marbles in his mouth and to learn how to talk with them in there. Each day, in the process, he was to remove one marble and when he had removed all of his marbles, he was fit and ready to be the Grand Orator. (Laughter)

Now, our great concern is that having lost all of his marbles, we wonder how much more he had to sacrifice in order to become the Imperial Sir. (Laughter)

IMPERIAL SIR KISSELBURGH: You know, this is one of the greatest Grand Masters in the world and I am proud and happy that he is here to talk to you. (Laughter)

WORSHIPFUL BROTHER HENVILLE: In 1950, Al Malaikah Temple was privileged to have as Imperial Potentate, Harold Lloyd, a great comedian, King of Laughter. Of course, in California, we are extremely proud of Walker. He is a fine Mason and Shriner and will generate, I am sure, great enthusiasm for Shrinedom as he already has during the many years he has been privileged to serve on the Imperial Divan.

In behalf of our 177,000 Master Masons in our jurisdiction, I am pleased to bring congratulations and best wishes to Walker for the ensuing year because we know, during the ensuing year, he will bring great credit to our wonderful jurisdiction.

Thank you so much. (Rising applause)

IMPERIAL POTENTATE BRACEWELL: Thank you, Grand Master, so very much.

At this time the Chair will recognize Imperial Sir Russ Anthony, Chairman of the Membership Committee, for his report.

IMPERIAL SIR RUSSELL ANTHONY: Imperial Sir Gene, My Imperial Colleagues, Most Worshipful and Right Worshipful Grand Masters, My Fellow Representatives and Noble Guests:

"It was the best of times, it was the worst of times, it was the age of wisdom, it was the age of foolishness, it was the epoch of belief, it was the epoch of incredulity, it was the season of light, it was the season of darkness, it was the spring of hope, it was the winter of despair, we had everything before us, we had nothing before us."

Now, I would venture to say that every one of you in this august body of Shrine Masons are saying to yourselves, "Where did that Doc Anthony come up with that introduction?"

Well, I did not make it up, that is for sure. It was the introduction to "A Tale of Two Cities" and was written by Charles Dickens. Now do you remember it? Each and every one of you had to read that when you were students a long time ago.

Charles Dickens was describing other times. Yet any of us, after reading today's headlines or listening to today's political speeches, might conclude that history is repeating itself.

If we as Shrine Masons consider this introduction and its application to current talk regarding the Shrine and Masonry, we will find that this rhetoric also swings sharp contrasts. The common slang terms that best describe the contrasting swing rhetoric include, "speaking out of both sides of our mouths," or "speaking with forked tongues."

It all boils down to one important question about the present condition of our beloved Fraternities, which is—what is the truth?

The truth is, we have conflicts existing between Masonry and the Shrine—yes, we have conflicts existing between Masonry and the Shrine.

The second truth is we better darn well get around to the business of resolving those conflicts and we better do it now.

You have heard, all of you Nobles here, many, many times, that out of the sixty Grand Lodge jurisdictions that encompass all of the Shrine jurisdictions in the United States and Canada, forty-five Grand Masters are represented here today. You all know me pretty well by now and you know that I do not speak out of both sides of my mouth and I do not speak with a forked tongue, nor do I give lip service to something that I do not believe in. I am not going to start now just because some of my very good friends, the Grand Masters, are in the audience. I will admit, however, that you certainly have my attention.

You know, when Imperial Sir Chuck Claypool appointed me Imperial Membership Chairman back in 1979, I promised him that we would meet with as many Grand Masters as was humanly possible—that we would establish as much of a dialogue as humanly possible between the International Shrine and the Grand Lodge officers. Well, we have kept that promise to you, Imperial Sir Chuck, God rest your soul, because each and every one of us has heard reports and each and every one of us has heard reports and each and every one of you Grand Masters know that Imperial Sir Jack Jones, Imperial Sir Voris King, Imperial Sir George Powell, my Imperial colleagues and myself have been talking unity.

Now, before any of you Nobles out there get so smug and say to yourselves, "See, the reason there are so many Grand Masters wearing the Fez is because they know their

salvation lies in the Shrine," well, forget it. The reason there are more here today than ever before is because of the dialogue that has been established between our two great Fraternities. In other words, we are talking to one another and that, my friends, is the truth.

Now, conflicts between two or more people can be resolved by one of three methods. The first method is—"I win, you lose." The second method is, "You win, I lose," and that third method is, believe it or not, "I win, you win," or the no lose method. The exact same set of methods hold true for resolving conflicts between organizations, for example, Masonry and the Shrine.

Now, most of us were brought up in families in which one or both of our parents administered frequent and liberal doses of rewards and punishments which made us kids do what our parents decided we should do. Likewise, in school, rewards and punishments have always been the principal tools teachers have used to get discipline in classrooms. That practice has not changed much for several hundred years. The parents win, the child loses; method number one for resolving conflicts. If on rare occasion the parents give in to the child, then we have "child wins, parent loses"; method number two.

Would it not be better, however, in either case, if method number three, "the no lose method" were used?

The Shrine and Masonic Fraternities have conflicts to solve. I am not going to list those conflicts because each of us knows them by heart. I am going to propose a method to resolve those conflicts and yet let both organizations be the winner and neither be the loser.

I propose that the leaders of all branches of Masonry and Shrine meet for the express purpose of resolving all conflicts existing between the organizations. Once the time and place for the meeting or series of meetings has been established, the following six steps will be adhered to and please get these down, Ernie.

1. Identifying and defining the problems.
2. Generating alternative solutions.
3. Evaluating the alternative solutions.
4. Decision making.
5. Implementing the decisions.
6. Following up to evaluate the solutions.

It should be obvious to you all that while this is supposed to be a membership report, I have not used the word "membership" once. There was a good and valid reason for not mentioning it—I wanted to get your attention and keep it.

The reason we have a lack of membership in Masonry and the Shrine today is because both organizations are not working together as we should and we have not tried to resolve our conflicts as well as we could. I am certain that all of my Imperial colleagues, the leaders in the York and Scottish Rites and all of the Grand Masters here today will change all that and initiate a dialogue that will resolve our conflicts on a both win—neither lose basis.

When we complete that dialogue, our membership crisis will be over in both organizations with all Masons, I hope, becoming Shrine Masons and the Shrine becoming an integral part of Masonry.

This dialogue can best be described by quoting the Book of Proverbs, Chapter 25, Verse 9—"Debate the cause with thy brother himself and discover not a secret to another."

Imperial Sir, I move for the adoption and receipt of this report.

IMPERIAL POTENTATE BRACEWELL: You have heard the motion. Is there a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: All in favor say aye; opposed no. It is carried. Russ, congratulations on a most wonderful report.

At this time, the Chair will recognize Noble Bob Turley, a member of the Jurisprudence and Laws Committee, for a report.

IMPERIAL SIR TURLEY [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws Item Number 16 on the Call for the Annual Session of 1985 and it is located on page 27 of the Call. It is a proposal to amend Sections 488.1 and 488.12 of Article 88 of the Bylaws of the Imperial Council, an Iowa Corporation.

Your committee has recently been informed that the proponent has met in session with the Jurisdictional Lines Committee and with the elected Representatives of the two affected

Temples, that is Suez and Alzarfar Temples. And, that after diligent and good faith negotiations, the two Temples and the proponent have entered into a written agreement concerning territorial jurisdiction. This agreement has been filed with the Imperial Recorder and it will result in a modified proposal being submitted and this modified proposal, if adopted, will cause Sections 488.1 and 488.12 to read as follows:

ARTICLE 88

Texas

Section 488.1 Alzarfar Temple

Has:

Exclusive jurisdiction in the counties of Atascosa, Bandera, Bexar, Comal, DeWitt, Dimmit, Frio, south one-half of Gonzales, Guadalupe, Karnes, Kendall, Kerr, Kinney, LaSalle, Maverick, McMullan, Medina, Real, Uvalde, Webb, Wilson, Zapata and Zavala in the State of Texas.

Section 488.12 Suez Temple

Has:

Exclusive jurisdiction in the counties of Borden, Brown, Coke, Coleman, Concho, Crane, Crockett, Dawson, Edwards, Fisher, Garza, Glasscock, Howard, Irion, Kent, Kimball, McCullough, Menard, Midland, Mitchell, Nolen, Reagan, Runnels, Schleicher, Scurry, Sterling, Sutton, Taylor, Tom Green, Upton and Val Verde counties in the State of Texas (except, by agreement ratified July 16, 1953, Suez Temple will give waivers to Moslah Temple on residents of Brown County).

Your committee reports that the amendment proposed in the Call and this amended proposal are in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,

Imperial Sir, if there are no questions concerning this report, I move that the proposal be amended to read as heretofore recited in this report and I inform you that this meets with the approval of the proponent. Further, if my motion is seconded and adopted, I request that you call upon Illustrious Sir Glenn McMennamy for the report of the Jurisdictional Lines Committee.

IMPERIAL POTENTATE BRACEWELL: The Chair will recognize Illustrious Sir McMennamy.

NOBLE GLENN McMENNAMY [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisdictional Lines Item Number 16 on the Call for the Annual Session of 1985 and it is located on page 27 of the Call. It is a proposal to amend Sections 488.1 and 488.12 of Article 88 of the Bylaws of the Imperial Council, an Iowa Corporation.

A hearing was held thereon before your committee on July 1, 1985 at which time all affected Temples requested that there be modifications of the proposal and that once the modifications were made they were unanimously in favor of the proposal as amended. The modifications were discussed with the proponent of Item 16 and he concurred therein.

Your committee finds that the application for change of jurisdictional lines was filed with the Imperial Recorder at least sixty days prior to this Session of the Imperial Council; that it was published with the notice of the Session; that the Imperial Recorder notified the Temples affected and gave them full information on the application so that objections to the change

may be presented to the Imperial Council; and that it is in the best interests of the Imperial Council to adopt the proposal as modified.

Your committee would like to commend the proponent and the affected Temples for their spirit of cooperation and for keeping the best interests of Shrinedom in mind.

Respectfully submitted,

IMPERIAL POTENTATE BRACEWELL: At this time the Chair will recognize Ted Corsones for a report.

IMPERIAL POTENTATE BRACEWELL: The Chair recognizes Illustrious Sir R. A. Posey.

NOBLE R. A. POSEY [Hamasa Temple]: I rise in behalf of the members of the Concurrent Jurisdiction Study Committee to move the adoption of this report as amended by the Grievances and Appeals Committee.

IMPERIAL POTENTATE BRACEWELL: You have heard the motion, which has been duly seconded. Is there discussion?

IMPERIAL POTENTATE BRACEWELL: The question has been called for.

All in favor please say aye; opposed. It is unanimously carried.

Thank you, Dr. Posey.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE BRACEWELL: Thank you very much.

Now, Representatives and Nobles, I do have a very sad note to report.

The gentleman that had a problem announced a moment ago had a heart attack and has now been pronounced dead. He is the Treasurer of Syrian Temple, Bill Froelich and I, of course, have released the Temple's Representatives from this Session in order to take care of this matter. I am very, very sorry to have to report that to you.

Now, is Illustrious Sir Tom Perry with us this morning? Tom, will you come forward, please.

Tom is a Past Potentate of Yaarab Temple and is the Sovereign Grand Inspector General for the State of Georgia. The Sovereign Grand Commander, Henry Clausen, could not be with us at this One Hundred Eleventh Grand Imperial Council Session and Illustrious Sir Tom Perry is representing him on behalf of the Southern Jurisdiction of the Scottish Rite.

Illustrious Sir, Tom, we are delighted to have you with us.

ILLUSTRIOUS SIR THOMAS PERRY: Thank you.

Imperial Sir, Imperial Sirs, Most Worshipful and Right Worshipful Grand Masters, Illustrious Sirs and My Brethren All: I bring you sincere greetings of the Sovereign Grand Commander, Henry C. Clausen, and also the twenty-six other active members of the Supreme Council for the Southern Jurisdiction.

We are very proud to have the opportunity to be invited here to assemble with the Shrine.

We like the term "Shrine Masons." It is growing to be more and more used. It has great meaning and significance.

I congratulate all of you upon the harmonious Session you have had thus far and I would tell you that we in the Scottish Rite all share in the great achievements that have been made by your Fraternal organization and by the hospitals.

There is great splendor in achievement and there has been just tremendous miracles performed. The research that has been developed out of the burns centers which were started in 1962, with the development of skin that can be grafted now and that research, by itself, is a major breakthrough.

The challenge of the report that shows that even more money is needed to operate our hospitals because, with changes in health care, more opportunities are going to be available—that challenge is for all of us and I know that the Shrine will continue to progress in the same manner that it has in the past.

I thank you, Imperial Sir, and all the other Imperial Officers for inviting me to represent the Scottish Rite and I look forward to seeing you on many other occasions in the future.

Thank you so very much. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you, Illustrious Sir Tom.

At this time I will recognize Illustrious Sir Kenneth Siegfried for a report.

NOBLE KENNETH SIEGFRIED [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws, Item Number 5 on the Call of the Annual Session of 1985, located on pages 17 and 18 of the Call. It is a proposal to amend subsection (i) of Section 208.9 of Article 8 of the Bylaws of the Imperial Council, an Iowa Corporation, so that it will read as follows:

THE IMPERIAL COUNCIL

ARTICLE 8
Committees

Section 208.9 Proceeding Before the Grievances and Appeals Committee.

... (i) /The final decision of any appeal rests with the Imperial Council, acting on an appropriate motion, but presentation of the appeal to the Imperial Council shall be limited to the disciplinary order and statement of the Imperial Potentate, the answer of the disciplined party, the report of the Grievances and Appeals Committee, any record of the oral or documentary evidence heard or received by the committee, and the argument thereon but not exceeding twenty minutes on either side. Upon the conclusion of such argument the report shall be subject to discussion from the floor. The decision of the Imperial Council shall be final and no further Shrine proceedings may be had on the subject matter unless authorized by the decisions of the Council.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Sir Sewell Lamdin, proponent, for the appropriate motion.

IMPERIAL POTENTATE BRACEWELL: The Chair recognizes Illustrious Sir Sewell Lamdin.

ILLUSTRIOUS SIR SEWELL LAMDIN: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and Fellow Representatives: I move the adoption of the report and if there is a second, I would like to comment further.

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: The motion has been made and seconded. I will again recognize Illustrious Sir Lamdin.

ILLUSTRIOUS SIR LAMDIN: Imperial Sir, the reason for this amendment is short and I will keep it short.

It has been my experience year in and year out that after the Grievances and Appeals Committee has made their report, you have either accepted or rejected it. Ninety percent of the time you have accepted these reports, maybe a little more.

However, immediately upon the return of the involved Nobles to their homes, it has begun all over again with the exact same facts. However, they alter them just a little bit but you get the exact same proposition coming up again and then eventually, through the process of Article 30, it reaches the Grievances and Appeals Committee again the following year.

This proposal will put some finality on it.

If you adopt this proposal, then, before they can do anything else, they are going to have to come back to you and ask you for permission to let them do it.

As you know, we have to put these issues to bed sometime and we hope that this will do it. Therefore, I would urge the adoption of this amendment to the Bylaws.

IMPERIAL POTENTATE BRACEWELL: You have heard the motion, which has been duly seconded. Is there further discussion?

... The question was called for ...

IMPERIAL POTENTATE BRACEWELL: The question has been called for.

All in favor of this amendment say aye; opposed no. It is unanimously carried.

At this time, the Chair will recognize Noble Bob Lake.

NOBLE ROBERT LAKE [Reading]: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 13 on the Call of the Annual Session of 1985, located on page 25 of the Call. It is a proposal to amend subsection (b) of Section 332.6 of Article 32 of the Bylaws of the Imperial Council, an Iowa Corporation, so that it will read as follows:

ARTICLE 32

Initiation Fees; Dues; Hospital Levy; Assess

Section 332.6 Life Membership in Temples.

(b) A Temple shall not issue a life membership for a sum less than ten times the Temple's annual dues. All money received from life memberships shall be placed in a trust fund and only the income from such fund shall be withdrawn; upon the death of any life member, an amount equal to the sum paid by him may be transferred from the trust fund to the general fund of the Temple.

IMPERIAL POTENTATE BRACEWELL: The Chair now recognizes Illustrious Sir Palmer Burde.

NOBLE PALMER D. BURDE [Reading]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives to the Imperial Council:

The proposed amendment to Section 332.6(b) of Article 32 to the Bylaws of the Iowa Corporation has been referred to your Finance and Accounts Committee for a report to you.

This amendment will permit individual Temples to amend their Bylaws and thus allow a Noble to purchase a "life membership" by paying a sum equal to no less than ten (10) times their annual dues. These funds are escrowed in a trust fund by each Temple and the interest therefrom is available for budgetary purposes.

The Finance and Accounts Committee recommends the adoption of this amendment.

Imperial Sir, if there are no questions or comments concerning this report, I recommend you now call on Illustrious Sir Jerry C. Young, the proponent, for an appropriate motion.

IMPERIAL POTENTATE BRACEWELL: The Chair now recognizes Illustrious Sir Jerry C. Young.

ILLUSTRIOUS SIR JERRY C. YOUNG: Imperial Sir, Imperial Sirs, Most Worshipful and Right Worshipful Grand Masters, Illustrious Sir, Representatives and Fellow Nobles: It is our belief at Al Kader Temple that we, through this amendment, can change the 17,000 suspensions that we had last year and which does not include open demits. Therefore, I would like to recommend and propose that we accept the amendment as read, remembering that the key words are "not less than." This gives you the flexibility as a Temple to set the amounts wherever you choose.

I would move for the adoption of this amendment.

IMPERIAL POTENTATE BRACEWELL: You have heard the motion, do I hear a second?

... The motion was severally seconded ...

IMPERIAL POTENTATE BRACEWELL: It has been moved and seconded. Is there discussion?

I will recognize Imperial Sir Jack Dean.

IMPERIAL SIR JACK DEAN: Imperial Sir, Imperial Sirs, Most Worshipful and Right Worshipful Grand Masters, Illustrious Sirs and My Fellow Representatives: I rise to a point of information for each and every one of you.

If this particular amendment passes, you currently are required to put in twenty times your dues into that trust fund. When that was originally started, it was started because five percent interest on a bank account would end up paying the man's dues and you would get the money each and every year.

One of the things you have to be careful in your own Temple is that if you think this is a good thing and you are going to lower it to ten percent, remember that once a lifetime member if there, he is not assessed, and so you have to make a provision for potential increases in dues in the future years because ten times dues is not automatically just an easy membership tool because you might end up in bankruptcy if you are not careful.

I am personally opposed to it because I do not think it is good business planning.

IMPERIAL POTENTATE BRACEWELL: Thank you, Jack.

The question has previously been called for. Is there other discussion?

Microphone 1.

NOBLE HENRY PEARCE [Salaam Temple]: Imperial Sir, Imperial Sirs and Nobles: If I read this correctly, and I believe I do, it will not affect the individual Temples unless you yourself vote to change the requirement, is that correct?

IMPERIAL POTENTATE BRACEWELL: For your information, I understand that in the same way.

Is there further discussion?

NOBLE WILLIAM C. VAUGHAN [Kazim Temple]: I have some worries on this thing in that you might have a group in your Temple get together and if you had a meeting of the Temple, if you did not have good, strong attendance, this thing could put you in trouble.

Imperial Sir Jack Dean has warned us about that and, certainly, I am afraid of the ten year provision. Now, certainly, I am not getting up to speak against it but I just want to say that we had better go home and be careful that we do not do something that could put us in bankruptcy in relation to some of our Temples.

IMPERIAL POTENTATE BRACEWELL: Thank you, Bill.

Is there anyone else that would like to discuss this matter? If not, the question has been called for.

All in favor of this amendment please say aye; opposed no.

Well, all in favor please stand; be seated; those opposed now please stand. I declare the motion defeated. It did not have the necessary two-thirds majority as dictated by our Bylaws for it to pass.

Now, Nobles and Representatives, we are delighted to have with us today Lieutenant Commander Frank Paul, representing the Sovereign Commander of the Northern Jurisdiction of the Scottish Rite, Sovereign Grand Commander Stan Maxwell. Frank, we are delighted to have you with us and I would like to, before you bring greetings from the

Sovereign Grand Commander, present to him, through you, a plaque from this One Hundred Eleventh Imperial Council Session which reads as follows:

"Presented to Stanley F. Maxwell, Sovereign Grand Commander, A.A.S.R., Northern Jurisdiction, for your leadership, friendship and devotion to Masonry and its concordant bodies throughout the years. Shriners everywhere thank you for all you have done in support of our great Fraternity. No other Mason could ever be held in higher esteem. Your contributions to community, country and mankind will live forever.

"Presented this fifth day of July, 1985, at the Imperial Council Session, A.A.O.N.M.S., Atlanta, Georgia."

This is attested to by our Imperial Recorder, Jack Jones and Gene Bracewell, Imperial Potentate.

Lieutenant Commander Frank, will you please see that this plaque is carried back and presented to the Sovereign Grand Commander, Stanley Maxwell.

LIEUTENANT COMMANDER FRANK PAUL [Northern Jurisdiction, A.A.S.R.]: Imperial Sir, Imperial Sirs, Most Worshipful and Right Worshipful Grand Masters, Illustrious Sirs, Representatives and Fellow Delegates All: You can see that I do have the proper badge and I am a delegate here and it has been my privilege to be a part of this, a real part, and I have enjoyed it very much.

I certainly bring you the greetings of our Sovereign Grand Commander, Stanley Maxwell, Thirty-Third Degree, our Sovereign Grand Commander of the Ancient Accepted Scottish Rite, Northern Masonic Jurisdiction of the United States of America, and I know that he was very sorry that he could not be here and now when he gets this very beautiful plaque and all of those nice words, he will be more than upset that he was not able to be here, sir, to accept this, because those words were truly beautiful.

He is a great Mason and we respect him very, very much and we are so honored that the Shrine has honored him here this morning.

Thank you very much, sir.

May I also say, in behalf of close to a half million of us in the Scottish Rite, in the Northern Masonic Jurisdiction that, Imperial Sir Anthony, I was very impressed with that report on membership and I can assure you that the Scottish Rite will certainly cooperate in every way we can.

I think that the Grand Masters, those of you we know very well in our fifteen states, know we want to cooperate. We are doing everything we can to solve any problems that we might have. We are anxious to move ahead in Masonry, all of us in all of our organizations, whether it be the York or Scottish Rite or the Shrine. We can do that if we work together.

I am so pleased to feel the tenor and see the enthusiasm of this meeting. I know we are going to make it and make it big. Congratulations.

IMPERIAL POTENTATE BRACEWELL: Thank you so very much and please convey our heartfelt thanks and greetings back to the Sovereign Grand Commander for all he has done for Masonry throughout these many, many years.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE BRACEWELL: The Chair will next recognize Illustrious Sir Tingle for a report.

NOBLE J. M. TINGLE [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws Item Number 1 on the Call of the Annual Session of 1985 and it is located on page 16 of the Call. It is a proposal to amend subsection (a) of Section 101.9 of Article 1 of the Bylaws of the Iowa Corporation.

With the consent and approval of the proposer of this legislation, I. Sewell Lamdin, Past Potentate and Emeritus Representative of Boumi Temple, a modified proposal is presented which, if adopted, will cause the applicable Article and Section to read as follows:

ARTICLE 1 General Provisions

Section 101.9 Offenses and Discipline of Nobles.

(a) For violation of Shrine law or for conduct unbecoming a Noble of the Mystic Shrine, a Noble may be suspended for a definite period of time or indefinitely, or he may be expelled

as provided in Section 206.5(a)(11) and in Article 30 of Part III. Such discipline of a Noble by the Imperial Potentate does not preclude discipline by his Temple for other offenses.

(b) Any disciplinary action against a Noble, whether by the Imperial Potentate or by a Temple under Article 30, must be initiated within one year from the date of the incident or within one year from the date the incident reasonably ought to have been discovered, whichever occurs later.

The committee reports that the amended and modified proposal is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE AND
LAWS

Walter Pettit, Chairman
Robert E. Cooper
Theodore Corsones
Robert C. Lake
Gerald L. Davis
Kenneth D. Siegfried
J. M. Tingle

Imperial Sir, if there are no questions, I would ask you to call on Illustrious Sir Sewell Lamdin, the proponent of the legislation, for an appropriate motion.

IMPERIAL POTENTATE BRACEWELL: The Chair recognizes Judge Lamdin.

ILLUSTRIOUS SIR LAMDIN: Imperial Sir, I would move adoption of the amendments and, if seconded, I would like to explain them.

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: The motion has been duly made and seconded. I will again recognize Judge Lamdin.

ILLUSTRIOUS SIR LAMDIN: Imperial Sir, Imperial Sirs, Most Worshipful and Right Worshipful Grand Masters, Representatives and Nobles All: There are two amendments here, two things that they do—two things that have really and truly worried me for eighteen years.

The first amendment, for example, takes care of the double jeopardy.

Before this amendment, the Imperial Potentate, for cause, could take disciplinary action against a Noble. The Temple could then charge the Noble with the exact same offense and on the same facts convict the Noble and punish him a second time or, if they were not satisfied with the punishment meted out by the Imperial Potentate, they could render additional punishment. That, as I say, is double jeopardy and that is something that the Constitution of the United States guarantees against and every state thereunder guarantees against and now our Constitution, in turn, will guard against it if it is adopted.

The second part of this is that through the years, time and time again charges have been brought against Nobles that occurred ten years ago, fifteen years ago. We had one recently that occurred in 1977.

Now, you have to put these things to bed sometime. They become stale. Witnesses are no longer available, they die, they move out of the area, records are lost and they cannot be found. However, still a Noble has to defend himself against something that allegedly happened in the past.

Now, the committee has discussed this thoroughly and everyone on the committee agrees that the one-year limitation or one year from the time it could reasonably have been discovered, is a fair and equitable limitation and I would ask you gentlemen please, for the benefit of those little Nobles who are sitting back home and do not know what is going on here, please let us give them a little protection.

That is all these amendments do—is to protect that little fellow back home who may be charged.

I would move for the adoption of these amendments.

IMPERIAL POTENTATE BRACEWELL: Is there further discussion?

NOBLE W. N. WRIGHTSON [Al Bedoo Temple]: This concerns a felony, something that would be tried by a jury at a later time?

ILLUSTRIOUS SIR LAMDIN: Sir, we do not make the distinction of a misdemeanor or felony.

NOBLE WRIGHTSON: Then the question I would raise is should a Noble be charged with a crime and the due process of three to five years of appeal before a verdict was reached, then you could not go past that one year's time to charge that Noble and bring charges against that Noble?

ILLUSTRIOUS SIR LAMDIN: You can bring charges from the moment you learn about it and it is going to be going on for three years. You knew about it when it first happened. There is a provision in the Bylaws that takes care of a felony.

NOBLE WRIGHTSON: However, a person cannot be convicted until he is found guilty.

ILLUSTRIOUS SIR LAMDIN: Until he has exhausted all of his appeal remedies.

NOBLE WRIGHTSON: However, that can take a great number of years.

ILLUSTRIOUS SIR LAMDIN: However, you can still charge him. We only generally charge Nobles with conduct unbecoming a Noble and that is no violation of a criminal statute. We are only talking about Shrine Law here.

IMPERIAL POTENTATE BRACEWELL: Thank you.

Is there further discussion?

NORLE M. D. WILK [Osman Temple]: Imperial Sir, I do not think that when this amendment was presented that Section (b) was not read.

ILLUSTRIOUS SIR LAMDIN: I think it was. However, what I would like to say is that the second part has not been changed at all. Item (b) is identical to what is in the Call. The only change was made in (a), "for other offenses." That is the only change made in the Call.

NOBLE WILK: However, as I understand it, what we are changing here, at least to the best of my knowledge, is adding a Section (b), is that correct?

ILLUSTRIOUS SIR LAMDIN: That is correct, yes.

NOBLE WILK: However, that was not read when the legislation was presented. In other words, it was not read the way it reads in the Call.

NOBLE WALTER PETTIT: Imperial Sir, the gentleman from Osman Temple is correct. The report as read to you was incorrectly typed by our secretarial help and not as read and so perhaps if I may, perhaps the way to do this is to read it and make your correction of the report of the Committee on Jurisprudence and Laws.

The bottom line of it is that which Judge Lamdin suggested to you. The correct amendment which is proposed exactly as is shown in your Call, with these exceptions—in part (a), preceding the word, in the last sentence, the word "such" is inserted before the word "discipline" and then, at the end of the sentence, the three words "for other offenses" are added as the proposed amendment to the motion. May I again read to you that portion of the Jurisprudence and Laws report as it should have been read to you in the original. It was not the fault of Noble Tingle in reading this but it was something that was not properly and correctly a part of the report.

The Article which you are asked to accept as a modified proposal will read as follows—if I can find Article 1. It is entitled "General Provisions" and it refers to Section 101.9, Offenses and Discipline of Nobles.

"(a) For violation of Shrine Law or for conduct unbecoming a Noble of the Mystic Shrine, a Noble may be suspended for a definite period of time or indefinitely, or he may be expelled as provided by Section 206.5(a)(11) and in Article 30 of Part III, suspension of a Noble by the Imperial Potentate does not preclude discipline by his Temple for other offenses."

Subparagraph (b):

"Any such action against a Noble must be initiated within one year of the date of the incident or within one year from the date the incident is or reasonably should have been discovered, whichever occurred later."

Is there any question about that now?

Judge Lamdin has moved the adoption of the amendment with addition of the words "such" and "for other offenses."

IMPERIAL POTENTATE BRACEWELL: Is there further discussion?

NOBLE W. C. VAUGHAN [Kazim Temple]: When I was Grand Master of my state, the newspapers reported that a man had been released from the federal penitentiary after two

years on probation for an offense that his wife did not know about and no action had been taken and the question to me was—"Since he had been released, why should we do anything about it?" I said, "You have to try him."

I am wondering where we would be here in a case of this kind, Judge Lamdin. I am not in opposition, I am asking a question so that the Noble can make a good decision.

ILLUSTRIOUS SIR LAMDIN: Illustrious Sir Vaughan, let me say that my left ear was being talked into back here and I was also trying to listen to you.

Let me say also that there, I do not believe, is any way that we can write legislation that is going to take care of every eventuality.

I suppose that a person could even be charged with murder and if the Temple took no action, that murder trial, through all of the appellate procedures, could go on for six to ten years. As a matter of fact, some of them have gone that long and longer and then finally there is an ultimate decision and then the Temple would make a decision at that time whether or not to try him. However, it seems to me that if some Noble is charged with a crime, whatever type of crime, that at the moment that he is charged, it has to be public knowledge. He has to either be indicted or there has to be a criminal charge filed or some other type of charging document and, when that is done, it becomes public knowledge. I just cannot visualize, in connection with a case such as that, wherein any Noble of the Temple would not know about it. So certain, that would be conduct unbecoming a Noble and it seems to me that the charge could be made at this point. However, if the Trial Committee, in its wisdom, decided that they wanted to wait, they could continue their hearing to correspond with the criminal hearing—they could postpone it.

Now, Bill, I am not sure I completely answered your question but at this moment that is the best I can come up with.

IMPERIAL POTENTATE BRACEWELL: Is there further discussion?

NOBLE DONALD JOHNSON [Islam Temple]: With all due respect to the learned Judge, I, too, have a problem about the one year limitation.

I personally would be reluctant to bring charges against a Noble in my Temple on the strength of the fact he was going to be tried in a court of law—particularly with the concern about making a decision prior to a decision being made by his peers, for I may not have all the information available to me and, secondly, for fear that the action of the Temple might in some way jeopardize that court's hearing or the final decision of another court, should it be decided, for example, that the behavior of that Noble indicated he was guilty of conduct unbecoming a Shriner.

It is the one-year limitation which is giving me, in relation to due process or in the delay process, that concerns me the most. If it were, for example, two or three years, then it seems to me that would be ample time for his peers to have passed judgment and then other charges could be brought. However, one year, it seems to me, is a very limited period of time. Therefore, I personally express great concern over this.

ILLUSTRIOUS SIR J. B. HOPKINS [Hadji Temple]: You know, there is no way that I am aware of wherein you could write legislation that would cure all evil. You do it in the best manner you can.

There have been valid objections raised and perhaps the amendment is too little but we who sit on the Grievances and Appeals Committee have repeatedly had such incidences occur, as the Judge has said, back in the sixties because someone has now reached the pinnacle of power to where he can now bring charges in relation to something that occurred concerning conduct not becoming a Noble ten to twelve years ago and we think that is ridiculous.

However, what this legislation speaks to, I think, is trying to do what the philosophy of our law says—that is, give an opportunity to either that Noble being charged or letting there be finality. As it stands, there appears to be no finality at all in relation to some of these situations.

However, if there is a heinous crime, we want it to be extremely fair that if a Noble were involved and if he appeals his conviction and the Temple so felt that they could simply empower an Investigating Committee concerning this issue and, in the meantime, the committee could recess and continue its duties later when all appeals are exhausted and the poor guy finally goes to jail.

IMPERIAL POTENTATE BRACEWELL: Thank you very much.

Is there further discussion?

NOBLE W. H. ALWARD [Rizpah Temple]: I, too, am a little worried about the legislation for the reason, as has been given earlier, concerning bringing somebody to trial.

Now, I might add the suggestion that possibly you could add to this legislation "one year after conviction" and that might be a way out, maybe an answer to the question. I do agree, however, that we need to put a time limit on it. I do think that sometimes we draw them out way too long. However, if you put in "one year after conviction of a crime," then I think that would answer the question.

IMPERIAL POTENTATE BRACEWELL: The Chair recognizes Mahlon Hessey.

ILLUSTRIOUS SIR MAHLON HESSEY: Imperial Sir, I have an amendment which I hope will accomplish that very thing.

I would like to propose that Section (b) be amended as follows and I will offer this as an amendment and perhaps the way to do this, in order to avoid confusion, is to read all of paragraph (b) as I would like to see it finally amended and give you time to write the changes in your book.

I refer you to page 16 of the Call, Item 1 and here we are, of course, talking about Article 1, Section 101.9 and I assume everyone understands that the amendment will be in relation to subsection (b) as it appears in the Call and the way it will read, if you adopt the amendment that I have proposed, is as follows:

"Any such action against a Noble must be initiated within one year of the date of the incident, within one year from the date the incident is or reasonably should have been discovered, or within one year from a final conviction for a criminal offense involving moral turpitude, whichever occurs later."

That, Imperial Sir and Representatives, would be the way I would like to have that paragraph read and I would so move.

... The motion was duly seconded ...

ILLUSTRIOUS SIR HESSEY: I might add here that Grand Jury proceedings are, of course, secret in most instances and I do not even know that a criminal offense is being investigated many times and so I do think that with all due respect to the committee's report that we have a defect here and I think the amendment of the paragraph as I have proposed it will take care of the issues that have been addressed here today.

IMPERIAL POTENTATE BRACEWELL: We have before us a motion and a second to adopt the paragraph as amended by Illustrious Sir Mahlon Hessey. Perhaps, Mahlon, you should read that one more time.

ILLUSTRIOUS SIR HESSEY: The amended paragraph I have proposed is as follows:

"Any such action against a Noble must be initiated within one year of the date of the incident, within one year from the date the incident is or reasonably should have been discovered, or within one year from a final conviction for a criminal offense involving moral turpitude, whichever occurs later."

IMPERIAL POTENTATE BRACEWELL: Now, you have heard the amendment as it has been proposed. The motion before you is to adopt the paragraph as amended, which has been seconded. Is there discussion?

NOBLE D. H. ADAMS [Sphinx Temple]: Imperial Sir and Representatives, we have a hard working Noble that has been accused of moral crimes. For a year we have been awaiting the judgment to be made and I certainly would not want to accuse this Noble of a criminal conviction unless he is first convicted.

IMPERIAL POTENTATE BRACEWELL: Thank you.

NOBLE VAUGHAN [Kazim Temple]: I would like to withdraw my opposition or question with that modification.

IMPERIAL POTENTATE BRACEWELL: Is there further discussion?

REPRESENTATIVE [El Karubah Temple]: I am sure the Imperial Divan knows about the problems that we have had in the past and the time it took to accomplish what we have accomplished to this date. However, we have not yet found the monies, let us put it that way, that we know are short.

The thing, however, that is bothering me, is this part "or within one year from the date the incident is or reasonably should have been discovered."

Now, who is going to determine that?

ILLUSTRIOUS SIR HESSEY: You know, fellows, I think we have to take things one at a time.

The one-year limitation, it seems to me, is a separate issue to be discussed. My amendment does not address the one-year limitation.

It seems to me, in relation to the appropriate procedure, if you are in agreement and if you adopt the paragraph as amended, that is proposed at this time, you would then have an opportunity to make a suggestion that the one-year limitation time be extended to some other longer period of time and I think, from a parliamentary point, we will keep ourselves a little more straighter that way.

IMPERIAL POTENTATE BRACEWELL: Thank you, Mahlon.

The Chair next recognizes Judge Lamdin.

ILLUSTRIOUS SIR LAMDIN: Let me try to answer the Illustrious Sir's question.

Discovery as to what is a reasonable time is going to be based on the facts and you can only base it on the facts.

Now, I can understand how something could be really and truly secreted for a long period of time and that would be a different period than one year. The "reasonable time" is something, for example, wherein an audit of your books should bring to light certain things and a reasonable year from that time of discovery, that puts the auditor on notice he is to look for things a little bit harder and longer and, further, every case has to stand on its own bottom and the past will determine whether or not it was a reasonable time or whether it was an unreasonable time.

It is just that I spent many, many hours trying to find a reasonable way to word that but I really believe it will take care of itself as they arise in your particular instances.

However, before we get to this point and inasmuch as I am the proposer of the amendment, I will accept Mahlon Hessey's amendment in relation to my proposal.

NOBLE L. T. HOWARD [Kerak Temple]: I would just like to ask a question on the amendment.

The term was used in the amendment "final judgment." Is there a definite term in the law such that the actual date is established or would there be appeals and all of these other issues?

ILLUSTRIOUS SIR LAMDIN: "Final judgment" means exhausting of all appellate processes, everything.

Getting back to the question of "reasonable time," gentlemen, if it arises, it will be up to you what is reasonable and what is not reasonable, because all your committee does is make a recommendation to you and then you listen to it and you decide whether it is reasonable or whether it is unreasonable. So it is going to be your ultimate decision.

... The question on the motion was severally called for . . .

IMPERIAL POTENTATE BRACEWELL: The question has been called for.

NOBLE E. G. GRANDINETTI [Kismet Temple]: I cannot ask a question in terms of law but I do see it as an individual that there are two sides to a limitation such as the one here.

First, it can be effectively used to save an individual from being kept on the books forever. However, I can see it negatively used as a postponement of the action for one year, which then enables it to be passed on and thus save an individual favored by any particular group who does not wish to try him. Thank you.

IMPERIAL POTENTATE BRACEWELL: Is there further discussion?

ILLUSTRIOUS SIR LAMDIN: Let me reply and say that postponement has no effect on limitation—absolutely none.

IMPERIAL POTENTATE BRACEWELL: Is there further discussion?

NOBLE W. C. FARMER [Elf Khurafah Temple]: Imperial Sir, Imperial Sirs and Delegates All: Several years ago we faced a serious problem at our Temple regarding funds at our Temple. It dealt with a Past Potentate, an individual no longer a member of the Shrine.

We knew at that time that there were problems with the funds. We have yet to recover some of these funds. We proceeded to, with the help of the Imperial Line Officers, who recommended at that time, to continue this thing and to try to work it out ourselves. However, after a year we still had not been able to work the situation out and so we went to the Circuit Court in order to correct that situation.

Do you, Illustrious Sir Lamdin, believe that it will?

ILLUSTRIOUS SIR LAMDIN: Well, in your case, first of all let me say that I do not have enough information or background. I think you are referring back to something contained in the original motion. I do not know enough of the facts to give any kind of ruling in relation to what you just said. I do not know what happened in relation to any of this, do not know why it is in Circuit Court and so I would have to know more about the whole situation before giving any kind of reply.

NOBLE THOMAS PAPE [Mocha Temple]: Imperial Sir and Imperial Sirs, I can understand this moral turpitude. I can also understand that a Shrine case is harder to convict than a conviction in relation to the Blue Lodge.

In some cases in relation to the Blue Lodges, they will not bring a case to the District Deputy Grand Master for fear of offending some little groups but there is one part here that sticks in my craw and that is the limitation of the one year.

This is just peanuts. It is just a small misdemeanor for a statute of limitations but, remember, we are talking about somebody who may wind up in jail for a long, long time.

IMPERIAL POTENTATE BRACEWELL: Let me interrupt you, Illustrious Sir, and say that you are out of order at the present time—that what you are discussing is not what we are on at the present time.

NOBLE PAPE: However, Imperial Sir, the amendment is for one year.

IMPERIAL POTENTATE BRACEWELL: No, that is not the amendment proposed by Illustrious Sir Hessey.

Is there further discussion?

NOBLE W. A. WERLING [Akdar Temple]: Imperial Sir and Sirs, my question is this—where do we differentiate between fraternal law and civil law? I think this is one of the biggest problems we have right now.

ILLUSTRIOUS SIR LAMDIN: Once again I would just have to say it has to be in relation to the facts of the matter. However, I think we ought to vote on the amendment.

... The question was called for ...

IMPERIAL POTENTATE BRACEWELL: The question has been called for, is that correct?

... Cries of "right" ...

IMPERIAL POTENTATE BRACEWELL: Then we are going to vote on the amendment only—the amendment to the original motion—the amendment made by Mahlon Hessey.

All in favor of this amendment please say aye; opposed. The amendment carries.

We are now back to the original motion as now amended. The Chair will recognize Tom Lucas.

ILLUSTRIOUS SIR TOM LUCAS: You know, there seems to be a lot of confusion in the minds of some people here. Of course, I can visualize what Judge Lamdin is trying to do and I think that if there were more thought given to this by the Representatives of the Imperial Council, that they would understand it better.

However, I think that what Judge Lamdin is trying to do with his amendment is to do some housekeeping in a much shorter period of time rather than have these things coming back to him time and time again.

However, inasmuch as there appears to be so much confusion before this group, I would move to table the amendment.

... Cries of "no, no" ...

IMPERIAL POTENTATE BRACEWELL: Do I hear a second to the motion to table?

ILLUSTRIOUS SIR J. B. HOPKINS [Hadji Temple]: A point of order, Imperial Sir.

A motion to table at this point is out of order.

IMPERIAL POTENTATE BRACEWELL: Thank you, J. B. The Chair therefore rules that Tom is out of order. (Laughter)

ILLUSTRIOUS SIR LAMDIN: Once again, Nobles, the gentleman who just had the microphone thought that one year was not sufficient. Also, quite a few other Nobles have thought that one year was not sufficient.

Now, an amendment to the one year is open to anyone at this point, as I see it, if anyone wants to make that amendment.

Of course, I might add that I can live with a reasonable time and if anybody wants to change that one, well then, fine.

IMPERIAL POTENTATE BRACEWELL: I think you all heard what the Judge just said.

Microphone 1.

NOBLE S. M. JOHNSTON [Al Aska Temple]: I move we amend Article 1, Section 101.9(b) and put in three years and let the rest stay the same.

... Cries of "no, no" ...

IMPERIAL POTENTATE BRACEWELL: You have heard the motion, is there a second?

... The motion was seconded ...

IMPERIAL POTENTATE BRACEWELL: It has been seconded. Is there discussion on the amendment?

If not, all in favor of the amendment as proposed please say aye; opposed no. The amendment is defeated.

ILLUSTRIOUS SIR HESSEY: Perhaps we can make a compromise of two years and I would so move. (Laughter)

IMPERIAL POTENTATE BRACEWELL: Was that an amendment? Do I hear a second?

I did not hear a second.

... The motion was seconded and the question was called for ...

IMPERIAL POTENTATE BRACEWELL: Just a moment. Mahlon proposed a two-year compromise and I believe there was a second. We are now on a discussion of this amendment.

NOBLE W. C. VAUGHAN [Kazim Temple]: I was going to stand before and ask, and I will do so now, would the Judge, for example, go along with "reasonable time"?

ILLUSTRIOUS SIR LAMDIN: That is correct, and I also thought that the compromise sounded reasonable to me. (Laughter)

REPRESENTATIVE: Let me say, Imperial Sir and Representatives, that two years or one year on moral turpitude is not what is the fact here. It is the fact a Temple could be liable for a lawsuit if we brought charges against somebody and then they were found innocent by a jury down the road. I think if this were done, the Temple would be opening up its insurance program to a lot of difficulty.

... Cries of "no, no" ...

ILLUSTRIOUS SIR LAMDIN: You know, I would be shocked. There would be absolutely no liability and I am sure that we are dealing with fraternal Shrine Law and I am sure if you got into a Circuit Court, that that Judge would say, "This is a fraternal Shrine proposition, you have your own remedies. You go back and settle it in your own house." I do not think it would have any bearing whatsoever.

Also, you must bear in mind one thing and that is that each and every one of us sign an application in order to join this Order and it says in that application, "I agree to abide by the rules, regulations and edicts," and then, in addition to our signature on that application, we are then asked to kneel at the Altar and we raise our right hand and we again take an oath and agree to abide by the rules and regulations and are not opposed to the purposes of the Order.

Well, let me take that back. If I libel someone by a printed word or if I slander someone by the spoken word, there could be liability but when I prepare charges under our Article 30, I cannot see any possibility of civil liability.

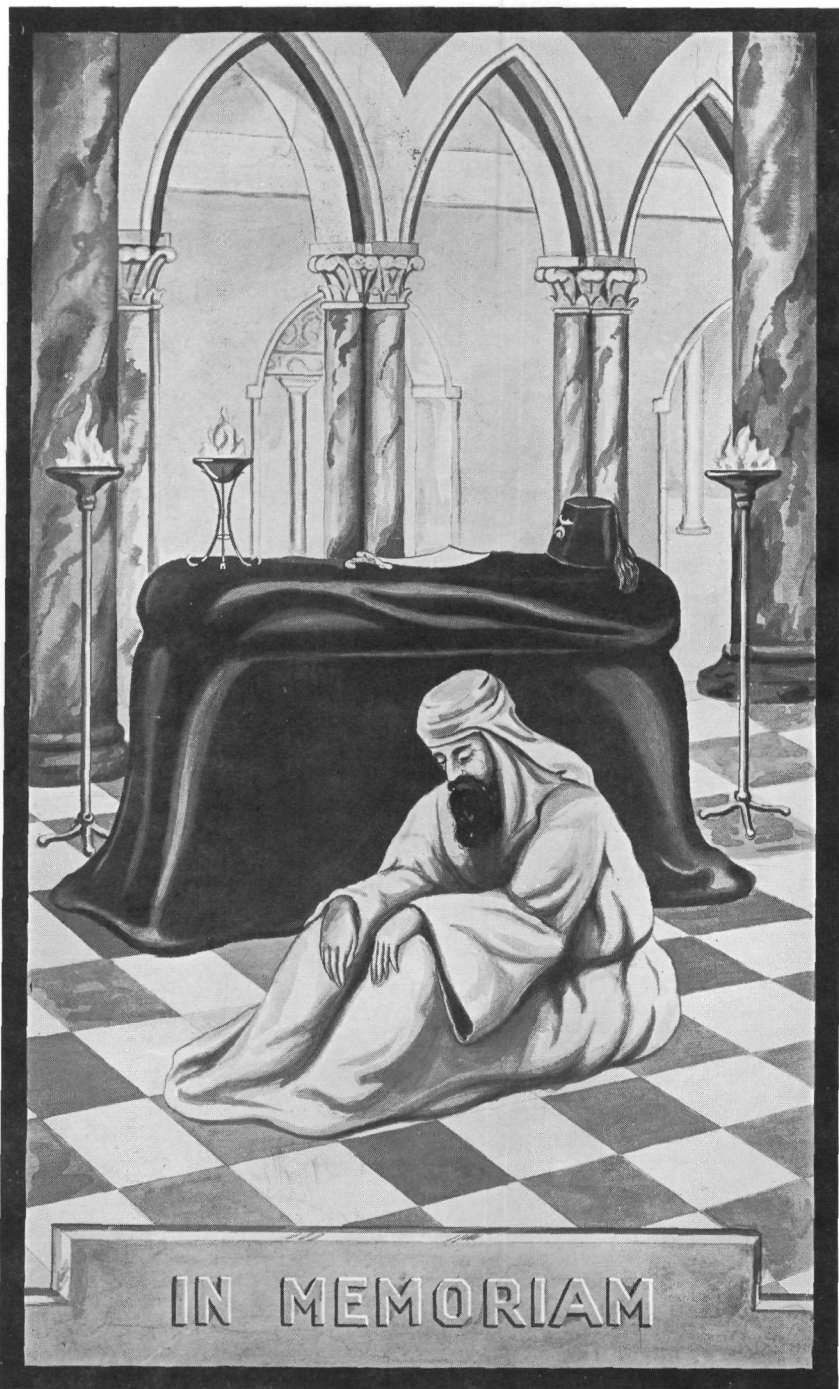

IMPERIAL POTENTATE BRACEWELL: Thank you, Judge. I would like to recognize Walter Pettit. I think he may have some information for you.

NOBLE WALTER PETTIT: Judge Lamdin has alluded to a problem that appears to be common to a great number of us here and that is what are we talking about and it is Article 30 of our Bylaws and Article 30 of the Bylaws very definitely provides for the discipline of a Noble for some particular reason and those reasons are violation of Shrine Law and, more importantly, for conduct unbecoming a Noble of the Mystic Shrine.

You are not required to wait for any criminal court to take action. You are not required for any civil proceeding to be concluded. It is a matter of whether or not, in the opinion of the complaining Noble and/or the Temple, that one Noble has violated Shrine Law or has been guilty of conduct unbecoming a Noble of the Shrine. Please do not confuse the two.

Also, I think that Judge Lamdin has adequately pointed that out to you. Remember, we are simply talking about Shrine Law and that is all and, really, at this point in time, that is all that Judge Lamdin and the Grievances and Appeals Committee is concerned with.

... The question was called for ...

IMPERIAL POTENTATE BRACEWELL: The question has been called for. We are voting on the amendment which, as I recall it, is the two years.

All in favor please say aye; opposed no. Well, one more time.

All in favor of the amendment for two years please say aye; opposed no. I declare the amendment adopted.

Now we are back to the original motion as it has been amended and with the second amendment attached to it. Is there further discussion on this?

... The question was again called for ...

IMPERIAL POTENTATE BRACEWELL: The question has been called for.

All in favor say aye; opposed no. It is carried by the necessary two-thirds majority.

ILLUSTRIOUS SIR LAMDIN: Thank you very much Imperial Sir and Fellow Representatives.

IMPERIAL POTENTATE BRACEWELL: That motion has been passed as amended by the required two-thirds as dictated by the Bylaws.

Now, I think we are going to stop at this point and we are going to recess until two o'clock but prior to our recess, will each of you stand, remove your Fez and let us observe a moment of silent prayer for our departed brother, the Treasurer of Syria Temple.

... Whereupon, the Representatives stood in a moment of silent reverence ...

IMPERIAL POTENTATE BRACEWELL: We are now recessed and I will urge that you be back here by two o'clock so we can again reconvene our Session.

... The One Hundred Eleventh Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at twelve-twenty-three o'clock p.m. for luncheon to reconvene at two o'clock p.m.

AFTERNOON SESSION

FRIDAY, JULY 5, 1985

TWO O'CLOCK P.M.

The One Hundred Eleventh Annual Session of the Imperial Council reconvened at the Atlanta Hilton Hotel, Atlanta, Georgia, at two o'clock p.m., Imperial Potentate Gene Bracewell presiding.

IMPERIAL POTENTATE BRACEWELL: Nobles and Representatives, if you will take your seats, we will commence our Session.

Now, before continuing with our business, I want to say one thing to you and that is do not be concerned about the fact it is raining outside. As a matter of fact, we planned it that way. (Laughter) We tried to cool things off a little and also to give the opportunity for the washing of the streets prior to the parade tonight. (Laughter and applause)

Now, if I could have your attention at this time, I would like to call on the Chairman of the Necrology Committee, Illustrious Sir Roy Lord, for his very appropriate report.

NOBLE ROY LORD: Imperial Sir and Representatives, before I render this report, may I make this observation, and I shall lead the way.

If there is anyone present who has not removed his Fez, please do so.

Now, Imperial Sir, Imperial Sirs, Fellow Representatives and Guests:

In rendering this report and out of respect to our deceased Nobles, we ask that you uncover and observe strict silence for the next few minutes.

On opening we recreate a burial scene given to many of our fellow Nobles which included a firm admonition and these hallowed words:

"Soft and safe to thee, my brother, be this earthly bed, fragrant be the acacia sprig that here shall flourish. May the earliest buds of spring unfold their beauties on this thy resting place; and there may the sweetness of the summer rose linger longest. Though the cold blast of autumn may lay them in the dust, and for a time destroy the loveliness of their existence, yet the destruction is not final, for in the springtime they shall bloom again. So, in the bright morning of the world's resurrection, may thy mortal frame now laid in the dust by the chilling blast of death, spring again into the newness of life, and expand, in immortal beauty, in realms beyond the skies. Until then, farewell.

We, your Necrology Committee sadly report that last year 22,935 Distinguished Nobles of our beloved Shrine have passed to the "Other Shore" where in peace and tranquility they

rest from their earthly chores. We pause during this busy Annual Session to pay a lasting tribute to those Nobles who lived among us and who worked so diligently to advance the cause of the crippled and burned child."

Nobles, all, at this point, we were going to have a prayer by our Imperial Chaplain, Noble Vernon Bracewell. However, as I understand he is ill at this time, I will render this prayer for him.

Our Father in Heaven, we, as we now bow our heads in sacred stillness, ask that you hear us and forgive all of our trespasses. As we live in thy presence, so will we live in thy strength.

We thank thee, O, God, for this great Order of the Shrine, for thy great multitude of mercy for those who are unfortunate and who continue to look down upon us with thy favor as we progress in our beloved Order. Also, may we always be mindful of the many obligations we are under to love thee and thy Holy Name.

In the Master's Name, we pray. Amen.

Included in the large list of deceased Nobles was Past Imperial Potentate George Edward Stringfellow, Past Potentate of Crescent Temple, who left this life on March 27, 1985, at Georgetown University Hospital in Washington, D.C. at the age of 93, following a long illness. He is survived by his loving wife, Verna, at their home in Arlington, Virginia. We commend this memorial to her with deep respect and admiration.

Imperial Sir Stringfellow, as our Imperial Potentate in 1958-1959 brought to us a vast experience in the business world, particularly as Senior Vice President of Edison Industries from where he retired in 1958. We are convinced that our Shrine greatly benefited from his planning when he accomplished his four objectives: (1) purchase of the Shrine Headquarters in Chicago, (2) publication of *Parade to Glory, History of the Shrine*, (3) the first Seminar for Temple Officers, and (4) better relations between the Shrine and Masonic bodies. In addition to this was his civic leadership during which time he served with pride and honor in all Masonic related bodies. He was buried with honors as a Thirty-Third Degree Scottish Rite Mason on March 30th in Berkley Springs, West Virginia.

All that was mortal of that great Shriner lies buried in his beloved home state, but his immortal soul is with God in that "House not made with hands, eternal in the Heavens."

We also lost a great leader in the International Cabiri who served on this particular committee, Past Potentate and Past President of the Cabiri, Noble Jim McKnight.

We will now be honored with a selection by the Chanters of Yaarab Temple, directed by Noble William Holleman, with Noble Hoyt Canady, as President.

... Musical selection by Yaarab Chanters ensued ...

NOBLE LORD: As we continue our Memoriam, we celebrate the memory of our departed Nobles, and, while we thus recall to our recollection their virtues, and temper anew our resolutions so to live that when we shall have passed the silent portals our memories may be cherished with grateful remembrance, we learn to look upon death from a more elevated point of view; to see in it the wise and necessary transition from the trials and imperfections of this world, to the perfect life for which our transient journey here has been the school and the preparation. We thus learn "That the soul is the whole of man; that for it to be born, is really to die, that earth is but a place of exile, and heaven its native land."

Nobles and friends, share with me now a prayer of Invocation and Confession:

"O thou Omnipotent One, in whom we live and move and have our being; we humbly pray that you will guide, govern and lead us by your Holy Spirit in all that we do during this sacred time of memoriam. Slow us down, quiet our spirits and help us to be open to your presence and renewing grace.

Forgive us, O Lord, for that human pride and reliance upon ourselves which cuts us off from you. Forgive us for the many times that we have been unwilling to hear you speak to us and to act in your name. As we think of our beloved Nobles who have gone before us, we now confess that without you we are lost, and we humbly say thanks for the society of friends and brothers thou has permitted us to enjoy. All these things we ask in the Master's Name. Amen."

Prior to closing this Memoriam, we think again of the bereaved families and say to them as well as to ourselves this affirmation of Faith:

"We believe in light, even when it's dark,
We believe in life, even in the midst of death,
We believe in love, even when we have lost what we love most.
We believe in hope, even when we are tempted to despair,
We believe in God, even in the midst of our doubts,
We believe in God's purpose for our lives, even when we fear our
tomorrows, because

We believe that for Masonry and the Shrine, God is the first truth and
the final reality."

We now close this Necrology report with the rendition of the "Lord's Prayer," by
Yaarab's fine Chanters. Then a final tribute with Echo Taps.

... Rendition of the "Lord's Prayer" and the playing of Taps ensued ...

MYSTIC SHRINE FOR NORTH AMERICA

IN MEMORIAM

GEORGE EDWARD STRINGFELLOW
Past Imperial Potentate
1958-1959

December 2, 1891

March 27, 1985

OFFICE OF THE IMPERIAL POTENTATE
Tampa, Florida

*To the Representatives of the Imperial Council, Potentates of Subordinate Temples,
and the Nobility of the Order:*

Like a ship that has left its moorings
And sails bravely out to sea,
So someone dear has sailed away
In calm serenity.

But there's promise of a greater joy
Than earth could have in store.
For God has planned a richer life
Beyond the Unseen Shore.

Past Imperial Potentate George E. Stringfellow, 93, died on March 27, 1985 at Georgetown University Hospital in Washington, D.C. after a long illness. He was an Emeritus Member of the Board of Trustees of Shriners Hospitals for Crippled Children at the time of his death.

Imperial Sir Stringfellow was born in Reva (Culpeper County), Virginia on December 2, 1891. His family moved to Washington when he was ten years of age. He became associated with Edison Industries in 1919 and was named manager of the company's Washington office. In 1923 he was appointed by Thomas Alva Edison as general sales manager of the company's largest division in West Orange, N.J. Shortly thereafter Mr. Edison appointed him vice president and general manager in which capacity he conferred almost daily with the great inventor. He retired in 1958 as senior vice president.

As Imperial Potentate of the Shrine of North America in 1958-59, Imperial Sir Stringfellow accomplished four objectives: (1) the purchase of a Shrine headquarters in Chicago, (2) publication of *PARADE TO GLORY*, the history of the Shrine, (3) the first seminar or school of instruction for Temple officers, and (4) better relations between the Shrine and Masonic Bodies.

During most of his adult life Imperial Sir Stringfellow was active in civic, political and fraternal affairs. He served as chairman of the New Jersey Republican State Finance Committee, as president of the New Jersey Taxpayers Association and president of the Chamber of Commerce of the Oranges and Maplewood and was cited as the outstanding citizen in those five cities.

He was the recipient of numerous citations among which was the citation award of the Academy of Medicine of New Jersey, and he was elected an honorary life member of the Academy. He served as president of the Kiwanis Club of New York

City and as president of the board of managers of the Home for Disabled Soldiers in Menlo Park, N.J.

He was an emeritus member of the board of directors of Mine Safety Appliances Co. in Pittsburgh and an emeritus member of the board of trustees of Indiana Institute of Technology in Fort Wayne.

He was one of the founders and the first president of the New Jersey Division of American Cancer Society and was the recipient of the Society's award for distinguished service in cancer control. He was an honorary life member of the board of directors of the national organization of American Cancer Society and a life member of the board of trustees of the New Jersey Division.

His fraternal memberships were: Hiram-Takoma Lodge No. 10, F.&A.M.; Washington-Potomac Chapter #8, R.A.M.; Washington Commandery No. 1, K.T.; New Jersey York Rite College No. 18; Zabud Council No. 15, R.&S.M.; The Royal Order of Scotland, Cabiri, Royal Order of Jesters, Alexandria Court No. 162; Albert Pike Consistory, A.A.S.R. and Crescent Temple in Trenton, N.J. He was a 33° Mason.

He is survived by his wife, Verna, of the home in Arlington, Virginia. Rose Croix, Masonic and religious services were held on March 29 at the Everly-Wheatley Funeral Home in Alexandria, VA with burial on March 30 in Berkeley Springs, West Virginia.

* * * * *

*Love, like the ocean, is vast and forever,
And sorrow, but a shadow that moves over the sea.*

His many friends in the Imperial Council and in all Shrinedom join with the Imperial Potentate in expressing sincere condolences to his lovely wife Verna and his loved ones.

There was a friend whose heart was good.
He walked with men and understood.
His was a voice that spoke to cheer,
And fell like music on the ear.
His was a smile men loved to see;
His was a hand that asked no fee
For friendliness or kindness done.
And now that he has journeyed on,
His is a fame that never ends—
He leaves behind uncounted friends.

IMPERIAL POTENTATE BRACEWELL: At this time I will call on Tony Bukey for the report on Mileage and Per Diem. The Chairman of this committee, Joe Padgett, as you were informed at the opening of this Session, because of illness, could not be present and so Tony will give the report for Joe.

IMPERIAL SIR BUKEY: To the Imperial Potentate, Officers and Members of the Imperial Council:

As provided in Article 5, Sections 205.1 and 205.5 of the Bylaws and Code for the Imperial Council, your Committee on Mileage and Per Diem, in keeping with the law, recommends for those entitled to receive pay, mileage allowance of a round-trip comparable to, but not in excess of, the lowest unrestricted discount air fare or, if such is not available, the lowest coach or most economical air fare, from the departure airport to the destination airport for himself and his spouse, if she accompanied him. If a Representative lives outside the state in which his Temple is located and nearer the place of the Session, the departure airport shall be that airport nearest his place of residence. He shall also be paid per diem expenses of eighty-eight dollars (\$88) room rate, plus twenty dollars (\$20) for meals, for each day he attends the Session.

All members of the Committee on Jurisprudence and Laws shall receive eighty-eight (\$88) plus twenty dollars (\$20) per day for four extra days. All members of the Committee on Finance and Accounts shall receive eighty-eight dollars (\$88) plus twenty dollars (\$20) per day for two extra days. All members of the Committee on Dispensations and Charters shall receive eighty-eight dollars (\$88) plus twenty dollars (\$20) per day for two extra days. All members of the Committee on Jurisdictional Lines shall receive eighty-eight dollars (\$88) plus twenty dollars (\$20) per day for two extra days. All members of the Committee on Grievances and Appeals shall receive eighty-eight dollars (\$88) plus twenty dollars (\$20) per day for two extra days. All members of the Special Conference Committee on Article 30 plus the proponents will receive eighty-eight dollars (\$88) plus twenty dollars (\$20) per day for any extra days required for this committee's work.

Your committee recommends the adoption of this report.

Respectfully submitted,
COMMITTEE ON MILEAGE AND
PER DIEM

Richard "Tony" Bukey
George W. Powell
Webber C. Harrington
Edward G. McMullan, C.D.

** The \$88 hotel double room charge was obtained by averaging the price of all the double rooms in the two headquarters hotels and adding tax.

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: We have a motion and a second to adopt this report. Is there discussion?

If not, all in favor say aye; opposed. It is unanimously carried.

IMPERIAL POTENTATE BRACEWELL: Thank you, Imperial Sir Tony.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE BRACEWELL: At this time I would like to recognize Walter Pettit, Chairman of the Jurisprudence and Laws Committee.

NOBLE WALTER PETTIT: A point of information.

Imperial Sir, Imperial Sirs and Representatives, I am pleased to report to you concerning Items 11 and 12 in the Call. You know what they are. These are items regarding Article 30.

The Imperial Potentate, in his wisdom, appointed this Special Committee for the purpose of reviewing those two matters and, if possible, to bring one modified proposal for the Session. I am grateful to the committee and to the proponents and all of those who worked so diligently to do just that one thing.

This is a modified proposal and it has been copied and will be available to you for your perusal. We will have stacks of them scattered across the front of the stage upon the recess of this day's Session so that you Representatives can pick one up and study it this evening.

Now, please do not be frightened by its size. It has been double spaced and, in some instances, triple spaced simply for the purpose of easy reading. It encompasses eight pages at this point.

If accepted and adopted following your discussion and consideration tomorrow, it will be approximately an additional four pages in your Imperial Council Bylaws and no more. However, as I said, these will be available to you upon the completion of this Session up here in front of the stage for your perusal this evening.

IMPERIAL POTENTATE BRACEWELL: Thank you very much, Walt, for that clarification. Certainly I want to congratulate you and commend you on a job well done and particularly

thank you for the remarks you just made regarding the wisdom of the Chair. At this time of the day it is well received by me. (Laughter)

At this time I would like to call on Judge Sewell Lamdin, Chairman of the Grievances and Appeals Committee, for his appropriate committee reports.

Also, Nobles, following this report, I intend to recess this Session until tomorrow morning at nine o'clock because we do have a parade tonight.

IMPERIAL SIR SEWELL LAMDIN: I would like to take, Imperial Sir, one moment as a point of personal privilege, if I may.

Gentlemen, before we recessed for luncheon, particularly you new Representatives, I think you saw a demonstration of democracy in action. I think you saw a meaningful debate. Every point made was well taken and I think every point was covered but it shows you how when you reason things out together and you keep your head cool, how you can hammer out a piece of legislation like we did in about thirty-five minutes. I appreciate your cooperation and I think that was an excellent debate. I enjoyed the dialogue and I think we all got something out of it and I thank you.

And now, so that you will all understand, let me say that the Committee on Grievances and Appeals is made up entirely of legal minds. The committee is made up of Jack Streight, who is a Past Imperial Potentate, a member of Gizeh Temple and a member of the Queens Court in British Vancouver; Gerald Groat, from Moslem Temple, who is a prosecuting attorney in Detroit, Michigan; William Christison of Mohammed Temple, a practicing attorney in Peoria; Judge Gale Robinson of Al Menah Temple, who sits on the General Sessions Court in Nashville, Tennessee; Warren Upton, a practicing attorney from Charleston, West Virginia; J. B. Hopkins, Hadji Temple, a practicing attorney in Pensacola and then we also have an Emeritus Member who sat in with us and did not vote on anything, merely sitting in with us and counseling us, Noble James T. Singley of Hamasa Temple.

And now, I would like to present to you the first appeal.

To the Representatives of the Imperial Council:

There was referred to your Committee on Grievances and Appeals an appeal filed by Noble Thomas E. Masters of Oleika Temple from Special Order No. 2 (Series of 1984-1985) issued by Imperial Sir, Gene Bracewell, on October 4, 1984, removing Noble Thomas E. Masters from the office of Potentate of Oleika Temple for the remainder of his term and declaring Noble Thomas E. Masters to be ineligible to hold elected office in Oleika Temple during the Temple year 1985.

The appeal was timely filed and the matter was scheduled for hearing on Monday, July 1, 1985 in the Newton Room of the Atlanta Hilton Hotel, Atlanta, Georgia, at nine-thirty a.m. in accordance with Article 8, Section 208.9(e) of the Imperial Council Bylaws. Due notice of said hearing was given to all parties concerned by first-class mail dated April 9, 1985.

The Appellant, Noble Thomas E. Masters, failed to appear at the appointed time and your Committee on Grievances and Appeals recommends that the appeal be dismissed for lack of prosecution.

Respectfully submitted by the Committee on Grievances and Appeals and signed by all members.

IMPERIAL SIR LAMDIN: To the Representatives of the Imperial Council:

There was referred to your Committee on Grievances and Appeals, an appeal filed by Nobles L. W. Martin and Hersel Smith, of Amran Temple, from the decision of the Amran Temple Grievance Committee, in finding "no probable cause" existed in charges filed by Nobles Martin and Smith against Noble John H. Hilliard, Past Potentate of Amran Temple.

The appeal was timely filed, and the matter was scheduled for hearing before the Imperial Council on Grievances and Appeals on Monday, July 1, 1985, at ten-thirty a.m., in the Newton Room of the Atlanta Hilton Hotel, Atlanta, Georgia. Due notice of said hearing was given all parties concerned, by first-class mail, postage prepaid, dated April 9, 1985.

Nobles Martin and Smith appeared and testified before the committee. Noble Earl Purser, Attorney for Amran Temple, presented the Temple's position.

After a thorough discussion and consideration of all the evidence submitted, together with the applicable Imperial Council Bylaw provisions, your Committee on Grievances and Appeals is of the unanimous opinion that the finding of "no probable cause" by the Amran Temple Grievance Committee should be sustained.

In view of the above, your Committee on Grievances and Appeals recommends that the appeal of Nobles L. W. Martin and Hersel Smith be denied.

Respectfully submitted by the Committee on Grievances and Appeals and signed by all the members.

IMPERIAL SIR KISSELBURGH: You have a motion and a second to approve the recommendation of the Grievance and Appeals Committee that the appeal of Nobles L. W. Martin and Hersel Smith be denied.

All in favor please say aye; opposed. It is unanimously carried.

IMPERIAL SIR LAMDIN: To the Representatives of the Imperial Council:

There was referred to your Committee on Grievances and Appeals, an appeal filed by Noble Charles S. Settle of Syrian Temple, from the decision of the Syrian Temple Grievance Committee, in finding "no probable cause" in the charges filed by Noble Settle, against Noble Larry Sowder, Potentate of Syrian Temple.

The appeal was timely filed, and the matter was scheduled for hearing before your Committee on Grievances and Appeals, on Monday, July 1, 1985, at nine-thirty a.m., in the Newton Room of the Atlanta Hilton Hotel, Atlanta, Georgia, in accordance with Section 208.9(e) of the Imperial Council Bylaws. Due notice of said hearing was given all parties concerned, by first-class mail, postage prepaid, dated April 9, 1985.

Noble Settle and Noble Sowder appeared and were represented by counsel. Oral testimony and additional documentary evidence were received by your committee. Counsel for both sides were heard.

After a thorough discussion and consideration of all the evidence submitted, together with the applicable Imperial Council Bylaw provisions, your Committee on Grievances and Appeals is of the unanimous opinion that probable cause existed to proceed with the charges against Noble Larry Sowder, Potentate of Syrian Temple, and that the decision of the Syrian Temple Grievance Committee should be reversed.

In view of the above, your Committee on Grievances and Appeals recommends that the appeal of Noble Charles S. Settle of Syrian Temple be sustained and that the Chief Rabban of Syrian Temple be directed to conduct a trial on the charges in accordance with Section 330.2 of Article 30 of the Imperial Council Bylaws.

It is further recommended by your Committee on Grievances and Appeals that the cost of the transcript filed in this matter be paid by Syrian Temple.

Respectfully submitted by the Committee on Grievances and Appeals and signed by all members.

IMPERIAL SIR KISSELBURGH: You have before you the motion and the second to adopt the recommendation as made by the Grievances and Appeals Committee. Is there discussion?

If not, all in favor please say aye; opposed. The motion is carried.

IMPERIAL SIR LAMDIN: To the Representatives of the Imperial Council:

There was referred to your Committee on Grievances and Appeals, an appeal filed by Noble Charles S. Settle of Syrian Temple, from the decision of the Syrian Temple Trial Committee, from a finding of guilty of conduct unbecoming a Noble, with the penalty of indefinite suspension.

The appeal was timely filed with a request for a stay of the judgment of indefinite suspension. The matter was scheduled for hearing before your committee on Monday, July 1, 1985, at nine-thirty a.m., in the Newton Room of the Atlanta Hilton Hotel, Atlanta, Georgia, in accordance with Section 208.9(e) of the Imperial Council Bylaws. Due notice of said hearing was given all parties concerned by first-class mail, postage prepaid, dated May 20, 1985.

The request for a stay of the disciplinary action of the Syrian Temple Trial Committee was granted on May 23, 1985, in accordance with Sections 208.5 and 208.9(f) of the Imperial Council Bylaws.

Noble Settle and Noble Sowder appeared and were represented by counsel. Oral testimony and additional documentary evidence were received by your committee. Counsel for both sides were heard.

After a thorough discussion and consideration of all the evidence submitted, together with the applicable Imperial Council Bylaws provisions, your Committee on Grievances and Appeals is of the unanimous opinion that the Appellant, Noble Settle, did not receive a fair and impartial trial.

In view of the above, your committee recommends that the appeal of Noble Charles S. Settle be sustained and that he be granted a new trial. It is further recommended that the Chief Rabban of Syrian Temple be directed to conduct said new trial in accordance with Section 330.2 of Article 30 of the Imperial Council Bylaws.

It is further recommended that the appellant, Noble Charles S. Settle, be immediately reimbursed by Syrian Temple in the amount of \$305, which was improperly deducted from his paycheck.

Respectfully submitted by the Committee on Grievances and Appeals and signed by all members.

IMPERIAL SIR KISSELBURGH: You have before you the motion and the second to adopt the recommendations of the committee. Is there any discussion?

If not, all in favor say aye; opposed. It is unanimously carried.

IMPERIAL SIR LAMDIN: To the Representatives of the Imperial Council:

Your Committee on Grievances and Appeals conducted an exhaustive and lengthy hearing on July 1, 1985, with regard to the Syrian Temple matter. During this hearing, it appeared to your committee that its order of stay of imposition of any penalty imposed by the Syrian Temple Trial Committee, may have been violated by Noble Larry Sowder.

In view of above, your Committee on Grievances and Appeals recommends to the incoming Imperial Potentate, Walker S. Kisselburgh, that he appoint an investigating committee pursuant to Section 206.5(a)(b) of the Imperial Council Bylaws, to ascertain whether or not the aforesaid stay was violated, and, if so, take appropriate action.

Respectfully submitted by the Committee on Grievances and Appeals and signed by all the members.

IMPERIAL SIR LAMDIN: Imperial Sir, that completes our work. (Applause)

IMPERIAL POTENTATE BRACEWELL: Judge, did you move that report be received?

IMPERIAL SIR LAMDIN: I move both that the report be received and that the committee be discharged from any further action.

IMPERIAL POTENTATE BRACEWELL: Thank you.

Those in favor say aye; opposed. It is unanimously carried.

Let me announce that someone has lost from his Fez the title of "Potentate." I do not know if he resigned or what happened. (Laughter)

SATURDAY, JULY 6, 1985
NINE O'CLOCK A.M.

The One Hundred Eleventh Annual Session of the Imperial Council reconvened at the Atlanta Hilton Hotel, Atlanta, Georgia, at nine o'clock a.m., Imperial Potentate Gene Bracewell presiding.

IMPERIAL POTENTATE BRACEWELL: Gentlemen, it is nine o'clock and I would like to get started and so will you please find your seats.

Now, again, Nobles, may I have your attention.

At this time I am going to call on the Imperial Chaplain, my father, Vernon Bracewell, to please give the Invocation. Will you please rise and remove your Fez.

IMPERIAL CHAPLAIN BRACEWELL: Gentlemen and Nobles, first I would like to say that I thank God for affording me the privilege of being your Imperial Chaplain this year and I thank these individuals on the Imperial Divan and the many others that have been tolerant of me.

Also, I want to thank God for my son, that he did make it possible for me to stand here this morning.

With that, let us go to God in prayer.

Father, God, we thank you again for your kind blessings. You have been very good to us and now we come down to the time when we are going to part and we thank you again for the friends and friendships we have made.

Now, again, we would ask that you would bless this undertaking and go with us now to our homes and watch over us and keep us in your will. All of these things we ask in thy Holy Name. Amen.

IMPERIAL POTENTATE BRACEWELL: I wonder if you would please remain standing for a moment.

I have just received some information to the effect that today is the ninety-fifth birthday of Charlie Lembke, Past Potentate of Ballut Abyad Temple of Albuquerque, New Mexico.

... Cheers and applause ensued ...

IMPERIAL POTENTATE BRACEWELL: Let us all sing Happy Birthday to Charlie.

... The singing of Happy Birthday ensued ...

IMPERIAL POTENTATE BRACEWELL: Again, Charlie, our congratulations to you. (Applause)

At this time the Chair will recognize Imperial Sir Everett Evans, Chairman of our Public Relations Committee, for a report.

IMPERIAL SIR EVERETT EVANS: Imperial Sir, Imperial Sirs, Most Worshipful and Right Worshipful Grand Masters, Illustrious Sirs, Representatives and Nobles All: It is indeed a pleasure for me to be in attendance this morning after two weeks and still be alive.

I have sure enjoyed being with you and we have had a great Session so far and I am sure we are going to move along.

In the essence of time, let me say that we had a full report we were going to give to you. However, unless there is some objection, we are going to cut it down a little bit.

First of all, how did you like the Glen Campbell Show?

... Cheers and applause ensued ...

IMPERIAL SIR EVERETT EVANS: Our Imperial Potentate and his family are to be commended. You know, I find a great resemblance between Glen Campbell and our Imperial Potentate—it takes a whole family to put on the show. (Laughter)

At any rate, this has been a great Session. I want to thank you, the Potentates and your individual Temples, for having cooperated with me this year by including in your work a good Public Relations Department and also for the showing of the Shriners Hospitals film, "A Special Place."

Also, there has been an increase effort to ensure that our Nobility wears their Fezes, which is our badge of pride and our symbol of recognition and I hope you will continue to do that.

You know, of course, that we have several programs that are available to you and which we have talked about. In that respect, I will not go into all of these things this morning because we have some special legislation to consider.

However, I would like to have Mike Andrews come forward and talk to you for just a moment so that you will be familiar with Mike Andrews and if you have something you need in connection with your Temples, we would like to have you call Mike Andrews from the Tampa Office.

NOBLE MIKE ANDREWS: Thank you, Everett.

First of all, if I launch into an East Texas accent, you will know that Everett and I have been traveling the country this year. We have seen a lot of you across the country. I am originally from Ohio.

When Imperial Sir Evans asked me to address the Session and talk to you a little bit about the state of the public relations programs over the past twelve months, there was a slogan that came to mind, a very well-known slogan and I think it sums up to you—"Thanks to you, it is working." That sums up our past year public relationswise and I think it accurately applies to the Shrine and Shrine public relations programs because you Nobles and your fellow Representatives back home in your own home towns, and your local communities have made it happen this year.

You are the image makers of the Shrine and your hard work is responsible for the Shrine and Shriners Hospitals.

I believe we are reaching a new level of effectiveness with respect to our public relations programs. We are no longer, for example, the best kept secret in North America. Our Story is beginning to be told the way we would like it told, the way we feel it deserves to be told, but we still have a lot to do and we need your help.

I hope you will return to your own home towns, to your own communities, your own local areas and urge your fellow Nobles to tell the Shrine Story whenever possible because, gentlemen, the Shrine Story is one of the amazing stories of our times.

You and your predecessors are responsible for building the most amazing network of childrens hospitals that this world has even known and, as Will Rogers once said, "It ain't bragging if you have done it," and, Nobles, you have done it.

I would also urge you to take advantage of all of the public relations materials that we have available to help you.

You realize, of course, we can produce brochures year in and year out, can produce films like "A Special Place" but if they do not get used, they do not do any good at all.

Think of the Public Relations Department in Tampa as, in effect, a free consulting firm. If you had a free consulting firm available to you in your own line of business, certainly you would use it—you would be foolish not to utilize it. This is exactly what you have in Tampa in your Public Relations Department, a number of people available with expertise and the wherewithal to help you plan and establish your own Public Relations Department. So take advantage of it. Take advantage of the service and materials available.

I strongly believe, as Imperial Sir Dick said yesterday, that, together, there is not anything we cannot do. We have a sales force of 885,000 Nobles and that is exactly what we are, if you think about it—we are a sales force helping to sell the Shrine Story, the story of our Fraternity and philanthropy and, together, there is not anything that we cannot do.

We never take your support and help for granted, not for one minute. We may not say it often enough but we appreciate all your help.

We want to thank you for your many hours of hard work and dedication and let us go back to our own home towns and become even more productive during the following year.

Thank you very much. (Applause)

IMPERIAL SIR EVANS: Thank you, Mike.

Mike is exactly right that, doing this together, there is nothing we cannot accomplish.

But you have to remember that there are 8,000 other non-profit organizations such as the Shrine out there trying to gain the same image we have to maintain and so we need to work continuously. Our force for doing this in the Shrine is some 800,000 Nobles.

Now, I want to do something this morning that I think is very appropriate and that is to get our Imperial Potentate up here. We have a couple of presentations we want to make to him that we compiled from the Public Relations Department.

The first presentation for you, Imperial Sir, we hope you will appreciate.

If you saw the nice annual report we presented, the front of it included an artist's rendering of our Imperial Potentate. We think this was one of the best ones we have ever done and we hope to improve each year but we thought we ought to put out a good one.

Here is an artist's rendition that we would like to present to you at this time.

... Presentation and applause ensued ...

IMPERIAL POTENTATE BRACEWELL: Fantastic and thank you, Everett, so very much. I appreciate this and assure you this will serve to occupy a prominent spot in our home. You know, Katharyn and I are still together after this year and that is pretty good. (Laughter)

IMPERIAL SIR KISSELBURGH: Do not spend too much time, fellows. (Laughter)

IMPERIAL SIR EVANS: And then, Imperial Sir, we have your own album of all of your pictures compiled in your travels across the country, in visiting various Temples and in everything you have done and we also wish to present that to you.

... Presentation and applause again ensued ...

IMPERIAL POTENTATE BRACEWELL: That is just fantastic. It has pictures from throughout our year and we will certainly enjoy going through this and remembering the great times we had visiting these many, many Temples and the fund raising activities and all of the hospitality extended to us.

Again, we appreciate that so very much and thank you, Everett, and the Public Relations Committee and thank you, Representatives. (Applause)

IMPERIAL SIR EVANS: And then, Imperial Sir, there are two more things and one you will appreciate as much as I do. I guess maybe we are ending an era here and I hope that it continues on. However, I believe it has meant so much, that spirit that these two fine Nobles have carried on for us, at least for the several years I have been involved as a Representative and also as an Imperial Officer. I feel they will be a hard act to follow. I know that Jack Dean, the undertaker, and I are not going to be able to do it. However, how about Walker and Gene, how about giving them a big hand for all they have done during these years.

... Rising applause ensued ...

IMPERIAL POTENTATE BRACEWELL: You know, I have tried to be straightforward in all of the ten or eleven years that I have been on this Imperial Divan. However, there is something that I certainly should make a matter of public record to you fellows at this time.

First of all, I would like to ask you a question.

I know you fellows all attended that beautiful Pageant that Walker had the other morning and you may remember or may have noticed that Walker, I thought, was dressed first-class. Remember, it was almost a dark blue suit. Was that not a good looking suit? (Applause)

Well, that was my suit. (Laughter)

Walker comes up to me the other day and he said, "Do you have a dark suit?" I said, "Yes, I have one upstairs."

He says, "Well, fine, I need one. I did not bring a dark suit for the Pageant."

Well, I thought he was kidding until he called that afternoon and said, "I will be by in a few minutes to get that suit."

Well, we went to the closet and I showed him a couple of dark suits and I said, "Walker, here is the dark suit I bought for the Pageant last year." He said, "That is the one I want."

You know, that is the first time in Shrine history that one suit has been installed twice in the Shrine of North America. (Laughter)

You know, there is no way that Walker Kisselburgh could possibly fill my shoes but he damn sure fills my suit. (Laughter)

IMPERIAL SIR EVANS: Well, Nobles, as you can see, it is hard to get something started against those two.

Now, we try each and every year to bring you something you might be interested in. Of course, we did not make a new film this year. We try to make our films last about three years and so we tried to bring to you something we feel was one of our best public relations items that we saw and our Imperial Potentate, at the Carolina Bowl, which I think you will see some of, I think has been, year after year, great. I think, in relation to our Imperial Potentate, as you see the interview and the job that he did on some of the public relations, you will find out he was certainly our goodwill ambassador in carrying our Story forward.

Now, I have about a nine-minute clip I want to show you and so if you will dim the lights and look at the film, I know you will appreciate him, the film and the Carolina Bowl as much as I do.

... Film presentation ensued ... (Applause)

IMPERIAL SIR EVANS: That is some pretty good work, thanks to Doug Mayes from our Public Relations Committee and WSOC. It does not hurt to have one of your own public relations persons in the town where we have the Bowl Game. Doug does great work and, as you see, our Imperial Potentate is not a bad host to be on television either and they do a tremendous job.

Of course, we have a long report we could have given you but last year, when you heard and saw Terry Dahlquist in relation to that film, there is no way that we could compete with a story like that and we would not attempt to do so.

There are so many stories out there that the Shrine has available to them because of the great respect people have for you and the great things you do.

We have the greatest story in the world to tell and I do not know anything that makes me happier than to wear this Fez and I hope you will feel the same way and I think it typifies what we are all about.

Thank you, Imperial Sir, and I would move that this report be received.

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: Thank you very much, Everett.

We have before us a motion and a second to receive the report.

All in favor say aye; opposed. It is unanimously carried.

Thanks again, Everett, to both you and your committee, for a job well done.

At this time the Chair would like to recognize Illustrious Sir Thomas Pape, the Potentate of Mocha Temple, at microphone 1.

NOBLE THOMAS PAPE [Potentate, Mocha Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Most Worshipful Grand Masters, Representatives All: I would just like to say at this time that I thank the committee very much for the kind attention received yesterday.

Jim Bracewell was over at the luncheon yesterday and I want to thank him, too, because my wife had a vascular spasm. Now, she is all right now but, at that time, an ambulance was arranged for, the staff carried her downstairs, I took her to the hospital. Again, she is fine. However, I would just like to thank everybody for the kind attention and the Shriners really care, not just about crippled kids but about everybody here at this convention. I thank them all.

There have been several who have asked me as to how my wife is and, again, she is fine. She would have given me hell if I had not come out here this morning and so there you are. Thank you all once again. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you, Illustrious Sir.

You know, I just received a Mail-O-Gram that I think Doug Mayes will be interested in. Doug, are you here this morning?

I just received this from Mr. Stone, the General Manager of WSOC-TV in Charlotte, North Carolina. It is written to you, Doug, and it says, "To Doug Mayes, Anchor Man: Doug, your show 'Midday With Mayes' becomes 'Breakfast with Bracewell' on July 8th. Gene has done such a good job that we decided to hire him now that he is no longer Imperial Potentate.

... Laughter and applause ...

IMPERIAL SIR KISSELBURGH: You have to be kidding. (Laughter)

IMPERIAL POTENTATE BRACEWELL: Is Past Grand Master A. J. Tullis, now Grand Master, Order of the DeMolay, present? Grand Master, will you please step forward and bring greetings?

First, Grand Master, we are delighted to have you with us at this One Hundred Eleventh Imperial Council Session.

ILLUSTRIOUS A. J. TULLIS [Grand Master, Order of the DeMolay]: Imperial Sir, Imperial Sirs, Representatives and, of course, Past Grand Masters and Grand Masters who are here: It is a very great pleasure for me to bring you greetings from the International Supreme Council, Order of De Molay, and to tell you how much we think of the Shrine. By golly, I do not believe we could operate without you.

Your contributions toward the Order of DeMolay, not only the financial contributions but your personal contributions and work with the Chapters, with these young men, are things we really need.

This year we have made some progress in DeMolay. We have hired some new people. We have revamped a lot of programs. We are trying to get on a much firmer foundation and I believe we are making the progress that we need to be making, the kind that you would expect us to make.

Now, we had been told we were not responsible in some areas and I certainly agree with that and now we are becoming more responsible.

I think that with all of your help, with the help of the other Masonic bodies that you will be much prouder of DeMolay.

I know they are striving to do what we all agreed to do. We are teaching young men, good young men to be better men, to be able to go into the Masonic Order and then continue on into the Shrine. Most certainly we want to do that.

We are revising all our programs to try to get that point across to these young people. However, what we really need is you going out to the Chapters, working with these young people because they look at that Master Mason or that Shriner up there as someone to emulate.

Now, if we just have to take mediocre people, then that is who they are going to be emulating. However, if we can get the top people, our top Masonic leaders to go to these various Chapters, work with these young men, then that is what we will have.

Imperial Sir Gene, we thank you for all of the contributions that Shrinedom has given us this year.

I think that this magazine that we have put out this year and which you helped us put out has told a story to our people and to yours. We hope we will be able to put one out for Walker.

Again, thank you, Imperial Sir, and we look forward to being with the Shrine from now on.

IMPERIAL POTENTATE BRACEWELL: Thank you, Grand Master. Let us give him a big hand. (Applause)

I can assure you, Grand Master, that all Nobles and Masons alike are pleased and delighted to be so supportive of the Order of DeMolay.

At this time the Chair will recognize Past Grand Master Bill Vaughan at microphone 2.

PAST GRAND MASTER VAUGHAN: Imperial Sir, yesterday I opposed proposition 13. A number of Nobles have said to me they felt that it should have been modified and having voted against it, I am perfectly willing to ask for reconsideration in order to give those Brethren a chance.

I feel that we had enough to say that all of us, when we go home, will be careful and not put through anything in the Temple that will not be sound financially.

Therefore, I would move, if I may, to reconsider proposal 13.

IMPERIAL POTENTATE BRACEWELL: That is proposal 13 on page 25, I believe, of the Call. Is there a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: The motion has been made and seconded. There is no discussion.

All in favor say aye; opposed. It is so carried and it is now back on the floor.

The Chair recognizes Imperial Sir George Powell.

IMPERIAL SIR POWELL: Good morning.

Now, I say this with apology—apology that I have to indicate that yesterday, for the sake of time, I did not get up and speak in favor of this particular legislation. I am sorry I did not and, to our Grand Master, Bill Vaughan, I appreciate your bringing the subject back up again today.

The reason I did not speak against the subject or speak for it, rather, is that I really did not believe in my own heart that we as Representatives had any desire, any desire at all to deny to a Temple the right to try and resolve one of their most serious problems and that is membership and in the process of trying to resolve this problem for membership, they themselves believe that this legislation would make it possible, in the years to come, to minimize the suspensions in their particular Temple.

Now, this is something that they are coming to us with asking us to help them. They are not trying to impose upon any Temple in the Shrine of North America the fact that you, by passing this legislation, will be compelled to have ten years, as they wish. You can have thirty insofar as they are concerned, you can continue on as you are today for the rest of your life. It matters not to them.

This is just saying—"We have a problem, we are trying to do something about it and we are asking you to help us, to give us this right."

Now, there may be some who will come to this microphone when I sit down and they will say to you, "Make it fifteen years and we will go for it." Well, I do not know how anybody could be in this room who has enough vision, enough foresight to be able to say how many years it should be. Maybe it should be thirteen, maybe it should be five, ten or seventeen. I do not know. I do not know how you would know or I would know and how anybody can come along and say that this is how it should be.

However, there is one thing I do know and that is that Al Kader Temple believes they only need ten years and if ten years is not what is going to work for them three to five years down the path, they are going to change it. However, they presently desire ten years. I am in no position to say that they need fifteen years.

I also believe there may be those who may come here and say that because of the interest rates and things of that sort—well, let me tell you about the interest rates.

There is a saying, and it is a true saying, that you can take all of the economists in the world and lay them end to end and they could never reach a conclusion. (Laughter) It is a true statement.

We have many, many banks who are taking care of our trust funds in our Colorado Corporation and every one of these banks that we have, they handle millions of our dollars but do you think they all come up with the same return on investment at the end of the year? No, no, and, of course, they are all experts and they pay all of these men all kinds of thousands of dollars to make sure that they do the best for the Shrine but, nevertheless, they differ.

Now, as they differ, so is Al Kader Temple entitled to differ.

It does not affect one Temple, one Temple in Shrinedom, if you vote favorably for this.

Now, somebody else may come to the microphone and they may want to speak about financial responsibility in our Temples.

Well, Nobles, let me say this, that I have been Chairman, for the past two years, of the Audit Committee and I have been Chairman of the Special Funds Committee and I believe that I understand the fiscal responsibilities of our Temples as well as anybody because I have been exposed to it and because my lifetime has been spent, one way or another, in the financial field.

Now, if you want something to discuss, I would suggest that we take a whole week and talk about financial responsibilities in our Temples.

This little thing is peanuts—absolutely peanuts—and I think you also have to admit that in our Audit Committee and in our Special Purpose Funds Committee where any of you Temples have a problem, it is the Shrine of North America that wants to help you.

God knows what caused it, and it is going to happen maybe again in the future, but when you come to mom and pop, you want somebody to help you and I am confident in my mind that the Audit Committee, the Special Purpose Funds Committee have done their best as mom and pop to help you.

Now, why do not we, this morning, vote favorably for this legislation and give this Temple an opportunity to do what they believe is necessary for their membership. Again, it does not

affect one Temple in this country or Canada or Mexico with this kind of legislation. You just keep on doing what you have done and let them do what they believe needs to be done.

Thank you very much for hearing me out and I would like to have all of you vote favorably for this legislation. (Applause)

IMPERIAL POTENTATE BRACEWELL: That is in the form of a motion?

IMPERIAL SIR POWELL: Yes, Imperial Sir, that is in the form of a motion and I would like to ask for a second on it.

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: The motion has been made and seconded. Is there any discussion?

IMPERIAL SIR DEAN: Imperial Sir, Imperial Sirs, Grand Masters and Fellow Representatives: I rose to raise a point yesterday.

This concerns me as we go through it. There is no question but what this legislation leaves the decision to the individual Temples and, yesterday, if I misspoke to anybody, I did not intend to do that.

I merely rose to point out to you a word of caution—that if this legislation does pass, what it does is if you get somebody who is exuberant on selling life memberships, you will be allowed to reduce them down and it will be your individual Temple's decision that what they have said is correct, down to ten times your dues.

Now, there is no question at all but what if you reduce it down to ten times your dues you then have to be very fiscally responsible to make sure that that fund, when you go to sell it, when you go to invest it, that it will produce sufficient money to pay the dues for each and every individual Noble.

You have to take into consideration that down the road—every one of us knows that in the past few years had we sold life memberships at ten times dues, five or ten years ago, and we have raised our dues since then, that fund is going to have to generate enough money to pay the dues to take care of the dues increase.

My concern was that sometimes the legislation is not duly considered and my words were words of caution to you that in the event that this is passed, you could get one member of your Divan who is really enthusiastic, he could sell a bill of goods to you and all of a sudden you could end up in trouble.

All I was saying to you is be careful now and in the future.

I am personally concerned about this and, also, it is my personal opinion that this is not good legislation because it allows you to get into trouble down the line. That is the reason I opposed it. However, that is your decision.

I campaigned on the idea that I did not take anything away from anybody on this floor. I still do not want to take that decision away from you. I just have my own personal feeling and I felt a responsibility to alert you to a potential problem that you could have.

That is all I wanted to do. Thank you.

IMPERIAL POTENTATE BRACEWELL: Thank you, Imperial Sir Jack.

The Chair will recognize Walter Pettit.

NOBLE WALTER PETTIT: If I may, Imperial Sir, I would like to speak to the comments of Imperial Sir Jack Dean.

I think he made it clear to you, and I speak neither for nor against this proposal but simply as information and recollection to you that in starting the procedure which each Temple must be required to take in order to put this legislation into effect that there would be a requirement for a resolution to amend your current Bylaws at your own Temple level and the requirement of the resolution to amend is the prerequisite two-thirds majority of your Temples.

IMPERIAL POTENTATE BRACEWELL: Thank you.

The Chair recognizes Imperial Sir Webb Harrington.

IMPERIAL SIR HARRINGTON: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and my Fellow Representatives: I stand before you not as a Representative of Al Kader Temple but I would like to speak to you from my experience as a Certified Public Accountant because I have done the audit of many life membership funds and I have found that generally life membership funds that were properly administered were a very fine thing.

I would also like to call your attention to the fact that on the basis of twenty times earnings, it is pretty difficult to sell a life membership fund now.

Further, this legislation is permissive and, as George Powell said, you do not have to do anything or make a change in any one of your individual Temples unless, after due consideration and proper notice and what is necessary to go through with your own Bylaws, you decide you might want to change it.

But, gentlemen, I believe this is good legislation. I believe it gives the Temples the opportunity to do what they feel is best for them and it was only after very careful consideration that I have come to the conclusion that it is good. Really, nobody has told me anything as yet to convince me that it is not.

Therefore, I would urge you to support this resolution.

IMPERIAL POTENTATE BRACEWELL: Thank you, Webb.

Is there further discussion?

... The question was severally called for ...

IMPERIAL POTENTATE BRACEWELL: I see a Noble walking to microphone 1.

NOBLE E. C. PELFREY [Antioch Temple]: Imperial Sir, Imperial Sirs, Representatives All: I am the Assistant Rabban of Antioch Temple.

You know, we have been talking about life membership for "X" number of years but maybe we should think about an annuity membership because we all know that it is not a life membership, if we lose our membership in our Symbolic Lodge or prerequisite bodies.

In our state, we have been successful with annuity memberships and the reason we have been successful is because that is based on standard life insurance mortality tables. When that is sold, it is based on the age of the member at that time and the money that is withdrawn is withdrawn from the fund. We are not working just on the money we make and the interest.

Therefore, we may want to consider an annuity membership because, if the person is, let us say, sixty years old, he is going to pay much less than someone who is twenty-five.

Our Symbolic Lodge has that and we have never lost money.

Now, if we can withdraw that money and still let the interest go back into the fund, I think we will find it more successful. Thank you.

... The question was called for ...

IMPERIAL POTENTATE BRACEWELL: The question has been called for.

All in favor of the proposition, which involves proposal 13 on page 25 of the Call, please say aye; opposed. The Chair declares that it passed by the necessary majority.

Well, wait just a moment, hold on. Do you want to try another voice vote or go for a ballot?

... Cries of "ballot" ...

IMPERIAL POTENTATE BRACEWELL: Well, let us try one more voice vote and I will ask Jack Dean to stand up here and listen with me this time.

All in favor of the proposal indicate by saying aye; those opposed.

Well, let us try this one.

Everybody in favor please stand; please be seated; now those in opposition will you please rise.

I am going to ask the Chairman of Jurisprudence and Laws for a ruling. (Laughter)

Well, Nobles, I will tell you what we are going to do. We are going to take a ballot and that way we will all be all right.

I would like to have the Chairman of our Tellers Committee, Joe Howell, come up here and give you your instructions.

NOBLE JOE HOWELL: Imperial Sir and Fellow Representatives: We will use the salmon colored ballot 6. Do not forget, tear off your stub and please do not fold the ballot.

IMPERIAL POTENTATE BRACEWELL: As indicated, you will use ballot 6.

The procedure will be that if you are in favor of proposal 13, you will write "yes" on your ballot; if you are against it, write "no." "Yes" is in favor and "no" is in opposition. (Laughter)

... Whereupon, balloting and collection of ballots ensued ...

IMPERIAL POTENTATE BRACEWELL: Have all balloted? I will declare the ballot closed. (Gavel)

Now, while the ballots are being counted, we cannot proceed with anything that requires a further ballot. However, we do have some further legislative matters that we can handle without ballots and so I am going to ask you this, and it requires unanimous consent, if you would be willing to allow us to proceed, in the essence of time, with some legislation?

All in favor please indicate by saying aye; opposed. I declare it to be unanimously passed and thank you very much.

Now, at this point, I would like to recognize Imperial Sir Jack Jones.

IMPERIAL SIR JONES: Imperial Sir, I would merely like to announce that there were forty-four sitting Grand Masters present, two from Canada and the rest from the United States, with the one from Washington having his Senior Warden sit for him. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you.

Before we become involved in further legislation, I would like to extend to these Grand Masters again our sincere and heartfelt thanks for your attendance. Again, let us give them one more great big hand. (Applause)

Now, we have another distinguished Mason with us this morning whom I would like to have come to the podium and that is Walter Winchester, General Grand High Priest of the Royal Arch Masons.

Sir, we are delighted to have you with us. Would you favor us with some comments?

NOBLE WALTER WINCHESTER [General Grand High Priest, Royal Arch Masons]: Imperial Sir, Imperial Sirs, Past Grand Masters, Representatives, Nobles and Masons All: Let me, before I forget, thank you for the great courtesies that have been extended to me while I have been here. I do appreciate it and the General Grand Chapter appreciates it also.

Let me take this opportunity, in behalf of the nearly half a million Royal Arch Masons, to salute you for the tremendous contributions that you have been making to humanity.

Being a physician as I am, perhaps I can appreciate it more than some but I do appreciate what you are doing in your Burns Institutes and in your hospitals to help people, at the beginning of their lives, to lead more productive lives.

I also salute you for being that visible arm of Freemasonry and, of course, we need that visibility and so thank you very much for being so visible.

Today I represent, at this moment, nearly a half million York Rite Masons, many Chapters representing a compissant of our Symbolic Masonry, Cryptic Masons, Knights Templars and all members of the York Rite, all of us with our own particular philanthropies we are so very proud of.

In relation to the Shrine, of course, your philanthropy is a very visible one—helping people in relation to physical things. However, in the Royal Arch we have a different kind of philanthropy and I would like to take just a moment to tell you a little bit about it.

We are in the process of helping to support research work toward discovering some of the causes for learning disabilities as they affect children and if these are not discovered and identified and remedied, these youngsters become truant in school, delinquents and, if still not helped, may become juvenile delinquents, be involved in other crimes and ultimately end up in our prison system.

You know, it is estimated that one out of every four or five males has a learning disability and if we had 1,200 from California, they would only have one out of every ten. However, if you would consider the people in this room, only an average of one out of every five would have had a learning disability to a greater or lesser extent, something not visible but that affects their entire lives.

We, as I say, are trying to do something about that through some special research and through central auditory problems. We think that it can make an impact on some one million males throughout the English speaking world.

Each year, when results of this research work are completed, we think that helping that inner person can be just as helpful as helping that visible part of a person.

Now, I want to take just a moment to tell you a true story.

Several months ago, after a storm in Florida, I was walking the beaches near Ft. Myers looking for some shells that might have been washed up upon the beach and off in the distance, I saw lying on the beach there a bottle. Perhaps in that bottle there had been a message left which had been floating in the Gulf of Mexico, even perhaps in the Atlantic Ocean, no one knows from what ship that may have been dropped; and so I dashed to the location to pick up that bottle and look into it and see if a message had been left for me.

However, after opening that bottle, I found that there was no message that had been placed in it and so, as I looked upon it somebody had missed an opportunity—an opportunity, for example, of sharing a thought with a person in some distant place.

It also reminds us that, indeed, as we go through Lodge, we have the opportunity of

leaving little messages of encouragement and inspiration. Now, we may not know who will be receiving it but, nevertheless, we should never neglect that wonderful opportunity that confronts us every day of our lives.

This is what Masons are doing all the time.

Again, I salute you and, Imperial Sir, I thank you for your many courtesies. Thank you so much. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you very much.

Now, I also have another announcement that I would like to make that I think is of great interest.

Dr. Andy Hilbert, Jr., the Potentate of Ben Hur, his father, Andy Hilbert, Sr., played in the first East-West Shrine Football Game back in 1925. I think it is great to have that in the record. (Applause)

Now, would the Potentate of Barak Temple, Herb Manning, please step forward.

I introduce to you Illustrious Sir Herbert E. Manning, Potentate of Barak Temple.

ILLUSTRIOUS SIR MANNING [Potentate, Barak Temple]: Imperial Sir, Imperial Sirs, Distinguished Guests All: I have a little presentation for the Imperial Sir this morning.

Since he has demonstrated a deep and abiding love for the Shrine of North America, I would like to present him with this roof tile from our first Shrine Hospital at Shreveport, Louisiana.

. . . Presentation and applause ensued . . .

IMPERIAL POTENTATE BRACEWELL: Illustrious Sir Herbert, I certainly do appreciate this and I sure thank you for this tile from the roof of our first hospital at Shreveport, Louisiana and I am sure looking forward to having the opportunity of being at that hospital when Imperial Sir Walker Kisselburgh has the opportunity of dedicating it. Thank you so very, very much. (Applause)

Now, is the Director General, Jim Bracewell, present? Will you please step forward.

I think all of you have had the opportunity of meeting my brother, Jim Bracewell, who is the Director General of this One Hundred Eleventh Imperial Council Session and, Jim, I want to tell you how proud I am of you for the great job you and your people have done to put on what I think has been a most successful convention.

In keeping with that, I have a plaque that I would like to present to you at this time.

The plaque reads as follows:

"To Jim Bracewell, Director General of the One Hundred Eleventh Imperial Council Session, Atlanta, Georgia, in recognition of your outstanding contribution in planning, directing and coordinating events of the Imperial Session and for making this year's Session one of the most memorable and successful in Shrine history.

"Oh behalf of the Representatives and members of the eighty-five Shrine Temples in attendance and 885,000 Nobles across North America, we salute your efforts and congratulate you for a job well done.

"Presented by Gene Bracewell, Imperial Potentate, during this One Hundred Eleventh Imperial Council Session."

. . . Presentation of plaque and applause ensued . . .

IMPERIAL POTENTATE BRACEWELL: Again, Jim, congratulations. Would you care to make a few brief remarks?

NOBLE JIM BRACEWELL [Director General]: I want to thank each of you for the opportunities that I have had to serve in this capacity. I want to thank my brother, my mother and father, my family and all of the Shriners that made this possible.

Ulysses says—"I am a part of all that I have met," and this year I have grown a great deal as a man and have grown a great deal as a Noble because of the great Shriners I have had the privilege of meeting in putting this convention together.

I will forever be indebted to you and the Shrine of North America, Gene, for the opportunity to have served in this office. It will be something I will remember to my dying day and I do thank you for this honor. (Applause)

IMPERIAL SIR KISSELBURGH: Let me ask, are there any more Bracewells who are going to be thanked here this morning? (Laughter)

NOBLE JIM BRACEWELL: Would you wait there just a moment, Walker?

I want to tell all of you that there were many people that helped put this Session together and certainly they are all still working out there, many of them. However, I have asked a few

of them that were in the office this morning, some directors and staff, if they would come in here. Are there any of the other of my directors, the workers in the audience sitting here this morning? Good, okay.

What you see here is just a representative group of the men that helped put this together. Nobles, I am taking a little bit of a personal privilege here.

IMPERIAL SIR KISSELBURGH: You sure are. (Laughter)

NOBLE JIM BRACEWELL: Again, these gentlemen are just representative of the many that have worked and I would like for them to receive your greetings, if you would, Walker.

IMPERIAL SIR KISSELBURGH: Mine? (Laughter)

NOBLE JIM BRACEWELL: How about those in the audience?

... Laughter and applause ...

NOBLE JIM BRACEWELL: However, seriously, Walker, Imperial Sir, and that is hard for me to get used to and I do not know why.

IMPERIAL SIR KISSELBURGH: You will. (Laughter)

NOBLE JIM BRACEWELL: Gene had instructed us that should there be anything, of course, we can pass along that may make your Session a success, we should do so. I must tell you, in all humility, that there are no magic words we can offer you, no magic wand and, of course, if we had one, we would certainly offer it to you, Walker, but we do have something for you—

... Singing of "California Here I Come" ensued at this point ...

(Laughter and rising applause ensued)

IMPERIAL POTENTATE BRACEWELL: You know, I feel like what Walker said yesterday—"You have to be kidding." (Laughter)

Well, okay, Nobles and Representatives, let us move right along with legislative matters that we still have left to attend to.

At this time, the Chair would like to recognize Walt Pettit.

NOBLE WALTER PETTIT: Imperial Sir, Imperial Sirs, Representatives and Nobles: I first thought that I would tell you we start in so that we can give you a little warm-up on your backhand before we got into the serious stuff but it looks like to me you have already gotten yourself warmed up but, nevertheless, before we get into some matters which appear to be controversial, we will take up a couple so that we can get into the feel of things but which I do not think there will be any great recitation about.

You know, I am still in shock concerning the tassel on the Red Fez last year and it has not occurred yet. (Laughter)

This will be the report of the Committee on Jurisprudence and Laws.

IMPERIAL SIR KISSELBURGH: Just a moment, hold it. (Laughter)

What did you bring that one up for? (Laughter)

NOBLE WALTER PETTIT [Reading]: To the Representatives of the Imperial Council:

The Imperial Potentate's Special Orders (Series of 1984-1985) were issued pursuant to Section 206.5 (a) (5) of the Bylaws of the Imperial Council, an Iowa Corporation, and summaries thereof were included in the registration envelopes given to all Representatives at the time they registered for this Annual Session. The report has been referred to the Jurisprudence and Laws Committee by your adoption of the report of the Committee on Transactions of Imperial Officers.

The Imperial Potentate's report is in proper legal form and it was submitted in compliance with the Bylaws of the Imperial Council. The only objection to or appeal from these Special Orders has been resolved by this Imperial Council in its actions taken on the report of the Committee on Grievances and Appeals.

Your committee reports that such Special Orders were lawfully issued and are in all respects consistent with the Articles of Incorporation and Bylaws of the Iowa Corporation, and recommends approval thereof.

Imperial Sir, I move that the Imperial Potentate's Special Orders (Series 1984-1985) be approved, and I recommend that you allow Deputy Imperial Potentate Walker S. Kisselburgh to conduct the vote as this motion involves your Orders.

... The motion was duly seconded ...

IMPERIAL SIR KISSELBURGH: You have before you the motion and the second, is there discussion?

If not, all in favor say aye; opposed. It is unanimously carried.

SPECIAL ORDERS (Series 1984-1985)

SPECIAL ORDER NUMBER 1 September 18, 1984

To the Potentate, Officers and Nobles of Oleika Temple:

Pursuant to §206.5 (a) (6) of the Imperial Bylaws, Walter S. Pettit, Jr., Chairman of the Committee on Jurisprudence and Laws, and James W. Hendrix, Imperial Auditor and his representatives, are hereby deputized and commissioned as Special Representatives of the Imperial Potentate, to make such investigation and audit of the books and records of the accounts of Oleika Temple as may be required to determine the present financial condition of said Temple and in general investigate the charges and countercharges made among various officers of Oleika Temple.

SPECIAL ORDER NUMBER 2 October 4, 1984

To the Potentate, Officers and Nobility of Oleika Temple:

Based upon the report of the Representatives of the Imperial Potentate and also upon personal investigation and interrogation by the Imperial Sir, it is found that Illustrious Sir Tommy E. Masters, Potentate of Oleika Temple, has assumed and has exercised powers in excess of those granted under §§326.1 and 327.1 of the Bylaws of the Imperial Council, and has exercised the power of his office in a fashion unbecoming to an officer and Noble of the Shrine. Therefore, Tommy E. Masters is suspended from the Office of Potentate of Oleika Temple for the remainder of his term in office and shall not be eligible to hold elected office in Oleika Temple during the balance of the term of the Imperial Potentate Bracewell.

IMPERIAL POTENTATE BRACEWELL: The Chair will recognize Joe Howell.

NOBLE JOE HOWELL: Imperial Sir, Imperial Sirs and Fellow Representatives and Nobles: It is with pleasure I give you the results of the ballot on item 13 in the Call.

There were a possible 833 votes; 708 actually voted. There were no spoiled ballots, necessary for choice was 472. The votes were distributed as follows—"yes," 467; "no," 241. It was defeated.

IMPERIAL POTENTATE BRACEWELL: Thank you, Illustrious Sir.

The Chair declares that the proposal did not receive the necessary two-thirds majority as required by our Bylaws.

The Chair will now recognize Ken Siegfried.

NOBLE KEN SIEGFRIED [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws, Item Number 10 in the Call of the Annual Session of 1985, located on pages 19 and 20 of the Call. It is a proposal to amend Section 329.1 of Article 29 of the Bylaws of the Imperial Council, an Iowa Corporation, so that it will read as follows:

ARTICLE 29

Dispensation for New Temple

Section 329.1 Petition for Dispensation.

Dispensation for a new Temple may only be granted by the Imperial Council after a petition is filed with the Imperial Recorder. The petition must be signed by Nobles who are in good standing in the Order at the time the petition is filed with the Imperial Recorder, and who reside in the proposed territory of the new Temple.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Sir Barrineau of the Dispensations and Charter Committee for its report.

IMPERIAL POTENTATE BRACEWELL: The Chair will recognize Illustrious Sir Bill Barrineau.

ILLUSTRIOUS SIR BARRINEAU [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Dispensations and Charters item number 10 on the Call for the Annual Session of 1985 and it is located on pages 19 and 20 of the Call. It is a proposal to amend Section 329.1 of Article 19 of the Bylaws of the Imperial Council.

Your committee met with the proponent of the proposal on July 1, 1985. No person appeared in opposition thereto. We also received the testimony of the Executive Director inasmuch as the Imperial Recorder and he will be involved in the administration of this proposal if adopted. It appeared to your committee that this proposal would be helpful to Temples losing portions of their membership to newly created Temples. Though the present Bylaws have consistently been interpreted to require members to be current in their dues, levies and assessments before they can transfer to a new Temple, some of these matters have "fallen through the cracks" when dispensation is given to a new Temple. This proposal codifies the issue and says that applicants joining a new Temple must be in good standing when the petition is filed with the Imperial Recorder rather than when the applicants sign the petition. Usually, the petition is filed with the Imperial Recorder one to two years after the applicants sign it.

Your committee supports the proposal and recommends its adoption.

Imperial Sir, if there are no questions concerning this report, I recommend that you call upon Illustrious Louis Leitenberger, the proponent, for an appropriate motion.

IMPERIAL POTENTATE BRACEWELL: The Chair recognizes Illustrious Louis Leitenberger, Past Potentate of Hadji Temple.

NOBLE LOUIS LEITENBERGER: Imperial Sir, Imperial Sirs, Most Worshipful and Right Worshipful Grand Masters, Representatives and Fellow Nobles: I bring this change and amendment to the floor and I make a motion that we accept it.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE BRACEWELL: The motion has been made and seconded that this amendment be approved. Is there discussion?

. . . The question was called for . . .

IMPERIAL POTENTATE BRACEWELL: All in favor of this amendment indicate by saying aye; opposed. It is carried by the necessary two thirds majority. Thank you.

The Chair now recognizes Judge Cooper.

NOBLE COOPER: Imperial Sir, Imperial Sirs and Fellow Representatives: This is a report of the Special Committee appointed by the Imperial Sir, Gene Bracewell, to consider amendments to Article 30 of the Imperial Bylaws.

This report relates to item 11 on page 20 of the Call which was proposed by Illustrious Sir Gordon Harris, Past Potentate of Bahia Temple and item 12 on page 24 of the Call, proposed by Judge Sewell Lamdin, Past Potentate of Boumi Temple.

Both of these items concern Article 30 of the Imperial Bylaws which cover the discipline of a Noble by a Temple.

This Special Committee was appointed by the Imperial Potentate, Gene Bracewell, to consider amendments to Article 30 of the Imperial Bylaws, and to work with the proponents of items 11 and 12 in the Call for the Annual Session of 1985 to the end of proposing recommendations to the Imperial Council for changes in Article 30.

On meeting with the proponents of items 11 and 12, and with those members of the General Office staff and Imperial Council Committees, who regularly consider problems arising under Article 30, the Special Committee has come to the conclusion that the procedures outlined in the present Article 30 accomplish the purposes intended by the Article—that is, they provide the guidelines for the determination of whether an accused Noble should be disciplined, the extent of such discipline if appropriate, and assures fair play and substantial justice as those concepts are understood and practiced in North America. With adequate basic procedures being set forth in the present Article 30, the committee's task then became, as we saw it, to propose changes to Article 30 to clarify and explain existing procedures so as to answer the questions constantly asked by officers of Temples who find themselves faced with consideration of charges that have been preferred against a Noble. The Special Committee believes that the proposed consensus amendment given you yesterday, accomplishes this task. So do the proponents of items 11 and 12 of the Call, who are agreeable to the substitution of the consensus for items 11 and 12. Your Special Committee then recommends that as Representatives to the 1985 Imperial Session, you give permission to the substitution of the consensus amendment for items 11 and 12 of the Call, and that you favorably consider the substituted amendment.

Respectfully submitted,
R. E. Cooper
William H. Christison
Robert C. Lake, Jr.
Gerald W. Groat, Jr.

Imperial Sir, if there are no questions or comments on this report, I recommend that you call upon Illustrious Sir Robert Lake for the report of the Jurisprudence and Laws Committee.

IMPERIAL POTENTATE BRACEWELL: The Chair recognizes at this time, Illustrious Sir Bob Lake.

ILLUSTRIOUS SIR ROBERT LAKE [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws, items 11 and 12, which appear on pages 20 through 25 of your Call. Your committee has met with the

proponents of these two proposals and the Special Committee appointed by the Imperial Potentate to study Article 30 of the Bylaws. Your committee is pleased to inform you that the proponents of items 11 and 12 and the Special Committee are in unanimous agreement that one substitute proposal be submitted to you for consideration. A copy of the substitute proposal has been handed to you. The substitute proposal amends Sections 330.1 and 330.2. The report contains the amendment and I will read it if any Representative so requests; however, I call attention to the fact that each Representative has a copy of the amendment.

The committee reports that items 11 and 12 and the substitute proposal are in proper form and do not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,

... NOTE: A copy of the proposed substitute is as follows ...

PROPOSED SUBSTITUTE AMENDMENT TO ARTICLE 30 DISCIPLINE BY TEMPLE

Section 330.1 Jurisdiction. A Noble is subject to discipline by the Temple of which he is a member, or by the Temple within whose jurisdiction he resides, for conduct unbecoming a Noble of the Mystic Shrine or for violation of Shrine Law.

Section 330.2 Fair Play and Substantial Justice. The Article is intended to provide the guidelines for the determination of whether an accused Noble should be disciplined, the extent of such discipline if appropriate and to assure fair play and substantial justice as these concepts are understood and practiced in North America. To this end the Temple and its officers shall cooperate fully with the complaining Noble, the accused Noble, the Grievance Committee and the Trial Committee. All Temple records concerning the complaint or charges shall be made available to the foregoing for copying.

Section 330.3. Definitions. In addition to the definitions set forth in Section 101.3, the following terms are defined for the purposes of this Article.

(a) "Complaining Noble" is the Noble or Nobles who file a complaint with the Potentate of a Temple pursuant to this Article.

(b) "Complaint" is the written, signed and dated statement of the acts or conduct of an accused Noble, which the complaining Noble asserts is a violation of Shrine Law or constitutes conduct unbecoming a Noble of the Mystic Shrine.

(c) "Accused Noble" is the Noble or Nobles against whom a complaint is filed.

(d) "Grievance Committee" is a committee of five (5) impartial Nobles appointed by the Potentate and charged with the duty of thoroughly investigating a complaint.

(e) "Trial Panel" is the panel of nine (9) impartial Nobles appointed by the Potentate from which the Trial Committee is selected.

(f) "Trial Committee" consists of the five (5) members of a trial panel who are selected to try the charges brought against the accused Noble.

(g) "Charges" is a written, signed and dated statement apprising the accused Noble of the nature and character of the offense or offenses being brought by and on behalf of the Temple.

(h) "Prosecutor" is the Noble representing the Temple in the trial of the accused Noble.

(i) "Impartial" is having no direct knowledge of the acts or conduct set forth in the complaint or charges; not having formed an opinion as to the merits of the complaint or charges; not being related by blood or marriage, nor being so closely associated with the

complaining Noble, the accused Noble or any material witness as to be likely to affect the Noble's judgment.

(j) "Notice, notify, provide, deliver or file" means to mail, first-class, postage prepaid, a copy of the document in question to the last known address of the Noble involved or to deliver the document to the Noble in person. Unless a greater time is specifically allowed, this should be done immediately. No notice of proceedings hereunder is required to be given Temple membership.

(k) "Witness" is a person, male or female, Shriner or non-Shriner, called to give testimony.

Section 330.4 Procedure. Proceedings for the discipline of any Noble by a Temple are as follows:

(a) Before trial.

(1) Any Noble complaining against another Noble of conduct unbecoming a Noble of the Mystic Shrine or for violation of Shrine Law, must state the nature and character thereof in writing, sign and date the complaint, and deliver it to the Potentate of the Temple. The Complaint must be filed within the time period provided in Section 101.9(b).

(2) Immediately upon the receipt of a complaint it is the duty of the Potentate to notify the Imperial Potentate and to deliver a copy of the complaint to the accused Noble and to appoint a Grievance Committee of five impartial members of the Temple, giving preference to Past Potentates, whose duty it is to thoroughly investigate the complaint. The complaining Noble and the accused Noble shall be afforded an opportunity to be heard before the Grievance Committee. The complaining Noble may withdraw the complaint anytime prior to the determination of the existence of probable cause by the Grievance Committee and, in such event, the Grievance Committee is discharged from further consideration of the matter and the complaint is dismissed. If the complaint is not withdrawn, the Grievance Committee by majority vote, must determine whether there is probable cause for believing an offense has been committed by the accused Noble, and shall report to the Potentate. The report must be made within sixty days after appointment of the Committee, be in writing, and signed by those voting in the majority and copies shall be delivered to the complaining Noble and the accused Noble. If no probable cause is found, the proceedings shall terminate, subject only to the rights of the complaining Noble to appeal as provided by Section 330.4(c)(2).

(3) Immediately upon the receipt of a report from the Grievance Committee finding probable cause, it is the duty of the Potentate to refer the matter to the Assistant Rabban, or, if he is disqualified from acting, to an impartial Noble of the Temple designated by the Potentate to serve as alternate, and it is the duty of the Assistant Rabban, or of the alternate, to cause formal written charges to be preferred in the name of the Temple against the accused Noble. The charges, in plain and concise language, must apprise the accused Noble of the offense charged, and when signed by the Assistant Rabban, or the alternate, shall be filed with the Recorder of the Temple, and copy shall be delivered to the Potentate, the complaining Noble and the accused Noble.

(4) Immediately upon the filing of the charges, it is the duty of the Potentate to appoint a trial panel of nine impartial Nobles of the Temple, and to designate a date for the trial, which shall not be less than fifteen nor more than thirty days from the date of the selection of the Trial Panel. The Potentate may for good cause postpone the trial to a subsequent date not later than sixty days from the date of the selection of the trial panel. The names of the trial panel shall be provided to the complaining Noble, the accused Noble and the Temple. Neither the complaining Noble, the accused Noble, the Temple nor anyone representing them shall have any contact whatsoever with the Trial Panel or vice versa regarding the case.

(5) If any officer named in this Section is the complaining Noble, is the accused Noble or is not impartial as the term is defined in Section 330.3(i) he shall be disqualified to act. If a member of the Trial Panel is disqualified, it is the duty of the Potentate to fill the vacancy with an impartial Noble.

(6) Unless an officer or a Noble is disqualified under the provisions of (5), or excused by the Potentate, he is required to serve. Any Noble who willfully violates any provision of Article 30 is subjected to discipline under the Article.

(7) In the event the Potentate is disqualified under (5), or for good cause disqualifies himself, the Chief Rabban acts in his stead; if both are disqualified, the Potentate shall appoint the highest ranking qualified officer to act. And, if all officers are disqualified, the Potentate shall appoint an impartial Noble to act in his stead.

(8) It is the duty of the Recorder of the Temple to cause to be served upon the accused Noble a certified copy of the charges, together with a notice apprising the accused Noble of the time and place of the trial. Service shall be in person by a Noble, or by certified mail, addressed to the last known address of the accused Noble. The affidavit of the Noble making service, or of the Recorder of the mailing is prima facie evidence of the service of the notice and charges upon the accused Noble.

(9) It is the duty of the Assistant Rabban or the alternate, in the name of the Temple, to prosecute the charges, and the Temple may have the assistance of counsel in the presentation of the charges, provided the counsel is a Noble. The accused Noble also shall have the right of counsel, provided the counsel is a Noble.

(10) The accused Noble may file written answer to the charges at least five days prior to the time set for the trial.

(b) Trial.

(1) Upon the date set for trial, the prosecutor may excuse two of the Trial Panel chosen by the Potentate, and the accused Noble has the right to excuse two of the Trial Panel, leaving a Trial Committee of five. If the accused Noble or the Prosecutor fails or refuses to exercise his challenges, then the Trial Committee of five shall be chosen by lot. Prior to exercising their challenges, both the accused Noble and the prosecutor shall have the right to inquire of the Trial Panel and to challenge any Noble for cause. Cause shall consist of showing that the Noble in question is not impartial. The Potentate shall rule on all challenges. The Potentate shall immediately appoint a substitute impartial Trial Panel member for any Noble excused for cause.

(2) The Trial Committee selects one of its members as Chairman. The Chairman has charge of the conduct of the trial and may have an attorney who is a Noble present during the trial for the purpose of advising the Trial Committee concerning procedural and legal issues. Such attorney shall serve at the expense of the Temple. The Chairman administers the oath to all witnesses who are Nobles upon their honor as Nobles. All witnesses who are not Nobles shall be sworn by any officer qualified to administer oaths.

(3) Both the Temple and the accused Noble have the right to summon witnesses, and disobedience of a summons subjects an offending Noble to discipline under Article 30. Request for the issuance of a summons to a witness shall be made of the Recorder, who shall issue, sign and deliver the summons at least five days prior to trial.

(4) The testimony of all witnesses shall be taken by a competent stenographer, male or female, so that it may be preserved as are transcripts in a court proceeding.

(5) Either the Temple or the accused Noble may take depositions of witnesses who cannot attend the trial, provided reasonable notice of the time and place of the taking thereof is given the opposite party. The accused Noble and the Temple shall provide each other with copies of all known documents that are to be used at the trial at least five (5) days prior to the trial.

(6) Any Noble of the Temple is permitted to attend the trial; however, notice of the trial date to the Temple membership is not required. The deliberations of the committee upon guilt or innocence and fixing of punishment are secret. All deliberations must be in person and in the presence of each member of the Trial Committee.

(7) The Trial Committee hears the evidence adduced on behalf of the Temple and the accused Noble, and shall conduct the trial in an informal manner not being bound by the technical rules of evidence except for those relating to privileged communications. The Trial Committee hears the arguments of counsel, including appropriate arguments regarding punishment in the event guilt may be found, and then proceeds with its deliberations, and ascertains the guilt or innocence of the accused Noble. If the committee finds the accused Noble guilty, it shall fix the punishment, which may be either reprimand, expulsion, suspension for an indefinite period, or suspension for a definite period.

(8) A majority vote of the committee upon the question of guilt and upon the fixing of

punishment shall be required. The report of the Trial Committee must be signed by those voting with the majority. The report is then immediately sealed to be opened by the Potentate at the next stated meeting.

(9) At the next stated meeting of the Temple after the trial, the report shall be unsealed by the Potentate and read to the Temple. This reading of the report is the pronouncement of judgment. The judgment dates from the time of the pronouncement of judgment by the Potentate, and from that date is final, unless the same is reversed or modified on an appeal therefrom to the Imperial Council. Any Noble revealing the contents of the report before the pronouncement of the judgment is subject to discipline.

(c) Appeal

(1) Either the Temple or the accused Noble has the right within thirty days to appeal to the Imperial Council from any judgment rendered.

(2) The complaining Noble has the right within thirty days to appeal to the Imperial Council from the decision of the Grievance Committee finding no probable cause.

NOBLE LAKE: Imperial Sir, if there are no questions or comments on this report, I recommend that you now call on Illustrious Sir Gordon H. Harris for an appropriate motion.

IMPERIAL POTENTATE BRACEWELL: The Chair recognizes Illustrious Sir Gordon Harris.

ILLUSTRIOUS SIR GORDON HARRIS [Bahia Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: I am pleased to inform you that the proponents of items 11 and 12 have consented to the substitution of the proposal presented to you.

As a consequence, I would move for the adoption of this substitute proposal and I also understand that Judge Lamdin will second the motion and request the privilege to be first to discuss it.

Again, I move the adoption of the substitution.

. . . The motion was then seconded by Illustrious Sir Lamdin . . .

IMPERIAL POTENTATE BRACEWELL: The Chair will recognize Sewell Lamdin for the purpose of discussion.

ILLUSTRIOUS SIR SEWELL LAMDIN: We have all gotten together concerning this issue and we hope it will solve many, many of the problems. That is all I care to say, Imperial Sir.

IMPERIAL POTENTATE BRACEWELL: The Chair again recognizes Illustrious Sir Harris.

ILLUSTRIOUS SIR HARRIS: Imperial Sir, Imperial Sirs and Fellow Representatives, I want to just add a few things that I think were important and I also had a couple of questions that were presented to me.

As you heard, the report really does not do anything but codify what the procedures ought to be under Article 30 and it states the purpose of fair play and substantial justice.

I personally do not believe that there is anything contained in this amendment that could in any way conflict with any Shriners sense of fair play and justice.

Now, I would point out two things to you just in case there is any confusion on it.

The first of these is on the second page. You will notice that "Trial Panel" and "Trial Committee" have been separated in the definition. They are still a part of the same body.

The Trial Panel is the original body. That will be reduced by each individual striking two members, down to five, which is a Trial Committee. It is not a separate committee. The Trial Committee is part of the Trial Panel. You will also notice the definition of "impartial" and the only way that can be corrected is by us, by a vote here and this will prevent some of the things that are probably already happening and that is that there is a trial and a lot of problems and a lot of pain and a lot of hurt and we simply send it back.

However, the whole objective is to ensure the Potentates, when they make their appointments, that they make them from impartial people so that it can be properly applied. There are many people in this room that have been hurt by the fact that impartial people were not put on the Trial Panel and so I would urge you, with all my sincerity and all my heart, to please vote for this proposition.

I am absolutely and totally convinced that what you have before you now is better than what I initially proposed, better than what Sewell Lamdin proposed in items 11 and 12 and better than what we have at the present time.

IMPERIAL POTENTATE BRACEWELL: Thank you, Illustrious Sir.

Is there further discussion?

. . . The question was called for . . .

IMPERIAL POTENTATE BRACEWELL: The question has been called for.

All in favor please say aye; opposed. The motion has carried by the necessary two-thirds majority as indicated by our Bylaws.

Now, let me say that at this time I want to take a personal point of privilege to thank the Special Committee which we had the pleasure of appointing to work out this problem. This proves that when you get good men and good Brethren and Nobles working together, there is nothing we cannot handle and so I do want the record to reflect that this body, particularly myself as Imperial Potentate, thanks and congratulates that Special Committee and the two proponents that worked so diligently to bring this to a satisfactory conclusion.

Now, I have another matter that I would like to bring to your attention for the record. I have in my hand a copy of a page from the Constitution of the Grand Lodge of Maryland. It is Article 18, "Recognition of Masonic Bodies."

Item 5, under Section 1 now includes the Imperial Council of the Shrine of North America. In other words, the Grand Lodge of Maryland now recognizes the Shrine as a Masonic body and we thank the Grand Lodge of Maryland so very, very much. (Applause)

The Chair now recognizes Walter Pettit.

NOBLE WALTER PETTIT: Imperial Sir, Imperial Sirs, Worshipful Grand Masters and Representatives: I have a letter of withdrawal concerning item 8 in the Call and I would like to read it to you, and it reads as follows:

"To the Representatives of the Imperial Council: I hereby request the permission of this Imperial Council Session to withdraw item 8 on the Call for the Annual Session of 1985."

That is signed by Illustrious Sir Howard Twyford, Potentate and a Representative of Rajah Temple.

Now, Imperial Sir, the request to withdraw requires unanimous consent of the Representatives. Therefore, I would recommend that you ask the Representatives whether or not they wish to give their unanimous consent to the withdrawal and, if so, I would move that the Jurisprudence and Laws Committee and any other committee to which this proposal has been referred be discharged from further report.

IMPERIAL POTENTATE BRACEWELL: Now, as I understand it and as indicated by Walt Pettit, this is a motion to withdraw and so, at this time, I will put the vote before you.

All in favor of withdrawing this item from the Call kindly say aye; opposed. It is unanimous and the item is therefore declared to be withdrawn.

I will next recognize Illustrious Sir J. M. Tingle of the Jurisprudence and Laws Committee.

ILLUSTRIOUS SIR TINGLE [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws, Item Number 9 on the Call of the Annual Session of 1985, located on page 19 of the Call. It is a proposal to amend subsection (a) of Section 325.2 of Article 25 of the Bylaws of the Imperial Council, an Iowa Corporation, so that it will read as follows:

ARTICLE 25

Officers, Their Election or Appointment

Section 325.2 Election.

(a) The first seven officers shall be elected annually, in the order in which they appear in Section 325.1(a), by ballot and constitute the official Divan. Candidates for elective office in a Temple must be members in good standing of that Temple, and shall not have been convicted of a felony or of any offense involving moral turpitude, unless pardoned by the appropriate state or federal authority.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Article of Incorporation or Bylaws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE AND
LAWS
Walter Pettit, Chairman
Robert E. Cooper

Theodore Corsones
Robert C. Lake
Gerald L. Davis

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Sir Howard Twyford for an appropriate motion.

IMPERIAL POTENTATE BRACEWELL: The Chair now recognizes Illustrious Sir Howard Twyford.

ILLUSTRIOUS SIR HOWARD TWYFORD: Imperial Sir, I move that this piece of legislation be adopted.

IMPERIAL POTENTATE BRACEWELL: You have heard the motion, do I hear a second?

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE BRACEWELL: The motion has been made and seconded, is there discussion?

ILLUSTRIOUS SIR HOWARD TWYFORD: Imperial Sir, Imperial Sirs and Representatives: I would like to explain some of the reasons why I introduced this piece of legislation.

In the Bylaws of the Imperial Council it provides that a man who has committed a felony must be removed from office. Now, this can happen in the latter part of the year and with elections generally being held in January, this man, even though he has been removed, can run for office, any one of the offices before being taken out. I present this to you to eliminate that.

For example, we have a man in our Temple who committed a felony, had served time in the federal penitentiary and came out and then was able to run for office.

Now, some people have asked me as to whether or not this was a personal matter and let me state that this is not a personal matter, this is also to protect you, the Temples of North America because I do not believe that I have ever been to an Imperial Session where the Grievance Committee has run into this the way they did this year. So it is a piece of legislation that I feel needs to be passed.

You know, when something like this happens, there is publicity you receive in your Temple or in your town on the radio, in the newspapers and it is going to hurt. It also divides your Temple.

For example, we have a Temple today, in which, because of this particular situation, there are Units that will not participate because they are backing the other side. We have also lost membership from it. We have been down on our circus, down on our funds that go to the hospitals.

So I urge you to think very hard about this piece of legislation and I hope you see fit to pass it in order to protect all of us in the years ahead.

I hope, in this respect, I never have to go through what we have already gone through in relation to our Temple and I know there are also others who agree with me.

I have talked to people from all over the nation who have called in reference to this piece of legislation and so I would only say that I sure hope you see fit to vote for it.

IMPERIAL POTENTATE BRACEWELL: Thank you.

The Chair now recognizes Illustrious Sir Ted Corsones.

ILLUSTRIOUS SIR TED CORSONES: Imperial Sir, Imperial Sirs, Illustrious Sirs, My Fellow Representatives: I speak in opposition to this proposal and I would first like to say that Howard and I have discussed this probably on a daily basis and neither one of us has been disagreeable. We disagree but our discussions have been very cordial and agreeable.

Let me give you the reasons as to why and I think there is validity to the ultimate results that I will suggest to you.

First of all, let us look at item 9 because what it does is it creates two classes of membership in our Temples. For the first time in our existence we would have two classes of Nobles—those Nobles that could run for office and those Nobles that could not run for office. That is, you could have Nobles in your Temple who have made a mistake somewhere along the line and have paid their debt but you still think they are good Nobles. So you would be telling these Nobles, "All right, Noble, you can work on the paper sale, you can

work your tail off on other projects but you cannot be Outer Guard of our Temple. You can work yourself to death transporting children to our twenty-two hospitals but you can never be Marshal of the Temple. You can work raising money to try to increase membership but in no way can you hold office in our Temple."

I would submit to you, Nobles, do not ever do this to Shrinedom, do not create two classes of citizenship in our Temples, an elitist and a worker group.

Also, if I may be permitted to do so, I would like to make a couple more points.

First of all, what is a felony or a crime involving moral turpitude—do any of you really know? Well, let me say this. Every state in the fifty states has a different interpretation. I even submit that the Provinces of Canada may have different interpretations, as well as Mexico.

Now, let me give you some examples of what could be a crime involving moral turpitude within our several states.

For instance, in some states, if you are convicted of drunken driving under certain circumstances, that is a crime involving moral turpitude and so you would forever be barred from holding office. In other situations you may have a case where there is a paternity dispute between a father and mother and the father thinks he is right and he takes his children because they have had a bitter separation or divorce, takes his children and goes to another state. Now, Nobles, in some states and federal jurisdictions, that is a felony.

In other states, it involves migratory birds. For example, in some states, if you are out hunting and you shoot a bird, under certain circumstances, without your knowledge, you may be involved in a violation of some migratory bird law and this also can be a felony.

Also, in some states, if you are writing a check, and many of you will be doing this at the end of this week, and you have the check returned to you because there are insufficient funds in your account, that can also be a crime involving moral turpitude.

These are some of the examples. Now, also let me tell you about some of the problems involved in addition to this.

Let us say that I want to nominate so and so for office but then I think, well, somewhere about ten or fifteen or twenty years ago, he did something wrong. Maybe he was just a young man in the DeMolay then but he did something there. Well, the Potentate, in order to be fair, then has to stop the election, appoint an investigating committee, run a record check on the person in order to find out if this Noble, who is presently in good standing, has done something wrong.

Now, in Howard's case, he truly had a problem and my heart goes out to him because that poor fellow, in relation to what he has been through during the past year, nobody should have to go through it. I submit, on the other hand, it is a local situation but I do not think we should have to pass legislation to govern all of North America.

Do you know what happened in Howard's Temple? Well, they resolved their problem. Do you know how they resolved it? Howard stood up in front of his Temple and ran for Potentate of his Temple and this fellow that we are alluding to ran against Howard and Howard whipped him and that solved it. It was solved by the ballot box and that is where it should be solved.

For those reasons, Imperial Sir, I do not think we should create this legislation. Thank you. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you, Ted.

I would like to have an opponent and then a proponent. We just heard from an opponent of the legislation. Is there anybody who would like to speak in favor of the legislation at this time?

NOBLE EDWARD MORENTE [Potentate, Nur Temple]: Imperial Sir, Imperial Sirs and Representatives: You know, the Noble who just spoke is far more familiar with the law than I ever hope to be. However, I am in favor of Howard's proposal and I urge you, my fellow Representatives, to vote that way.

Also, I would like to ask you—do we need two classes of Shrine Masons—should there be two classes?

I would also like to remind you of the fact that I am sure that most of us have a skeleton or two in our closet. Life sometimes is not fair to any of us but it must go on. Thank you, Imperial Sir.

IMPERIAL POTENTATE BRACEWELL: Thank you, and the Chair now recognizes Illustrious Sir Mahlon Hessey, who will speak in opposition to the proposed legislation.

ILLUSTRIOUS SIR MAHLON HESSEY: Thank you very much, Imperial Sir.

I think that Ted Corsones spoke so eloquently on the subject matter that there is very little I can add and I will simply say that I support Ted Corsones in opposition to this and urge you to vote against it. Thank you.

IMPERIAL POTENTATE BRACEWELL: Thank you, Mahlon.

. . . The question was severally called for . . .

IMPERIAL POTENTATE BRACEWELL: The question has been called for.

All in favor of the passage of this legislation please say aye; opposed no. I will declare that the legislation failed because it did not receive the necessary two-thirds affirmative vote as provided by our Bylaws.

At this time I would like to call on Imperial Sir Jack Jones for a report concerning Shrine Rooms East and Shrine Rooms West.

IMPERIAL SIR JONES: Imperial Sir, a report of the Shrine Rooms East and a report of the Shrine Rooms West Committees have been received.

I would move you, Imperial Sir, that you ask this Imperial Council Session to grant you permission to print these reports in the Proceedings of this Session rather than to read them at this time.

SHRINE ROOMS WEST COMMITTEE

The Museum is maintained in good condition and the exhibits are identified for viewing. We attempt to personally conduct our visitors through the Museum. Usually there are two or three of the Museum Committee on hand to greet our visitors. We keep the Museum open 5 days a week from 9:30 a.m. to 4:00 p.m. and we attend on Saturdays and Sundays by appointment for groups of 25 or more.

We have added four new display cases and some additional shelving. The shelving is around the perimeter of our East Room to display jeweled fezzes donated by the Nobility.

Our new map of North America indicates by lights, the 185 Temples, the three Burns Institutes, the 19 Orthopaedic Hospitals and the three Spinal Care Units.

Our Model Train has been updated by renewing the scenery and by adding better mobile equipment. This exhibit is very popular, especially by the children from the hospital, and members of the Shrine who have hobbies.

We have added an exhibit of pictures and artifacts donated by the members of the Radio and Television Artists, such as Tom Mix, Roy Rogers, Jimmy Wakely and others.

We appreciate the support and encouragement of the Imperial Officers. We appreciate the privilege of serving on this committee and we believe we are performing a good service for Shrinedom.

Respectfully submitted

Thomas A. Davis, Chairman

REPORT OF THE SHRINE ROOMS EAST COMMITTEE

Atlanta, Georgia, July 1985

To the Imperial Potentate, Imperial Divan and Imperial Representatives to the 111th Imperial Council Session, A.A.O.N.M.S.

Your Committee is honored and pleased to submit its report on the administration of the Shrine Rooms East, located in the George Washington Masonic National Memorial for the year June 1, 1984, through May 31, 1985.

The Committee met twice during the year, October 22, 1984, and May 6, 1985. Both meetings were held in the Board Room of the Memorial. Both meetings were well attended, all business was properly discussed and appropriate action taken. Items notable of reporting are as follows:

A complete inventory of items both on display and in storage along with his annual report

was forwarded to Shrine Headquarters by Chief Custodian Frank L. Dority on June 1, 1985. All displays and memorabilia are in excellent condition with several exceptions as herein detailed.

The air conditioning system is semi-annually checked by our maintenance contractor and reported in excellent condition. The mechanical parade and topographic maps are regularly checked and minor repairs made by a member of Kena Temple who has been doing this for several years at no expense to the Shrine.

As noted in the Committee's report last year, there was no space left on the west wall of the Imperial Room where the Portraits of Past Imperial Potentates are displayed. Identical indirect lighting and furnishings have now been installed on the east wall and Portraits commencing with the Imperial Potentate of 1982-83 will be shown in the new area.

Since the Shrine Rooms were opened some forty years ago, we have never been able to obtain a picture of the first Imperial Treasurer, Aaron L. Northrop. The frame was there along with the portraits of the other Past Imperial Treasurers. In the frame was a card asking help in locating a picture. It is said all good things come to those who wait. Earlier this year Brother John J. Levulis of New York visited the Rooms and the absence of a portrait aroused his interest. Shortly thereafter a letter was received from Brother Levulis along with a photostate which was part of an obituary article on Imperial Sir Northrop. These articles were found in the Scottish Rite-Masonic Museum of our National Heritage in Lexington, Massachusetts. Copies of all have been forwarded to Shrine Headquarters. We are greatly indebted to Brother Levulis and letters of appreciation have been sent to him. The portraits of the first several Past Imperial Treasurers appear to be charcoal drawings. We will endeavor to likewise produce the picture of Imperial Sir Northrop.

A total of 46,723 people signed the Visitor Register during the period of this report. This is an increase of five percent over the 1983-84 period, which was a ten percent increase over the 1982-83 period. We are encouraged by this gain and hope it will continue.

Expenditures, now reported on a calendar year basis, were \$39,091 for 1984 which was \$5,909 under budget. The only annual expense anticipated through the year 1986 is herewith detailed.

The dioramas of the Orthopedic Hospitals are in bad shape. All are old and some are outdated. Several of the facilities they portray have been replaced and others remodeled. As this update program continues this entire display area will likewise need to be updated.

The slide projector in the Hospital Room continues to be bothersome. This unit shows the crippled and burned story to the visitor. It is in use seven days a week and constantly requires repair. Consideration is being given to a more modern type of equipment.

Last year it was reported that the outside of the George Washington Memorial was then being professionally cleaned. This was the first time such a project had been undertaken since the Memorial was dedicated in 1932. This work was finished last fall followed by the cleaning of the huge bronze entrance doors. The entire appearance of the building has been greatly enhanced.

Quite sometime back, Most Worshipful Marvin E. Fowler, Secretary-Treasurer of the George Washington Masonic National Memorial Association and Administrator of the Memorial, expressed to the Association his intent to retire. He had held those positions for 22 years. At the meeting of the Association held this past February in Myrtle Beach, South Carolina, his request was honored. Noble Fowler is a long time member of Almas Temple and was Grand Master of Masons in the District of Columbia in 1950. He will maintain an office in the Memorial to carry on the duties of his other high offices in Masonic related Bodies. The Shrine Rooms East Committee has conveyed to Brother Fowler its sincere appreciation for the genuine cooperation given over the years. Right Worshipful Edward J. Gondella, a Past Master of Alexandria-Washington Lodge and a member of Kena Temple, was elected to succeed Brother Fowler.

It is also noted that at the aforementioned meeting, Most Worshipful Charles R. Glassmire was elected President of the George Washington Masonic National Memorial Association to succeed Most Worshipful Stanley F. Maxwell. Illustrious Sir Glassmire is a Past Potentate of Kora Temple, Lewiston, Maine.

The Committee and the Staff of the Shrine Rooms East were saddened by the death of Past Imperial Potentate George E. Stringfellow on March 27, 1985. Imperial Sir Stringfellow

served as Chairman of the Committee in 1972-73 and had attended many meetings of the Committee in subsequent years. We feel a great loss in his passing.

We the Committee conclude this report by once again proclaiming the Shrine Rooms East to be Shrinedom's Greatest Showplace, by commending the staff on the pleasing and efficient manner they present the displays to the public and by conveying to the Imperial Potentate our sincere appreciation for permitting us to serve on this committee.

Respectfully submitted,

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: You have heard the motion and the second. Is there discussion?

NOBLE W. C. VAUGHAN [Kazim Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: I support not reading these particular reports but I would like to have a matter of personal privilege for just one minute after your vote.

IMPERIAL POTENTATE BRACEWELL: Just a moment, I did not understand.

NOBLE VAUGHAN: I support not having these read at this time but I would just like to have a point of personal privilege to say something about our Shrine Rooms after the vote has been taken.

IMPERIAL POTENTATE BRACEWELL: Fine, thank you, sir.

You have before you the motion made and seconded.

All in favor please say aye; opposed. It is carried.

NOBLE VAUGHAN: Imperial Sir, Most Worshipful Grand Masters and Fellow Representatives: I rise to invite each of you, if you have not done so, to visit Shrine Rooms East in the George Washington National Memorial at Washington.

You know, in Washington, Philadelphia, New York, Williamsburg and Fredericksburg we have so much heritage concerning Masonry that we should appreciate and be able to tell those who are members of the Craft and who are not, how great Masonry has been in this great country of ours.

I would like to say to you that in the Temple in Philadelphia, in the archives in New York and particularly in the George Washington National Memorial and at Williamsburg and Fredericksburg, we have a Masonic heritage display that we all should appreciate and cherish—that we have treasures in relation to Masonry in our George Washington National Memorial and in other places to which it would be good to bring Masons to view them and see them.

I think that Masonry has meant so much to this nation. Now, we all just celebrated the Fourth of July and we all know, I am sure, how that came about.

Thank you very much.

IMPERIAL POTENTATE BRACEWELL: Thank you, Illustrious Sir Bill Vaughan.

At this time, the Chair would recognize Imperial Potentate-Elect, Walker S. Kisselburgh, for the report of the Time and Place Committee.

IMPERIAL SIR KISSELBURGH: Thank you, Imperial Sir Gene Bracewell.

I would like to ask the Potentate of Al Malaikah Temple, Tom Boles, to please come to the podium so that he can give you a report.

While he is coming up here, I might say that this is the gentleman that lost his voice and I am sure that all of you will give him a good ovation for the way he ran the Pageant and all of the other things he did.

I would like to present to you and also, with the permission of our Imperial Potentate Gene Bracewell, I would like to place on his head the Director General's Fez for the 1986 Session to be held in Los Angeles and I am going to have him tell you all about it.

However, before recognizing him, I would just like to invite every one of you and all of your Temples to come to Los Angeles. It is a great place and we will certainly show you a real fine time.

... Presentation of Director General's Fez to Illustrious Sir Boles and applause ensued

ILLUSTRIOUS SIR TOM BOLES: Thank you.

Imperial Sir, Imperial Sirs, Illustrious Sirs, Distinguished Visitors, Most Worshipful and Right Worshipful Grand Masters and Everyone: First let me say that I am happy to have my voice back and, really, that was a ploy, I want you to know that. I had just opened a new hearing aid company and I just wanted to say to all of you that I really was speaking normally but you just did not hear me. Therefore, if you need a hearing aid, call Los Angeles. (Laughter)

However, Imperial Sir, I do appreciate the opportunity to be here and to also let you know that having your suit worn at two different Pageants is truly memorable. (Laughter) Also, I am glad that Walker Kisselburgh had two voices speaking not only for his nomination but for his Pageant.

However, at this point, I would like to extend to you a real cordial and warm invitation to come to Los Angeles next year. We are planning a fantastic Imperial Session.

As of now, we are privileged to have a lot of facilities to provide to you, not only in relation to housing, but I also promise you good transportation. That is one question mark that has bothered, I am sure, a lot of you. However, I can assure you that the transportation from your hotel to the convention center will be provided and also to the marketplace.

Also, it is normally beautiful weather at this time of the year. Also, if you want to see something spectacular, and I know that you had a lovely evening "in the South," let me assure you that you are going to have perhaps a more lovely evening in Southern California.

Therefore, you all come and we are not kidding this time. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you, Tom.

Let me say to you, Imperial Sir Walker, that I will assure you that I am looking forward to being in attendance at Los Angeles, at which time I will enjoy witnessing your leaving office. (Laughter)

At this time the Chair would recognize the Deputy Imperial Potentate-Elect, Dr. Russell Anthony.

IMPERIAL SIR ANTHONY: Thank you, Imperial Sir Gene.

At this time I would like to call to the podium, if I might, Past Potentate Richard B. Land of Zelzah who will give you a short message regarding the convention that will be held in Las Vegas, Nevada, in 1987.

NOBLE RICHARD LAND [Zelzah Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles All: Imperial Sir Dr. Russell Anthony has chosen Las Vegas as the site for the 1987 Imperial Session.

The Las Vegas Hilton Hotel, which has some 3,100 rooms, will be our headquarters hotel for that Imperial Session.

Bruce Philips, who is the National Sales Director for the Las Vegas Hilton, will be our Housing Chairman.

Las Vegas, as you all know, has some of the finest convention facilities in the country. There are some 35,000 first-class hotel rooms and this does not even count the motels in the area, all of them within three miles of the convention center.

To date, we have committed 21,690 rooms for the 1987 Session and so that will let you know that it should be a banner year for Shrinedom.

We anticipate our average room cost in 1987 to be between \$55 and \$75 per night. Our hotels offer the finest of buffet and gourmet restaurants and the best named entertainers and extravaganzas found anywhere in the world.

Also, major conventions report that business meetings held in Las Vegas are the best attended of any location throughout the nation.

In addition to all of the excitement of Las Vegas, we plan, of course, to have the two usual

parades. The day parade, however, will be held inside of our 600,000 square foot convention center, also air conditioned. The mileage concerning this parade will be one and three-quarter miles.

The night parade will be held in the downtown Las Vegas area. Unit competition will also be inside the air conditioned convention center.

Zelzah Temple at Las Vegas looks forward to hosting the Imperial Session in 1987 and invites you all to come and join the fun. Thank you.

IMPERIAL POTENTATE BRACEWELL: Thank you, Illustrious Sir.

At this time the Chair will recognize Imperial Chief Rabban-Elect, Imperial Sir Voris King.

IMPERIAL SIR KING: Imperial Sir, Imperial Sirs, Illustrious Sir, Grand Masters, Representatives and Nobles All: The 1988 Session will be held in New Orleans and the Director General will be Past Potentate Joe Vita and, at this time, I would like to ask him to say a word or two about the greatest city in America, New Orleans.

ILLUSTRIOUS SIR G. J. VITA [Jerusalem Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Grand Masters, Representatives and Nobles: I was requested to introduce myself to you so that you may know me better and that I may get to know you better later.

My name is Geralto J. Vita but they call me "Joe."

First of all, Nobles, I bring you a welcome from the beautiful City of New Orleans in the wonderful State of Louisiana. Most of you know that we just went through a wonderful World's Fair in our city. (Laughter). We also had some point shaving in basketball and also have a Governor who is making worldwide news. (Laughter)

However, aside from that, we still have a fun city.

I would like to thank you, Imperial Sir Voris, for selecting our beautiful city and appointing me as Director General. Most of you know we had in New Orleans the convention in 1981 for Imperial Sir H'Doubler and before that we had it in 1910 and so it took seventy-one years to make the second one and now only seven years to make the third one. So we want you to continue to come to New Orleans and we look forward to seeing you.

I will bring you a better message next year in Los Angeles. Thank you very much. (Applause)

As to the dates, they will be from June 28th to July 1st, 1988.

IMPERIAL POTENTATE BRACEWELL: Thank you, Joe.

At this point I would like to recognize Imperial Assistant Rabban-Elect, Imperial Sir Edward G. McMullan, C.D.

IMPERIAL SIR McMULLAN: Thank you.

Imperial Sir, Illustrious Sirs and My Fellow Shrine Masons: Is Charles Emmett in the audience? If so, I would like him to come forward.

The 1989 convention will be held in Toronto, Canada, the Queen City of Canada, and should be in the first week of July.

At this time, Nobles, I would like to present to you Illustrious Sir Charles Emmett, who directed the Imperial Session for Jack M. Streight, Imperial Potentate in 1975, and did an outstanding job at that time and I know that if there are any improvements to be made, Charles will make them.

ILLUSTRIOUS SIR CHARLES EMMETT: Thank you.

Imperial Sir, Imperial Sirs, Distinguished Representatives, Distinguished Grand Masters and Nobles: First of all, Ed, thank you for the invitation and also for the opportunity to serve as your Director General.

The dates for that convention will be July 2-5, 1989, to be held at Toronto, Canada. That will, of course, be the One Hundred Fifteenth Imperial Council Session and Rameses Temple and the City of Toronto are looking forward once again to the fourth time in Shrinedom that we have had the honor and privilege of hosting an Imperial Session.

We thought we had a good show in 1975 and to those who honored us with your presence at that time, may I say that in 1989 we will have over 15,000 rooms in downtown Toronto.

The walking time from the hotel, the main hotel, to the convention center, will be three minutes. Plans are well underway at this time and we will have more to say to you next year. However, please remember those dates. Thank you very much. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you, Illustrious Sir Emmett.

At this time, the Chair would recognize our Imperial High Priest and Prophet-Elect, Imperial Sir George W. Powell.

IMPERIAL SIR POWELL: Good morning, again.

Nineteen-ninety is the year—Chicago is the city, and our good friend, Earl Brown will be the Director General. I would like to have you welcome him here this morning.

ILLUSTRIOUS SIR EARL BROWN: It is with pleasure that I, in behalf of the membership of Medinah Temple, extend an invitation to you to hold the 1990 Imperial Council Session in the great City of Chicago.

Chicago has had the honor of hosting ten Imperial Sessions and the last time you were with us was in 1968. This 1990 convention will be the One Hundred Sixteenth Annual Meeting of the A.A.O.N.M.S. and it would be our pleasure to welcome you for that Session from July 2 to July 6.

Chicago is a world class city and in hopes of your approval, we have blocked 13,000 first-class hotel rooms in the downtown area.

Chicago is served by the nation's busiest airport and offers entertainment, cultural attractions and is referred to as a shoppers paradise. Chicago is our kind of town and invites you to share the excitement, friendship and the hospitality of our city.

Chicago, our kind of town, wants to also make Chicago your kind of town.

Supporting our invitation are letters from the Mayor, the Chicago Convention Bureau and the Governor of the great State of Illinois, in which they express their desire to be your host and ask that you accept Chicago as your meeting place in the year 1990. These letters are your assurance of the fullest cooperation by all public officials.

Evidence of our Temple's desire and willingness to hold this Session is apparent in the following resolution which was passed unanimously on January 25, 1985, at the same meeting that I was authorized, as a Representative, to present this invitation to you today.

The resolution is as follows:

"WHEREAS, the present Imperial Sir of Crescent Temple, Trenton, New Jersey, currently Imperial Oriental Guide, George W. Powell has requested that Medinah Temple consider having the 1990 Imperial Convention, and

"WHEREAS, the Imperial Council will soon be considering invitations and locations for the holding of the 1990 Imperial Council Session, and

"WHEREAS, it is in the interest of Medinah Temple and all of the Temples to hold this session in a central location of the United States to honor this great American, and

"WHEREAS, to make this Session a successful and memorable occasion, Chicago would be the most logical location to hold this Session for the following reasons:

"(1) Accessibility to all Shrinedom. Chicago is the number one city for all types of transportation - air, bus, train and automobile.

"(2) The outstanding convention facilities. We are the convention capital of the world.

"(3) We possess a more than adequate supply of deluxe accommodations in the heart of the business area.

"(4) Knowledge based on past experience of how to deal with a Session of this magnitude.

"(5) The interest and cooperation of all local and state government and administrative bodies.

"(6) Recreation and entertainment establishments of every description.

"NOW, THEREFORE, BE IT RESOLVED, that we, Medinah Temple, hereby authorize our Representatives to extend to Imperial Sir George W. Powell and to the Imperial Council, an invitation to hold its One Hundred Sixteenth Imperial Council Session in the City of Chicago, Illinois, United States of America, on the dates of July 2 through 6, 1990."

IMPERIAL POTENTATE BRACEWELL: Imperial Sir George, would you like to move adoption of this?

IMPERIAL SIR POWELL: Yes, Imperial Sir, I would so move adoption.

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: Is there discussion?

If not, all in favor of this invitation please indicate by saying aye; opposed. It is unanimously carried.

... Business was transacted in the Colorado Corporation at this time ...

Alton L. White

ILLUSTRIOUS SIR STREIGHT: Imperial Sir, I would like to move the adoption of this report.

. . . The motion was duly seconded . . .

IMPERIAL SIR KISSELBURGH: I would like to have the pleasure of wielding the gavel on this one, if I may.

Is there any discussion?

All those in favor say aye; are there any opposed? It passes unanimously. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you very much.

I would again like to say to Judge Wofford, who has been the Parliamentarian for this Session, how much we appreciate your efforts, Judge, and thank you so much for your very timely rulings. I would like you to give the Judge a hand. (Applause)

The Chair now recognizes Walt Pettit.

NOBLE WALTER PETTIT: Imperial Sir, Imperial Sirs and Representatives: I think I speak for you Representatives of the One Hundred Eleventh Annual Session of the Imperial Council when I extend to Imperial Sir Gene Bracewell your congratulations and mine for a

job of wielding the gavel and handling the Chair in an exceptional manner. Would you join with me in extending him your appreciation.

... Rising applause ensued ...

NOBLE WALTER PETTIT: Also, Nobles, we have all heard that some of us do not have it and some of us have it in different ways and Walker and Gene have it in the usual way, which we all appreciate. (Laughter)

I also want to congratulate you, the Representatives of this Imperial Session, for the manner in which you have conducted the business of the greatest Fraternal organization in the world. You have done it with a Fraternal attitude and, of course, the affairs of this great Fraternity are things that are sacred to us and let me say that I have never seen, in the twelve years that I have been associated with the Imperial Council, it done in a better way.

I think it is appropriate for you to extend to you and to each other and your other Brothers at this Session a round of applause and I applaud each of you. (Applause)

Next, I would like to take an opportunity to thank the members of the Jurisprudence and Laws Committee in your name, Nobles, for a job well done and, in addition, which I believe to be appropriate for your lawyers, and that is what they are, they have accomplished their task with hard work, in an unassuming manner and most efficiently. They have worked in your vineyard for a solid week now and I am telling you that they have been meeting sometimes four times a day with one or more committees and sometimes day and night and have done, in my view, an outstanding job.

To Bob Cooper, Chief Justice of the Supreme Court of the State of Tennessee and Senator Bob Lake, the members of the Jurisprudence and Laws Committee vote a special thanks for their work on the Special Committee concerning Article 30. I can assure you, Representatives, that the matters concerning Article 30 would not and could not have been accomplished without the work of this Special Committee and we owe them for their time and for the measures accomplished for our Fraternity, a round of grateful appreciation. (Applause)

I can also tell you that the Special Committee's work did not happen during the week while we were here. That committee worked for many weeks in advance interviewing people, getting input in relation to which they could do your job at this Session.

Also to Gerald Davis of Tadmor Temple; Bud Tingle of Zamora Temple and Ken Siegfried of Zuhrah Temple and, of course, General Counsel, Ted Corsones and members of the Standing Committee, my appreciation and yours, I am sure and especially a vote of appreciation to our two Emeritus Members who worked with us so well and who are our mentors and those Emeritus Members are Bob Turley and Ed Maag. Will you Representatives join with me in extending to our committee and your lawyers, your appreciation for a job well done. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you very much, Walt. I would certainly echo your comments.

Nobles, if you will give us your attention, we will try to proceed here quickly. This Session is really winding down fast but we still have a few matters of business to handle.

At this point, I will recognize Past Potentate Kenneth R. Barron of Sharon Temple.

NOBLE KENNETH R. BARRON [Past Potentate, Sharon Temple]: Imperial Sir, Imperial Sirs and Representatives: For the record, and to keep everything in proper order, I have my report, in due and proper form, as I did last year. It is entitled "Imperial '85" and it is as follows:

When we left home, we were set to roam,
We headed for the Land of Cotton,
But the plane was late, so we had to wait,
In Atlanta, all problems forgotten.
For the next couple of days, we were in quite a haze,
We drank on Pittypat's Porch,
Game words like "Honey, y'all spend lots of money,
"Cash, but no checks, of course."
Our opening gavel was sounded by Gene,
Eight hundred-plus Delegates yawned,

Got through the day, then the Jesters made hay,
 Red-eyed, we returned with the dawn.
 Then came the Great Pageant, "You've got to be kidding,"
 To hold it on Independence Day,
 When even the M.C., try as he might,
 Actually had nothing to say.
 Al Malaikah Temple, Units upon Units,
 Certainly did not bore us,
 With its own police force, Million Dollar Band,
 And even its two-bit chorus.
 Our Chief Fruit Fly was properly installed,
 And gifts presented from all,
 Trayed by Canada, Leied by Hawaii,
 A swagger stick given by his own.
 The awaited vote followed for Imperial Guard,
 Three Nobles sought our vote,
 The B's were the winners, Bailey's the Man,
 But Oakes and VerMaas sure ran hard.
 Gene and Walker, Bracewell and Kisselburgh,
 Have really given us a show,
 Will it now end or is this their second wind,
 As "On the Road Again" they go?
 "Trust me for Trustee," said H'Doubler,
 Ditto Hessey and Olfene,
 We played musical chairs, the Doctor lost out,
 The other two stayed on the scene.
 We changed up some lines, and this is just fine,
 Until the Nobles and Ladies go home,
 When they get there, it just isn't fair,
 To find that their Temple is gone.
 We read in the paper, the headlines declared,
 "Brain cells transplanted in monkeys,"
 We'll sign them up, solve membership woes,
 Why not apes, we have donkeys.
 Money - money - millions for the kids,
 We talked about it often,
 We paid ourselves less, but we'll travel, I guess,
 If we have to come in our coffin.

... Applause ensued ...

IMPERIAL POTENTATE BRACEWELL: Thank you very much.

I will now recognize our Imperial Recorder, Jack Jones, to present the next two or three business items.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL SIR JONES: Imperial Sir, I would move that all acts and transactions of those who have acted as Officers and Directors of the Iowa Corporation for the past year and those taken at this Session be ratified and approved.

IMPERIAL POTENTATE BRACEWELL: You have heard the motion, is there a second?

... The motion was duly seconded, was voted upon and declared to be carried ...

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE BRACEWELL: Representatives and Nobles, I believe we are now ready to proceed with the Installation of Officers for the ensuing year. However, before relinquishing the gavel for that order of business, I would like to again thank everyone in attendance at this Session for being so attentive, for exhibiting a spirit of cooperation and certainly for all the support you have given to us during the past year and particularly here at this One Hundred Eleventh Session of the Imperial Council.

Imperial Sir Robert Turley will be the Installing Officer and Imperial Sir Jack Streight will be the Installing Marshal.

I will now recognize Imperial Sir Bob Turley.

IMPERIAL SIR ROBERT TURLEY: Imperial Sir, first of all let me say that I appreciate the honor and opportunity to serve in this capacity.

At this time I will call on the Installing Marshall, Imperial Sir Jack Streight, to place the Officers in position for the Oath of Office.

... Placing of Officers in their proper position ensued at this point ...

PAST IMPERIAL POTENTATE JACK STREIGHT: The Officers are at their stations ready to be installed.

IMPERIAL SIR ROBERT TURLEY: The Officers have been placed in their respective stations and I am going to ask each of you to raise your right hand, say "aye" and repeat after me.

... The Officers, in unison, then repeated their Oath of Obligation ...

IMPERIAL SIR TURLEY: And now to you, Imperial Potentate-Elect, you have to give me answers for the following vows that I will present to you.

... Whereupon, Imperial Sir Kisselburgh repeated his answers to the vow as presented by Imperial Sir Turley ...

IMPERIAL SIR TURLEY: You are now all duly installed into your respective offices and I would ask the Installing Marshal to make the proclamation.

... Whereupon, Past Imperial Potentate Jack Streight, as Installing Marshal, proclaimed all of the Officers duly and legally installed into their respective offices for the ensuing year ...

IMPERIAL SIR ROBERT TURLEY: And now, I will recognize Illustrious Sir Tom Boles, the Potentate of Al Malaikah Temple, who, Imperial Sir, will now present you with your Fez of Office.

... Whereupon, Illustrious Sir Boles placed upon the head of Imperial Potentate Walker Kisselburgh, the Emblem of his Office, the Five-Star Fez ... (Rising applause)

IMPERIAL SIR TURLEY: And now, Imperial Sir, I would like to call on Imperial Sir Gene Bracewell to present you with your Jewel of Office as Imperial Potentate for the Shrine of North America.

PAST IMPERIAL POTENTATE BRACEWELL: Thank you, Illustrious Sir Bob.

Imperial Sir Walker, Imperial Potentate of the Shrine of North America, certainly this is a high honor for me and a personal privilege for me to present to you and invest you with this Jewel signifying that you are the Imperial Potentate of the Shrine of North America. I know you will wear it well and with great pride and at all times adhere to the high standards and values placed in the Shrine of North America.

Also, Walker, thank you for allowing me this pleasure.

... Whereupon, the Imperial Potentate's Jewel of Office was presented to Imperial Potentate Kisselburgh ... (Applause)

IMPERIAL SIR TURLEY: And now, may we please have Bob Bailey come up here.

... Whereupon, Imperial Sir Bailey, at this point, was presented with his Three-Star Fez ... (Rising applause)

IMPERIAL SIR TURLEY: And now, Imperial Sir Walker Kisselburgh, you have properly chosen for yourself the privilege of presenting his Fez to the new Imperial Chaplain.

IMPERIAL POTENTATE KISSELBURGH: I would like to call to the podium Dr. J. Whitcomb Brouger, Jr., who will be the Imperial Chaplain for the next year.

Jim, I am placing on your head this red Fez of the Imperial Chaplain and I know you are going to do a fine job. You are quite well-known over the land and I am sure, as I say, you are going to do a fine job.

... Presentation of Fez to Dr. Brouger and applause ensued ...

DR. J. W. BROUGHER [Imperial Chaplain]: I would like to begin by saying to you all that I will be on your side. I noticed how Gene Bracewell kept saying how fantastic and wonderful things are. They gave him a picture of himself—"fantastic"; they gave him a scrap book—"fantastic." We had a girl come up North from the Deep South. She moved up there for five or six years and then she made a trip back down South and met a friend, who asked her, "What have you done up North?" She replied, "I have been up there, it has been wonderful; I had a boyfriend who took care of everything you can imagine."

The other girl replied, "Fantastic."

The girl from the North replied, "And, I might add, he gave me a new car." Again, the reply, "Fantastic."

"He gave me a fur coat," and again the reply, "Fantastic."

Finally the girl from the North said to her Southern girlfriend, "And what have you been doing since I've been gone?" She replied, "I have been to charm school."

"What did you learn in charm school?"

The Southern girl said, "Well, I have learned to say 'fantastic' instead of B.S." (Laughter)

IMPERIAL SIR TURLEY: I would now recognize Noble Vernon Bracewell, our last year's Imperial Chaplain, to present to our new Imperial Chaplain his Jewel of Office.

NOBLE VERNON BRACEWELL: It is with a great deal of pleasure that I have worn this Jewel during this past year and I think that anyone who wears this Jewel will most certainly be proud of it.

I am very happy, therefore, to pass it on to this good Brother and I am sure he will wear it with pride.

... Presentation of Imperial Chaplain's Jewel to Dr. Brougner and applause ensued ...

IMPERIAL SIR TURLEY: And now, Imperial Sir, to present the Fez and Jewel to the retiring Imperial Chaplain, I would like to have his son, Gene Bracewell, make that presentation.

PAST IMPERIAL POTENTATE BRACEWELL: This is certainly an honor to present this Past Imperial Chaplain's Fez to not only a great dad but a great Chaplain.

... Presentation of Fez and applause ensued ...

PAST IMPERIAL POTENTATE BRACEWELL: I am also, Dad, delighted to have the pleasure of presenting to you your Past Imperial Chaplain's Jewel. I know you will wear it proudly.

... Presentation of Jewel and further applause ensued ...

IMPERIAL SIR TURLEY: Now, I am sure all of you thought that you had seen all of the Bracewells that wore a Fez. However, I have a big surprise for you. There is yet another one and now, to present his Past Imperial Potentate's Fez to Gene, is his son, Noble Rick Bracewell.

NOBLE RICK BRACEWELL: Thank you, Imperial Sir.

Dad, I would like to present you with this Fez on behalf of not only myself but your entire family and to what I feel is one great man in a million.

... Presentation of Fez and applause ensued ...

IMPERIAL SIR TURLEY: And now, to present Imperial Sir Gene Bracewell with his Jewel as Junior Past Imperial Potentate, I will recognize Imperial Sir Everett Evans, who has served throughout this year as Imperial Marshal.

IMPERIAL SIR EVANS: Thank you, Imperial Sir.

First of all, I would like to thank my Temple and the great State of Texas for giving me the opportunity to be here for this great honor. Probably no greater honor has ever come to me than to present this Past Imperial Potentate's Jewel to my great friend and a great Imperial Potentate who, as Imperial Marshal, has been my boss and, Nobles, believe me, we are not going to lose him, we are going to keep him around because he has given so much to the Shrine.

Thank you so much for this honor, Imperial Sir.

... Presentation of Past Imperial Potentate's Jewel to Imperial Sir Bracewell ensued ... (Applause)

IMPERIAL SIR TURLEY: I now declare the Imperial Officers for the ensuing year to be duly installed and, Imperial Marshal, will you make the proclamation.

PAST IMPERIAL POTENTATE JACK STREIGHT: Let me first say that my name is not Bracewell. (Laughter)

However, before I perform this duty, I would like to say that I was a Representative from my Temple in 1950 and I have been here for a long period of time. However, this is the first time I ever saw an Imperial Potentate installed with a second-hand jacket. (Laughter)

With that, I now proclaim the Officers of the Imperial Council of the A.A.O.N.M.S. duly and legally installed into their respective Offices for the ensuing year. Congratulations.

... Rising cheers and applause ensued ...

IMPERIAL SIR TURLEY: And now, Imperial Sir Walker Kisselburgh, let me be the first to congratulate you and to present to you the symbol of authority of this Imperial Council, your gavel. Use it wisely and well.

... Presentation of gavel and further applause ensued ...

IMPERIAL POTENTATE WALKER KISSELBURGH: First, please, to those of you who are

leaving, please do not leave because I have something here I think you are going to enjoy very much.

This is a tremendous thrill, needless to say, and my heart is full and it is difficult to speak without my emotions coming in but I must do so because I have some things that I must do as Imperial Potentate.

First of all, you must know that this all started about ten or eleven years ago, when we campaigned on the trail for Imperial Outer Guard.

My opponents in 1974 were Dick Offene, Gene Bracewell and J. B. Hopkins.

The following year, my opponent was Gene Bracewell and three others.

Then I ran for a third year and my opponents were about seven and so I eventually made it in 1976.

Now, during the campaign process with Gene and Dick, many funny stories developed but I think the best one, and this is true, was up at the Northeast Shrine Association in St. Johns, New Brunswick, when, just by coincidence, Gene and I checked into the hotel together and also, just by coincidence, we went up in the elevator to the same floor together and also, just by coincidence, we walked in the same direction down the hallway to the door and also, just by coincidence, our rooms were adjacent to one another.

We both looked into the rooms and saw that we had equal rooms, both containing large-sized twin beds and so I said to Gene, "You know, this is crazy, you and I are spending our own money, why not give up one of these rooms and bunk together?" Well, he thought that was one hell of a good idea. Well, I must now tell you that he checked out before I did and left me with the total hotel bill. (Laughter) I am not kidding in this particular case, eighter. (Laughter)

However, I also want you to know that for several years, many years, Gene and I have kind of had a Frick and Frack type of thing going and during that time a lot of you have asked me how I could take some of the things he said to me without getting angry. Well, the answer is simple—it is just a matter of knowing the real Gene Bracewell. Let me show you what I mean. May we dim the lights, please, and would you show slide number one please.

[Slide]: Here, for example, you have Gene Bracewell as we all know him, handsome, debonair, always smiling.

[Slide]: And now here comes Bracewell as I know him. (Laughter)

[Slide]: And now, if you take away the Fez. (Laughter)

[Slide]: And take away the hair piece. (Laughter)

[Slide]: And take away his false teeth. (Laughter)

Well, there you have the real Gene Bracewell (laughter) and I ask you, how can anybody get angry with such a sorry looking son-of-a-gun? (Applause)

Now, for those of you who are waiting for the entertainment, that was it and if you want to leave, go ahead. (Laughter)

By the way, are there any more Bracewells in the house? (Laughter) I believe they have all been introduced and that is fine. (Laughter)

You know, in the lives of the Chinese, there is the Year of the Ox, the Year of the Pig, etc. Well, last year was the Year of the Bracewells. It is changing. (Applause) Yes, let us give him a big hand, how about it? (Applause)

Now, Gene, this is a gift that I will give to you later—it is a suppository (laughter) and please do not make anything out of that, please. (Laughter)

Doug Mayes—Doug, where are you, would you come over here, please, up to the podium.

... Illustrious Sir Mayes approached the podium ...

IMPERIAL POTENTATE KISSELBURGH: Let me say to you, Nobles, this is the man I called to put together the film for the Pageant. This is the man, the professional, that gave me advice. This is the man that hired the producer of the film. I just want to pay honor to a great Shriner, a Past Potentate of Oasis Temple, Doug Mayes. (Applause)

That is all, Doug, thank you very much. (Laughter) I will be at the Carolina Bowl Game and we will replace Imperial Sir Gene Bracewell with my footage. (Laughter)

ILLUSTRIOUS SIR DOUG MAYES: You are the Imperial Potentate, sir, and we love you, but I am the producer of the show that you are not going to be on. (Laughter)

IMPERIAL POTENTATE KISSELBURGH: Well, Doug, as a former member of Oasis (laughter)—

As Imperial Potentate, I am going to try to visit as many of your Temples as I possibly can but please understand the Imperial Potentate's calendar starts to get filled up when he is Deputy Imperial Potentate and I can truthfully tell you that there are not too many weekends left over and for those of you who do want to receive a visit from the Imperial Potentate, please do not worry whether you can afford it or not. The Imperial Potentate has a budget and if that is stopping you from seeing the Imperial Potentate, please understand that we will pick up the tab if you are a small Temple and do not have it in your budget.

You do not have to give the Imperial Potentate a large gift—a small one will do. (Laughter)

Now, I would like to get serious for a moment and tell you that we are going to be serious during my year as Imperial Potentate. As you know, I do like to have a lot of fun. I think that was the original purpose of the Shrine of North America and I will continue to emphasize that fact but in having fun, we also do have a serious side of our Fraternity, which is our great philanthropy.

Now, here sitting in front of me are all of you Nobles, Illustrious Sirs and Members of the Divans and Representatives who are the leaders of your respective Temples and, as leaders, you should know your product and to know your product is to understand it.

We have in the Public Relations Department one of the best pamphlets to get to know your product. It is called "A.A.O.N.M.S., A Short History." You do not have to read "Parade To Glory" and to glean all that information. It is a very dry book to read but I would encourage you to write to the Public Relations Department in Tampa and each of you have this book in your possession; each of you should read the book. It is in a digest form and when you get to the microphone to speak for your Nobility or the general public, when you come into contact with the general public, you should know what you are talking about and if you read this condensed history, you will understand it.

People love to hear the Story about the Shrine because it is such a successful story and you do not know about the success of our organization until something happens because, when you are talking with your audience, whether it be a Noble or whether it be a member of the general public, you might touch that person with the success of the Shrine Story. You may touch that person unknowingly which, in turn, might bring a tear to his or her eye.

However, you will never know the results of your efforts because that individual may go home and put something in his or her will that will benefit us down the road and that is the secret of our success—it is the soft-sell approach.

We do not go out and conduct telethons for our great philanthropy, Shriners Hospitals for Crippled Children. We do it in a very quiet and dignified manner and we do it in a very, very capable manner also and that is why our competition is so jealous of what we do as a philanthropy.

The most important thing that you can say at a microphone is a fact that is true, namely, that better than 98.4 cents out of every dollar raised goes toward the direct costs of helping those crippled and burned children. Now, that is throwing all of the administrative costs of our hospitals into a pot.

You know, that is an astounding figure because you show me another philanthropy even within ten or fifteen points and I will put in with you. Any that you can name they will take out ten to twenty and sometimes even as high as forty-five percent for administrative costs in connection with some of these telethons. That is why they are being investigated by the IRS.

Also, I can tell you that we likewise have been constantly scrutinized by the IRS, every three years, and after they have examined our records, they go away saying, "We just do not know how you are doing it." They look and look but yet they cannot find anything except sincere, hard work and that is what we are going to do next year—sincere hard work.

Now, we have a great challenge ahead of us and that great challenge is something that I know you Potentates and Divan members do not like to live with—that is the fact that we have a membership problem. Yes, it is a problem, but then let us not be negative about it—please make it a positive problem and accept it as a challenge that can be overcome.

It should be on your list as the number one priority for next year and we are going to follow Imperial Sir Gene Bracewell's plan of membership. We are going to have a great big trophy or even several trophies that will be given to the Temple that has reached its quota of five percent of your membership.

Now, I know what some of your Temples are saying—"It is, unattainable." However, when you reach for a star, sometimes you get it. You have to have a goal and reach for something and the more you try to reach for it, the more it gets you there and you get up there and essentially say "We did it, we did it." It is a very prideful thing.

My Temple is the largest of all the Shrine Temples and five percent of our membership is 1,075 members a year. That is fantastic but it is in the same relationship as your membership concerning five percent.

So we are trying—we are trying to reach for that goal. As I said, a goal has to be attainable.

It was figured out that two percent on deaths, two percent on suspensions and one percent to grow on, that this was the five percent figure. That is how it was reached. You do not have to be a genius to figure out this is five percent and that is why Imperial Sir Gene Bracewell came up with it. (Laughter)

Now, I do have some mental lapses once in awhile and my Director General forgot to announce the date of the convention in Los Angeles and it is June 30th to July 4th and to those of you who would like to come and have a good time, we promise you that you will have a good time.

It is now my pleasure and duty to announce the standing committee appointments for the year 1985-1986 and, by the way before I do that, I want to thank, with all of the sincerity that I can, Imperial Sir Robert Turley. Thank you, Bob, for installing the Officers. I think you gave that job a lot of dignity. I think it is something they will be following in future years and you did a fine job and while we all know that you are a lousy golfer, you certainly are an excellent ritualist. (Laughter)

... Whereupon, at this point, Imperial Potentate Kisselburgh announced the various committee appointments ...

IMPERIAL POTENTATE KISSELBURGH: And now, with these announcements, which have to be made in accordance with our Bylaws, I have now fulfilled by obligation. I have given you my brilliant message and I will now go out on the trail and I promise you that I will, hopefully, do as good a job as Imperial Sir Gene Bracewell did because I sincerely believe he did a very, very fine job of representing the Shrine of North America last year.

Also, to you, Most Worshipful and Right Worshipful Sirs, may I say to you that we sincerely have appreciated your presence here with us. We hope that more than forty-five of you next year will attend our Session in Los Angeles. We welcome your Temples to invite you. We invite you. We are going to try to listen to your problems.

I will guarantee you, in front of all of these Representatives, that the door to the Imperial Potentate's office is always open; the telephone there is as close as your telephone. If you have any problems please give me a call. Let us communicate. I believe that communication is the answer to all of our problems.

Thank you, Representatives; thank you all and God bless you, and I am going to see you out there next year. (Applause)

... Whereupon, at eleven-fifty-five o'clock a.m., the One Hundred Eleventh Annual Imperial Council Session was adjourned sine die ...

THE IMPERIAL COUNCIL

ANNUAL REPORT OF WEBBER C. HARRINGTON
IMPERIAL TREASURER, A.A.O.N.M.S.

JANUARY 1-DECEMBER 31, 1984

*Imperial Potentate Gene Bracewell, Officers and Members of the Imperial Council
A.A.O.N.M.S., in meeting assembled at Atlanta, Georgia, July, 1985.*

IMPERIAL SIR, IMPERIAL SIRs, ILLUSTRIOUS SIRs AND NOBLES:

At the 1984 Imperial Session in Boston, the representatives approved a resolution to change the method of paying mileage and per diem. We will determine at this session how well the new system will work and what changes in procedures may be necessary to make it function smoothly. We believe that the result will be a system which is fair and equitable and which will help to keep the Iowa Corporation on a sound financial basis.

Fortunately, the excess of revenues over expenses for the year 1984 amounted to \$228,949 compared to an adjusted budgeted surplus adopted at the Boston session of \$35,167. This improvement in results was principally due to reduced expenditures, particularly in Public Relations, Data Processing and Imperial Council Session. Nearly one-half of the Iowa Corporation budget relates to the Imperial Council Session.

The 1985 Iowa Corporation budget adopted in Boston, which is included in the representatives registration packets, indicates a surplus of \$80,667. A full report on both the 1984 and 1985 budgets will be made by the Finance and Accounts Committee at the Imperial Session.

Respectfully submitted,

Yours in the Faith,

WEBBER C. HARRINGTON
*Imperial Treasurer
Imperial Council, A.A.O.N.M.S.*

ANNUAL REPORT OF JACK H. JONES
IMPERIAL RECORDER A.A.O.N.M.S.

*Imperial Potentate, Officers and Members of the Imperial Council,
A.A.O.N.M.S.*

GREETINGS:

The following detailed statements of transactions of the General Offices for the fiscal period January 1, 1984 to December 31, 1984 are submitted for your information.

The report of the Imperial Auditor, showing complete information on all receipts in the General Offices and all remittances made to the Imperial Treasurer; together with the record of payment of all bills, checks for which are prepared in the General Offices, has been submitted and your attention is directed thereto.

The 1985 election returns of the 185 Temples reflect that there are Representatives to the 1985 Imperial Council as follows:

	Total Number	Total Votes
At Large	13	13
Ad Vitam	19	19
Emeritus	111	90
Elected	736	736
Appointed	1	1
Total		859

At the end of 1984, the Temple's Annual Reports showed a total of 884,441 Nobles plus 5,472 Associate Members on the active rolls of membership. Permanent Contributing Membership Certificates were held by 70,432 Nobles, which relieves them from paying the annual Shriners Hospital assessment. The Associate Membership total of 5,472 must be added to the total membership figure of 884,441 since Temples profit financially from Associate Memberships.

The net loss in total Shrine membership for the year 1984 was 15,559 Nobles. The membership details reflected in Annual Temple Reports are printed as a part of this report. It should be noted that only 57 Temples reported a net gain in membership while 128 had losses during the year.

The 1984 net loss of Shrine membership was greater than 1983, which has progressively increased each year since 1979. There are two major problems confronting us—declining number of creations and increasing number of suspensions. Last year we created only 25,951, the lowest number since 1942; and we suspended 17,871, the highest number since 1935. It is imperative that we reverse these trends—we must find ways to attract new members and we must develop programs to drastically reduce our suspensions.

It is essential that every Potentate make membership the number one priority in his Temple. He must analyze his Temple's past programs, closely scrutinize its present operation and develop innovative programs that will enhance membership. Here are some thought provoking questions. Does your Temples have the best qualified Noble as Membership Chairman? Does he have a budget and a hard working committee? Is it possible that your

Temple has a great recruiting program but does not have enough activities, social and otherwise, to keep the interest of its members or to attract non-Shriners? How is your Temple's image in the communities throughout your jurisdiction? Is your Mosque building in good condition?—a building of such beauty that you can proudly say, "that's my Shrine Mosque". Is it located in a desirable area and is there adequate parking? If you don't have your own Mosque, is your meeting place and Temple office located in a building that projects the best image for your Temple? Do you have a good public relations program to let the public know what you are doing as Shriners for the good of your community and country?

Your Imperial Membership Committee has developed some great membership recruitment programs. Please use them. Watch your suspension list closely and develop programs that will curtail or even eliminate suspensions. If a Noble is about to be suspended for non-payment of dues, investigate his situation and try to determine why he is in arrears. If he is experiencing financial difficulties and cannot afford to pay, the Temple should remit his dues. Also, many Nobles who have been previously suspended for non-payment of dues would like to be restored but cannot afford the restoration fees. If this situation exists, it would be in the best interest of the Shrine to charge him only the current years dues and/or hospital assessment to reinstate. Generally, a Noble is proud to pay his hospital assessment.

While on the subject of membership, I urge your Temple officers to work in close harmony with all Masonic organizations to develop programs that will benefit all of our Masonic family. We must work hand in hand with the Scottish Rite, York Rite and Blue Lodge officers to develop programs for positive growth, thereby perpetuating our great fraternities.

During this Shrine year, a great deal of attention was given to the Order of DeMolay. The Imperial Potentate requested all Temple Potentates to develop special programs in support of that fine youth organization for basically two reasons. First, it is a part of the philosophy of Masonry to help and encourage youth. Secondly, what better way to invest a part of our time and money than in prospects for future members. Besides, even those who don't join Masonry will become better citizens because of what they are taught in DeMolay. They need our help. Please contact the DeMolay Executive Officer of your state or province to find out their greatest needs.

Imperial Potentate Gene Bracewell has done a magnificent job throughout the year in promoting the best interest of our fraternity. He has been unselfish in giving of his time, talent and leadership, and for this I compliment him on an enormous job extremely well done.

We have many new Recorders in our ranks to whom I extend a warm welcome. To all Recorders and their staff, my sincere thanks for your wonderful cooperation during the past year. Keep up the good work!

The following pages contain specifics that have been compiled for your use. Please study them and compare the history of membership in your Temple with that of others. Work hard to promote the best interest of our great fraternity, the World's Greatest Philanthropy.

ES SELAMU ALEIKUM
Respectfully submitted,
JACK H. JONES.
Imperial Recorder

NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization—The IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA (Imperial Council) is a nonstock, nonprofit corporation incorporated under the laws of the State of Iowa. The organization is the representative and supreme authority of the Shrine Temples of North America and is exempt from federal income tax under Section 501(c)(10) of the U.S. Internal Revenue Code.

Dues and Fees—The Imperial Council's principal source of revenue consists of per capita dues and fees received from its subordinate temples. Per capita dues are assessed effective December 31 of each year and are remitted by the temples to the Imperial Council during the subsequent year. Included in the annual dues of \$3.00 per capita is \$.20 which is designated for the annual Imperial Council Session and is credited as a liability to the session.

Marketable Securities—Marketable securities are carried at cost, which approximates market, and consist of corporate bonds maturing in the current year and repurchase agreements collateralized by obligations of the U.S. Government and its agencies.

Automobiles—Automobiles, used by employees of the Imperial Council, are carried at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the automobiles.

2. DUE FROM IMPERIAL COUNCIL SESSION CORPORATIONS

A separate corporation is formed for each of the annual Imperial Council Sessions. Per capita tax amounts are advanced to the Imperial Council Sessions to assist in defraying the expenses of these convention corporations including the reimbursement of travel costs of the Central Office staff. Any unused per capita tax advances are required to be repaid to the Imperial Council. Reimbursement of costs of \$28,997 and repayment of unused per capita tax of \$8,273 were due from the Denver convention corporation at December 31, 1983. Reimbursement of costs of \$19,348 and estimated repayment of unused per capita tax of \$10,000 were received from the Boston convention corporation prior to December 31, 1984.

3. TRANSACTIONS WITH SHRINERS HOSPITALS FOR CRIPPLED CHILDREN

Shriners Hospitals for Crippled Children (SHCC), a separate charitable organization(s) was established by the Imperial Council. Hospital assessments, donations and other receipts from Shrine temples are collected and remitted to SHCC by the Imperial Council. The Imperial Council bears a portion of the operating expenses of the National Headquarters building owned by SHCC. The two organizations also prorate salaries and other costs based on the estimated value received by each organization. Amounts of \$(184,827) and \$116,933 were due (to) from SHCC at December 31, 1984 and 1983, respectively.

4. RETIREMENT PLAN

The employees of the Imperial Council are included under the Shriners Hospitals for Crippled Children Revised Retirement Plan. Changes in actuarial assumptions in both 1984 and 1983 for expected earnings on investments of the retirement plan resulted in no cost being allocated to the Imperial Council and had the effect of decreasing expenses by \$16,000 and \$14,000 respectively.

SHRINE PROTOCOL

*For the Use and Guidance of Illustrious
Potentates and Divan Members of
the Subordinate Temples,
Shrine Clubs and Shrine
Associations*

Revised
January, 1985

PROPER DISPLAY OF NATIONAL FLAGS

It is the desire of the Imperial Potentate that each Temple of this Order provide and display at all Shrine parades, functions, and meetings, the three national flags under which Shrine Temples chartered by the Imperial Council operate (United States, Canada, and Mexico).

It has been noted that many Temples improperly display one or more of the three national flags primarily in parades and at meetings.

All nations designate the position on the *right* as the position of honor. International usage dictates that when flags of two or more nations are displayed together, they should be flown from separate staffs of the same height and should be approximately equal in size.

In an Auditorium

At Shrine functions and meetings the three national flags should be displayed in the position of honor at the Potentate's or speaker's *right* as he faces the audience. It doesn't matter whether the flags are behind, alongside, or in front of the speaker, on raised platform or not; they should always be to his right. Another important point: The flag of the country in which they are being displayed should be on the speaker's extreme right. (Canadian law does state that when three are flown together, the Canadian flag should occupy the central position.)

At Parades

When in procession, the flag of the country in which they are being paraded should be either on the *marching right*, that is, the flag's own right, or if there are a great number of other flags, it may be in front of the center of that line. It is strongly suggested that the three national flags (United States, Canada, and Mexico) always be paraded side-by-side, in front of state, province, or other local flags, with the flag of the country in which they are being paraded having the position of honor on the *marching right*.

Other flags which Temples may wish to parade should be in a line immediately following the three national flags in the following marching order, beginning on the right: state or province flag; Shrine Temple flag; Imperial Potentate's flag; Past Imperial Potentate's flag; other flags. If there are only one or two flags, such as state, province, and Shrine flags, they may be paraded on the marching left of the three national flags.

One of the most common violations of international flag usage is the dipping of national flags at reviewing stands, during the playing of the national anthems and other occasions. *National flags should never be dipped to any person or thing.* However, all other flags should be dipped as a mark of honor.

In Front of Shrine Temples and Club Buildings

When the three national flags are displayed in front of a Shrine Temple or club building, they should be flown from separate staffs

of the same height and the flags should be of approximately equal size. The flag of the country in which they are being displayed should be in the position of honor on the extreme right; that is, a person's own right as he faces outward of the building's front entrance.

When a nation in which the flags are displayed proclaims that its flag should be flown at half staff, it would be improper to fly the other two flags at full staff; therefore, the flags of the other two nations should not be flown during that period.

CORRESPONDENCE TO IMPERIAL POTENTATE

The Imperial Potentate's schedule is such as to keep him away from his home and office for weeks at a time. For this reason, it is requested that *copies of all correspondence sent directly to him by Temples and Representatives be sent to the Executive Secretary for Fraternal Affairs at the General Office in Tampa, Florida.* This practice will assure an expeditious handling of all such correspondence.

Temples are reminded that complaints or correspondence from individual Nobles on Imperial Council or Temple matters must be handled in accordance with Article 38 of Imperial Council Law.

VISITATION OF IMPERIAL POTENTATE

The Imperial Potentate is the number one Noble of the International Shrine and must be accorded the protocol pattern and respect befitting his high office. Protocol dictates that careful plans and arrangements be made prior to his visitation and completed during his visitation.

The host Temple Potentate, Director General, Association President, or their official representative should be at the airport to meet the Imperial Potentate upon his arrival. An automobile and driver must be provided who is responsible for transporting the Imperial Potentate, his party, and luggage to the hotel. The driver should be available at all times.

Honor guard, color guard, or their Uniformed Units are often used to provide pomp and ceremony for the Imperial Potentate's arrival. Their use is not mandatory, however. Motorized Shrine Units or official police may be used as motorized escorts from the airport to the hotel.

A suite of rooms should be provided for the Imperial Potentate. Normal courtesies are appreciated, and should any additional information be required, please contact the Executive Secretary for Fraternal Affairs at the International Headquarters in Tampa.

The host Temple Potentate traditionally presents the Imperial Potentate and/or his first Lady a commemorative remembrance during their visitation.

When an Imperial Officer is assigned by the Imperial Potentate as his official representative, that Imperial Officer is accorded the

THE IMPERIAL COUNCIL

same protocol pattern appropriate for the Imperial Potentate. These same courtesies apply to all visiting Imperial Officers.

Should your Temple have as a member an Imperial Officer, the same courtesies should be extended when he is invited to a function as any other Imperial Officer.

The Imperial Potentate's host and his assigned aide or driver are responsible for the departure arrangements. These arrangements include transportation of the Imperial Potentate, his party, and luggage to the airport. Sufficient time should be allowed so as to assure the Imperial Potentate's arrival at the airport at least one hour prior to the departure flight time.

13. Uniformed Units of Host Temple followed by other Temples in the order determined by the Association.

Women, girls, school bands, and school drill corps or units of any organization not identified with the Shrine are not permitted in Shrine parades.

No beverage, alcoholic or otherwise, is permitted to be consumed during a parade, whether you are parading or just watching the parade when dressed as a Noble with fez.

No impersonations of ethnic groups, females, or political figures are allowed in parades. Throwing of candy or other objects along the parade route is strictly forbidden. Reckless behavior with motor vehicles is also forbidden. Movement should always be forward, and minimal distance between Units should be maintained in all parades.

CIVIC PARADES

Units that participate in non-Shrine parades may do so *only* with approval from their Potentate. Should they be requested to participate in the jurisdiction of another Temple, they will also need the permission of the Potentate of that Temple. Practice good Shrine etiquette when parading in non-Shrine parades and follow the protocol set up by the host sponsor of the parade.

Non-Shriners are not permitted to participate in Shrine Units in civic parades.

IMPERIAL SESSION PARADES

Order of Parade Formation

1. Police escort.
2. Dignitaries other than Masonic.
3. Parade Marshal and his aides.
4. Colors, singly or massed.
5. Director General.
6. Uniformed Units of Host Temple.
(Uniformed Units of other Temples in the State or Shrine Association will take their place elsewhere in the parade formation according to Charter date only.)
7. Automobiles of Imperial Officers (present and past).
8. Members, Board of Trustees, Shriners Hospitals for Crippled Children.
9. Masonic dignitaries.
10. Uniformed Units of Imperial Potentate's Temple.
11. Uniformed Units of all Temples, except Host Temple, will form in order of charter date—oldest date first. Night Parade will follow the same formation, except that the Uniformed Units of the Temple of the Imperial Potentate-Elect will immediately follow (10) Uniformed Units of Imperial Potentate's Temple.

NOTE: Frequently the Imperial Potentate must appoint another Imperial Officer as his official representative. When this happens, that Imperial Officer is accorded the same protocol pattern appropriate for the Imperial Potentate as outlined in the following sections.

CEREMONIALS AND RECEPTIONS

Ceremonials or Receptions

The Potentate should provide suitable transportation from the hotel to the place of the meeting for all Imperial Officers (Present and Past). An aide designated by the Potentate should be available at all times.

When a Temple desires the presence of one or more Imperial Officers at a special activity of that Temple, a written request should be submitted to the Imperial Potentate, with a copy to the

Executive Secretary for Fraternal Affairs, detailing as much information about the activity as possible. If the requesting Temple has an Imperial Officer, they may invite him directly, without going through the Imperial Potentate.

Reception for Ladies

At receptions or other functions where only Ladies are present, the Ladies of Imperial Officers follow the same order of precedence as for Imperial Officers.

Reception Receiving Line

At receptions or functions where a Receiving Line is used, the Imperial Potentate is the last one in the order of reception, with others stationed as indicated below. When Ladies are present, they should stand with their escorts.

Introduction and Reception of Guests

The Imperial Potentate and Imperial Officers should be made as comfortable as possible and not subjected to a long-standing wait for their turn to be received and introduced. The order of reception should be as follows:

1. Visiting Divans, Past Potentates, Potentates.
2. Visiting dignitaries and celebrities.
3. Distinguished guests (Board of Trustees, Shriners Hospitals for Crippled Children).
4. Most Worshipful Grand Masters.
5. Past Imperial Officers (in reverse order of their seniority rank).
6. Imperial Officers (presented individually in reverse order of their official station). The Nobility will stand after 3 raps of the gavel, on the presentation of the Imperial Officer of highest rank in attendance.
7. Imperial Potentate.

NOTE: Always be sure that Distinguished Guests are introduced to each other as well as to the assemblage. If at all possible, allow some time for informal discussion between Distinguished Guests.

Introduction of Imperial Potentate at receptions, banquets, ceremonials, or business meetings.

When uniformed bodies are used in receiving the Imperial Potentate, Imperial Officers and Past Imperial Officers and Potentates, the unit used to form the Honor aisle should, at the command of the Officer in charge, Salaam. (Military salute prohibited.)

The escort appointed by the Potentate to introduce the Imperial Potentate walks at the left of the Imperial Potentate, and upon

reaching the point on the floor from where the introduction is to be made, should Salaam the Potentate and make such remarks as he deems proper, and conclude with the following:

"Illustrious Potentate, I have the honor of presenting the Imperial Potentate of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, Imperial Sir..... of..... Temple,(City), (State or Province.)"

or

"Illustrious Potentate, I have the honor of presenting Imperial Sir..... of..... Temple, of..... (City),..... (State or Province), the Imperial Potentate of the Shrine for North America."

Potentate: "You will conduct the Imperial Potentate to the East."

The Potentate concludes his remarks of welcome to the Imperial Potentate with the following:

"Nobles, I have the honor of presenting the Imperial Potentate of the Shrine of North America, Imperial Sir

The Gavel should be presented to the Imperial Potentate, who, upon receiving same, returns Gavel to the Potentate.

The only ADDRESS should be made by the Imperial Potentate.

WHERE OTHERS WILL BE ASKED TO SPEAK, THE IMPERIAL POTENTATE WILL ALWAYS BE THE LAST SPEAKER.

Ceremonial or program then proceeds as arranged.

In the absence of the Imperial Potentate, the senior Imperial Officer invited will act in his place.

Seating at Banquet:

The Potentate should personally escort the Imperial Potentate to the Banquet table. The Imperial Potentate should be seated at the immediate right of the Potentate. When ladies are present at banquets the Imperial Potentate should be seated at the right of the Potentate; the Imperial Potentate's lady at the left of the Potentate; the Potentate's lady at the right of the Imperial Potentate; with the other Imperial Officers, Past Imperial Officers seated with their ladies alternately at the right and left of the central group. The Imperial Potentate at his discretion may invite others to sit at the table. In the event no other Imperial Officer is present, the Officers of the local Divan should be seated according to seniority. Place cards should be provided to expedite seating. Many years of experience have proven that it is wisest to design a seating chart ahead of time so that any changes can be charted easily.

At Shrine Association banquets, the Shrine Association President will take the place of the Potentate, as listed above, and the other Officers of the Shrine Association, and their ladies, will follow by rank, immediately after Imperial Officers.

At a Uniformed Unit or Shrine Club banquet or any function where protocol seating is required, follow the same procedure listed in the above paragraph, with this exception: The President and his Lady should have priority seating. The Potentate should be seated at the immediate right of the President, etc. If an Imperial Officer is present, he should be seated at the immediate right of the President and the Potentate on the left.

Seating at Ceremonials, Receptions, and Business Meetings

The Imperial Potentate should be seated at the immediate right of the Potentate; Chief Rabban at the left of the Potentate; the Assistant Rabban at the right of the Imperial Potentate; the High Priest and Prophet at the left of the Chief Rabban; and the other Officers of the Divan seated alternately at the right and left of the central group. When other Imperial Officers or Past Imperial Officers are present they should be seated beginning at the immediate left of the Potentate according to rank in the Imperial Divan, to be followed by the Past Imperial Potentates, alternately at the right and left of the central group. When all of the Officers of the Imperial Divan are present, the Imperial Officers should occupy seats in front of the Temple Divan, seated alternately at the right and left of the Potentate of the local Temple.

Seating on Reviewing Stands

In Imperial Session parades, a Reviewing Stand should be reserved for the exclusive use of the Imperial Potentate, Imperial Officers and Past Imperial Officers and such other guests as invited by the Imperial Potentate.

The Imperial Potentate (or ranking officer) receives the Salute of all Temples. When Temples from an Imperial Officer's state or province pass in review, that Officer receives the Salute of these Temples with the Imperial Potentate.

At Association or Temple parades, the ranking Imperial Officer along with the Association President or Potentate (as appropriate) receives the salute of all Temples. Other Imperial and Association officers will follow the same procedure as above.

QUESTIONS ON SEATING

Should you have questions on seating, please call the Executive Secretary at the General Offices in Tampa, Florida.

CANADIAN PROTOCOL

Banquets:

In Canada a toast is always given to Her Majesty, The Queen: "Ladies and gentlemen you will rise and drink a toast to Her Gracious Majesty, The Queen."

Response: "The Queen."

And then a toast to the "Office" of the President of the United States.

In Canada smoking is never permitted until after the toast to the Monarch.

Toast to the Piper:

As the Piper has piped in the head table, V.I.P., and Imperial Potentate and/or Imperial Officer[s], the Potentate or his representative, after he has requested all to be seated, will raise his

glass to the Piper who will return the greeting [slang enough] by raising his glass to the Potentate. No one else is included in the toast.

PROTOCOL FOR SHRINE ASSOCIATIONS

Since the Imperial Council is the parent organization over all Temples and Shrine Associations there is only one protocol procedure that can be followed by a Shrine Association and that is the protocol procedure as adopted by the Imperial Council and will be found in the front of the Directory of the Imperial Council.

Officers of Shrine Associations will participate in protocol procedure throughout this entire protocol in the position as outlined for distinguished guests and, in accordance with Imperial Council protocol, the Officers of the Imperial Council will take precedence over the Officers of Shrine Associations at all times. At any meeting of a Shrine Association at which there is not in attendance any of the Imperial Officers, then and in that event the Officers of the Shrine Association will take their place and position as distinguished guests in accordance with Imperial Council Protocol.

When an Association desires the presence of one or more Imperial Officers at a special activity of that Association, a written request should be submitted to the Imperial Potentate, with a copy of the Executive Secretary for Fraternal Affairs, detailing as much information about the activity as possible. If the requesting Association has an Imperial Officer(s) they may invite him directly, without going through the Imperial Potentate.

In accordance with the above, Shrine Association Officers will occupy position No. 9 in Association/Temple Parades and position No. 3 in "Introduction and Reception of Guests." In Shrine Association Parades, Units of Temples will form in the order determined by that Association.

VISITATIONS TO SHRINE CLUBS OR TEMPLE UNITS

It should always be remembered that Shrine clubs and units are under the control of the Potentate of the chartering Temple. Invitations to Imperial officers, Temple officers from that Temple or any other Temple, Shrine association officers, etc., who are not members of the club or unit, must be cleared with the Potentate *in writing* before the invitation is issued.

DRESS

The Fez

The Imperial Council has adopted the fez as the exclusive type of head covering to be worn by *all* Nobles of the Mystic Shrine when appearing as such. This means any Noble *must* wear his fez at all Stated (Regular) Meetings, Ceremonials (Initiations), Shrine Parades and Caravans, special Shrine events, or any other Shrine-related activity. The fez is never worn at a Masonic Lodge meeting. As a Noble of the Mystic Shrine, you are particularly

admonished never to wear your fez in any company or place in which you would decline to introduce your mother, wife, sister, or daughter. Never forget this. No other person is ever allowed to wear your fez at any time.

The fez is not a display case or bulletin board. Titles of the Imperial Chaplain, Potentates, Past Potentates, Recorders, Grand Masters and Divan members may be embroidered in small letters in gold or silver bullion, silk or rhinestone jewels *on one line* beneath the emblem on the fez. Active members of official uniformed units or official clubs of a Temple may likewise have the names of their units or clubs *on one line* beneath the emblem on the fez. Any official appointee of an Imperial Potentate or Potentate may have his title beneath the emblem as above for the term of his appointment. The fez shall be worn in its proper shape without crushing, creasing, or alteration, and one pin is allowed to hold the tassel in place on the left side. No other device, ornament, title, wording or adornment is permitted. It should be worn and adorned only as permitted by Article 13 of the Imperial Bylaws.

It is advisable to set up a procedure to order fezzes through the Recorder's Office. This allows the Temple Officers to see that proper fezzes are purchased since most Nobles are not aware of what constitutes a legal fez.

Shrine Pins

A Shrine pin should be worn on the left lapel of the suit coat, sports coat or blazer. Every Noble is requested to wear his Shrine pin anytime he wears his suit coat, sports coat, or blazer. The occasions for wearing the Shrine pin may or may not be Shrine related. It should always be worn so that a Noble of the Mystic Shrine is always identifiable, proudly and justifiably so, to a Brother Noble, Brother Mason, or the public in general.

ACCEPTED SALUTATIONS, ETC.

The Salaam

A Noble addressing the Potentate while he is presiding in the East should *always* give the Salaam. The Potentate should give the sign of the Order in return.

The Potentate and his Divan should always Salaam when receiving the Imperial Potentate or any other Imperial Officer. The Imperial Officer does not Salaam in return but gives the sign of the Order.

The Salaam is given by the leader of a Uniformed Unit that is performing for the Potentate, and the Potentate gives the sign of the Order in return. No other Unit member Salaams.

As an Imperial Officer or Potentate proceeds through an honor guard, only the first rank on either side of the aisle Salaam in unison. The remainder of the honor guard stands at attention. The Imperial Officer and Potentate may or may not be escorted through the honor guard, depending upon the pleasure of either. The escort is always to the left of the Officer.

Salutations

Any Imperial Officer, as well as a Past Imperial Officer, is always addressed, "Imperial Sir." A Potentate or Past Potentate is always addressed as "Illustrious Sir." The prefix "Past" should not be used when addressing a Past Imperial Potentate or Past Potentate. Members of an Elective Divan of a Temple should be referred to by the title of their office, or by Noble.

A Noble, when making a salutation at a Shrine meeting with an Imperial Officer in attendance, should do so in the following manner: Imperial Sir, Illustrious Sir, Illustrious Sirs, Members of the Divan, and Nobles. If the Imperial Potentate and one or more Imperial Officers, guests, and ladies are in attendance, the Noble would make the following salutation: Imperial Sir (Imperial Potentate), Imperial Sirs, Most Worshipful Grand Master, Illustrious Sir (Potentate), Illustrious Sirs (Past Potentates), Members of the Divan, Nobles, ladies, and guests.

Salute

The Military Salute is used when reciting the Shrine Pledge of Allegiance and during the singing and playing of the National Anthem of the United States, Canada, and Mexico. The fez is *never* removed when the Military Salute is used. *The Military Salute is used by the leader of a Uniformed Unit* when passing in review, and the reviewing officers return the salute.

Salute to the Flag

A Noble who is wearing his Fez will execute a right-hand salute when the Colors are within six paces of him; he will not remove his Fez. After the Colors have passed, he should drop his right hand. *In an auditorium he should hold the salute until the Colors are posted after the pledge and/or playing of the National Anthems.*

When not wearing the Fez the right hand should be held over the heart.

Shrine Pledge of Allegiance

"I pledge allegiance to my Flag and to the Country for which it stands; one Nation under God, Indivisible, with Liberty and Justice for all."

Each Noble is reminded that his fez is not removed and that he gives the Military Salute when reciting the Shrine Pledge of Allegiance.

National Anthems

MEXICO

"Mexicans, when the trumpet is calling,
Grasp your sword and your harness assemble,
Let the guns with their thunder appalling
Make the earth's deep foundation to tremble.
Let the guns with their thunder appalling make the
Earth's deep foundations to tremble."

THE IMPERIAL COUNCIL

O CANADA!

O Canada! Our home and native land!
 True patriot love in all thy sons command.
 With glowing hearts we see thee rise.
 The true North, strong and free!
 From far and wide, O Canada,
 We stand on guard for thee.
 God keep our land glorious and free!
 O Canada, we stand on guard for thee.
 O Canada, we stand on guard for thee.

THE STAR-SPANGLED BANNER

Oh! say can you see.
 By the dawn's early light,
 What so proudly we hail
 At the twilight's last gleaming,
 Whose broad stripes and bright stars,
 Through the perilous fight,
 O'er the ramparts we watched,
 Were so gallantly streaming.
 And the rockets' red glare,
 The bombs bursting in air
 Gave proof through the night
 That our flag was still there.
 Oh! say does that Star-Spangled Banner yet wave
 O'er the land of the free
 And the home of the brave.

Prayer

During the offering of a prayer, the fez shall be removed and held in the right hand over the heart. The prayer shall be non-denominational in content.

How To Address Shrine Dignitaries

Proper letter writing and proper addressing of Shrine dignitaries are part of Shrine protocol. The following are some examples:

<i>Title</i>	<i>Address</i>	<i>Salutation</i>	<i>Close</i>

Greetings

"Es Selamu Aleikum"—This is Arabic for "Peace be on You."

Salutation

"Aleikum Es Selamu"—This is Arabic for "On You be the Peace."

MEMORIAL—BURIAL SERVICE

A Shrine Memorial or Funeral Service should be permitted under unusual circumstances, where the deceased Noble's family requests it. Neither Service should preferably be held in place of the traditional Blue Lodge or other Masonic Service or Religious Rites. It may supplement the Blue Lodge Service but, except under unusual circumstances, should not take the place thereof. Both Services are intended as a tribute to Nobles who have performed unusual and meritorious service in behalf of a subordinate Temple, and the Shrine in particular.

The following protocol is suggested:

Upon arrival at the Church or graveside where the Memorial or Funeral Service is to be held, uniformed bodies are used to form the Honor aisle (from the curb to the entrance of the building or graveside).

The order of reception should be as follows:

1. Visiting Potentates, Past Potentates and Divans.
2. Visiting Dignitaries and celebrities (other than that listed below).
 - a. Most Worshipful Grand Master
3. Past Imperial Officers
4. Imperial Officers (in reverse order of their official station).

5. Imperial Potentate.

The escort appointed by the Potentate walks at the left of the Imperial Potentate and conducts the Imperial Potentate to the pew where the Imperial Divan is seated.

Seating at Memorial or Funeral Service:

Should be the same protocol as described in the seating of the Imperial Potentate and others at Ceremonials or Receptions.

The Imperial Potentate, Imperial Officers, and Nobles should remove their Fez upon entering the church edifice, undertaking establishment, or Memorial site (as well as the graveside) and remain uncovered until they return to the street curb.

Upon retiring, the same protocol should be followed as used in the entrance.

To avoid any embarrassing conflicts with traditional Masonic Services or Religious Rites, the following simple program is offered merely as a suggestion:

The Potentate can preside if he so desires or appoint another Noble or clergyman to conduct the Service. Shrine musical organizations and soloists can be used to good effect.

The following order of Service is suggested:

1. Organ or band in processional music.
2. Prayer.
3. Scriptural reading. Suggestion: 90th Psalm.
4. Biographical sketch of deceased Noble.
5. Hymn.
6. Address by Minister, Rabbi, or guest speaker.
7. Hymn.
8. Benediction.
9. Processional.

(a) Subsequent to a report on a candidate's petition, the ballot is passed, and if less than 3 black balls appear, he is elected.

(b) If the ballot reveals 4 or more black balls, the candidate is rejected. If the ballot reveals 3 black balls, another ballot is passed immediately. If 3 black balls appear a second time, the candidate is rejected.

(c) A written objection, signed by at least 3 members of the Temple in good standing, presented to the Potentate or the Recorder prior to the time balloting is commenced, has the same effect as an adverse ballot.

He may not be charged with dues to the Temple while deprived of membership.

(d) The acquisition of membership in the other prerequisite body subsequent to his loss of membership in his Temple does not restore him to good standing in the Temple, but he may be restored by ballot pursuant to § 323.5.

(e) If a Noble loses his membership in a prerequisite body for any reason other than nonpayment of dues, the loss of membership in his Temple is effective when it becomes final in the prerequisite body.

The Temple of which he was a member prior to the dispensation may retain the dues and assessments already received from him for the current year.

§ **329.7 Status of Temple under dispensation.**

(a) A Temple under dispensation has a legal existence and jurisdiction, and, whether it works or not, this jurisdiction cannot be interfered with except by action of the Imperial Council.

(b) It cannot adopt bylaws until a charter is granted and it is regularly constituted.

(c) It is governed by Shrine law to the extent applicable.

(d) It has no power to elect officers, but must retain its provisional officers until its charter is granted.

(e) The provisional potentate of a Temple under dispensation is not entitled to the rank of past potentate, nor is the Temple entitled to representation in the Imperial Council.

ARTICLE 30

Discipline by Temple

§ 330.1 **Jurisdiction.** A Noble is subject to discipline by the Temple of which he is a member, or by the Temple within whose jurisdiction he resides, for conduct unbecoming a Noble of the Mystic Shrine or for violation of Shrine Law.

§ 330.2 **Fair Play and Substantial Justice.** This Article is intended to provide the guidelines for the determination of whether an accused Noble should be disciplined, the extent of such discipline if appropriate and to assure fair play and substantial justice as these concepts are understood and practiced in North America. To this end the Temple and its officers shall cooperate fully with the complaining Noble, the accused Noble, the grievance committee and the trial committee. All Temple records concerning the complaint or charges shall be made available to the foregoing for copying.

§ 330.3 **Definitions.** In addition to the definitions set forth in § 101.3, the following terms are defined for the purposes of this Article.

(a) "Complaining Noble" is the Noble or Nobles who file a complaint with the Potentate of a Temple pursuant to this Article.

(b) "Complaint" is the written, signed and dated statement of the acts or conduct of an accused Noble, which the complaining Noble asserts is a violation of Shrine law or constitutes conduct unbecoming a Noble of the Mystic Shrine.

(c) "Accused Noble" is the Noble or Nobles against whom a complaint is filed.

(d) "Grievance Committee" is a committee of five (5) impartial Nobles appointed by the Potentate and charged with the duty of thoroughly investigating a complaint.

(e) "Trial Panel" is the panel of nine (9) impartial Nobles appointed by the potentate from which the trial committee is selected.

(f) "Trial Committee" consists of the five (5) members of a trial panel who are selected to try the charges brought against the accused Noble.

(g) "Charges" is a written, signed and dated statement apprising the accused Noble of the nature and character of the offense or offenses being brought by and on behalf of the Temple.

(h) "Prosecutor" is the Noble representing the Temple in the trial of the accused Noble.

(i) "Impartial" is having no direct knowledge of the acts or conduct set forth in the complaint or charges; not having formed an opinion as to the merits of the complaint or charges; not being related by blood or marriage, nor being so closely associated with the complaining Noble, the accused Noble or any material witness as to be likely to affect the Noble's judgment.

(j) "Notice notify, provide, deliver or file" means to mail, first class, postage prepaid, a copy of the document in question to the last known address of the Noble involved or to deliver the document to the Noble in person. Unless a greater time is specifically allowed, this should be done immediately. No notice of proceedings hereunder is required to be given Temple membership.

(k) "Witness" is a person, male or female, Shriner or non-Shriner, called to give testimony.

§ **330.4 Procedure.** Proceedings for the discipline of any Noble by a Temple are as follows:

(a) Before trial.

(1) Any Noble complaining against another Noble of conduct unbecoming a Noble of the Mystic Shrine or for violation of Shrine Law, must state the nature and character thereof in writing, sign and date the complaint, and deliver it to the Potentate of the Temple. The Complaint must be filed within the time period provided in § 101.9(b).

(2) Immediately upon the receipt of a complaint it is the duty of the Potentate to notify the Imperial Potentate and to deliver a copy of the complaint to the accused Noble and to appoint a grievance committee of 5 impartial members of the Temple,

giving preference to Past Potentates, whose duty it is to thoroughly investigate the complaint. The complaining Noble and the accused Noble shall be afforded an opportunity to be heard before the grievance committee. The complaining Noble may withdraw the complaint anytime prior to the determination of the existence of probable cause by the grievance committee and, in such event, the grievance committee is discharged from further consideration of the matter and the complaint is dismissed. If the complaint is not withdrawn, the grievance committee by majority vote, must determine whether there is probable cause for believing an offense has been committed by the accused Noble, and shall report to the Potentate. The report must be made within 60 days after appointment of the committee, be in writing, and signed by those voting in the majority, and copies shall be delivered to the complaining Noble and the accused Noble. If no probable cause is found, the proceedings shall terminate, subject only to the rights of the complaining Noble to appeal as provided by § 330.4(c)(2).

(3) Immediately upon the receipt of a report from the grievance committee finding probable cause, it is the duty of the Potentate to refer the matter to the Assistant Rabban, or, if he is disqualified from acting, to an impartial Noble of the Temple designated by the Potentate to serve as alternate, and it is the duty of the Assistant Rabban, or of the alternate, to cause formal written charges to be preferred in the name of the Temple against the accused Noble. The charges, in plain and concise language, must apprise the accused Noble of the offense charged, and when signed by the Assistant Rabban, or the alternate, shall be filed with the Recorder of the Temple, and a copy shall be delivered to the Potentate, the complaining Noble and the accused Noble.

(4) Immediately upon the filing of the charges, it is the duty of the Potentate to appoint a trial panel of 9 impartial Nobles of the Temple, and to designate a date for the trial, which shall be not less than 15 nor more than 30 days from the date of the selection of the trial panel. The Potentate may for good cause postpone the trial to a subsequent date not later than 60 days from the date of the selection of the trial panel. The names of the trial panel shall be provided to the complaining Noble, the accused Noble and the Temple. Neither the com-

plaining Noble, the accused Noble, the Temple nor anyone representing them shall have any contact whatsoever with the trial panel or vice versa regarding the case.

(5) If any officer named in this section is the complaining Noble, is the accused Noble or is not impartial as the term is defined in § 330.3(i), he shall be disqualified to act. If a member of the grievance committee or the trial panel is disqualified, it is the duty of the Potentate to fill the vacancy with an impartial Noble.

(6) Unless an officer or a Noble is disqualified under the provisions of (5), or excused by the Potentate, he is required to serve. Any Noble who willfully violates any provision of Article 30 is subject to discipline under the Article.

(7) In the event the Potentate is disqualified under (5), or for good cause disqualifies himself, the Chief Rabban acts in his stead; if both are disqualified, the Potentate shall appoint the highest ranking qualified officer to act. And, if all officers are disqualified, the Potentate shall appoint an impartial Noble to act in his stead.

(8) It is the duty of the Recorder of the Temple to cause to be served upon the accused Noble a certified copy of the charges, together with a notice apprising the accused Noble of the time and place of the trial. Service shall be in person by a Noble, or by certified mail, addressed to the last known address of the accused Noble. The affidavit of the Noble making service, or of the Recorder of the mailing is prima facie evidence of the service of the notice and charges upon the accused Noble.

(9) It is the duty of the Assistant Rabban or the alternate, in the name of the Temple, to prosecute the charges, and the Temple may have the assistance of counsel in the presentation of the charges, provided the counsel is a Noble. The accused Noble also shall have the right of counsel, provided the counsel is a Noble.

(10) The accused Noble may file written answer to the charges at least five days prior to the time set for the trial.

(b) Trial.

(1) Upon the date set for trial, the prosecutor may excuse 2 of the trial panel chosen by the Potentate, and the accused Noble has the right to excuse 2 of the trial panel, leaving a trial committee of 5. If the accused Noble or the Prosecutor fails or

refuses to exercise his challenges, then the trial committee of 5 shall be chosen by lot. Prior to exercising their challenges, both the accused Noble and the prosecutor shall have the right to inquire of the trial panel and to challenge any Noble for cause. Cause shall consist of showing that the Noble in question is not impartial. The Potentate shall rule on all challenges. The Potentate shall immediately appoint a substitute impartial trial panel member for any Noble excused for cause.

(2) The trial committee selects one of its members as chairman. The chairman has charge of the conduct of the trial and may have an attorney who is a Noble present during the trial for the purpose of advising the trial committee concerning procedural and legal issues. Such attorney shall serve at the expense of the Temple. The Chairman administers the oath to all witnesses who are Nobles upon their honor as Nobles. All witnesses who are not Nobles shall be sworn by any officer qualified to administer oaths.

(3) Both the Temple and the accused Noble have the right to summon witnesses, and disobedience of a summons subjects an offending Noble to discipline under Article 30. Request for the issuance of a summons to a witness shall be made of the Recorder, who shall issue, sign and deliver the summons at least five days prior to trial.

(4) The testimony of all witnesses shall be taken by a competent stenographer, male or female, so that it may be preserved as are transcripts in a court proceeding.

(5) Either the Temple or the accused Noble may take depositions of witnesses who cannot attend the trial, provided reasonable notice of the time and place of the taking thereof is given the opposite party. The accused Noble and the Temple shall provide each other with copies of all known documents that are to be used at the trial at least five (5) days prior to the trial.

(6) Any Noble of the Temple is permitted to attend the trial; however, notice of the trial date to Temple membership is not required. The deliberations of the committee upon guilt or innocence and fixing of punishment are secret. All deliberations must be in person and in the presence of each member of the trial committee.

(7) The trial committee hears the evidence adduced on behalf

of the Temple and the accused Noble, and shall conduct the trial in an informal manner not being bound by the technical rules of evidence except for those relating to privileged communications. The trial committee hears the arguments of counsel, including appropriate arguments regarding punishment in the event guilt may be found, and then proceeds with its deliberations, and ascertains the guilt or innocence of the accused Noble. If the committee finds the accused Noble guilty, it shall fix the punishment, which may be either reprimand, expulsion, suspension for an indefinite period, or suspension for a definite period.

(8) A majority vote of the committee upon the question of guilt and upon the fixing of punishment shall be required. The report of the trial committee must be signed by those voting with the majority. The report is then immediately sealed to be opened by the Potentate at the next stated meeting.

(9) At the next stated meeting of the Temple after the trial, the report shall be unsealed by the Potentate and read to the Temple. This reading of the report is the pronouncement of judgment. The judgment dates from the time of the pronouncement of judgment by the Potentate, and from that date is final, unless the same is reversed or modified on an appeal therefrom to the Imperial Council. Any Noble revealing the contents of the report before the pronouncement of the judgment is subject to discipline.

(c) Appeal.

(1) Either the Temple or the accused Noble has the right within 30 days to appeal to the Imperial Council from any judgment rendered.

(2) The complaining Noble has the right within 30 days to appeal to the Imperial Council from the decision of the grievance committee finding no probable cause.

(3) Notice of appeal under (1) or (2) must be filed with the Imperial Recorder within 30 days.

(4) In the event of an appeal, it is the duty of the Temple to file a complete transcript of the proceedings with the Imperial Recorder at least 30 days prior to the next annual session of the Imperial Council. The Imperial Recorder thereupon shall transmit all the papers pertaining to the appeal to

the chairman of the Grievances and Appeals Committee of the Imperial Council.

(5) If an appeal is taken, the party appealing must pay all the costs and expenses of the transcript of the evidence, unless in the judgment of the Potentate the party appealing is unable to pay the expenses, in which event the Temple must pay.

(d) Restoration.

(1) If the member is suspended for an indefinite period, he is not permitted to petition for restoration until after the expiration of one year from the date of judgment of suspension. Any Noble suspended for an indefinite period may be restored in the following manner: He must present an application for restoration, which shall be read at a stated meeting and laid over until the next stated meeting, and notice of the application must be sent to the members. At the next stated meeting after the presentation of the application, the following question must be put: "Shall the Noble be restored?" If $\frac{2}{3}$ ds of the members present vote for his restoration, he is restored. If a less number than $\frac{2}{3}$ ds vote for restoration, he remains suspended, and is not permitted to petition again for a period of one year thereafter.

(2) If the member is expelled, he cannot be restored but may petition again the Temple from which he was expelled for membership as if he had never before been a member. However, if he wishes to become a member of any other Temple, he must obtain a waiver from the expelling Temple before the Temple having jurisdiction of his petition can vote thereon. This application for a waiver shall be acted upon at a stated meeting of the expelling Temple and it must be approved by a majority vote of the members present and voting.

PREFACE

These annotations are not "Shrine law". See §101.3(j). They are simply references to rulings, decisions, and interpretations of the Imperial bylaws made by various Imperial Potentates in the past. As such, however, they are precedents which will probably influence future rulings, decisions, and interpretations under like or similar circumstances.

ANNOTATIONS TO BYLAWS

(Iowa)

§ 101.3

1972 Proceedings, p. 155. Obedience to Shrine law, as defined in § 101.3(j), is not optional but is required of all Shriners and of every Temple.

1973 Proceedings, p. 99. According to § 206.5(a)(4), General Orders expire at the conclusion of the Imperial Council Session next following their issuance; and, by the terms of § 101.3 (j), General Orders which have expired are no longer Shrine law.

§ 101.4

1975 Proceedings, p. 20. By the provisions of § 101.4, Robert's Rules of Order governs parliamentary procedure at Temple meetings; and the Potentate must permit a full discussion of any pending matter before putting it to a vote unless the Nobility adopts a motion calling for the previous question.

§ 101.7

1966 Proceedings, p. 208. Independent organizations are not subject to supervision or control of Temple Potentate simply because they are composed wholly of Shriners.

§ 101.9

1966 Proceedings, p. 208. Individual Nobles are subject to discipline for violation of Shrine law in connection with activities not directly related to membership in the Shrine.

§ 203.1

1976 Proceedings, p. 177. An ad vitam and emeritus Representative who demits and affiliates with another Temple becomes an ad vitam and emeritus Representative of the Temple with which he affiliates.

§ 206.5

1966 Proceedings, p. 211. General Orders of an Imperial Potentate are not amendments to bylaws of Imperial Council.

1970 Proceedings, p. 96. The Imperial Potentate may suspend from office a Representative to the Imperial Council.

1973 Proceedings, p. 99. According to § 206.5(a)(4), General Orders expire at the conclusion of the Imperial Council Session next following their issuance; and, by the terms of § 101.3 (j), General Orders which have expired are no longer Shrine law.

§ 207.3

1976 Proceedings, p. 176. While the minutes of the Boards of Directors and Trustees must be produced and read to the Imperial Council upon its order, a Representative does not have the right to demand that copies of such minutes be routinely sent to him for his inspection.

§ 208.6

1971 Proceedings, p. 97. Nobles who believe the Potentate's exercise of his discretionary powers to have been arbitrary and capricious may file a grievance for consideration by the Grievances and Appeals Committee under §208.6(e).

1972 Proceedings, p. 153. An appeal from a decision of the Imperial Po-

ANNOTATIONS TO BYLAWS (IOWA)

tentate made pursuant to § 206.5(a)(13) is made to the Imperial Council and should be referred to the Grievances and Appeals Committee in accordance with § 208.6(e).

§ 209.1

1966 Proceedings, p. 211. Shrine Club not eligible for membership in Shrine Association.

§ 210.1

1972 Proceedings, p. 154. Temples are neither required nor permitted under §§ 210.1 and 323.3 to look beyond membership in the prerequisite bodies for further certification of Blue Lodge membership.

§ 211.5

1965 Proceedings, p. 39, 43. Annual per capita tax not passed on to life members. Also, 1966 Proceedings, p. 208.

Also, 1984 Proceedings, p. 109.

§ 213.1

1967 Proceedings, p. 83. The use of straw fezzes is prohibited.

1978 Proceedings, p. 88. Section 213.1(e) states that the fez may be worn only at meetings and gatherings of Nobles held under the authority of some legal body of the Order; and this does not include meetings of ladies' organizations, because they are not a part of the Order.

§ 213.2

1972 Proceedings, p. 154. None but the Imperial Council itself should have exclusive rights to Shrine emblems described in § 213.2 and registration by an association of units of a trademark which includes such emblems is forbidden.

§ 322.5

1967 Proceedings, p. 83. Construction of a Mosque within the urban area of the seat of the Temple but beyond its corporate limits does not work a change in the location of the Temple.

1970 Proceedings, p. 93. Removal of a Temple from one municipality to another, even within the same urban area, may be effected only after compliance with this section.

1973 Proceedings, p. 99. A temple may not be moved to a city which is located in territory over which it holds only concurrent jurisdiction.

1975 Proceedings, p. 19. The removal of a Temple from one address to another within the corporate limits of the city named in its charter is not a change of location within the meaning of § 322.5.

1976 Proceedings, see p. 176. Approval by the Imperial Council for the change of location of a Temple may be given only by the Imperial Council itself at an annual session in accord with § 322.5(f).

§ 323.2

1967 Proceedings, p. 84. A petition for membership should not be signed by those who recommend the petitioner until the petition has been completed and signed by the petitioner.

§ 323.3

1967 Proceedings, p. 83. Expulsion of a member of his Grand Lodge does not terminate Shrine membership until there has been a loss of Scottish or York Rite membership and that loss has become final.

1972 Proceedings, p. 154. Temples are neither required nor permitted under §§ 210.1 and 323.3 to look beyond membership in the prerequisite bodies for further certification of Blue Lodge membership.

1973 Proceedings, p. 98. Under § 323.8 a Noble is required to maintain

ANNOTATIONS TO BYLAWS (IOWA)

membership in a prerequisite body in order to retain membership in the Shrine; but according to § 323.3(b) no temple may add to that a requirement that its members provide certification of membership in symbolic lodges.

1979 Proceedings, p. 169. The Symbolic Lodge is not one of the "prerequisite bodies" as that term is used in the bylaws of the Imperial Council.

§ 323.5

1975 Proceedings, p. 20, § 323.5 requires that petitioners for initiation be elected by ballot, which by its very nature is secret; and a voice vote on petitions for initiation is contrary to Shrine law.

§ 323.7

1973 Proceedings, p. 97. Under § 323.7(b), the jurisdictional requirements for associate membership are the same as those relating to affiliation by demit under § 328.8. A Noble who lives in the jurisdiction of one temple may not petition another temple for associate membership without a waiver from the first.

1973 Proceedings, p. 97. Under § 323.7(b) a Noble who resides within the jurisdiction of one temple may apply for associate membership in another temple upon receiving a waiver from the temple in the jurisdiction of which he resides.

1973 Proceedings, p. 97. Under § 323.7(g) an associate member may hold office in a Shrine club of a temple which otherwise disqualifies members of other temples from office in its Shrine clubs.

1975 Proceedings, p. 19. § 323.7 does not prohibit the holding of associate membership in more than one Temple.

1976 Proceedings, p. 177. Under § 323.7(g) associate members have all of the rights and privileges of regular membership except that of holding elective office in the Temple itself, so a Potentate may not forbid their holding office in Shrine Clubs or Units on the basis of their associate membership alone.

1976 Proceedings, see p. 177. One who holds associate membership in a Temple and wishes to convert that membership to regular membership must obtain a demit from his "mother" Temple and make an application for regular membership by affiliation in the second Temple under § 328.8.

1977 Proceedings, p. 162. By virtue of § 323.7(b), the 1976 amendments to § 328.2(b) and 328.6(e) apply to Associate Members.

1979 Proceedings, p. 169. Each assessment resolution must be interpreted in accordance with its own terms; but, inasmuch as § 332.7(a) makes no provision for the exclusion of associate members from an assessment, associate members are subject thereto in the same fashion as are regular members.

§ 323.8

1967 Proceedings, p. 82. A suspended member is entitled to be automatically restored to membership upon demonstrating that he has been restored to good standing in the prerequisite body, but payment of dues cannot be required for any full year of suspension.

1973 Proceedings, p. 98. Upon receipt of official written notice from a prerequisite body that a demit has been granted to one of its members who does not hold membership in the other prerequisite body, a temple must treat the member as suspended in accordance with § 323.8(c) for having failed to maintain the requirements of § 323.3(a).

1979 Proceedings, p. 169. The Symbolic Lodge is not one of the "prerequisite bodies" as that term is used in the bylaws of the Imperial Council.

1983 Proceedings, p. 212. When a Noble is suspended from his prerequisite body the suspension therefrom must have become final and the suspended Noble's temple must receive an official written notice from the prerequisite body, before the Noble is suspended from the Shrine.

§ 323.9

1967 Proceedings, p. 83. Conviction of a crime, in the absence of Temple disciplinary proceedings or termination of prerequisite memberships, does not result in a loss of Shrine membership.

1972 Proceedings, p. 154. By the provisions of § 323.9(b) membership is terminated by expulsion, and one who has been expelled must apply again for membership under § 330.2(d) (2).

1975 Proceedings, p. 21. The issuance of a demit does not terminate one's membership in the Order, but under § 323.9 simply suspends his rights of membership in the Temple which issues the demit; so, under § 330.1, a demitted Noble is subject to discipline by the Temple in the jurisdiction of which he resides.

1978 Proceedings, p. 87. A Noble against whom a complaint has been lodged but as to whom the formal written charges described in §330.2(a)(3) have not been filed, is "free from charges" within the meaning of §323.9(b) and may resign his Temple membership.

§ 323.10

1971 Proceedings, p. 97. After adoption by the temple of an assessment pursuant to §332.7, a demit may be granted under 323.10(a) only if the assessment is paid.

1972 Proceedings, p. 155. A Noble who requested a demit before the levy of an assessment is not required by § 323.10(a) to pay the assessment before issuance of his demit, even though issuance be delayed until after the assessment has been levied.

1973 Proceedings, p. 97. To either withhold a demit from one who qualifies under § 323.10(a) or to delay its issuance beyond a reasonable time, for any reason, is a violation of § 323.10 (b).

§ 323.11

1978 Proceedings, p. 88. Under §323.11(d) a Noble who has been suspended for nonpayment of dues may be restored upon terms authorized by the Temple, and such terms may be expressed either by the Temple By-laws or otherwise in accordance with §324.8.

§ 323.12

1967 Proceedings, p. 84. A life member of a Temple who took a demit is entitled to be restored to life membership status upon reaffiliation.

1973 Proceedings, p. 97. Imperial bylaw §§ 323.13 and 332.6 are permissive only, so that a temple must itself establish the conditions upon which it will grant life membership.

1973 Proceedings, p. 97. So long as the minimum requirements expressed in §§ 323.13 and 332.6 are met, a temple is free to fix its own policies with respect to creation of life members.

§ 323.13

1965 Proceedings, p. 43. Honorary membership to Nobles only. Majority vote of Temple.

§ 324.1

1972 Proceedings, p. 152. So long as the Temple holds at least one stated meeting during each calendar quarter, as required by § 324.1, Temple By-laws may include a provision which permits the Potentate to dispense with other stated meetings.

1973 Proceedings, p. 97. The stated meeting of a temple is not the appropriate forum for debate of either a suspension Order issued by the Imperial Potentate or Masonic charges pending against a member of the Order.

1975 Proceedings, p. 20. A Temple may take action only at a stated or specially called business meeting, and cannot be bound by a mail referendum.

§ 324.2

1972 Proceedings, p. 154. By virtue of § 328.1 a Temple is sovereign in its own territorial jurisdiction and, accordingly, it may attach conditions to

ANNOTATIONS TO BYLAWS (IOWA)

any consent given under § 328.7(d) that another Temple may hold a ceremonial within its jurisdiction.

1974 Proceedings, p. 25. A special dispensation from the Imperial Potentate may be issued under § 328.7(c) for a ceremonial to be held aboard ship in the Caribbean during a Temple cruise.

§ 324.3

1978 Proceedings, p. 87. Inasmuch as §324.3 proscribes the transaction at a special meeting of business other than that specified in the notice, an election to fill a vacancy created by the promotion of an officer at a special election may not be conducted unless the notice of the special meeting so provides, notwithstanding the discretionary provisions of §325.13(b) which permit the filling of such a vacancy if notice is given.

§ 324.5

1985 Proceedings, Page 111. Section 324.5 does not require first class mailing of notice. Neither is receipt of notice required. Only certificate of mailing not less than one week in advance.

§ 324.7

1972 Proceedings, p. 154. § 324.7 does not authorize the Potentate to select a Past Potentate to preside when the former is absent from a meeting or session of his Temple.

§ 324.8

1966 Proceedings, p. 211. The use of proxies or voting by mail is prohibited.

1970 Proceedings, p. 93. Any action of Temple officers or committees, unless pursuant to powers and duties expressly delegated to them, is subject to review and rescission by the Temple.

1974 Proceedings, p. 26. It is manifest from the provisions of §§ 327.5, 324.8 and 334.4 that so long as it complies with Shrine law, the Temple itself has ultimate authority with respect to all of its financial affairs, including those of appendant or affiliated corporations.

1975 Proceedings, p. 20. In the absence of a Temple bylaw delegating to some officer or committee the authority to dispose of Temple assets, § 324.8 requires specific authorization by the Temple itself to sell an asset belonging to the Temple.

1979 Proceedings, p. 171. In the absence of Temple bylaw provisions delegating powers and fixing responsibilities of the Temple Trustees, such Trustees simply hold the bare legal title of property for the benefit of the Temple, and § 324.8 empowers the members of the Temple, at meetings thereof, to take such action as may be necessary for the operation and maintenance of the properties.

§ 325.1

1971 Proceedings, p. 95. A noble may not at the same time hold both the offices of Potentate and Recorder of his temple.

§ 325.2

1980 Proceedings, p. 28. A candidate for Temple office need not reside within the jurisdiction of the Temple, but only within the jurisdiction of the Imperial Council, as required by § 325.12.

1982 Proceedings, p. 169. A Noble who has served part of the year as assistant rabban and part of the year as chief rabban of his Temple is eligible to serve his Temple as Potentate the following year as he has served "at least one term as either Chief Rabban or Assistant Rabban of a Temple" as required by §325.2(c) of the By-laws.

1985 Proceedings, Page 112. Matters concerning election procedures not specifically governed by the Imperial bylaws are to be governed by Roberts Rules of Order pursuant to Section 101.4 and by the concept of due notice to all of the Nobility, common sense, and fair play.

ANNOTATIONS TO BYLAWS (IOWA)

§ 325.3

1981 Proceedings, p. 165. A resolution which would require the election of the appointive divan was properly ruled out of order for inconsistency with § 325.3.

§ 325.5

1967 Proceedings, p. 84. There is no objection to a waiver of rules and the adoption of a motion for casting a unanimous ballot for an unopposed candidate for Temple office.

1975 Proceedings, p. 20. Under § 325.5 Temple officers must be elected as individuals and the Nobility may not be required to vote for one or the other of two "slates" of candidates.

§ 325.6

1980 Proceedings, p. 29. The making of announcements, reports, and presentations while ballots are being counted during a Temple election is not a violation of § 325.6 if no action of the Temple is required or taken on such announcements, reports, and presentations.

§ 325.7

1967 Proceedings, p. 83. A Temple may create, by appropriate bylaw, the office of Recorder Emeritus or Treasurer Emeritus.

1974 Proceedings, p. 26. Unless pursuant to § 325.7 a Temple has made provision in its By-laws for such officers, it may not elect an Assistant Treasurer or an Assistant Recorder.

1974 Proceedings, p. 27. Neither the Potentate nor the Board of Directors of a Temple may create additional Temple offices, for which provision may be made only by the Temple bylaws pursuant to § 325.7.

§ 325.8

1978 Proceedings, p. 88. Because §325.8 requires that nominations for Temple office be made from the floor, the practice of suspending the rules in order that unopposed nominees may be elected by the casting of one ballot comes within the exception expressed in §101.4 and Section 44 of Roberts Rules of Order, Newly Revised, does not apply, because it contemplates the situation described in Section 45 of Roberts, which says that nominations for office are not necessary.

§ 325.9

1983 Proceedings, p. 212. A proposed amendment to a temple's bylaws which makes the chief rabban a representative to the Imperial Council by virtue of his office is in conflict with the bylaws of the Imperial Council. All representatives are to be elected by written ballot at the annual meeting of the temple.

§ 325.10

1965 Proceedings, p. 40. Use of written devices prohibited.

1968 Proceedings, p. 121. Shrine Club Meeting Notice cannot recommend candidates for Temple office.

1971 Proceedings, p. 97. The distribution among members of the temple of an "information sheet" containing the name of a proposed candidate for temple office and listing his Masonic history, military service record, and civilian work record is a violation of §325.10(a) even though the office to which he aspires is not mentioned.

1972 Proceedings, p. 154. The editors of unit and Shrine Club newsletters are responsible for violations of § 325.10(a) in publishing solicitations for support of candidates for Temple office.

1972 Proceedings, p. 153. A Temple bylaw provision which prohibits the expenditure of money for gifts, favors or entertainment on behalf of candidates for Temple office is not inconsistent with Article 25.

ANNOTATIONS TO BYLAWS (IOWA)

1975 Proceedings, p. 19. A Temple is free to regulate campaigns for Temple office so long as the regulations are consistent with Article 25 of the Imperial bylaws; but without a trial under Article 30, only the Imperial Potentate may suspend one who violates such regulations or declare the election void.

1976 Proceedings, p. 175. An oral announcement by a prospective candidate for Temple office of his intention to become a candidate is not a violation of Shrine law, but the publication in a Temple newspaper of the fact that such announcement was made is contrary to § 325.10(a).

1981 Proceedings, p. 165. Election of Imperial Representatives at a second meeting instead of at the annual meeting and without notice of election required by § 325.10 (c) is improper; and a new election with proper notice is required.

1983 Proceedings, p. 212. The distribution of written material to the members of a temple by a Noble thereof opposing the re-election of the recorder by asserting in the material, inter alia, that "it's time for a change" is a violation of §335.10(a).

1984 Proceedings p. 110. Breach of temple level election procedure which does not violate the basic rules of justice and fairness and are not violations of Shrine law will not ordinarily require the Imperial Potentate to order a new election.

§ 325.12

1977 Proceedings, p. 162. A Temple officer who lives in an area which becomes a part of the jurisdiction of a newly organized Temple does not lose his office thereby, because § 325.12 requires only that he live within the jurisdiction of the Imperial Council.

1977 Proceedings, p. 163. A Temple bylaw which restricts eligibility for Temple office to certain counties of residence is inconsistent with § 325.12 and void.

1979 Proceedings, p. 170. Regardless of a "not guilty" finding in a trial by his Symbolic Lodge, a Shriner who was convicted of a felony is not eligible for office in his Temple until pardoned by proper State or Federal authority.

1984 Proceedings, p. 110. Question of "physical incompetence" of Temple officer to a degree creating a vacancy in such office is an issue which must be decided by the membership following due notice under Section 324.5.

§ 325.13

1967 Proceedings, p. 83. Shrine law does not permit the election and installation of a Potentate, accepting his resignation from office, and the election and installation of his successor at the same meeting.

1970 Proceedings, p. 96. A special election should be held to fill a vacancy created by the suspension of a Representative to the Imperial Council.

1972 Proceedings, p. 152. The Oriental Guide is not required to resign from his office in order to be a candidate for the office of High Priest and Prophet at a special election held pursuant to § 325.13; and, if he is elected, the vacancy in his office thus created may be filled at the same meeting.

1973 Proceedings, p. 96. A special election under § 325.13(a) is not mandatory; but the temple itself may direct that a special election be called, in which event a special election must be held at the time and place directed.

§ 325.14

1976 Proceedings, p. 176. A vacancy in the office of Representative to the Imperial Council may be filled only by election, except in the special circumstances mentioned in § 325.14(a).

ANNOTATIONS TO BYLAWS (IOWA)

§ 326.1

1968 Proceedings, p. 121. The obligation of a Temple officer cannot be taken by proxy.

§ 326.3

1966 Proceedings, p. 211. Elected Temple officer continues to hold office until his successor is both elected and installed.

§ 327.1

1966 Proceedings, p. 212. Failure of officers having custody of Temple books and records to make them available for inspection or audit by authorized persons is contrary to Shrine Law.

1974 Proceedings, p. 27. The Potentate has no authority to suspend a member of his Temple; but, if he is of the opinion that the Noble is guilty of conduct unbecoming a Noble of the Mystic Shrine, he should see to the institution of proceedings under Article 30.

1979 Proceedings, p. 171. The Potentate has no authority to order the confiscation of a Noble's fez, even for alleged misconduct, without a trial under Article 30. Only the Imperial Potentate has the power to suspend a Noble without a trial.

1979 Proceedings, p. 169. A Temple bylaw provision which requires appointment of Temple committees by an Executive Committee is contrary to § 327.1(c) and void.

§ 327.3

1966 Proceedings, p. 208 and 209. Temple Recorder has custody and control of Records, subject to provisions of Temple bylaws or direct action of the Temple.

1967 Proceedings, p. 83. The duties of the Recorder cannot be delegated by a Temple By-laws to a "Scribe" appointed by the Potentate.

1972 Proceedings, p. 155. The Imperial bylaws do not prohibit the employment by a Temple of a business manager, but none of the Recorder's responsibilities may be transferred to him, even by specific provision of the Temple By-laws under § 327.3(b), because he is not an officer of the Temple.

1973 Proceedings, p. 97. The duties which would otherwise be those of the Recorder under § 327.3(b) may not be assigned to a "business manager" employed by the Executive Committee of the temple.

1974 Proceedings, p. 26. The Recorder must submit the documents or reports referred to § 327.3(a) with his own signature affixed, and such documents or reports signed by an "Executive Secretary" are not acceptable.

1975 Proceedings, p. 19. Unless there is some provision in the Temple By-laws to the contrary, employees of the Temple are to be hired by the Recorder, with the consent of the elective Divan, under § 327.3(a)(7).

1975 Proceedings, p. 21. While under § 327.1(a) the Potentate has the right to appoint officers and committees of his Temple, under § 327.3(a)(7) the Recorder, with the consent of the Divan, has the power to hire employees, unless by the Temple bylaws that power is vested elsewhere.

1978 Proceedings, p. 87. Any reassignment of duties among Temple officers or employees must be accomplished in accordance with or by amendment to the Temple bylaws in a manner consistent with the Imperial bylaws, and not simply by action of the Temple Board of Trustees in contravention of §§ 327.3 and 327.4.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

§ 327.4

1965 Proceedings, p. 42. Temple bylaws valid which provide for both Potentate and Treasurer to sign checks.

ANNOTATIONS TO BYLAWS (IOWA)

1975 Proceedings, p. 20. Under § 327.4(f) and § 327.5 both the Treasurer and the Temple Trustees must account to the Temple for the expenditure of Temple funds in accordance with appropriations made pursuant to § 334.4(d).

1977 Proceedings, p. 163. Where Temple bylaws do not specifically assign the duties listed under § 327.4 to another officer, the Treasurer must sign all checks drawn on Temple funds; and, where the Temple bylaws make him a member of the Finance Committee, he may not be excluded from its meetings.

1978 Proceedings, p. 87. Any reassignment of duties among Temple officers or employees must be accomplished in accordance with or by amendment to the Temple bylaws in a manner consistent with the Imperial bylaws, and not simply by action of the Temple Board of Trustees in contravention of §§ 327.3 and 327.4.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

§ 327.5

1966 Proceedings, p. 209. By-laws may not disqualify any Noble in good standing.

1970 Proceedings, p. 93. Temple Boards of Trustees do not have arbitrary control over Temple funds.

1972 Proceedings, p. 152. In the absence of a Temple By-law otherwise providing, the Potentate as an ex-officio member of the Temple Board of Trustees has the same rights and voting privileges as other members of the Board.

1973 Proceedings, p. 90. Under § 327.5, temple bylaws may delegate specific powers to boards or committees subject to review by the temple at stated meetings; and the Potentate has no authority to countermand any lawful decisions properly within the scope of the responsibilities of such boards or committees.

1975 Proceedings, p. 20. Under § 327.4(f) and § 327.5 both the Treasurer and the Temple Trustees must account to the Temple for the expenditure of Temple funds in accordance with appropriations made pursuant to § 334.4(d).

1976 Proceedings, p. 176. According to § 327.5 the financial affairs of a Temple may not be vested exclusively in Temple Trustees, and any Temple bylaw having relation to the Temple's financial affairs must be read in light of § 327.5

1979 Proceedings, p. 171. In the absence of Temple bylaw provisions delegating powers and fixing responsibilities of the Temple Trustees, such Trustees simply hold the bare legal title of property for the benefit of the Temple, and § 324.8 empowers the members of the Temple, at meetings thereof, to take such action as may be necessary for the operation and maintenance of the properties.

1979 Proceedings, p. 170. All Temple funds, including those of its circus, are subject to the control of the Temple through either § 334.4 or § 327.5, or both.

1980 Proceedings, p. 99. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

§ 327.7

1980 Proceedings, p. 29. While members of the Temple need not be given unlimited access to all of the books and records kept by its financial

ANNOTATIONS TO BYLAWS (IOWA)

officers, any member may question the financial officers at a Temple meeting; and a Temple, by action taken at a meeting, may authorize an individual or a special committee to examine any of the books or records kept by its financial officers or, indeed, it may require them to turn over such books and papers to such person and at such time as the Temple directs, pursuant to § 327.7.

§ 328.1

1972 Proceedings, p. 153. By virtue of § 328.1, the Potentate of one Temple has the power to prohibit the solicitation of advertisements within the jurisdiction of his Temple by or for the benefit of another Temple.

§ 328.2

1970 Proceedings, p. 93. Measurement of distance is by direct line, rather than by either rail or highway mileage.

1972 Proceedings, p. 152. Agreements made pursuant to § 328.2(a) may be rescinded by any of the Temples involved unless an amendment to the appropriate sections of Part IV has been adopted by the Imperial Council.

§ 328.6

1966 Proceedings, p. 209. Applies to both petitions for initiation and affiliation.

1977 Proceedings, p. 161. Measurements of distances involved in the application of § 328.6(e) are made from the city limits of the city named in the Temple's charter to the street address of the place where the petitioner in good faith makes his home, and in a direct line. § 328.6(e) applies to petitions for affiliation as well as to petitions for initiation.

§ 328.7

1967 Proceedings, p. 83. A Temple may not waive jurisdiction over a demitting member so as to permit his affiliation with a Temple in whose jurisdiction he has resided for less than six months.

1975 Proceedings, p. 20. A vote of the Temple is not required for the re-affiliation of one who meets the requirements of § 328.7.

1976 Proceedings, p. 177. According to § 328.7(b) one who lives in concurrent jurisdiction may not demit and affiliate with another Temple holding the same concurrent jurisdiction without the consent of the Temple of which he was first a member.

1976 Proceedings, p. 177. One who holds associate membership in a Temple and wishes to convert that membership to regular membership must obtain a demit from his "mother" Temple and make an application for regular membership by affiliation in the second Temple under § 328.7.

1977 Proceedings, p. 161. While a Noble who lives in concurrent jurisdiction is entitled to a demit if he meets the requirements of § 323.10(a), he may not affiliate with another Temple holding the same concurrent jurisdiction without consent of the Temple from which he demits in accordance with § 328.7(b).

1980 Proceedings, p. 29. One who holds a demit may reaffiliate with the Temple which issued his demit, without a vote of the Temple, if he meets the requirements of § 328.7(b).

§ 329.1

1975 Proceedings, p. 21. § 329.1(b) requires only that the signers of a petition for a dispensation be in good standing with their dues paid in full at the time that the petition is signed, not necessarily at the time the petition is presented.

§ 329.6

1971 Proceedings, p. 94. One who belonged to Al Sihah Temple when he signed an application for a dispensation for Cahaba Temple became a member of Cahaba Temple under § 329.6(b) notwithstanding his affiliation with Zamora Temple before the dispensation to Cahaba Temple was granted.

ANNOTATIONS TO BYLAWS (IOWA)

1979 Proceedings, p. 169. By the provisions of § 329.6 (b), a Noble who signs an application for a dispensation for a new Temple becomes a member of that Temple when its dispensation is granted; and he need not apply for affiliation to that Temple.

1971 Proceedings, p. 94. Pursuant to §§337.4 and 329.6 (a), a Shrine club located within the exclusive jurisdiction of a temple under dispensation is under the control of that temple.

§ 330.1

1974 Proceedings, p. 27. The Potentate has no authority to suspend a member of his Temple; but, if he is of the opinion that the Noble is guilty of conduct unbecoming a Noble of the Mystic Shrine, he should see to the institution of proceeding under Article 30.

§ 330.2

1985 Proceedings, Page 112. Procedure for handling Temple level grievances are provided in Article 30 of the Imperial Council bylaws.

§ 330.3

1985 Proceedings, Page 113. Potentate has control of Shrine Club pursuant to Section 337.3. He may lawfully interpose his edicts regarding management, organization of the club, suspend its operations entirely during the term for which he holds office so long as such edicts are not arbitrary, capricious or penal in nature.

§ 330.4

1984 Proceedings, p. 109. A Noble may present a complaint against any other Noble directly to the Temple.

§ 331.1

1977 Proceedings, p. 162. Notwithstanding an inconsistent Temple bylaw, § 331.1 requires the affirmative vote of 2/3rds or more of the members present and voting to adopt an amendment to Temple bylaws.

1982 Proceedings, p. 169. To approve an amendment to a Temple bylaw, the proposal must be approved by at least 2/3rds of the members present and voting, as required by §331.1 and cannot be approved when 95 members are present and voting and there are 62 votes in favor, 31 votes against and 2 ballots disqualified as not legible.

§ 331.2

1966 Proceedings, p. 210. Proposed amendment may be circulated among members.

1974 Proceedings, p. 26. A revision of Temple bylaws having been disapproved pursuant to § 331.2(e), the Temple continues to operate under the By-laws in effect prior to the adoption of the revision.

1977 Proceedings, p. 162. Inasmuch as § 331.2(e) requires approval by the Imperial Potentate of any Temple By-laws, which become effective only upon his approval, a Board of Trustees constituted by Temple By-laws may not act prior to such approval.

1985 Proceedings, Page 111. Notice under this section and Section 324.5 requires one week's notice. Unless provided by Temple bylaws, first class mailing is not required.

§ 332.1

1972 Proceedings, p. 152. A tour, the price of which is the same to all participants but which for candidates includes their initiation fees, violates § 332.1.

1972 Proceedings, p. 153. Payment of transportation expenses for candidates initiated at a ceremonial held outside the Temple's jurisdiction is contrary to § 332.1(e).

1973 Proceedings, p. 96. Offering candidates for membership reduced fare to an out-of-state ceremonial violates § 332.1.

ANNOTATIONS TO BYLAWS (IOWA)

1975 Proceedings, p. 19. The payment of transportation expenses for candidates initiated at a ceremonial within the jurisdiction of a Temple is a proper expense of the ceremonial itself and not prohibited by § 332.1(e).

1976 Proceedings, see p. 176. The fee for conferring the order having been established by the bylaws of a Temple, it may be changed only by an amendment to the bylaws pursuant to §§ 331.1 and 331.2 and not by simply adopting a Resolution at a stated meeting.

1976 Proceedings, p. 176. Offering candidates for initiation reduced fares to an out-of-state ceremonial at which they are to be initiated is a violation of § 332.1(e).

1977 Proceedings, p. 163. The offer by a Temple to prospective candidates of jeweled fezzes, pins, bolo ties, or credits on ceremonial trips outside the Temple's jurisdiction is a violation of § 332.1(e).

1978 Proceedings, p. 87. Section 332.1 does not permit different rates of initiation fees dependent upon the age of prospective candidates.

1980 Proceedings, p. 29. Payment by a Temple for the meals and lodging of candidates attending a ceremonial outside the jurisdiction of that Temple is prohibited by § 332.1(e).

1983 Proceedings, p. 212. The inclusion of a free fez and free dues for the first year cannot be included in the initiation fee of a candidate.

§ 332.6

1973 Proceedings, p. 97. So long as the minimum requirements expressed in §§ 323.13 and 332.6 are met, a temple is free to fix its own policies with respect to creation of life members.

§ 332.7

1972 Proceedings, p. 152. An assessment levied pursuant to § 332.7 must apply to all members of the Temple except life members, who are exempt unless specifically included under § 332.7(a).

1976 Proceedings, p. 177. All revenues derived from an assessment, the Resolution for which provided that it be used solely for the reduction of an outstanding mortgage, must be used for that purpose only; and any revenues collected by such assessment beyond those needed to retire the mortgage must be ratably refunded to the members of the Temple, and may not be transferred to the general funds of the Temple.

1977 Proceedings, p. 162. A Noble who joins a Temple after its adoption of an assessment resolution must pay the assessment in accordance with the terms of the resolution.

1979 Proceedings, p. 169. Each assessment resolution must be interpreted in accordance with its own terms; but, inasmuch as § 332.7(a) makes no provision for the exclusion of associate members from an assessment, associate members are subject thereto in the same fashion as are regular members.

1979 Proceedings, p. 170. § 332.7 does not require that an assessment resolution lay over from one meeting until another but simply requires publication of a notice that it will be proposed at the meeting at which action is to be taken.

1979 Proceedings, p. 170. Without specific reference to life members in an assessment resolution, § 332.7(a) precludes its application to them.

1983 Proceedings, p. 212. Money received from a temple assessment must be used for the purposes stated in the resolution adopted by the temple, unless a new resolution is properly warned and adopted by the temple.

§ 332.8

1982 Proceedings, p. 171. A Noble is free of assessments if he applies for a demit prior to the adoption of an assessment by his Temple.

1982 Proceedings, p. 171. If assessment is payable in installments a Noble is current if he has paid the installment due for the year and he is entitled to a certificate of demit.

§ 334.4

1967 Proceedings, p. 83. A Temple bylaw provision that the Potentate and Finance Committee can depart from the Temple budget provided the overall total is not exceeded, will not be approved.

1967 Proceedings, p. 83. Bylaws of a Temple cannot authorize departures from the budget adopted by the Temple membership.

1966 Proceedings, p. 212. If done at a special meeting, timely notice required pursuant to § 324.3.

1970 Proceedings, p. 96. A Temple budget may be amended only by action of the Temple.

1972 Proceedings, p. 155. Under § 334.4(c)(2) any member of the Temple may insist that he be given an opportunity to review the budget in written form before the Temple is called upon to adopt it.

1973 Proceedings, p. 97. Expenditure of funds for uniformed units must be from appropriations made in the temple budget adopted under § 334.4.

1973 Proceedings, p. 98. Inasmuch as the Uniform Chart of Accounts does not provide for "contingency" appropriations, a temple budget which does so is violative of § 334.4(a).

1974 Proceedings, p. 26. It is manifest from the provisions of §§ 327.5, 324.8 and 334.4 that so long as it complies with Shrine law, the Temple itself has ultimate authority with respect to all of its financial affairs, including those of appendant or affiliated corporations.

1976 Proceedings, p. 175. A Temple budget may be amended only by action of the Temple itself under § 334.4(e), and Temple officers may not transfer appropriations from one budget classification to another.

1976 Proceedings, p. 176. Capital expenditures as well as operating expenses must be included in the Temple budget in order that appropriations may be made therefor in accordance with § 334.4.

1977 Proceedings, p. 161. Notwithstanding a provision of the Temple Bylaws vesting control of all Temple funds other than those budgeted for operating expenses in the Temple Trustees, under § 334.4(e) the Temple may amend its budget at any meeting of the Temple and may increase the amount budgeted for operating expenses without consent of the Temple Trustees.

1977 Proceedings, p. 163. By § 334.4(d) the adoption of a budget by the Temple constitutes the appropriation of funds for the purposes indicated in the budget; but some officer, committee or other agent of the Temple must make judgments as to specific expenditures and determine whether such expenditures are within the scope of the appropriations. That power may be delegated to a Finance Committee by the Temple bylaws, and if such be done, the Potentate may not interfere with the Finance Committee in carrying out its responsibilities.

1977 Proceedings, p. 163. Neither the Potentate nor the Finance Committee may transfer funds from one budget classification to another, because the budget may be amended only by the Temple at a meeting thereof in accordance with § 334.4(e).

1979 Proceedings, p. 170. All Temple funds, including those of its circus, are subject to the control of the Temple through either § 334.4 or § 327.5, or both.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

1980 Proceedings, p. 29. In order to amend a budget adopted pursuant to § 334.4, a Temple must consider specific proposals and may not simply authorize its Potentate to "use his own judgment."

1981 Proceedings, p. 164. After the temple budget is adopted pursuant to § 334.4, funds cannot be transferred from one account to another except

by amendment of the budget, which must be done by the members of the temple at a meeting thereof.

1983 Proceedings, p. 212. A Noble is entitled to inquire about the finances, records and reports of his temple and the appropriate officers thereof must respond to his inquiries at reasonable times and places.

1984 Proceedings, p. 110. The nobility, at a regularly stated meeting of the Temple are authorized to amend the Temple budget under Section 334.4(e).

1985 Proceedings, Page 112. Under provisions of Section 334.4, contracts entered into by Temple officers when appropriations are made by the Temple, contracts requiring additional expenditures require Temple approval and appropriation of funds therefor by amendment of the budget.

§ 334.5

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

1985 Proceedings, Page 111. The 1983 amendment made May 1, date for filing audit report with Imperial Recorder. Nevertheless, where possible, sound judgment would suggest selection of a qualified auditor who could complete the audit prior to the annual meeting of the Temple.

§ 334.6

1972 Proceedings, p. 155. The members of the Temple are entitled to copies of the fiscal reports required of Temple officers by § 334.6.

1973 Proceedings, p. 97. Any member of the temple is entitled to examine an audit of the temple's accounts, which should be made available routinely to the members at the annual or budget meeting under § 334.6; and he may likewise examine audit reports concerning the accounts of temple-affiliated corporations.

1980 Proceedings, p. 29. The audit and financial reports mentioned in § 334.6 should be made available to any member of the Temple at any reasonable time and place.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

§ 334.7

1967 Proceedings, p. 83. Construction by a Temple of a Mosque, without financing, does not require approval at the Imperial level.

1970 Proceedings, p. 94. Fund raising plans for a building program do not require approval by the Imperial Potentate, unless secured or long term obligations are involved.

1970 Proceedings, p. 94. An unauthorized corporation may not be used as the vehicle for a building project or attendant obligation.

1976 Proceedings, see p. 177. The purchase of golf carts for a Temple affiliated country club on a three-year loan requires the approval of the Imperial Potentate pursuant to § 334.7.

§ 335.2

1979 Proceedings, p. 170. Repeated use of a reference to "Nobles" throughout an advertisement, in the guise of an open letter from an insurance company to the members of the Temple, is a violation of § 335.2 (a); and casting such advertisement in the guise of a fund raising project for Shriners Hospitals without the approval of the Boards of Directors and Trustees is a violation of § 503.6.

1980 Proceedings, p. 28. Placement of a sign on a Unit vehicle indicating that it was furnished by a lending institution is prohibited by § 335.2.

§ 335.3

1971 Proceedings, p. 94. Although §335.1 does not prohibit lotteries in states or provinces in which lotteries are licensed by the government, a "Shriners Hospitals Sweepstakes" may not be conducted without the written consent of the Chairman of the Board of Trustees under §335.3.

1976 Proceedings, see p. 177. Use of the term "unfortunate children" in connection with a Temple fund raising activity would violate § 335.3 unless the activity has the approval of the Chairman of the Board of Trustees.

§ 335.4

1975 Proceedings, p. 20. Shrine Club bylaws which provide for fund raising programs in support of "exceptional children" as well as Shriners Hospitals for Crippled Children are inconsistent with § 335.4 of the Imperial By-laws and in direct conflict with General Order No. 1 (Series of 1974-1975).

§ 335.6

1966 Proceedings, p. 208. Lists for social use not prohibited. Business or advertising purposes prohibited.

1967 Proceedings, p. 83. Promotion of a Shrine circus is not such a business purpose as precludes the use of a list of a Temple membership in such activity.

1977 Proceedings, p. 162. The use of a Temple mailing list by the Building Fund Committee of a Masonic Temple Association, which owns the building in which the Temple is housed, to solicit funds to remodel the

ANNOTATIONS TO BYLAWS (IOWA)

building is not proscribed by § 335.6(a) because the use is not for a business purpose.

1979 Proceedings, p. 171. § 335.6(a) relates to circulation of members of a Temple for business purposes, and it does not forbid the use of Temple mailing lists for promotional purposes by the Scottish Rite.

1979 Proceedings, p. 171. Use of a Temple mailing list to solicit its members to purchase life insurance as a part of a program promoted by a commercial agency or insurance company is prohibited by § 335.6(a); but § 335.8(b) would permit paid advertising in Temple magazines, if such advertising does not otherwise violate Shrine law.

1979 Proceedings, p. 170. Repeated use of a reference to "Nobles" throughout an advertisement, in the guise of an open letter from an insurance company to the members of the Temple, is a violation of § 335.2(a); and casting such advertisement in the guise of a fund raising project for Shriners Hospitals without the approval of the Boards of Directors and Trustees is a violation of § 503.6.

1979 Proceedings, p. 170. A Shrine Club which provides a meeting place for a ladies' auxiliary, sends out notices of its meetings, and permits its uniformed members to work in concession stands sponsored by the Shrine Club, thereby violates § 335.10(b) by sponsoring a women's organization.

ANNOTATIONS TO BYLAWS (IOWA)

1973 Proceedings, p. 98. In view of § 336.1 all funds raised by uniformed units are income to the temple. That section taken together with §§ 334.4 and 327.5 requires that the expenditure of funds for or by uniformed units be consistent with the budget adopted by the temple.

1975 Proceedings, p. 19. Any funds held by a Unit which is disbanded by the Potentate under § 336.1 must be turned over to the Temple.

1975 Proceedings, p. 21. Under § 336.1 the Potentate has the power to suspend members of Units and, indeed, to disband the Units themselves.

1977 Proceedings, p. 163. A Shrine Club may not itself organize or control uniformed units, which are integral parts of the Temple under § 336.1 and directly controlled by the Potentate.

1979 Proceedings, p. 170. Aside from the requirement that all members must be Nobles, § 336.1 leaves qualifications for membership in a Temple Unit to the discretion of the Potentate.

1982 Proceedings, p. 170. Incorporation of a Temple unit is not permitted under the Imperial bylaws.

§ 336.2

1972 Proceedings, p. 155. The Southeast Clown Association has no authority to exclude from any parade a non-member clown unit which has permission to participate in such parade from the Potentate of its own Temple under § 336.2(b) and from the Potentate of the Temple in the jurisdiction of which the parade is held under § 336.2(c).

1973 Proceedings, p. 98. § 336.2(d) does not prohibit the reimbursement of direct expenses of a parade or exhibition, but it forbids the recovery of expenses which would have been incurred even without such parade or exhibition.

1976 Proceedings, p. 175. While under § 336.2(d) a unit may be reimbursed for direct expenses of a parade or exhibition, it may not accept compensation or other remuneration in the guise of "expense money".

1977 Proceedings, p. 162. A Temple uniformed unit is prohibited by § 336.2(c) from making a public appearance within the jurisdiction of another Temple without the consent of the Potentate of the Temple within the jurisdiction of which such public appearance is made.

1979 Proceedings, p. 171. In playing private engagements for compensation, a musical group composed of Shriners may not use a name which identifies them with their Temple.

1981 Proceedings, p. 165. The provisions of § 336.2(c) do not apply to public appearances by units of a temple in the jurisdiction which that temple holds concurrently with one or more other temples; and "public appearances by units," as referred to in § 336.2 (c), differ from "activities" referred to in § 328.9.

§ 337.1

1967 Proceedings, p. 84. Oriental and Arabic names are reserved for Temples, and should not be a part of the names of Shrine clubs or holding companies.

1974 Proceedings, p. 26. The formation of a "social club" composed of members of various Shrine Temples living within the exclusive jurisdiction of another Temple is in violation of § 337.1 unless authority is obtained from the Potentate of the Temple in the jurisdiction of which the club is formed.

1977 Proceedings, p. 163. A so-called "alliance" of members of a single Temple constitutes a Shrine Club under § 337.1 and may not be organized within the exclusive jurisdiction of another Temple without the permission of the Potentate of such Temple in accordance with §§ 337.4 and 337.5.

1978 Proceedings, p. 87. Inasmuch as § 337.2 reserves to the authorizing Temple control over its Shrine clubs, the Temple bylaws may properly contain provisions related to the ownership of real estate by such Shrine clubs.

1984 Proceedings, p. 109. Imperial Bylaws do not authorize a Shrine

ANNOTATIONS TO BYLAWS (IOWA)

Club to be a member of a corporation with other non-Shrine fraternal organizations.

§ 337.3

1966 Proceedings, p. 212. Shrine Club has no independent existence. It is under complete control of the Temple, acting through its Potentate, having jurisdiction over it.

1967 Proceedings, p. 84. The formation of a Shrine Club Council by and under the control of the Potentate is not prohibited.

1967 Proceedings, p. 83. A Shrine club is not removed from the control of the Potentate by a provision in its bylaws that one-half of one percent of its members shall not be Shriners.

1967 Proceedings, p. 83. A Shrine club at the seat of the Temple with a membership including all members of the Temple is not authorized by Shrine law.

1978 Proceedings, p. 87. The Potentate has control of the Shrine clubs of his Temple pursuant to § 337.3, and he may require changes in the By-laws of such Shrine clubs even though such bylaws were approved by his predecessors in office.

§ 337.5

1972 Proceedings, p. 152, Section 337.5(c) applies to an existing Shrine club in jurisdiction which becomes concurrent by the issuance of a dispensation to a new Temple.

1974 Proceedings, p. 25. Pursuant to § 337.5(c) a Shrine club located in concurrent jurisdiction remains subject to the jurisdiction of the Temple by the authority of which it was formed, even though it is closer to a new Temple thereafter created.

1974 Proceedings, p. 25. An agreement with respect to the formation of Shrine clubs in concurrent jurisdiction must be authorized by the membership of both Temples under §§ 337.5 and 324.8.

1976 Proceedings, p. 175. The burden of establishing the existence of an agreement such as is contemplated by § 337.5(c) with respect to control of Shrine clubs is on the Temple which claims such agreement to exist.

§ 337.6

1979 Proceedings, p. 170. Activities regularly carried on on a continuing basis before and after May 1, 1975, constitute "activities planned and publicized prior to May 1, 1975" within the meaning of that language in § 337.6(b); so that such activities may be continued on an annual basis after the adoption of § 337.6(b).

§ 337.7

1967 Proceedings, p. 82-83. All members, directors and officers of a Shrine club holding company must be Nobles and members of the Shrine club.

1967 Proceedings, p. 83. The incorporation of a Shrine club to procure a liquor license and otherwise function as a club is prohibited.

1968 Proceedings, p. 121. Shrine Club Holding Corporations are required to submit operating statements and balance sheets annually to the Imperial Recorder.

1970 Proceedings, p. 93. The Potentate may require dissolution of a Shrine Club holding company.

1974 Proceedings, p. 26. If the Trustees of a Shrine club holding corporation refuse to dissolve the corporation upon the Potentate's direction, he may remove them from office under § 337.7(c) (3) and appoint others who will comply with his order.

1975 Proceedings, p. 20. If membership in a proposed corporation is conditioned upon membership in a Shrine Club, the proposed corporation is related to the activities of the Order and may be organized only under § 337.7 or § 335.17.

IMPERIAL COUNCIL AAONMS ACCOUNTING AND FINANCIAL REPORTING REQUIREMENTS FOR SHRINE TEMPLES

The by-laws of the Imperial Council AAONMS, an Iowa Corporation, contain various requirements as to accounting and financial reporting. This addendum has been prepared to supplement the by-laws requirements. Because of their numerous and diverse activities, many questions confront Temples concerning accounting requirements. The American Institute of Certified Public Accountants Statement of Position No. 78-10 entitled "Accounting Principles and Reporting Activities for Certain Nonprofit Organizations" contains comprehensive guidelines to accounting and reporting practices for fraternal organizations.

The accrual basis of accounting is recommended to Temples, particularly the larger ones, as the most meaningful accounting method. However, it is not mandatory, and for some of the smaller Temples, this method of accounting may not be practical and, therefore, the cash receipts and disbursements method may yield adequate information. However, the Temples' auditors may not be able to give an opinion on cash basis financial statements, which states that the financial statements are prepared in conformity with generally accepted accounting principles. The auditor can report on cash basis statements as a special report.

One of the problems confronting Temples is how to report on entities such as Temple Holding Corporation, circus promotions, charity funds, and unit funds, some of which are not under the control of the Temple office. All funds, entities such as Temple Holding Corporations, charitable funds under the control of the Temple, and activities such as circuses should be included in the Temples' financial statements. Where the activity is a separate incorporated entity, such as a Temple Holding Corporation, the financial statements should be presented in a combining format which shows in columnar form the separate entities and then presents a combined total. In the case of units which have their own funds, the auditor may not from a practical standpoint be able to audit the funds. In such cases, the Temple's financial statements should be prepared without the units' funds if they are not under the control of the central office. Appropriate disclosure that such funds exist and are excluded should be contained in the notes to the financial statements. The practice of allowing units to have funds which are out of control of the Temple office should be discouraged. Even though such funds may be excluded from the Temple audited financial statements, such funds must be included in the Temple's annual reports to the Internal Revenue Service.

As is set out in the AICPA Statement of Position, property and equipment, under generally accepted accounting principles, should be carried at cost. Appropriate depreciation rates should be established for these fixed assets and depreciation recorded on the Temple's books.

Included with this addendum is a revised chart of accounts for Shrine Temples. This chart has been updated to assist the Temples in conforming to move modern financial reporting practices. The chart may be used with some flexibility in that it is not necessary for the Temple to maintain all of the detail expense accounts that are set out in the chart. The Temple may also add accounts as necessary.

Financial statement formats with sample Notes to Financial Statements are also attached. These are guidelines since only the Temples' auditors are in a position to determine the precise reporting and disclosure requirements.

NOTES TO FINANCIAL STATEMENTS

December 31, 1981 and 1980

Summary of Significant Accounting Policies

Basis of accounting—The accompanying statements have been prepared substantially on the accrual basis of accounting.

Designated funds—Designated funds represent unrestricted funds set aside by the membership and/or Finance and Accounts Committee for specific purposes.

Restricted funds—Restricted funds consist of funds whose use has been restricted by parties outside the Temple.

Dues and assessments—Dues and hospital assessments are accrued for all members at the beginning of the fiscal year, but are reduced at the end of the year for members demitted and for members suspended for nonpayment of dues.

Investments—Investments in stocks and bonds are carried at the lower of cost or market. Gains and losses on the sale of investments and adjustments to the provision for loss in market value of investments are charged or credited to revenue.

Property, equipment and paraphernalia—Property, equipment and paraphernalia are stated at cost. Maintenance and repairs are charged to operations as incurred. At the time items are retired or disposed of, the applicable cost and accumulated depreciation are cleared from the accounts and the difference, net of proceeds, is charged or credited to operations.

Explanation of the Calendar

The Mohammedan year contains twelve months of thirty and twenty-nine days alternately, except leap years (indicated by a star), when the twelfth month has thirty days. The small numbers (printed in red) from 1 to 365 are the days of the Gregorian year, and are affixed to corresponding days in both calendars.

EXAMPLE

The 12th day of the 2nd month, Safar, 1406 (marked 42 in red) is the 11th day of November, 1985 (also marked 42 in red).

What day in the Mohammendan year is June 7, 1986?

Finding June 7, 1986 in the Gregorian calendar it is found to be marked 250 in the red figures. The corresponding figure in red on the Mohammendan calendar is found to be the 14th day of the 9th month, Ramadan, 1406 (also marked 250 in red).

Colorado Corporation

111th Annual Session

July 3-6, 1985
Atlanta Hilton Hotel
Atlanta, Georgia

AFTERNOON SESSION
WEDNESDAY, JULY 3, 1985
THREE-TEN O'CLOCK P.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was convened at the Atlanta Hilton Hotel, Atlanta, Georgia, on Wednesday, July 3, 1985 at three-ten o'clock p.m., Imperial Potentate Gene Bracewell presiding, pursuant to Notice of Annual Meeting.

IMPERIAL POTENTATE BRACEWELL: I now proclaim this Session to be open for business to be transacted in the Iowa, Colorado and all appendant charitable corporations and the Session will remain open until adjourned.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE BRACEWELL: At this time I would like to recognize our Imperial Recorder, Jack Jones, for a motion.

IMPERIAL SIR JONES: Imperial Sir, in order to transact the business of the Colorado Corporation, I move you, sir, that the Representatives of the Imperial Council, an Iowa Corporation, including all Ad Vitam and Emeriti Representatives, be elected to membership in the Colorado Corporation for the ensuing year.

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: You have heard the motion and the second. Is there discussion?

If not, all in favor please signify by saying aye; opposed. It is carried.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE BRACEWELL: At this time I would like to call on Imperial Sir Jack Dean, our Imperial Second Ceremonial Master and also Chairman of our Endowments, Wills and Gifts Committee, for what I am sure will be a splendid report.

IMPERIAL SIR JACK DEAN: Thank you.

Imperial Sir, Imperial Sirs, Most Worshipful and Right Worshipful Grand Masters, Illustrious Sirs, My Fellow Representatives and Guests:

It is a privilege for me to stand here before you this afternoon and tell you that last year was a banner year insofar as the Endowments, Wills and Gifts Program was concerned.

We broke the all-time record in number of wills. We actually went from an all-time high of about 1,500 up to almost 2,000 wills. We did not quite make the 2,000 new wills but we are out there working. You are working.

However, the sad part about it all is that we are down some \$7 million, even though we went up in number of wills.

Our new giving, from your activities and some other things, was up \$5 million and so, when we put it altogether, we had about a \$1 million or \$2 million shortfall in new monies from the prior year.

That is maybe an indication of the fact that a new tax amendment or tax planning is not as active as it used to be.

Along that line, during the course of this year, as a member of other committees, I had the opportunity to serve on the Priority Review Committee and on the search for a new Medical Director.

It has been identified by our Joint Boards that we are going to have medical inflation continuing on. We do not get these medical people volunteering any more, the doctors in particular. They are not volunteering their services like they used to and so it is going to be incumbent upon this committee to make sure that the future of the Shrine of North America, and our Shriners Hospitals, moves ahead and moves ahead in a manner in which we all want it to do.

Our Priority Review Committee has established that we are going to need to reconstruct five of our Units—we are going to have to substantially remodel four others. That is going to take dollars and the only way we can do it is through additional work. Therefore, in this connection, what we have come up with is the WOW Program. We introduced this at our Endowments, Wills and Gifts Seminar and much to my chagrin, I find that many of you do not know anything about it.

The WOW Program stands for "Work on Wills." Work on women, widows or widowers but, Nobles, if you think about it, almost each of you have your wife here today and she has been coming to these Imperial Council Sessions for some years before today and even back when you were elected to your Divan and first elected as Representatives, she has been going to your Association meetings, been going everywhere else with you.

Now, did you ever stop to think what is going to happen to your wife when you pass away? We have no way to pick up those gals and keep them going and so the purpose of the EWG program is to encourage each Temple to become involved in a program to take care of widows and widowers in their Temples. Keep them on your mailing lists.

Every Potentate is looking for another source of people to go on their trips. These women would be happy to go on your trips, would be happy to do other things and along the way, if you have a program, you run something once a month, perhaps show one of our Shrine films, another month you run a program concerning your travel programs or you can show these ladies some of the activities you are engaged in, this will tend to keep them active and if we can keep them active, keep from turning them off, if we can keep our widowers also involved, then we have a great opportunity to increase our source of funds and we can get this program going.

We are asking each one of you to reexamine your committees. We would like you to pick a Chairman that is going to last four or five years—pick somebody who is a peddler and not just a lawyer, because lawyers are not peddlers and not salesmen.

Yes, I know a lot of people do not like me saying that but when you hear "wills," you think you just have to grab a lawyer. However, he is not going to do us any good.

However, in the final analysis, this program can only work and really be of value if you will have a Divan meeting and you all sit down and pick somebody who will do the job for you over a period of time. Do not just give it to, for example, the Oriental Guide or the High Priest or Assistant Rabban—pick somebody who actually can be aggressive and then get out of his way. Give him an opportunity to get the job done.

Let him go show the film, for example, at a Rotary Club meeting and then, subsequently, if he turns out to be a good worker, then you may find a place for him on the Divan. However, please let the people get going on this program because it is exciting, an opportunity for us to move ahead.

Nobles, I can only tell you that the future of the Shrine of North America is in your hands, it is in my hands also to cajole you and move you ahead.

I am encouraged, I am enthusiastic, I think we have a great future.

Not only is this effort important here but, when done well, it also carries over into membership and carries over into public relations and into almost everything else we have.

Therefore, fellows, I hope you will all join with us and that we will join hands together and move ahead.

God bless you all and thank you for this opportunity to serve.

That is my report, Imperial Sir.

IMPERIAL POTENTATE BRACEWELL: Thank you very much, Jack, for that very fine report.

IMPERIAL SIR DEAN: Imperial Sir, I would move the acceptance of this most excellent report.

... The motion was duly seconded, was voted upon and unanimously carried ...

IMPERIAL POTENTATE BRACEWELL: Again, Jack, thank you for the fine report you just gave us and for the great job you and your committee are doing throughout North America to generate funds for our endowment fund.

Now, at this time, I would like to recognize Past Imperial Potentate Randy Thomas for the report as Chairman of our Investment Committee.

PAST IMPERIAL POTENTATE THOMAS: Thank you, Imperial Sir.

Imperial Sir Bracewell, Imperial Sirs, Illustrious Sirs and Fellow Representatives:

It has again been my pleasure to serve our hospitals as Chairman of the Investment Committee. I would like to thank the Imperial Potentate and the Board of Directors for having confidence in me. I would also like to thank the committee members and Headquarters staff for their efforts throughout the year.

Again this year, the committee concentrated on monitoring investment performance and transferring funds from the investment accounts which did not produce an acceptable rate of return to investment accounts which did provide a good rate of return.

The committee also devoted a substantial amount of time this year to developing procedures to increase overall total return by providing incremental income or by reducing costs, such as brokerage fees, management fees, etc. We believe we are off to a good start in this area and intend to keep working at making our fund procedure the best yield possible without exposing our assets to substantial risk.

At year end, December 31, 1984, our investment management accounts had a combined market value of approximately \$1.5 billion.

I would refer you to the Book of Reports, the Auditor's Report and the Annual Report for more detailed information concerning fund balances, income and expenses.

Imperial Sir, I would move that this report be received.

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: Thank you, Randy.

You heard the motion duly made and seconded to receive this report.

All in favor indicate by saying aye; opposed no. It is carried and thank you very much, Randy, for a very excellent report and certainly for the great job that you and your committee are doing on investments.

The proposed amendment to Section 511.3 of the Bylaws of the Colorado Corporation has been referred to your Finance and Accounts Committee for a report to you.

There is no effect on the projected financial position of the Colorado Corporation if this amendment is passed. It raises the imprest fund to \$50,000 from \$25,000. This fund is used for the prompt payment of budgeted expenses and would be considered a good and proper business procedure.

MORNING SESSION
 THURSDAY, JULY 4, 1985
 ELEVEN-TWENTY O'CLOCK A.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened at the Atlanta Hilton Hotel, Atlanta, Georgia, at eleven-twenty o'clock a.m., Imperial Potentate Gene Bracewell presiding.

IMPERIAL POTENTATE BRACEWELL: If you will take your seats, gentlemen, we will start our meeting.

For one brief moment, before proceeding with our other business, I would like to take the privilege of presenting to you Walter Seidenbaden, Master Councilor of Albany Chapter, order of the DeMolay. Walter, we are delighted to have you with us this morning.

MR. WALTER SEIDENBADEN: Thank you, Imperial Sir.

Sometime last year we were thinking as to what we could do with the funds we raised. Of course, we had previously given some of these to the Greenville Hospital and it was our thought that perhaps we could likewise give some of them to the new Tampa Unit down in Florida.

So, we had a roast beef dinner, sold tickets at the ceremony and at this great meeting and, through those efforts, we raised \$1,000 and I would like to present a check for \$1,000 to go to the Tampa Hospital down in Tampa.

... The check was tendered to Imperial Potentate Bracewell ... (Applause)

IMPERIAL POTENTATE BRACEWELL: Walter, we thank you very much and it was a nice thing for Albany Chapter to do. Please convey to all of your DeMolay members our sincere appreciation for the great work you are doing and for the support of our hospitals.

I will ask our Imperial Treasurer, Webb Harrington, to step forward and pick up this check, please.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Imperial Sir Richard L. Bukey, the proponent, for an appropriate motion.

IMPERIAL POTENTATE BRACEWELL: Thank you very much, Bob.

At this point the Chair will recognize Imperial Sir Tony Bukey.

IMPERIAL SIR BUKEY: Imperial Sir, Imperial Sirs, Illustrious Sirs, Representatives and Distinguished Guests: It is my feeling that this is a housekeeping piece of legislation—that it closes a loophole that exists in this Section, in allowing an individual to serve as President and Chairman of the Board of Trustees who would, by our Bylaws, be excluded from serving as a Trustee.

I believe the President of the Colorado Corporation should be a voting member of the Board of Trustees. The members of the Board of Trustees have all been elected by the Representatives of the Imperial Council because of their demonstrated ability and I believe it is in the best interest of our hospital program and best reflects the wishes of the Representatives.

I trust that you will support this piece of legislation and I would move for its adoption.

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: Thank you, Tony.

You have heard the motion, which is to adopt the legislation. Is there a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: Is there discussion? The Chair recognizes Edward Maag.

ILLUSTRIOUS SIR EDWARD MAAG [Ainad Temple]: Imperial Sir, Imperial Sirs and My Fellow Members of the Colorado Corporation: I rise to speak in opposition to this item of legislation. The fact that I do so is no surprise to the proponent thereof, Tony Bukey, inasmuch as he and I had an extensive discussion yesterday on the legislation. He knows my position and I know his and we understand one another.

We are talking here about a matter of principle and not of personality.

Now, you should be aware that this legislation is a piece of legislation that is rarely used in the Colorado Corporation or in the Shrine of North America, because, by its effect, it limits the number of eligible candidates for a corporate office to a very small number.

Virtually every other office in most of our corporate entities, elective corporate offices are open for nomination for office to any member in the Iowa Corporation or any member in the Colorado Corporation.

As long as the members of the Colorado Corporation feel a person is qualified to serve in a corporate office, like the President, then, in my judgment, they should have the power to name the person and to nominate a person for office and not to limit it.

If this legislation passes, there are only twelve members of the Board of Trustees under 508.1 and it means that you will have voluntarily as a body, as members of the corporation, given up your right to nominate any persons on this stage except a Trustee and given up your right to nominate any person who is a member of the corporation down there for the office of Corporate President. You will have limited the eligible candidates only to twelve.

Now then, let us talk principle.

I really do not believe that it is wise, in a democratic organization of this sort, that we set aside and reserve for an elite few people, whether it be one, two or nine or ten, the right to hold an elective office. I believe the right to select candidates for elective office should rest in the hands of the members of the corporation, all of us who have a right to vote in this assemblage, and I do not think we ought to handcuff ourselves and limit our right to select our corporate officers.

Now, with respect to Tony Bukey's point, that the present code, this housekeeping amendment and present code, that this is some sort of a glitch that ought to be corrected with an erasure—well, no, my friends, it is not a glitch. The framers of this document intended it to be so. They intended that the President of the corporation should be selected by the members of the corporation from the entire body of the Imperial Shrine and should

not be limited and if it looks like an anomaly to you, as it does to Tony, then a person could serve as the Chairman of the Board of which he is not a member and cannot vote.

Now, when Tony says that is unusual, I would say to my good friend Tony, look at the United States Senate. The presiding officer of the Senate of this marvelous nation in which we hold this meeting, is not a member of the Senate and can only vote in case of a tie because, you see, he is the Vice President of the United States—he is not a Senator—and our code is designed for just such a purpose.

I respectfully suggest that we ought not to limit ourselves to an elite few in electing the Office of President.

Therefore, I oppose this legislation and I move you that it be tabled. (Applause)

IMPERIAL POTENTATE BRACEWELL: Is there a second to the motion to table?

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: All in favor of tabling please say aye; opposed no. The motion to table carries.

At this time, we will proceed with the election of the Trustees and I will recognize the Imperial Recorder, Jack Jones.

IMPERIAL SIR JONES: Imperial Sir, I nominate the following persons, by virtue of their office as Imperial Officers, to serve one year on the Board of Trustees of Shriners Hospitals for Crippled Children.

Imperial Potentate-Elect, Walker S. Kisselburgh.

Deputy Imperial Potentate-Elect, Russell H. Anthony.

Imperial Chief Rabban-Elect, Voris King.

Imperial Treasurer, Webber C. Harrington.

Junior Past Imperial Potentate, Gene Bracewell.

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: You have heard the motion and the second.

All in favor say aye; opposed no. That is carried.

Now, we have two remaining terms on the Board of Trustees—two three-year terms and I believe we have candidates at this point in time. Of course, if anyone else desires to run for this position, the floor will be open to obtain these nominations.

I would like for Dr. H'Doubler, Mahlon Hessey and Dick Olfene to please come forward here on the stage, as well as their three nominators. Also, if there is anybody on the floor that cares to be nominated, please also have your nominator step forward.

Now, as in our past election procedure, there being three candidates, I have written three numbers down. I am going to ask the individuals making these nominations to draw for the nominating position.

... Whereupon, drawing for nominating position ensued ...

IMPERIAL POTENTATE BRACEWELL: At this time, I am going to recognize Illustrious Sir Doug Mayes, for an appropriate nomination for the Board of Trustees.

ILLUSTRIOUS SIR DOUG MAYES: Imperial Sir, Imperial Sirs and My Fellow Delegates: I wish to place in nomination for the Board of Trustees, Past Imperial Potentate Dr. H'Doubler.

Since being graduated from the University of Wisconsin Medical School in 1948, Hogan has had a distinguished military, medical, civic, business and fraternal career.

He served as a burns surgeon with the Marines in the Korean conflict, receiving the Purple Heart with oak leaf cluster and bronze star. He has been a very successful physician and surgeon—author, lecturer—and has served actively in organized medicine.

He was a member of the famous Singing Doctors Group of seven who toured the country entertaining the medical profession for some twenty-five years while, at the same time, raising some \$400,000 for scholarships for needy medical students.

Hogan has always been active in civic affairs, serving as the President of his local Jaycees and Chairman of the Citizens Advisory Committee.

He was recognized as the Outstanding Young Man of Missouri in 1959 and was the recipient of the Sigma Nu Fraternity Outstanding Alumnus Award in 1981.

He is considered a very successful businessman and rancher and served on the Landmark Bank Board. He is also an active member of the Presbyterian Church.

Hogan is a Thirty-Third Degree Mason, a member of the Red Cross of Constantine, was

Potentate of Abou Ben Adhem Temple in 1968 and, in 1971, was elected Imperial Outer Guard. He proved to be an outstanding Imperial Officer, chairing many important committees, including Long Range Planning and Medical Research.

As our Imperial Potentate in 1980-1981, he will be long remembered by initiating the Stop Burns Injury Program and producing the movie "An Ounce of Prevention."

For the last fourteen years, Hogan has served you well—first as a member of the Imperial Divan and then, for the last seven years, as a Trustee.

With his business ability and solid experience serving on our Joint Boards, his input has been invaluable in planning our philanthropy's future.

Will you not join me in reelecting to another well deserved three-year term as a member of our Board of Trustees, Imperial Sir Dr. H'Doubler? (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you very much, Doug.

I will next recognize Illustrious Sir Sewell Lamdin for an appropriate nomination.

ILLUSTRIOUS SIR SEWELL LAMDIN: Imperial Sir, Imperial Sirs, Most Worshipful and Right Worshipful Grand Masters, Illustrious Sirs and Representatives All: It is with a great deal of pride, pleasure and feeling that I have the opportunity to place in nomination before you the name of Mahlon W. Hessey for another term on the Board of Trustees.

Six years ago you elected Mahlon Hessey from the floor in Minneapolis. Three years ago you reelected him in Orlando. I urge that you reelect him again this year.

In case any of the new Representatives do not know Mahlon, there are three gentlemen there sitting up in the front of you in the East and the one on the end without the stars on his Fez is Mahlon Hessey.

Now, Mahlon is amply qualified, fully qualified, because he is a graduate of Princeton University, the University of Maryland Law School and received his Master's Degree in taxation. He has been an instructor in corporate law and is Chairman of the Board of Governors at the University of Baltimore.

I served with him on the Board and I have had the opportunity to observe Mahlon on both sides of the bench. I can tell you he is a well qualified lawyer, a tenacious lawyer. When he takes hold of something, he hangs onto it and he wrings it out.

He is the type of person that we need on our Board of Trustees.

Mahlon Hessey is a married man and I can truly attest to this because some fifteen years ago, on June 20, I was the best man at the wedding.

Now, he is a family man and he is even a grandfather and, further, he comes from a Masonic family. It is the only family I know that has the father and two sons who have both served as Masters of Doric Lodge.

In addition to that, both Mahlon and his father served as Potentates of Boumi Temple and his father had the great distinction and honor of being the Most Worshipful Grand Master of Masons in Maryland.

Since coming onto the Board of Trustees, Mahlon has served on just about every committee that the Board has. He has been on the Special Committee that investigated the Spokane Hospital; he has been on the Portland Unit Committee; the Galveston Committee; the Lexington, Shreveport, Boston and Philadelphia Committees. He is currently the Chairman of the Budget Committee, supervising the expenditures of over \$125 million.

In this capacity, he has almost single handedly developed a computer program that gives the members of the Boards a multi-color printout of these charts, graphs and bars, so that when they look up there, they can see where the money is coming from and where it is going.

Of course, it is always nice and easy to stand up there in front of the Boards and tell them these things but the moment that spoken word hits the air, it is gone. However, when you project it up there for all of them to see and he also explains it, it is much easier for all of them.

He knows all about these computers—in fact, to the point where he can write programs to make these things talk back to you. He is working on a program now of computers that will be used with Shriners Hospitals for clinical research, for medical records and all types of information.

He is a forward thinking individual and keeps abreast of the times.

In addition to this, he finds time to every now and then, fly the plane that he has. He likes to go scuba diving and I can attest to that.

In Seattle, he came back from his honeymoon right to the Imperial Session—and we have been friends for so long, we served all through the Divan together, we have been coming to the Imperial Session together for eighteen years, we both received Emeriti Membership in Orlando together—and he said, “Judge, will you do me a favor? Joan and I want to continue our honeymoon a little bit longer, would you take some gear back to Baltimore for me?” Well, I thought he had a couple of briefcases. However, lo and behold, he had two duffle bags full of scuba diving equipment and I felt like a double hernia on the way to a weight lifting contest but I brought it back.

All three of these gentlemen are qualified and all three of these gentlemen I consider personal friends. No one said that life was going to be easy and no one said that choices were going to be easy. The choice today is a difficult one. The choice today should be made on the basis solely of qualifications.

We of Boumi Temple urge you, and I urge you, with all the sincerity in my heart, to look at the qualifications of all three candidates—compare the qualifications—and we urge you to vote for and support Mahlon W. Hessey for reelection to a three-year term on the Board of Trustees.

Thank you for your attention.

IMPERIAL POTENTATE BRACEWELL: Thank you very much, Judge.

The Chair now recognizes Imperial Sir Robert Turley for an appropriate nomination.

IMPERIAL SIR TURLEY: Imperial Sir, Imperial Sirs, Fellow Members of Shriners Hospitals for Crippled Children: My friend Judge Lamdin is right when he tells you that hard choices are not those between good men and bad but the choices that we are sometimes called upon to make among good men. All three of these candidates are good men.

I nominate Richard B. Olfene because I believe him to be a good choice among good men.

My endorsement of his candidacy is without reservation and, indeed, if you elect him to be a Trustee, I expect to nominate him for reelection as Chairman of the Board of Trustees and President of this corporation.

For a dozen years now, I have had the pleasant opportunity of watching Dick Olfene in the service and devotion he has exemplified in various capacities for our Order and our hospitals and from that perspective, I can and do assure you that he is well worthy of your support.

Dick Olfene is fifty-seven years old, a life-long resident of Maine. He and JoAn are the parents of two Shriners. He has long been active in civic as well as Fraternal affairs and once served in the Maine State Senate.

Dick is retired from the food and lodging business and able to devote his full time to our hospitals.

For thirty-five years a Mason, he holds the Thirty-Third Degree in the Scottish Rite, Knight Templar in the York; is a member of the Red Cross of Constantine and is also a Past Director of his Jester Court.

He served as Potentate of Kora Temple in 1966 and as Imperial Potentate in 1983-1984.

Now, you are no doubt interested in knowing about the work he has been called upon to perform in our hospitals and rightfully so because his service on various hospital related committees demonstrates at least three things about Dick Olfene.

The first is the measure of confidence others show him by the type of service they ask him to perform. Secondly, the dependability and quality of his service over several years and, third, the breadth and depth of his experience.

Time will not permit me to name them all but here are some of the posts of leadership he filled for Shriners Hospitals.

He was on the Budget Committee for seven years and for four years served as its Chairman. In the meantime, he spent time as a member of the Insurance Committee, Audit Committee, Building and Equipment Committee and has been Chairman of the Long Range Planning Committee, Chairman of the Investment Committee, Chairman of the Salary, Personnel and Retirement Committee and Chairman of several Study and Special Purpose Committees. So Dick Olfene has relevant experience as well as integrity and energy.

Moreover, he has great talent in the difficult art of communications. He can express his views all right but, beyond that, he listens to others.

This past year, as Chairman of the Board of Trustees, he instituted a series of regional

meetings with the Chairmen of all of our local hospital Units, their Chiefs of Staff and/or Administrators, for the purpose of giving them the opportunity to share their experiences and ideas with each other and to discuss common problems with people from our Central Office staff and himself.

He believes that communication is a two-way experience. All of you, I am sure, know that the health care industry is in the throes of a revolution and Shriners Hospitals are a part of that industry. Therefore, this revolution will effect us. We should select our very best qualified leaders to lead us in these rapidly changing times.

Last year we elected Dick Olfene to be the President of this corporation and the Chairman of its Board of Trustees. Since then, he has proven to be the kind of leader we thought him to be—a leader of vision and stature. We need his leadership no less today.

Imperial Sir, I nominate Richard B. Olfene for a three-year term on the Board of Trustees of Shriners Hospitals and, my friends, you have two votes for Trustees and I urge you to cast one of them for Dick Olfene. Thank you.

IMPERIAL POTENTATE BRACEWELL: Thank you, Bob.

Now, let me ask, are there any other nominations for these positions? Are there other nominations? Are there other nominations? Hearing none, I declare the nominations closed. (Gavel)

At this time, I will again recognize Joe Howell to give you instructions on the balloting procedure.

NOBLE JOE HOWELL: Imperial Sir and Representatives, we will use the bright yellow ballot, number 16. Please, again, do not fold your ballot and be sure and retain your tab. Thank you.

IMPERIAL POTENTATE BRACEWELL: To repeat, you will use ballot 16, the bright yellow ballot.

Let me also indicate to you that on that ballot you will notice two lines. You will write the names of two of the three men nominated. You vote for two individuals, two Trustees. Also, I have just been instructed to tell you that if you only vote for one, your ballot will be null and void.

. . . Balloting and collection of ballots ensued . . .

IMPERIAL POTENTATE BRACEWELL: Has everybody voted? Has everyone voted who wishes to vote?

I declare the ballot closed.

Now, while we are having the ballots counted, I would like to make to you what I think is a very important announcement. Well, it is really in the form of congratulations.

During the past year, I have had an opportunity to attend several meetings with the Daughters of the Nile and I, for one, feel that many times the Daughters of the Nile do not receive proper credit and recognition for the great job they do for Shriners Hospitals for Crippled Children.

I was at their Supreme Council Meeting a couple of weeks ago in Chicago and I received the final figures and I would like to put these into the record.

Last year the Daughters of the Nile contributed to Shriners Hospitals for Crippled Children and our Burns Units, a total of \$1,178,018.65. That is in cold cash. (Applause)

In addition to that, the actual cost of garments that they made and toys and games and fruits and parties that they held for the children, totalled \$54,983 and some odd cents, or a total contribution in funds and goods given to our children of \$1,233,001.71. That is a terrific contribution. (Applause)

In addition to that, they also contributed 23,688 hours of volunteer time and service to our hospitals. So I would like to have you join me in a resounding applause for the Daughters of the Nile. (Applause)

I would like to call on Jack for an additional report.

IMPERIAL SIR JONES: Imperial Sir, I would also like to make a report concerning money and other goods contributed to our hospitals from the Ladies of the Oriental Shrine of North America.

During the past year, which would be this business year for April 1, 1984 through March 31 of this year, they contributed a total in cash and expenditures to our Units, our hospital Units, a total of \$270,497.01 and along with some of the other things they have done for our

Units, we have a total of contributions of our Ladies of the Oriental Shrine of North America to our hospitals in the amount of \$661,475.19.

IMPERIAL POTENTATE BRACEWELL: That is also fantastic. Let us give them a big hand also. (Applause)

Thank you, Imperial Sir Jack, for that fine report.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE BRACEWELL: At this time the Chair recognizes Imperial Sir Webber Harrington for a report of the Imperial Treasurer.

IMPERIAL SIR HARRINGTON: Imperial Sir, Imperial Sirs, Grand Masters and My Fellow Representatives: The Annual Report of the Imperial Treasurer of the Iowa Corporation is on page 1 of your red Book of Reports and that of Shriners Hospitals is likewise on pages 1 and 2 of the red book, in the Book of Reports, labeled "Shriners Hospitals for Crippled Children."

I urge you to read these reports and the reports of our auditors, which contain the financial information, including their footnotes regarding the balance sheets and results of operations of our corporations for the year 1984.

I call your attention to the report on Shriners Hospitals for Crippled Children because I give you there my breakdown of our endowment fund and what the changes have been during this past year, and I want everyone who is a member of the Colorado Corporation to fully understand what our financial status is and to recognize that we are not only looking at it now but we are looking at it on a ten-year planning basis and we are adjusting as the economy of our country adjusts and as our fortunes in relation to endowments, wills and gifts and operations are concerned.

I think all of you will find that there is a lot of good, useful information here and I urge you to become familiar with it.

With respect to the Iowa Corporation, as you well know from the information which was in your packets, we, because of the change which was approved by this body last year, made a change in the way that we are reimbursing for mileage and per diem. As a result of that, we were well in the black this year approximately \$92,000, as I recall, and we are budgeting a deficit next year of some \$460,000 principally because of the cost of transportation to Los Angeles.

I have some preliminary figures on mileage for this Session and I want to congratulate you Representatives. You have done a fantastic job in arranging your transportation to this Session and our preliminary figures, and it is all due to you fellows, indicate that we have saved something like \$298,000 on mileage to this Session. (Applause)

We will have the full figures within just a matter of days but those are our preliminary figures and what that means is that we will be able to adjust our budget for 1986 and will actually have a small deficit, whereas we were budgeting a fairly large deficit for this purpose.

It is my sincere belief that we will have a surplus range enough for the year 1985 to more than cover that. I consider this is all due to the efforts of all of you fellows out there.

IMPERIAL POTENTATE BRACEWELL: Thank you very much, Webb, Would you like to move that your report be received?

IMPERIAL SIR HARRINGTON: Imperial Sir, I move that my report concerning both the Iowa and Colorado Corporations be received.

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: All in favor please say aye; opposed. It is unanimously carried.

Webb, thank you for a great report.

Now, I still do not have the results of the ballot back in and so at this point in time I would like to invite any Representative or Noble that has a presentation you would like to make in the form of a check for contribution to Shriners Hospitals to please come over to my right here, line up and I will have the Chairman of the Board of Trustees, Imperial Dick Olfene, present to accept the presentation and we will have some pictures taken at the same time.

Dick, why not do it over there at that microphone and then as the pictures are made, they can come off the stage over here (indicating).

I now turn the gavel over to Imperial Sir Dick Olfene.

... The gavel was tendered to Imperial Sir Olfene ...

IMPERIAL SIR OLFENE: Nobles, will you please give your attention to these gentlemen coming forward to present money they have raised for our great hospital program. Also, gentlemen, as you step to the microphone, will you please give your name and the Temple with which you are associated.

NOBLE JOHN ROACH [Potentate, Antioch Temple]: I am John Roach, Potentate of Antioch Temple and on behalf of the six Shrine Temples that compose the Ohio Shrine Association, it gives me a great deal of pleasure to present to you this check in the amount of \$582,346. (Applause)

IMPERIAL SIR OLFENE: Thank you for a very good beginning. I hope they will all come in that large.

NOBLE W. D. NELSON [Potentate, Hadji Temple]: Imperial Sir, I do not have a check like the one just given to you here but I do have one I am awfully proud of. I wish to present this check, in behalf of all of the Nobles of Hadji Temple, for our one-day paper sale this year, a check in the amount of \$92,000. (Applause)

NOBLE R. C. HUGGINS [Potentate, Hasan Temple]: Imperial Sir, in behalf of the Nobles of Hasan Temple, some 3,900-plus, it is my privilege to present to you this check in the amount of \$100,000. (Applause)

NOBLE CARL PATRICK [Hejaz Temple]: Imperial Sir, it is an honor and privilege at this time to represent the six Illustrious Potentates of the two Carolinas. Since 1937, the Shrine Bowls of the Carolinas have contributed in excess of \$23 million and today, sir, I am here to present you with a check, and listen to this, my Brother Nobles, in the amount of \$2,171,984.48.

... Rising applause ensued ...

IMPERIAL SIR OLFENE: Is not that great? I am sure it will be one of the outstanding records.

NOBLE J. R. MORTON [Potentate, Kazim Temple]: Imperial Sir and Imperial Sirs, I have the immediately Past Potentate of our Temple, Jim Blair, with me. It is my pleasure to present to you a check for \$567,090.49. (Applause)

NOBLE W. F. WHITNEY [Potentate, Kismet Temple]: Imperial Sir and Imperial Sirs and Representatives: I am here with the widow's mite but I give it with the good wishes and as a result of the efforts and hard work of the Nobles of Kismet Temple. In their behalf, I present you this check in the amount of \$22,000. (Applause)

NOBLE C. M. JARVIS [Potentate, Luxor Temple]: Imperial Sir, on behalf of the 1,500 Nobles of Luxor Temple, it is my pleasure to present a very small check but I am very proud to present it, in the amount of \$10,000. (Applause)

NOBLE C. L. WHITE [Potentate, Islam Temple]: Imperial Sir, I am Chuck White, Potentate of Islam Temple, home of the East-West Football Game and I also have with me the other four Potentates who participate in this game. We would like to present a check from the East-West Game for last year in the amount of \$269,856.85. (Applause)

IMPERIAL POTENTATE BRACEWELL: Dick, if I may, I would like to interrupt these proceedings because we do have the results back from the vote for the two positions for Trustees and I would now like to call on Joe Howell at this time.

NOBLE JOE HOWELL: Imperial Sir, Imperial Sirs and Representatives: It is with pleasure that I give you the results of ballot 2 for the Office of Trustee.

There were a possible 877 votes cast; 809 actually voted. There were 4 spoiled ballots. Necessary for choice was 403.

Your votes were distributed as follows—Dr. H'Doubler, 503; Richard Olfene, 549; Mahlon Hessey, 558.

IMPERIAL POTENTATE BRACEWELL: Thank you very much and according to these figures, the two Nobles you have elected as Trustees for two three-year terms are Imperial Sir Dick Olfene and Mahlon Hessey. (Applause)

The Chair at this time will ask Imperial Sir Dick if you will accept?

IMPERIAL SIR OLFENE: Imperial Sir, Imperial Sirs and Fellow Representatives: It is a great pleasure and honor to serve this great organization. I look forward to doing it in the year ahead and certainly do accept and look forward to the term ahead. I wish to thank each and every one of you for the wonderful support that you have placed in me in casting your ballots today. Thank you so very much. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you, Dick.

I would now like to recognize Mahlon Hessey.

ILLUSTRIOUS SIR MAHLON HESSEY: Imperial Sir, Imperial Sirs and Representatives: I do accept and I thank you all very much. (Applause)

IMPERIAL POTENTATE BRACEWELL: And now, Imperial Sir Olfene, I will let you carry on with your receiving of the contributions.

NOBLE JACK BROWN [Potentate, Mirza Temple]: I also have with me the four other Illustrious Sirs from the other four Temples in Kansas. Imperial Sir, on behalf of the five Temples of Kansas and the 22,000 Shriners of Kansas, I would like to present you with a check from the proceeds of the 1984 Kansas All-Star Shrine Football Game in the amount of \$49,351.39, bringing our grand total over the eleven year period history of the Kansas Shrine Bowl to \$323,938.19. (Applause)

NOBLE WARREN WERLING [Potentate, Akdar Temple]: Imperial Sir, I am here to present a check in the amount of \$12,500 for our second annual paper sale and, of course, following the procedure Imperial Sir Olfene started last year, you start with a little amount initially and then, as the years to on, we hope it is going to be greater. (Applause)

NOBLE WILLIAM WHEELER [Ararat Temple]: It is my pleasure to present to the hospital system of the Shrine of North America a check in the amount of \$26,000. This represents personal contributions from our Nobility. Thank you very much. (Applause)

NOBLE K. W. SMITH [Potentate, Gizeh Temple]: Imperial Sir, I am the Potentate of Gizeh Temple from Vancouver, British Columbia, Canada and we have the largest jurisdiction in Shrinedom and yet only 3,800 members. However, I am proud to say that for ten years now we have been very pleased to present a check at this Assembly of \$100,000 and over and above that we support and fund our crippled children travel program, which last year was some \$219,000. (Applause)

NOBLE CHARLES MCCARTY [Potentate, Jerusalem Temple]: Imperial Sir, today I have a check in the amount of \$144,458 and that is a part of the \$239,695.54 that we have contributed to the hospitals this year. (Applause)

NOBLE CLYDE LYTLE [Potentate, Jaffa Temple]: Imperial Sir, it is my pleasure to present to you a check in the amount of \$105,000 from Jaffa Temple. This is the result of our annual hospital paper crusade. I will say that the actual check will follow very shortly. (Applause)

NOBLE G. G. BOWSER [Potentate, Philae Temple]: Imperial Sir, in our Temple we have a membership of 1,364 and I would just like to have you excuse my dress because I asked Noble Jack when we were going to do this, he replied, "Tomorrow," and so I changed from my suit to offset my Representatives and then all of a sudden the Imperial Sir said we will now have the presentation of checks and so I wondered if you had an award for me running back up seventeen stories and then coming back down again to get this check?

This is the second donation of \$25,000 on behalf of 1,364 members of Philae Temple, which I would like to present now to you, Imperial Sir Richard, in behalf of Philae Temple. (Applause)

NOBLE CHESTER CHATHAM [Hamasa Temple]: Imperial Sir and Representatives, it is with a great deal of pleasure that I, as Potentate of Hamasa Temple, come before you and present to you a check for \$25,000 from our fund raising projects of the various Shrine Clubs. We will likewise be presenting to you a check in excess of \$20,000 from our paper sale. (Applause)

By the way, Nobles, we consider Hamasa Temple the greatest Temple in North America. (Laughter)

NOBLE E. T. STEWART [Arabia Temple]: Imperial Sir, I represent the thirteen Texas Temples and the total amount contributed and forthcoming for this year, and I would like you to hold your seats, is \$3,436,000-plus. This is from the thirteen Temples in the State of Texas. (Applause)

IMPERIAL SIR OLFENE: Thank you very, very much. That is terrific.

NOBLE J. E. SCHALF, JR. [Potentate, Al Menah Temple]: Imperial Sir, it is with great pleasure that I present this check from our annual paper sale in the amount of \$600,000. (Applause)

IMPERIAL SIR OLFENE: Let me say that Al Menah, for many years, has run a very, very successful paper sale, as you can see and is not that great when they can come in with \$600,000 from just one of them? Thank you very, very much.

NOBLE JOHN W. LASHER [Potentate, Zem Zem Temple]: You know, Imperial Sir, it makes me feel a little bit humble being up here when all of these other Temples are giving such large amounts of money. However, we are new at this paper crusade but we are very happy to present a check for \$15,000 from Zem Zem Temple. Thank you. (Applause)

NOBLE HOWARD BOZEMAN [Kerbela Temple]: I am Howard Bozeman.

Last evening, Imperial Sir Gene Bracewell delegated to me to attend the Association of Shrine Oriental Bands, a group of distinguished people who march in our parades and entertain us. I went there for the purpose of receiving from this Association a gift for our hospitals. This year that gift amounted to \$55,001.11 and in the past few years it now exceeds over \$600,000 that the Association of Shrine Oriental Bands has given to our crippled childrens hospitals.

I think we should recognize Mr. Edward Sanders, who is the current President, for his leadership in that effort. (Applause)

IMPERIAL SIR OLFENE: Thank you very much.

Now, are there any others who desire to come forward at this time for check presentations to the hospital corporation?

I believe, Imperial Sir, for the time being, that completes the check presentations. However, I would like to ask the Finance and Accounts or Controller, if, by any chance, they have run a tabulation on these donations? Well, Imperial Sir, I understand they are in the process of doing that.

IMPERIAL POTENTATE BRACEWELL: Thank you very much, Imperial Sir Olfene. We probably need perhaps some additional funds to purchase new batteries for the Committee on Finance and Accounts and their computer.

NOBLE HENNING: We have made a computation, Imperial Sir, and the computation indicates \$8,409,000 worth of new money.

IMPERIAL POTENTATE BRACEWELL: That is certainly terrific.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE BRACEWELL: Moving right along, at this time the Chair would entertain nominations for the President of the Colorado Corporation for the coming year. The Chair recognizes Imperial Sir Robert Turley.

IMPERIAL SIR TURLEY: Imperial Sir, I would like to take a moment of personal privilege and say that I am not one of the Trustees they were talking about here. This is my twenty-sixth Session and I have been an Imperial Representative and Emeritus Representative for many years.

Now, having said that, I am going to do what I told you I was going to do—I am going to nominate for the Office of President of the Colorado Corporation a man who has served well in this office to which you elected him last year and who, with your continued support, will continue to serve you well.

I have already told you about his qualifications and certainly shall not repeat them but, Imperial Sir, I now nominate for President of the Colorado Corporation and Chairman of the Board of Trustees, Imperial Sir Richard B. Olfene.

IMPERIAL POTENTATE BRACEWELL: Thank you very much.

Are there other nominations? Are there other nominations? Are there other nominations? If not, I declare the nominations closed. (Gavel)

All in favor of electing Imperial Sir Richard B. Olfene as President of the Colorado Corporation please say aye; opposed. It is unanimously carried.

Now, Imperial Sir Olfene, do you accept?

IMPERIAL SIR OLFENE: Imperial Potentate and My Fellow Representatives, I do accept and, as my nominator said, I will continue to do my very best for our great hospital program. Thank you so very, very much.

IMPERIAL POTENTATE BRACEWELL: Thank you very much.

The Chair now recognizes our Imperial Recorder.

IMPERIAL SIR JONES: Imperial Sir, I nominate the following persons to serve as officers of the Colorado Corporation.

Walker S. Kisselburgh, Chairman, Board of Directors.

Richard B. Olfene, President.

Dr. Russell H. Anthony, First Vice President.

Imperial Sir Voris King, Second Vice President.

Webber C. Harrington, Treasurer.
Edward G. McMullan, C.D., Secretary.
George W. Powell, Assistant Secretary.
I would so move, Imperial Sir.

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: You have heard the motion and the second.
All in favor please say aye; opposed no. It is unanimously carried.
Will you please proceed, Jack.

IMPERIAL SIR JONES: Imperial Sir, I nominate the following persons be elected Directors of the Colorado Corporation, Shriners Hospitals for Crippled Children.

Imperial Potentate Walker S. Kisselburgh.
Deputy Imperial Potentate, Russell H. Anthony.
Imperial Chief Rabban, Voris King.
Imperial Assistant Rabban, Edward G. McMullan, C.D.
Imperial High Priest and Prophet, George W. Powell.
Imperial Oriental Guide, Joseph P. Padgett.
Imperial Treasurer, Webber C. Harrington.
Imperial Recorder, Jack H. Jones.
Imperial First Ceremonial Master, John W. Dean.
Imperial Second Ceremonial Master, Everett M. Evans.
Imperial Marshal, Richard Bukey.
Imperial Captain of the Guard, Burton E. Ravellette.
Imperial Outer Guard, Robert B. Bailey.

Junior Past Imperial Potentate, Gene Bracewell.
Chairman of the Board of Trustees, Richard B. Olfene.

IMPERIAL POTENTATE BRACEWELL: Thank you very much, Jack.

That has been moved and seconded, all in favor say aye; opposed no. It is so carried and thank you very much, Jack.

... Business was transacted in the Iowa Corporation at this time ...

... The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was recessed at four twenty-five o'clock p.m. ...

MORNING SESSION
FRIDAY, JULY 5, 1985
EIGHT-THIRTY O'CLOCK A.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened at the Atlanta Hilton Hotel, Atlanta, Georgia, at eight-thirty o'clock a.m., Imperial Potentate Gene Bracewell presiding.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE BRACEWELL: The Chair will recognize Imperial Sir Everett Evans.

IMPERIAL SIR EVANS: Thank you, Imperial Sir.

Yesterday, when item 18 was brought up concerning amendment to Section 507.2 of Article 7, I believe that at least on the platform there were some people that wanted to speak against it and there were some people that wanted to speak for it.

Now, I do not wish to recall or bring it up or anything, I think the Representatives have spoken, but I am glad you are covering this because one of our colleagues down there, and Emeritus Member, Illustrious Sir Ed Maag, spoke against it and he voted to table or asked for a motion to table before anybody else could speak.

To prevent this from happening again, I hope that the ruling you are giving now, that something cannot be tabled until at least two opponents speak on it, will prevail because a lot of the Representatives out there rely on Jurisprudence and Laws to keep tabling from happening until due consideration has been given.

What I am trying to say is that yesterday, when this issue was considered, I do not believe we had sufficient debate on it.

... Sporadic applause ensued at this point ...

IMPERIAL POTENTATE BRACEWELL: Do you want to comment, Walt?

NOBLE PETTIT: As I understand it, that does not require, at this point in time, a comment.

IMPERIAL SIR EVANS: Imperial Sir, just a moment, I would like to have a ruling on it.

NOBLE WALTER PETTIT: Imperial Sir, you have a Parliamentarian with respect to those matters themselves and if you wish to have a ruling, I would appreciate you calling on the Parliamentarian and not Jurisprudence and Laws for this purpose.

IMPERIAL POTENTATE BRACEWELL: Thank you very much. You know, I am sure delighted to be here this morning. (Laughter)

At any rate, Everett has made a very good point and, Judge, if you would like, I would like to have you give us a ruling.

As I understand it, the Judge, our Parliamentarian, will study this and, if there is no objection at this point, I will give him an opportunity to work on it and we will get back to it.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE BRACEWELL: The Chair would at this time recognize Judge Charles Wofford, our Parliamentarian, for a ruling on the question presented by Imperial Sir Everett Evans.

NOBLE CHARLES WOFFORD [Parliamentarian]: Imperial Sir, Imperial Sirs and My Brother Nobles: The ruling is that the Imperial Sir, Everett Evans, is absolutely correct.

The Iowa Bylaws, Section 101.5(f) require that on any motion to amend the Bylaws at least two opponents, if there be that many, have at least five minutes to speak against the motion. This means two proponents as well. This ruling applies when a motion is made, even, like a motion to table.

We have adopted Robert's Rules of Order but if there is a conflict between Robert's Rules of Order and our special Bylaw provisions, the Bylaw provisions would prevail.

IMPERIAL POTENTATE BRACEWELL: Thank you very much, Judge. We appreciate that ruling.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE BRACEWELL: At this time the Chair would like to recognize Ed Maag.

ILLUSTRIOUS SIR EDWARD MAAG: My Fellow Representatives, shortly before the presentation regarding the new Temple in Wisconsin, our Parliamentarian for this meeting, Judge Wofford, made a ruling to you concerning a motion which I made yesterday.

I have in my hand this ruling and I would like to read it to you. "Imperial Sir and Imperial Sirs: Imperial Sir Everett is absolutely correct. The Iowa Bylaws, Section 101.5(f) requires that on any motion to amend the Bylaws, at least two opponents, if there be that many, have had at least five minutes to speak against the motion. This means two proponents as well. This ruling applies when a motion is made even like a motion to table." Have I fairly quoted you, sir?

NOBLE WOFFORD [Parliamentarian]: Yes.

NOBLE EDWARD MAAG: Now, Representatives, I am a lawyer and I live by the law. I love the law—I love to write it, love to live by it and love to obey it. However, I do not like to apply the laws of the Iowa Corporation to the proceedings of the Colorado Corporation.

Item 18 of yesterday was a proposal to amend the Bylaws of the Colorado Corporation. Section 101.5(f) of the Iowa Corporation is totally inapplicable and I would ask a ruling of the Chair to declare that Robert's Rules of Order, in accordance with the provisions of Section 501.4 of the Bylaws of the Colorado Corporation applies and that my motion to table was appropriate under Robert's Rules of Order. (Applause)

IMPERIAL POTENTATE BRACEWELL: At this time, I would like to recognize General Counsel, Ted Corsones. (Laughter)

You know, Ted told me at the beginning of the Session yesterday, he said, "I am with you through thick and thin." If it gets to thick, I am bowing out. (Laughter)

NOBLE THEODORE CORSONES [General Counsel]: You know, I tried to go to the bathroom (laughter) and I think it is more than a "whisper" time. (Laughter and applause)

You know, lawyers pride themselves in being the final judge on all proceedings but I tell you who really is the final judge in all proceedings and that is you, the members of the Imperial Council.

First of all, let us commend Everett Evans, who is not a lawyer but probably after calling our attention to some of these matters, should be referred to Jurisprudence and Laws. That is nice, that somebody says, "Hey, let us take time to look at this."

Now, it is true that Section 105.5 or whatever it is, is in the Iowa Corporation but if you look through your Bylaws of the Iowa and Colorado Corporations, you will see that there is an interrelationship through and through. This matter that was under the Colorado Corporation intended to apply to Iowa matters as well.

Now, our Imperial Bylaws provide that we shall live by Robert's Rules of Order unless we have something in our Bylaws.

There is no doubt in my mind, though it might be embarrassing to me as well as a lawyer, that Everett had called to our attention the spirit of the Iowa Bylaws which also concerns Colorado Bylaws as well.

You know, let me illustrate in this way. A proponent puts something into the Call. He has thought about it for a year or so. It is in the Call. The proponent would like to have an opportunity to have it discussed and voted on, either up or down, one way or the other.

Sometimes, with a parliamentary move, you are just frustrated and it is my considered opinion that the entire intent of inserting this Section into the Iowa Bylaws was to apply to matters that refer to the Iowa Bylaws, so that you would have at least two opponents, which means you would alternate because, if I give you Robert's Rules of Order, it provides that the Chair should recognize from the floor, insofar as possible, an alternate, between those favoring and those opposing the measure.

NOBLE EDWARD MAAG: Excuse me, sir.

IMPERIAL POTENTATE BRACEWELL: Just a moment, Ed, let us let General Counsel finish and then you will have ample time to rebut.

NOBLE THEODORE CORSONES: This means to me that when you have a proponent, you have an opponent, you have a proponent, you have an opponent and then you have complied with the spirit of the Bylaws and if you think General Counsel is wrong, the final appeal goes to you. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you, Ted. I will now again recognize Ed Maag.

NOBLE EDWARD MAAG: I am going to say this one more time.

I never ever yesterday in this Session ever made a motion to table on any proposition in the Iowa Corporation. Do you understand that? It was item 18 in the Colorado Corporation with regard to the President of the corporation, who was eligible in the Colorado Corporation. I made no motion to table in Iowa. It was a proposal to amend the Colorado Bylaws, not the Iowa Bylaws, and I respectfully disagree with General Counsel that you can either by spirit or letter apply the Bylaws of the Iowa Corporation to the Colorado Corporation. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you, Ed.

I would like to ask a question.

I am not a lawyer or a Parliamentarian but the word was refute earlier. However, anyway, there is one way to settle things and I am going to ask the proponent of item 18 if he feels he is happy with what he has heard or if you want to make a motion to bring it off the table and get it back for a vote, we can do that.

NOBLE EDWARD MAAG: Imperial Sir, I have asked for a ruling of the Chair.

I have asked for a ruling of the Chair on the issue that I raised—that it was inappropriate for the Parliamentarian to apply the Iowa Corporation Bylaws quoted by him to the proceedings in the Colorado Corporation. That is my point—that the basis for the Parliamentarian's ruling was that 101.5 of the Iowa Bylaws applied and I say, as a lawyer, you cannot apply the Bylaws of one corporation to the Bylaws of another. It just ain't so. (Applause)

IMPERIAL POTENTATE BRACEWELL: The Chair is going to respond.

As a lawyer you may be correct but in all fairness, I do not agree with you. (Applause) That is the way I feel about it, Ed. Now, would you like me to take another step?

NOBLE EDWARD MAAG: Imperial Sir, if I understand you, you have made a ruling that you support, as Chair, the Parliamentarian's application of the Iowa Bylaws to debate in the Colorado Corporation?

IMPERIAL POTENTATE BRACEWELL: I support the Parliamentarian, support the Chairman of the Jurisprudence and Laws Committee and support General Counsel. I am with them.

NOBLE EDWARD MAAG: I have not heard the Chairman of the Jurisprudence and Laws Committee rule on the propriety of applying the Iowa Bylaws to the Colorado Corporation debate.

IMPERIAL POTENTATE BRACEWELL: The Chair will now recognize Bob Turley.

IMPERIAL SIR TURLEY: Well, I am going to rise, Imperial Sir, to a point of order.

We have a lot of work to do in this Session and a whole lot more to do than to debate academic questions.

There is really no reason to have this debate. (Cheers and applause)

The motion was made yesterday and there is a perfectly proper parliamentary way to bring it back if it is to be brought back and I say that it is out of order for any Representative to raise and argue academic and moot points. (Applause)

NOBLE EDWARD MAAG: Well, if he rules that way, it is okay.

IMPERIAL POTENTATE BRACEWELL: I will rule that his point of order which he raised is out of order. (Applause)

IMPERIAL SIR EVANS: Imperial Sir, let me say that satisfied me and I am happy. (Applause)

IMPERIAL POTENTATE BRACEWELL: And if you are happy, I am delighted. (Laughter)

I would now like to proceed to something refreshing, at least for the moment.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE BRACEWELL: At this time the Chair would like to recognize Imperial Sir Jack Dean.

IMPERIAL SIR DEAN: Imperial Sir, Imperial Sirs, Most Worshipful and Right Worshipful Grand Masters, Illustrious Sirs and My Fellow Representatives: I would like to have the Potentate of Alee Temple come up here first and then I would also like to have stand right behind him the Potentates of Al Kaly, Ben Ali, El Bekal and Islam Temples. Each of these Temples has attained in excess of 100 percent in our Hundred Million Dollar Club.

Now, we want to do this a little bit differently this time.

Alee Temple made it last year and they received their trophy. It was presented by the Chairman of the EWG Committee, or the Deputy Imperial Potentate and we did not have the trophy here at that time.

Three of these Temples made it just since we received our last report. We called again today to make sure as to those who had made it.

I should personally thank Alee Temple for having made it last year and being for the second time in Shrinedom 100 percent in relation to the Hundred Million Dollar Club. Congratulations.

I would also like to point out that Sabbar Temple, who was the first, is still number one. They have 132 percent. However, Alee is closing in on them because they are up to 119 percent.

Further, Ben Ali has 111 percent, Al Kaly has 102 percent, Islam has 102 percent and El Bekal has 101 percent. We intend to see that each of these Temples get their trophy with the proper ceremonies but I do think they deserve an extra round of applause for the work they have done.

... Rising applause ensued ...

IMPERIAL SIR DEAN: Again, I would just like to point out one other thing and that is that you may have noticed that three of these Temples are from the State of California.

However, perhaps this may induce some of the other Temples to pick up their enthusiasm and maybe we can keep this going. Thank you very much.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE BRACEWELL: At this time the Chair would like to recognize Imperial Sir Richard B. Olfene, Chairman of the Board of Trustees. I understand we have additional presentations to be made for our hospitals.

IMPERIAL SIR OLFENE: This gentleman was not prepared yesterday to make a presentation to the hospital corporation and I now ask that he do so.

NOBLE DONALD L. WAGNER [Potentate, Elf Khurafeh Temple]: Imperial Sir and Imperial Sirs and Fellow Representatives, we have been in the paper sale business now approximately eight years and have contributed, and I cannot give you the number right now, but in March we turned over to the hospital Unit in Chicago, \$105,000 and this check that I will present today will represent about one-third of what we will contribute during the rest of this year. Therefore, at this time, I would like to present Imperial Sir Olfene with a check for \$50,000. (Applause)

NOBLE PETER C. FRIEND [Potentate, Anah Temple]: Imperial Sir Dick, Imperial Sir, Worshipful Grand Masters, Representatives and Nobles All: My check is a good deal smaller in both size and amount. This is the first year we have taken on our own circus and hopefully, from now on, our checks are going to be larger and more often.

... Presentation of check to Imperial Sir Olfene and applause ensued ...

IMPERIAL SIR OLFENE: Thank you very much.

NOBLE L. R. HOCKING [Potentate, Moslem Temple]: Imperial Sir, with this donation, since that last Imperial Session, in our child care program, we have donated the sum of \$715,390 to the hospital transportation fund. Thank you.

IMPERIAL SIR OLFENE: Leroy, thank you very much. (Applause)

IMPERIAL POTENTATE BRACEWELL: Is there anyone who has any additional presentations? If so, please step forward.

IMPERIAL SIR OLFENE: Representatives, the gentleman stepping up here now, I am sure, is no stranger to you at all. You all heard him yesterday. Let us see how he is doing today.

NOBLE TOM BOLES [Potentate, Al Malaikah Temple]: Imperial Sir, Illustrious Sirs and Wonderful Delegates: (Applause) You know, I am getting my voice back and it is a wonderful feeling because watching these presentations does touch one's heart.

You know, we have, in one of our Shrine Clubs, a little group. This group of gentlemen, and there are twenty-four of them, they prepare steak dinners for anyone in the neighborhood. These men have, for many years, given Shriners Hospitals \$5,000 per year, the balance of which they have put into their treasury.

I just received, before I left to come to this convention, the formal commitment, the note indicates that these men have given to Shriners Hospitals for Crippled Children, to date, \$250,000 and I would like to have all of you just join with me in my appreciation to these men for cooking those steaks every night—\$250,000. Thank you very much. (Applause)

NOBLE M. E. EMERY [Cairo Temple]: Imperial Dick, on behalf of Cairo Temple, Bektash Temple and Mount Sinai Temple, I am happy to present this check for \$137,000, the proceeds from our Vermont-New Hampshire Shrine Maple Sugar Bowl Game. (Applause)

IMPERIAL SIR OLFENE: Thank you very, very much.

Are there others? There are no further presentations, Imperial Sir, so I turn it back to you.

IMPERIAL POTENTATE BRACEWELL: The Chair will now recognize Noble Judge Cooper.

NOBLE COOPER [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws, Item Number 19 on the Call of the Annual Session of 1985, located on page 42 of the Call. It is a proposal to amend subsection (a) of Section 508.8 of Article 8 of the Bylaws of the Imperial Council, a Colorado Corporation, so that it will read as follows:

ARTICLE 8 Board of Trustees

Section 508.8 Trustee Emeritus

(a) Except as to those serving as a Trustee on July 1, 1964, a member shall not be eligible for election who has passed his seventy-second birthday. A Noble shall not be eligible for appointment to fill a vacancy in the Board of Trustees, resulting from death, resignation or otherwise, who has passed his seventy-second birthday. A Trustee who is retired by reason of his age, or who after having passed his seventy-second birthday voluntarily retires, shall be elevated to the position of Trustee Emeritus if he has served as Trustee for not less than nine years. A Trustee Emeritus receives all notices of meetings and may participate in discussions but he may not vote. This Section shall not apply to those officers listed in Section 508.2(a).

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE AND
LAWS
Walter Pettit, Chairman
Robert E. Cooper

Theodore Corsones
Robert C. Lake
Gerald L. Davis
Kenneth D. Siegfried
J. M. Tingle

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Thomas E. Lucas, the proponent, for an appropriate motion.

IMPERIAL POTENTATE BRACEWELL: The Chair recognizes Illustrious Sir Thomas Lucas.

ILLUSTRIOUS SIR THOMAS LUCAS: Representatives of the Imperial Council, I move the adoption of this legislation and would like to have the opportunity to speak first on it, sir.

IMPERIAL POTENTATE BRACEWELL: You have heard the motion, do I hear a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: The motion has been seconded and I again recognize Illustrious Sir Lucas.

ILLUSTRIOUS SIR LUCAS: Imperial Sir, Imperial Sirs, Representatives and Nobles: Several years ago this is exactly the same legislation that appeared in the Code of the Colorado Corporation, some seven years ago, and I would suggest you go back to it for this reason.

I know, for example, that many men are old at age fifty, some are young at age eighty. In our hospitals throughout the country, on our Boards, we appoint people up to seventy-two years of age to the Hospital Board and why should not we have the same privilege on our Board of our hospital.

If a man has the expertise, knowledge and know-how and he is sixty-five years of age, why should not we use him.

What I am asking you to do here is to give yourselves the opportunity, if you happen to be in the bracket of sixty-nine and seventy and can serve a year or two and give some expertise to our great cause, why should you be limited by the restriction saying that after a certain age you cannot be appointed to it?

It is just that simple. I would leave it with you that way.

If you think you are old, vote against it. If you still think you are young, vote for it. (Laughter)

IMPERIAL POTENTATE BRACEWELL: Thank you.

Is there further discussion on this motion? Is there anyone who desires to speak in opposition?

... The question was called for ...

IMPERIAL POTENTATE BRACEWELL: The question has been called for.

All in favor say aye; those opposed. One more time.

All in favor say aye; those opposed no. I declare the motion passed by the necessary two-thirds majority as indicated and dictated by our Bylaws.

AFTERNOON SESSION FRIDAY, JULY 5, 1985 TWO O'CLOCK P.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened at the Atlanta Hilton Hotel, Atlanta, Georgia, at two o'clock p.m., Imperial Potentate Gene Bracewell presiding.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE BRACEWELL: At this time I would like to recognize Imperial Sir Richard B. Olfene, Chairman of the Board of Trustees, Shriners Hospitals for Crippled Children, who will give us a report in relation to the status of our hospitals at this time.

IMPERIAL SIR RICHARD B. OLFENE: Imperial Sir, Imperial Sirs, and Fellow Representa-

tives: As required by the Bylaws, the President of the corporation gives an annual report to you and, in the process of that report today, I hope you will grant me permission to present some persons who are non-Representatives and unless I hear objection to that, I shall proceed.

My report today is going to be in a rather different form than you may have heard in past years and, at the outset, I do have a very pleasant duty to perform.

I have a gentleman sitting up here and, at this point, I would like to have this gentleman brought to the front of the stage, if you please.

Now, Imperial Sir, Imperial Sirs and Fellow Representatives: Excellence is sought, it is written about, sometimes it is achieved.

For the Shriners Burns Institute at Cincinnati, excellence is a watchword. For Noble Dr. Bruce G. MacMillan, Chief of Staff Emeritus, it has been a lifetime purpose.

Dr. MacMillan grew up only a few blocks from where the Shrine Burns Institute now stands in Cincinnati. In the early days, his father felt his talents were well suited for woodworking but Bruce MacMillan carried his quest for excellence into medical school at the University of Cincinnati, where he trained with Dr. William Aldmeyer, a noted surgeon and burns researcher. His dedication to helping heal people was intense.

While teaching at the University of Cincinnati Medical Center in the mid-fifties, this young physician could have easily avoided military service. However, instead, he chose to serve his country by working in the surgical research unit at Brook Army Medical Center at Fort Sam Houston, Texas.

Following that experience, his desire to continue in burn care was advanced by the authority position to direct the burns center at the University of Cincinnati General Hospital.

In the meantime, the Shriners Hospitals of North America had approved a resolution presented to them at the Imperial Council on July 4th, Independence Day, 1962, to establish burns care in the expansion of services provided by Shriners Hospitals for Crippled Children.

When the Shriners decided to turn their philanthropic endeavors to helping children fight the crippling effects of burn injuries, the greatest philanthropy in the world sought locations affiliated with universities of outstanding medical education and research facilities.

Committees from Syrian Temple worked feverishly with the University of Cincinnati and local officials to assure Cincinnati being chosen to be one of the three sites of the new hospital and on February 1, 1961, Noble Dr. Bruce G. MacMillan became the first Chief of Staff at the Cincinnati Unit.

While ground was being broken, foundation and quarters poured, he began an interim Shriners Unit by leasing seven pediatric beds in the ten-bed burn and trauma unit at Cincinnati General Hospital.

In 1968, he moved his seven patients into the new Shriners Hospital at the corner of Goodman Street and Eden Avenue. The thirty-bed burns center was underway.

It would be extremely difficult to document the many achievements he has made during his lifetime. More than 165 articles, chapters and books have been written and at least 100 visitors from all over the world have consulted with him regarding the Burns Units and dozens of physicians have been trained in burn care.

He was a founding member and served as President of the American Burns Association. He also received the Harvey Stuart Allen Distinguished Service Award in 1963 and he has just returned from Sicily, where he was the recipient of an international award for recognizing the activities of the most qualified experts from all countries in the world concerning burn pathology and treatment.

Also, let us not forget that along the way Bruce had received the distinguished Eagle Scout Award. However, for Dr. MacMillan, his real accomplishment has been the more than 3,500 children he has helped in his stint at the Cincinnati Unit. These children, many of whom continue to call and write him of their personal and professional successes, represent the heart of what the Shrine philanthropy is all about and the excellence that Dr. Bruce G. MacMillan has spent a lifetime to achieve.

Well, he surprised his father, who thought he would become a carpenter but, instead, he became a Mason. He was coronated a Thirty-Third Degree Scottish Rite Mason in 1979. He

has proven his commitment to all as a Shriner, as well as being a committed physician, father and humanitarian.

Dr. Bruce MacMillan retired as Chief of Staff and the only Chief of Staff we ever had at the Cincinnati Unit. He retired on May 1, but his contributions, his work and his example of excellence remain for others to follow.

Fellow Representatives, would you greet warmly this great, great Shriner, this great gentleman, Dr. Bruce MacMillan.

... Rising applause ensued ...

Dr. Bruce, you and your lovely lady, Jeanette, at least you are going to have a new profession. It is called retirement and we from the National Board of Trustees and Directors and all of your great friends throughout Shrinedom wish you a long continued life of good health, good fun and have some great times that you so richly deserve.

In behalf of all of us, I want to present you this plaque that has been prepared. It is only a small token by itself but it says everything on here—and I am going to show it to him first—and then I am going to show it to you because he has not yet seen it.

This is an oil portrait of Dr. MacMillan in his medical smock, with the burns label of the institute and the whole thing.

It indicates that the Board of Trustees and Board of Directors, Shriners Hospitals for Crippled Children, in recognition of his twenty-one years of tireless devotion, understanding, dedication and service, and recognizing his position as the original Chief of Staff, Shriners Cincinnati Burns Unit, do hereby unanimously appoint Bruce G. MacMillan, M.D., to the position of Emeritus Chief of Staff and on behalf of Shriners of North America, as well as crippled and burned children everywhere, we express our sincere appreciation, gratitude and respect.

This is presented on July 5, 1985, at Atlanta, Georgia, and is signed by Gene Bracewell, Imperial Potentate and myself as Chairman of the Board of Trustees.

We wish you the very best, Bruce.

... Presentation of plaque and applause ensued ...

IMPERIAL SIR OLFENE: Now, he says he wants to say something to you fellows and I am going to give him that privilege, if you do not mind.

DR. BRUCE MACMILLAN: It has been a real privilege and pleasure over the past twenty-one years to be in a position to serve the Shriners of North America and, as we have heard, the Shriners of North America are unique in that they support the world's greatest medical philanthropy.

It has been a real pleasure to carry this program on and I think the important thing is that while we have completed twenty-one years in Cincinnati, we are looking forward to the next twenty-one and with the new hospitals and new programs, we are going to make even further progress than we have today.

I thank you all so very, very much.

... Rising cheers and applause ensued ...

IMPERIAL SIR OLFENE: Thank you so very much, Doctor.

He and his wife flew down this morning and they are going back later in the day but I know he will be more than welcome to remain here and I am also sure that many of your good friends would like to speak to you at the conclusion of this Session.

Nobles, I will now continue and, with your pleasure, I hope you will allow me the continued courtesy of later on introducing one or two other persons in relation to my program.

Now, I am not going to repeat all of the things that have previously been said and printed, including the message in the Annual Report as to the status of our present hospital system and about our plans to reconstruct and rebuild those Units that have already been identified. However, I do know that many of you are awaiting anxiously to know what we have decided or what action has been taken on ten additional hospitals that have been spoken about on many occasions here, as to how the Priority Committee reported on these physical plants.

Now, let me read to you exactly the words that were taken up and approved by your Joint Boards at a recent meeting here in Atlanta so that each of you who is particularly interested in your Units back home will know exactly where we stand.

First, the committee, meaning the Planning Committee, heard the report of the Special

Committee on Hospital Priority needs which was presented by its Chairman, Webber Harrington.

Having heard the recommendation of the committee, the Planning Committee made the following recommendations to the Joint Boards, which were unanimously adopted:

1. That the Springfield, Spokane, Philadelphia, Twin Cities and Cincinnati Unit buildings be replaced on a schedule which is consistent with the capabilities of the Building and Equipment Committee to supervise construction.
2. That current efforts of the Building and Equipment Committee to increase its capacity to supervise construction be supported.
3. That the parking facilities at the Intermountain Unit be expanded and that General Counsel engage outside counsel to attempt to obtain a clear and meaningful title to the property on which the Intermountain Unit is located, even to the extent of seeking legislation to clear such title.
4. That the Mexico City Unit proceed with its previously authorized study of the feasibility of renovating its facility.
5. That the master plan of the St. Louis Unit be modified along the lines of reports submitted by Karlsberger and Associates of April 11, 1985, and that an appropriate committee work with the St. Louis Unit and Karlsberger to develop plans for renovation of that Unit, taking into consideration a forthcoming report of the Research Committee that is on a pending proposal for extended research.
6. That an appropriate committee work with the Galveston Unit to develop a remodeling and expansion plan to include additional space for patient care, research parking and a bridge to the University of Texas Medical Branch.
7. That the Boston Unit be not relocated to a different site but that an appropriate committee investigate the feasibility of enlarging the present building by either construction or addition of additional storage or the purchase of adjacent property.

I know many of you were quite interested to know of our action and I felt it was only proper to tell you exactly the action that has been taken regarding these Units and we believe we are now on our way. (Applause)

You see, we are in a very, very competitive market. Nothing changes more quickly than the health care field and we must change with it, not only with it but ahead of it. We must be in advance of the technology. We must be on top of everything today because, gentlemen, I want to tell you, in my opinion, why we are successful. We are successful because we have people such as Bruce MacMillan and others throughout our whole organization that allow us to turn out the best finished product. We can talk about free care and we can talk about love of the child in the hospital but the name of the game is that we must turn out the best finished product.

You know, it is like the salesman. If you have a superior product, you do not have a lot of trouble selling it; but if it is a product that everyone on the street has, then you have to scramble like the devil to make a living.

The secret, we believe, is to have good plans all within the financial ability to handle this.

I would like to also tell you that as long as I hold this job and you allow me to hold it, I guarantee you one thing that, over my dead body, will I ever let us get into deficit spending. We are here to pay as we go and nobody wants to see us get into a position that our country is in from a fiscal standpoint. (Applause)

As an additional note here, let me say that I did call on my Congressional Delegation in relation to this situation in Washington and I told them that if they did not know how to run a program of spending money in this country on a basis of pay as you go, then I thought they might like to come and look at the Shrine of North America, and I think that is what we should all work toward.

Now, with that in mind, not only is it the physical plants we need, because brick and mortar are only the wall that holds the building up, but it is the people that you put inside that facility which is the real issue, people of high quality, such as you have just met in the person of Dr. MacMillan, and I am sure we are going to be able to have you meet one or two more.

Also, speaking of people who are the leaders and guide the thing, I have a great respect for every Board of Governors throughout our system and, gentlemen, I am going to ask those of

you who serve on the Boards of Governors, will you just please rise so we can recognize all of you fellows. Are there some of you in the audience? Will you please rise?

Fellows, let us give them a great big hand. (Applause)

Also, I want to ask if there are any Board Chairmen in the room, would you stand so we can see you. (Applause)

You know, those are the fellows who really work. You do not know what it is to be a Board Chairman unless you have been one. They are in their hospital almost every day.

At any rate, we do owe them a great deal of thanks because they all work so very hard. (Applause)

Well, Noble, we are in good shape. We have a lot of things left to do but I am going to tell you that working together, the Fraternity and this great hospital program, there is not anything we cannot do—there is nothing that I can foresee that we cannot do in order to continue to be the leaders in the health care field concerning young children with crippling and burn injuries.

At this time, I would now like to have another gentleman brought to the stage. He is a doctor in one of our Units and I want him to tell you what we are doing in connection with one of these Units.

I will ask that this gentleman be brought up here at this time. He is going to put on a very brief presentation for you and it is going to show you what your efforts and all the fund raising that you do for us, how they pay off.

Therefore, I want to have you meet at this time, the Chief of Staff of our Boston Burns Units, Dr. John P. Remensnyder and I also want to tell you that he is not only an outstanding physician but he is also one hell of a good fellow.

Now, John, with that brief introduction, would you just kind of give us a little idea of what you think or show us what can be done in relation to a particular case? (Applause)

DR. JOHN P. REMENSNYDER: Thank you very much, Mr. Olfene.

I am grateful for this opportunity of being able to talk with you this afternoon, particularly as the Chief of Staff of one of your Burns Units, I would like to express the gratitude of all of us on the medical staffs of all your Burns Units for your magnificent and continuing generosity and support in helping us take care of the burned children in absolutely the best way possible.

Now, if I may, I would like to show you what we are doing and if I can have the lights off, please, and the first slide, I will proceed.

Let me first say that Mr. Olfene has asked me to tell you the story of one of our patients whom we took care of at the Boston Unit about fifteen years ago.

I am sure that all of you are aware of the extensive injuries and scars that these major burns cause and I am sure that many of you, at times, have even asked yourselves as to what kind of lives these children do lead after surviving some of these bad burns and whether or not these scars actually doom them to a life of crippling and deformity.

What I would like to do for the next few moments is to tell you about Terry Dahlquist, who suffered extensive burns in 1970—how she was treated, she survived, and then I would like to speculate a little bit as to what we would do in 1985 and then finally have a look at the kind of life that she has led during adolescence and into young womanhood.

Terry was twelve years old when she was severely burned in a high school chemistry laboratory explosion at Springfield, Massachusetts. She was brought directly to the Shriners Burns Institute at Boston and after initial treatment she was placed in a laminar flow isolation unit, where she remained for the next three months.

Her burns destroyed over seventy-five percent of her body, and you can see the burns here in this slide, a side view and, in addition, she had a severe inhalation burn of the lungs, which necessitated a tracheostomy and I think you can see the tube at the top of the slide there.

You also have to remember that in 1970, virtually nobody survived this devastating combination of injuries—an intensive burn and an inhalation injury of this magnitude.

In the four months that Terry was at the Boston Unit, she had repeated operations in which the destroyed skin was removed and then replaced with her own remaining skin or skin taken from our own skin bank.

Here you can see her partially healed, about two months along.

The black that you see there is a silver nitrate stain on the skin and also you can still see some unhealed areas there.

She was gradually covered and, of course, she recovered but not before she had undergone ten operations. She required forty-two units of whole blood and this young lady spent twenty-one hours under anesthesia—almost a full day, to receive this.

After three months, here she is coming out of the isolation unit with her parents, obviously overjoyed.

Terry, at this time, was perhaps the only survivor that had been that intensively burned. However, today we rather routinely expect to see children with burns of this size and they do survive on a regular basis.

Now, I think it is worth a moment just to see what changes have occurred in the past fifteen years in order to allow us to accomplish this.

We have had new knowledge and new techniques that are coming out as a direct result of laboratory investigation and laboratories directed and supported by the Shrine and these are then translated into improved patient care by an absolutely incredibly devoted group of nurses and doctors in our institutes.

For instance, the skin bank. The first operational skin bank in the world was established at the Boston Unit. Here you see Mr. Walters, who is the Director of it, putting down some new skin into the freezer and with continued research, we preserve cadaver skin to be used as temporary wound coverage in extensively burned children.

Nutritional support. Research in all of the institutes has demonstrated the profound nutritional need of the burned child by using especially compounded intravenous fluids, which I think you can see the nurse hanging up in that picture. We can maintain a severely burned child in good nutritional health until we can finally get them helped.

A third major advance, and you have heard about this in the press, is that we are now able to grow the patient's own skin in the laboratory. After a decade of research, or even more, we are able to take small snips of unburned skin from a massively burned child, send it over to the laboratory and grow thin sheets of skin in two to three weeks, which we can then use as a skin graft.

In the upper corner there on the left you will see a group of bottles and these bottles are in various stages of growing skin and then, finally, in the lower right-hand corner is the pink sheets of skin we can use to cover these children.

This technique, as a matter of fact, was first used in Boston two years ago to save the lives of two brothers, ages five and seven, who were recently burned in Casper, Wyoming over ninety-four and ninety-six percent of their bodies.

These are just three of the many techniques that are emerging in our research laboratories to help us take care of burned children.

Now, I would like to get back to Terry for a moment and see what has been happening to her after she was initially healed and what kind of life she eventually led.

After the first healing, Terry was badly scarred and, unfortunately, one of the things that a burn scar does is that it tends to shrink and contract and can produce the most incredible contractures and, as you can see here, she had a contracture of the neck, which ties her skin solidly to the chest and you can imagine just trying to move with that band of scar there.

This happened just a few months after her initial healing.

Now, an operation is obviously necessary and the first of her many reconstructive procedures was to release the neck contracture and you can see here two weeks after the release the new skin graft. Nothing has been removed from that prior picture. We simply made an incision to open up, lay in the new skin graft and a couple of weeks later I think you can see the rather pleasing results we were able to achieve from this release.

Now, overall, Terry has required sixteen more reconstructive procedures to get rid of the scar contractures and her scarring problems.

Here she is, for example, during one of her many admissions with the play group. She is the little girl at the top of the picture, kind of leading the way there.

In the first sixteen operations that have been required over the years, she has had 220 days

of hospitalization and forty-five hours of anesthesia, almost two days of sleep for her operations.

Here she is, finally, in August of 1983, showing good mobility and freedom, though she still has considerable scarring.

Well, after this, how has Terry done? What kind of life has she led? Again, what is the quality of life these children lead?

Terry is actually an outstanding example of how a person can not only survive a potentially lethal burn but they can go through repetitive reconstructive procedures and then go on and lead an active and productive life.

Well, she went on to finish high school in Springfield and then a year of college. On the 18th of February, 1978, she married Craig Dolphus. Here we see Terry and Craig on a vacation in Florida. Her grandmother is in the background and there is a little bicycle they have there.

Melissa was born not too long after and Melissa and Terry came back for a clinic visit to the Boston Clinic and then Craig Jr., turned up and here are the two of them in Springfield.

Terry and Craig live in Springfield, where he has just finished three years at the University of Massachusetts and Terry plans to return to Springfield Community College this fall, especially now that their children are a little bit older.

Now, Terry's story is not just an isolated success story even though it is a very gratifying one.

She tells the story that has been repeated many times over in our patients at the Burns Institute, who have survived major burns.

We have found in follow-up stories of our patients burned in childhood, that we have been able to follow for more than fifteen years at a time, that they regularly make good excellent psycho-social, educational, vocational and other life adjustments.

However, I would like to say that none of this would be possible without the tremendous continuing support you of the Shrine bring to the twin goals of the best possible patient care and the fine research to advance even further that patient care.

Now, Dick, I will turn it back to you at this time. (Applause)

IMPERIAL SIR OLFENE: Was not that interesting to hear what Dr. Remensnyder had to tell us and show us relative to a case of putting a girl involved with a very severe burn injury into a lifestyle of marriage and children.

Now, my fellow Nobles, I want you to meet Terry, accompanied by the Chairman of the Boston Burns Board, Fred Spencer.

... Rising applause ensued as Terry was escorted to the podium ...

IMPERIAL SIR OLFENE: Now, Nobles, Terry said to me "I am nervous" (laughter) and I replied, "Really? Come over here and I will get rid of that, we will take care of that." However, Terry, I know you may want to say a couple of things to these Nobles, which you and I have previously talked about.

She is just a marvelous woman and initially, to use the expression, she just went through hell but she is now such a lovely mother and with nice kids and a husband.

Also, Terry teaches at the present time. Perhaps you would just like to say a few words about how you feel and, well, I am not going to put words into your mouth.

MS. TERRY DAHLQUIST: I merely wish to say "thank you." (Applause)

IMPERIAL SIR OLFENE: Well, Nobles, this is your finished product and, again, she has been very helpful to others, as she was telling me about.

Now, perhaps I should say that she is involved with helping people who have cosmetic problems in the makeup field. Terry uses makeup to cover the burns and scars and she participates in regional meetings to help other people in the same condition.

I know that she is going to do much more than that. However, Terry and her husband are both here. They are going to be around for today and I also would like to ask you to let me have the liberty of having them stay over one day.

Now, if you see her in the lobby and want to chat with her, she would just love to do it and I think she is a little nervous and thank you, Terry, for coming up here today and the very, very best to you.

... Further rising applause ensued ...

IMPERIAL SIR OLFENE: Well, gentlemen, that is what it is all about.

Now, to continue a little bit and talk about brick and mortar, and I know you have heard it

all, I want you to see a finished product, an example of a truly high quality finished product and, thanks to you and all of the Nobles throughout this great jurisdiction, we are able to do it.

I also want to, at this moment, express particular thanks to those in our National Staff Headquarters, our Executive Administrator, our Director of Medical Affairs, and all of these other fine staff members.

Now, while I hesitate to mention individual names because I may get myself in trouble I do want to recognize our Executive Vice President, Lew Molnar who, without his help, I do not know of anyone who could do this job. Lew, are you on the stage? Stand up. He is just such an energetic and knowledgeable fellow. (Applause)

Now, gentlemen, I am going to close my report to you with a story. I think it is very appropriate for you and I both.

This is a story that is told about this old Indian tribe in the Himalaya Mountains. This group was led for many, many years by an old, old leader. However, several of the younger members of the tribe were getting very, very restless because they thought the old leader was not making the proper types of decisions. They thought he was not up with things and they really just wanted a change. However, because of the fact that this tribe did not have the democratic process of the ballot box but, rather, had the process much the same as the King and Queen of England, a succession of the family, these young men knew there was no way they could vote him out of office.

Well, as they were discussing the situation, one of the young fellows said, "I know how we can get rid of the old man."

He was then asked by one of the other members of the group, "How do you propose to do that?" He replied, "Well, as you know, he is a very proud old man and if we can only embarrass him before his own people, I think he would feel so terrible about it he would resign as our leader." Then someone asked, "Well, how do you propose to embarrass him?" The young man again replied, "Well, I have thought of that and here is what we will do."

"We will go outside of the Village and in the bush we will capture ourselves a very, very small bird. This bird will be so small that when you put it in your hand and place your hand over the top you will have totally concealed the bird. Now, with the bird concealed and with all the members of the tribe present, we will confront the old man and with the bird held covered in my hand I will say to him, 'Old Man, tell me, what do I have in my hand?' Now, if he says it is anything but a bird, I will just open my hands and identify the bird and he, in turn, will have guessed wrong. This, in turn, will embarrass him before all of his tribesmen and there is a possibility he might resign."

Well, the other fellow spoke up and said, "Well, wait a moment. Suppose he guesses there is a bird in your hand, what are you going to do?" The other lad replied, "Well, I have also thought of that. I will ask him then 'Tell me, Old Leader, is the bird alive or dead?' If he tells me the bird is dead, I will just open my hand and let it fly away and, again he will be embarrassed. If, however, by chance he guesses that the bird is alive, I will press on the neck of the bird and crush it and kill the bird and then, when I open my hand again, he will still be embarrassed."

Well, this sounded like a good experiment to all of these young fellows and so they went into the bush, captured themselves a small bird and then began to look for the old man. They found him seated at the bottom of a hill and with the bird concealed in his hand, the young fellow stepped forward and said, "Old Man, Old Man, tell me what I have in my hand." Well, the old man thought for a moment and then he said, "You have a bird in your hand."

The young fellow replied, "Yes, Old Leader, you are right, I do have a bird. However, tell me this—is the bird alive?" The old leader again thought for a moment and he said, "The fate of that bird is in your hands."

I tell you this story to also illustrate that today the fate of the Shrine and its program is in your hands and I am convinced totally that with the great leadership that you provide and the work of the 900,000 Nobles of North America, that our hospital program is wide open, it is alive and it will rise to great heights.

Imperial Sir, I would suggest and recommend the acceptance of this report. (Applause)

IMPERIAL POTENTATE BRACEWELL: Thank you, Imperial Sir.

Is there a second to the motion?

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: You have heard the motion, which has been duly seconded. All in favor say aye; opposed. It carries and thank you, Dick, for a great report and a job well done.

Now, at this point we would like to move ahead in relation to some other legislative matters and at this time I will call on Judge Cooper.

NOBLE COOPER [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws, Item Number 17 on the Call of the Annual Session of 1985, located on page 41 of the Call. It is a proposal to amend Section 503.5 of Article 3 of the Bylaws of the Imperial Council, a Colorado Corporation, so that it will read as follows:

ARTICLE 3

Powers

Section 503.5 Memorializing of Individuals.

The use of the individual name of any person living or dead on or about any building owned by this corporation or any of its affiliated corporations for the purpose of memorializing such individual, or his connection or assistance with the construction, establishment or operation of any such building may be allowed in an interior section of such building as provided in the Hospital Regulations.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE AND
LAWS

Walter Pettit, Chairman
Robert E. Cooper
Theodore Corsones
Robert C. Lake
Gerald L. Davis
Kenneth D. Siegfried
J. M. Tingle

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Imperial Sir Walker S. Kisselburgh, proponent, for an appropriate motion.

IMPERIAL POTENTATE BRACEWELL: Thank you, Judge.

The Chair now recognizes Imperial Sir Walker Kisselburgh.

IMPERIAL SIR KISSELBURGH: Imperial Sir, I would move for the adoption of this legislation.

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: It has been moved and seconded that this legislation be adopted. Is there any discussion?

IMPERIAL SIR KISSELBURGH: Imperial Sir, I would like to discuss this piece of legislation.

As you know, I have been the Chairman of the Endowments, Wills and Gifts Committee for the past five or six years and fund raising has been a very important part of my life this last seven or eight years for Shriners Hospitals for Crippled Children.

I have always felt that we have been in a very, very highly competitive nature concerning fund raising with one hand tied behind our backs and that one hand tied behind our backs concerns the prohibition of memorialization in our hospitals.

Now, please let me first clarify the word "memorialization" insofar as I am concerned.

Now, first of all, I am not standing up here to tell you that I believe in the plastering of the entire walls of our hospitals with names, plaques, etc., but what I am in favor of is amplifying the Gold Book theory, where, for example, you have a dignified section of our hospital with the proper wall behind it that will attractively take a suitable name plate.

Now, also, when I use the word, "plaque," please do not think in your minds that we are

talking about the type of plaques that you saw awarded on the stage here a little while ago. I have nothing like that in mind.

This legislation has the unanimous support of the Joint Boards of Directors and Trustees and of our EWG Committee.

To further explain.

Up until now, we have been unable to accept a number of very substantial contributions and bequests inasmuch as the donors insist on having their names on a plate rather than having it merely entered into the particular hospital's Gold Book.

Now, one of the individuals desiring such recognition before making a bequest is an eighty-six year old Noble of Tebala Temple of Rockford, Illinois. This Noble has stated he knows all about the Gold Book procedure but has expressed strong feelings that with substantial gifts, more recognition should be given. This particular bequest would involve a gift of \$1 million.

Presently, under the existing Bylaw provisions, we would be unable to accommodate the desires of these people.

Also, I should advise you that the operating costs of our hospitals are facing continued inflationary pressures. In addition, we are facing pressures from other hospitals advertising for patients. Further, we need to accommodate the larger donors in meeting our operating expenses.

We have already found that since the Tax Reform Act of 1984, our real estate donations have been greatly reduced inasmuch as such donations now require "qualified appraisals," sales reporting by the charity and tax penalties to the donor on overvaluations of charitable gifts.

We already have in place a proposed hospital regulation which, if this legislation were enacted, would apply only in relation to those exceptional gifts and when requested by our benefactors, a plate or marker would be placed in an appropriate, specified interior portion of the hospital under the direct control of the Board of Trustees.

Now, I would like to read to you the change in hospital regulation 115.3, "Donor Recognition Plaques and Gold Book." I would like to read the portion of that we would adopt if you adopt this resolution.

It would say: "Under exceptional circumstances, after receiving permission of the local Board of Governors, the Board of Trustees may, by resolution, authorize plaques, tablets or other markers evidencing receipt of substantial gifts or bequests and memorializing the donor to be installed or erected in an appropriate interior portion of a Unit. The consent of the Board of Trustees is to be evidenced in writing over the signature of the Chairman of the Board of Trustees."

That would be the hospital regulation concerning this issue and, of course, it could be changed at a moment's notice if we find that this regulation or this resolution should not be working properly.

With that, again, Imperial Sir, I would move for adoption of this resolution and I hope you would support this legislation.

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: You have before you the motion and the second, which is to adopt the proposed legislation. Is there any discussion?

... The question on the motion was severally called for ...

IMPERIAL POTENTATE BRACEWELL: The question has been called for.

All in favor say aye; opposed no. The motion carries by the necessary two-thirds majority.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE BRACEWELL: At this time I would like to recognize Mervin Henning, Chairman of the Finance and Accounts Committee, for his appropriate report.

NOBLE HENNING: Imperial Potentate Gene Bracewell, Imperial Officers and Representatives:

IMPERIAL POTENTATE BRACEWELL: Congratulations, Merv, on the great job you have done this year as Chairman of the Finance and Accounts Committee. We appreciate your efforts so very, very much.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE BRACEWELL: At this time the Chair will recognize Imperial Sir Robert Turley for a report.

IMPERIAL SIR TURLEY: Imperial Sir, Imperial Sirs and Fellow Members of the Colorado Corporation:

In 1981, at New Orleans, you adopted a resolution directing the Board of Trustees to establish a new orthopaedic hospital in the Tampa Bay area. That resolution requires a report from year to year on progress and this is the 1985 report of the Tampa Unit Special Committee.

I am pleased to tell you that the task is almost accomplished.

For the benefit of those of you who are here for the first time, we have been four years in the accomplishment of this task and are pleased to bring you the report of progress to date.

We have an affiliation agreement with the University of South Florida and its Medical College. We have a ninety-year lease at \$1 per year for a site on the university campus.

We have a fine, young Chief of Staff, Dr. John Ogden, formerly Chief of Orthopaedics at Yale University.

We have a dedicated and well organized Board of Governors with Representatives from all of the Temples in Florida and South Georgia, led by its Chairman, Daniel R. Manrique, a Past Potentate of Egypt Temple.

We have an experienced Administrator, Gene Yeazell, formerly Administrator of the Chicago Unit.

We have the nucleus of our staff already employed and after some difficulties, the completion and occupancy of our new building is almost at hand.

Last week the medical and administrative staffs of the Tampa Unit moved into their new quarters. Construction of the patient care area continues. We expect to be ready for the Health Services Administration in mid to late August. Thereafter we plan to admit patients in September and then to hold dedication ceremonies for the new Tampa Hospital on October 5th.

A job of this magnitude cannot be done without the untiring efforts of many people and in your name I would like to thank them all.

My special thanks to those who have served as members of the Tampa Unit Committee during all or part of the last four years—Dick Olfene, Dr. H'Doubler, Bill Mattison and Burt Ravellette.

I would also like to thank in your name two people who have done yeoman service for the new hospital:

The first of these is Gene Bracewell, who was the Chairman of the Building and Equipment Committee when we first started working with an architect. He worked with us throughout all of the programs of this Unit and then into the schematic design and development phases. When we went into the contract development phases, he and his Building and Equipment Committee took over all of the job of constructing this Unit.

Then, of course, during the last year, Woody Bennett has carried on and they are both entitled to your thanks and gratitude.

Furthermore, this job could not have been accomplished without the cooperation and work of our Central Office Staff, especially Lew Molnar, our Executive Vice President; Paul Ibach as Assistant General Counsel; Dr. Frank Stelling our Medical Director and Ann McGrath, our Executive Administrator.

Now, if I can have the lights lowered a bit, I would like to take you on a short tour of your new Tampa Unit. Remember, it is not quite complete.

[Slide]: This is outside of the front entrance of the new Tampa Unit.

[Slide]: Here you see the entryway, the hall or entryway into the Unit.

[Slide]: The lobby area.

[Slide]: This is an examining room. I hope you can see the door.

We have the doors of each of these outpatient examining rooms decorated with different birds or animals from Florida.

[Slide]: This picture is not upside down. That is the operating suite and those are the lights that will be used for surgery.

[Slide]: This is the central activity area in which the patients will have their meals, play and have group activities.

[Slide]: This is a large atrium that will also be used for the children as an indoor play area and it will be covered with louvers and exhaust fans to cool it.

[Slide]: This is outside the patient care area. Those patient rooms look out over a lake.

[Slide]: This is outside the central activity area.

[Slide]: This is an overall view from the northwest looking toward the building. This hospital is at the end of Pine Drive but near Thirtieth Street, which is a very heavily traveled street. From Thirtieth Street across, a small lake may be seen.

[Slide]: And this reads, like in our other Units, "To the glory of God and to all humankind regardless of race, color or creed, these Shriners Hospitals for Crippled Children are dedicated."

Mr. Chairman, I would like to move you, Imperial Sir, adoption of this report.

... The motion was duly seconded ...

IMPERIAL POTENTATE BRACEWELL: All in favor please say aye; opposed. The motion is carried.

Again, Bob, thank you so very much for a wonderful report.

Needless to say, I know all of us are happy to see this hospital ready to come on line.

IMPERIAL POTENTATE BRACEWELL: I would like to recognize Imperial Sir Richard B. Olfene.

IMPERIAL SIR OLFENE: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs and Representatives, I thought you would enjoy a comment that was given to me this morning.

Just before coming to this meeting, I called Terry Dahlquist down in her room and in the course of conversation as to what she was doing, I asked her what she did last evening. She said, "We went to the Shriners parade and then, with some friends, we ended up our evening at the Top of the Peach Tree Plaza Hotel, looking over the city." She further then said, "You know, I was so high up and so high from the wonderful respect and response that you gave me, that while I was up there, I thought God was waiting on me."

Thank you very much. (Applause)

**ANNUAL REPORT OF WEBBER C. HARRINGTON
TREASURER, SHRINERS HOSPITALS FOR CRIPPLED CHILDREN**

JANUARY 1-DECEMBER 31, 1984

Imperial Potentate Gene Bracewell, Board of Trustees of Shriners Hospitals for Crippled Children and Members of the Imperial Council, A.A.O.N.M.S. at the One Hundred Eleventh Annual Imperial Council Session at Atlanta, Georgia, July, 1985.

IMPERIAL SIRs, ILLUSTRIOUS SIRs AND NOBLES:

The comments in this report should be considered in conjunction with a careful review of the report of our auditors, KMG Main Hurdman, which shows the financial position, results of operations and supplementary data regarding Shriners Hospitals for Crippled Children.

I reported to you last year that we were continuing to fine tune our financial projections so that we were operating on a sound financial basis and planning our future building and expansion of programs in a manner which was realistic and within our financial capabilities. I am pleased to tell you that our financial projections for the year 1984 were very close to actual. Therefore I believe that we are proceeding on a solid basis with respect to our current operations and the continued rebuilding of our hospitals.

The following schedule summarizes the principal of our endowment fund at December 31, 1984 and 1983.

	1984	1983
Cash and cash equivalents	\$ 8,902,138	\$ 2,347,386
Temporary investments	77,459,651	80,548,687
Securities	1,342,202,880	1,226,790,839
Mortgages, real estate and miscellaneous	58,612,522	50,164,455
	<u>1,487,177,191</u>	<u>1,359,851,367</u>
Less Liabilities	4,370,866	4,193,847
	<u>\$1,482,806,325</u>	<u>\$1,355,657,520</u>
Consisting of:		
Funds held for transfer	\$ 85,615,003	\$ 80,548,687
Designated and restricted for investment	1,397,191,322	1,275,108,833
	<u>\$1,482,806,325</u>	<u>\$1,355,657,520</u>

The increase in the endowment fund was attributable to the following:

Life memberships	\$ 216,617
Unrestricted gifts and bequests (Exclusive of \$326,459 to current operations)	99,844,145
Restricted gifts and bequests	2,759,241
Net gains from investments (Exclusive of \$55,500 to capital reserve)	27,143,766
Other income (net)	167,876
Interfund transfers (net)	(1,689,625)
Foreign currency translation and exchange losses	(1,293,215)
Net increase in fund balance	<u>\$127,148,805</u>

SHRINERS HOSPITAL

The market value of our investment securities continued to be considerably higher than the carrying value. However, the excess did decrease in 1984, principally due to market fluctuations, as shown below:

	<i>Market Value</i>	<i>Carrying Value</i>	<i>Excess of Market Over Carrying Value</i>
1984	\$1,464,363,335	\$1,342,202,880	\$ 122,160,455
1983	1,372,714,088	1,226,790,839	145,923,249
Increase (Decrease)	<u>\$ 91,649,247</u>	<u>\$ 115,412,041</u>	<u>\$ (23,762,794)</u>

The Investment Committee, has continued to explore ways to increase the income on our endowment fund. The committee is currently instituting a cash management program, and considering a covered call option overwriting program and directed brokerage or some other method of reducing our brokerage expense on securities transactions. The Committee continued the careful monitoring of our investment managers and the consolidation of certain investment accounts, which resulted in reducing the expense of management and enhancing the net income on the investment portfolio.

I also am pleased to report to you that a fixed asset system has been installed during the past year whereby all significant plant and equipment items have been inventoried and tagged by American Appraisal Company. The complete inventory was entered on our computer in Tampa, and will be kept updated as future additions and deletions occur.

Through the combined efforts of the Budget, Investment and Planning Committees, together with the Executive Vice President, Controller and Treasurer, the financial condition of Shriners Hospitals for Crippled Children has been thoroughly reviewed by the Joint Boards on several occasions during the year. This has been a very healthy exchange of views and has resulted in well informed Boards. Many of the financial matters which we have discussed during the year will be reported by the respective committees and officers during the Imperial Council session.

Respectfully submitted,

Yours in the Faith,

WEBBER C. HARRINGTON, *Treasurer*
Shriners Hospitals for Crippled Children

THE BOARD OF DIRECTORS

SHRINERS HOSPITALS FOR CRIPPLED CHILDREN

We have examined the combined balance sheet of Shriners Hospitals for Crippled Children as of December 31, 1984 and 1983, and the related combined statements of revenues, expenses, and changes in fund balance and of changes in financial position for the years then ended. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

It is the Hospitals' usual policy to recognize gains and losses on securities transactions only at the time of sale. However, as more fully described in Note 8 to the combined financial statements, the Hospitals recognized certain securities gains in 1983 even though the securities had not been sold.

In our opinion, except for the recognition of certain unrealized gains from securities in 1983 as discussed in the preceding paragraph, such financial statements present fairly the combined financial position of Shriners Hospitals for Crippled Children at December 31, 1984 and 1983, and the combined results of their operations and the combined changes in their financial position for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

NOTES TO COMBINED FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Combined Organizations—The combined financial statements include the accounts of the following Shriners Hospitals for Crippled Children organizations:

Shriners Hospitals for Crippled Children, a Colorado Corporation
Shriners Hospitals for Crippled Children, a Canadian Corporation
The Shriners' Hospital for Crippled Children, a Massachusetts Corporation
Shriners Hospitals for Crippled Children, a Mexican Association
Shriners Hospitals for Crippled Children (Quebec) Inc.

All organizations are exempt from federal income taxes.

Gifts and Bequests—Assets received by gift or bequest are recorded at estimated market value at date of receipt. The values of bequests in the process of administration are not included in these financial statements. Income earned by estates during administration is treated as a part of the bequest.

Gifts or bequests made for the exclusive use of a particular hospital are transferred to the operating account of that unit and an equal amount is transferred from revenues designated for operations to investments.

Securities—Marketable equity securities are carried at the lower of aggregate cost (or estimated market value at date of receipt) or market determined at the balance sheet date. The cost of marketable equity securities sold is based on average cost. Other securities are carried at cost (or estimated market value at date of receipt).

Property, Plant and Equipment—Property, plant and equipment are carried at cost, if purchased, or at estimated market value at date of receipt if acquired by gift. Depreciation is computed using the straight-line method. When significant assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts, and any resulting gain or loss is recognized currently. The cost of maintenance and repairs is charged to expense as incurred whereas significant renewals and betterments are capitalized. Deduction is made for significant retirements resulting from renewals or betterments.

Deferred Charges—The Hospitals sometimes incur legal fees, taxes and other expenses in connection with obtaining gifts and bequests. These costs are deferred and charged against revenues upon receipt of the gift or bequest.

Inventories—Inventories are stated at the lower of cost (first-in, first-out method) or market.

Pension Costs—The Hospitals fund pension costs accrued on its noncontributory pension plans covering substantially all U. S. and Mexican employees.

Funds Designated and Restricted for Investment—The Hospitals, under policy established by the Board of Directors, designate for investment, receipts from gifts, bequests and gains from investment sales; generally only the income from the investments is used for operations. Receipts from gifts and bequests are designated as funds held for transfer pending permanent investment.

The Hospitals do not generally maintain separate accounting records for funds restricted by outside sources since their policy is to retain gifts and bequests for investment purposes. Management does not believe that the total of funds restricted by outside sources and retained for investment is significant in relation to total investments.

Foreign Currency Translation—Foreign currency transactions and financial statements are initially translated into the currency in which the Organization conducts its business ("functional currency"). Gains and losses resulting from such translations are included in the determination of excess of revenues over expenses for the period

NOTES TO COMBINED FINANCIAL STATEMENTS

(Continued)

in which the exchange rate changes. The functional currency financial statements are subsequently translated into U.S. dollars using current exchange rates, and these gains and losses are accumulated in the balance sheet caption, "Cumulative foreign currency translation adjustments," a separate component of fund balance.

2. MARKETABLE EQUITY SECURITIES

	1984	1983	Rates
Buildings and improvements	\$2,387,525	\$2,049,872	2.5 to 3.4 percent

Total charged to expense	<u>\$4,376,367</u>	<u>\$3,758,359</u>	

During 1984, the Shreveport unit was demolished to provide for construction of a new replacement unit on the same property. The \$772,609 carrying value of the unit has been written off and charged to other nonoperating expenses. Additionally, plans for a proposed renovation of the Cincinnati unit were abandoned and related costs incurred (principally architectural services) of \$512,401 have been charged to other nonoperating expenses.

4. CAPITAL RESERVE FUND

The Capital Reserve Fund is used for property, plant and equipment expenditures. The Hospitals fund depreciation by a cash transfer from operations to the

Capital Reserve Fund. All investment income of the Capital Reserve Fund is retained within the fund.

The Board of Directors approved transfers of \$14,000,000 and \$25,000,000 from funds designated for operations to the Capital Reserve Fund in 1984 and 1983, respectively. These transfers were made to fund future hospital construction.

Construction and major renovations committed to by the Board of Directors totalled \$66,592,541 at December 31, 1984. The following summarizes these commitments:

<i>Unit</i>	<i>Nature</i>	<i>Total Appropriation</i>	<i>Unexpended</i>

Tampa	New unit	18,000,000	2,486,786
Other	Renovation and expansion	5,464,538	3,036,873
		<u>\$120,688,538</u>	<u>\$66,592,541</u>

The renovation of the Montreal unit will be paid from Canadian funds presently designated for investment.

5. TRANSACTIONS WITH THE IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA

The Shriners Hospitals for Crippled Children organizations were founded by the IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA (Imperial Council). Hospital assessments, donations and other receipts are collected and remitted to the Hospitals by the Imperial Council.

The National Headquarters building and equipment is owned by Shriners Hospitals for Crippled Children. A portion of the building is occupied by the Imperial Council which bears a share of the operating costs and depreciation of the building and equipment. The allocation of the cost is based upon the portion of the building occupied by the Imperial Council in relation to the total occupied space in the building.

The Hospitals and the Imperial Council also share other costs based on the estimated value received by each organization.

Amounts of \$184,827 and \$(116,933) were due from (to) the Imperial Council as of December 31, 1984 and 1983, respectively.

6. RETIREMENT PLANS

The employees of U. S. hospitals are included in the Shriners Hospitals for Crippled Children Revised Retirement Plan. A contribution was not required for the year ended December 31, 1983 due to changes in the actuarial assumptions for expected earnings on investments of the retirement plan. This change had the effect of decreasing 1983 expenses by \$1,622,609. A contribution was also not required for the year ended December 31, 1984 due to additional changes in the actuarial assumptions for expected salary increases and expected earnings on investments of the plan. This change had the effect of decreasing current year expense by \$1,312,158. The Hospitals

NOTES TO COMBINED FINANCIAL STATEMENTS

(Continued)

have no past service liability. At June 30, 1984 and 1983, information regarding the Plan is as follows:

	1984	1983
Actuarial present value of accumulated benefits:		
Vested	\$12,811,025	\$11,258,705
Nonvested	290,836	251,682
	<u>\$13,101,861</u>	<u>\$11,510,387</u>
Net assets available for benefits	<u>\$23,624,823</u>	<u>\$27,483,653</u>

The weighted average assumed rate of return used in determining the actuarial present value of accumulated plan benefits was 9% for 1984 and 1983.

Canadian hospital employees are included in provincial government retirement programs.

Employees of the Mexico City unit are included in the Shriners Hospitals for Crippled Children Retirement Plan for Mexico City employees. There was no unfunded vested accrued liability as of June 30, 1984 or 1983.

7. OTHER LIABILITIES

Other liabilities at December 31, 1984 and 1983, include annuities payable of \$1,371,430 and \$1,192,178, respectively, under certain deferred compensation agreements with staff doctors. An asset equal to the liability is included in mortgages, real estate, and miscellaneous assets in the investments category of the accompanying combined balance sheet.

Also included in other liabilities are annuities of \$2,994,687 and \$2,996,250 at December 31, 1984 and 1983, respectively, payable to beneficiaries of various donors. By agreement, the Hospitals are required to pay specified annual amounts to these beneficiaries during their lifetime.

8. RECOGNITION OF GAINS ON SECURITIES

Gains and losses from securities transactions are normally recorded only at the time of sale. However, in connection with the transfer of certain securities between investment management accounts, gains in the amount of \$13,523,035 were recognized during 1983, even though the securities were not actually sold. The recording of these gains had the effect of overstating the carrying value of investments and overstating the gains realized on investments by the same amount.

9. CONTINGENCIES

The Hospitals are a party to various claims and legal actions arising in the ordinary course of business. In the opinion of management, all such matters are adequately covered by insurance, or if not covered, are without merit or are of such kind, or involve such amounts that unfavorable disposition would not have a material effect on the financial position of the Hospitals.
